SPONSOR...

At a “regular” UM Secondary School in Liberia or Sierra Leone:
A year of support ($240.00) includes:
• A year of tuition
• Assistance with program costs at the student’s school
• Assistance with school supplies

At the Taama Enterprise Academy:
No school like this exists in West Africa. As far as we know, no school like this exists ANYWHERE in Africa. A year of support at the TEA ($750.00) includes:
• A year of tuition
• Room and Board
• Assistance with program costs at the TEA
• Provision of School Supplies

In either case, you will have the opportunity for a relationship with your sponsored student. Note: to protect your privacy, all communication goes through the OC office.

Maybe most importantly, your student will come to know that he or she is God’s beloved child, that he or she has value, and that God has a purpose for their life.

Our goal at OC is that you have the opportunity to continue the relationship with your sponsored student throughout their secondary school career.
