Tennis

Pro's Corner

Summer has come and almost gone here at the tennis center. July was a very exciting month for some of our adult & junior tennis players. During late June we had 7 of our Berry Creek junior tennis players competing in a sectional championship in Beaumont. These young tennis competitors along with Coach Trey Baring and their parents were there for the ride of their life. This team blew many of its first opponents out of the water all the way to the finals. In the finals they faced a team from Houston that pushed them all the way to the end, literally to a tie breaker of the mixed doubles teams, which consequently was the team that had just lost a tie breaker that brought the match to another TIE BREAKING tie breaker. I can only imagine the tension that the players, coach and parents were feeling as they watched our mixed doubles team of Parker Kallman & Samantha Miller. The team was comprised of Zach and Samantha Miller, Stephen Sieckmann, Cole Isbell, Parker Kallman, Sophia Namee & Jessica Strait. They won the Sectional Championship! They are now headed to Lake Nona, Florida to play in the Junior Team Tennis National Championships in late September. Lake Nona is the new home of American Tennis. It is a brand new 100 court facility near Orlando that has been built to help and host all kinds of national championships.

Also in July Makenzie Byfield won a Challenger tennis tournament in Dallas. That makes Makenzie is a Champ level player and will be competing at an even higher level now. Makenzie brought home 1st place without dropping a set in any of her matches. Congrats to you "Mac"

Also coached by COTY (Coach of the Year) Trey Baring was our ladies 2.5 team. They were playing in the local league finals which qualified them to head to on the USTA Texas Sectionals in Dallas in August. The team is filled with ladies from Berry Creek like Jami Bocella, Connie Wallace, Kristen Winegar, Kelly Boerckel, Karla Brawner & Jackie Tischler. Best of Luck to these ladies at the sectionals.

The Junior Sectional Champions!

Meet the New GM - Patrick Criminger

I was born and raised in the Carolina's. I began my Club career at the Asheville City Club at the age of eighteen. From there I went to the Greensboro City Club for a little over eight years. Then I joined ClubCorp at the Akron City Club as a Captain and a brief time later I transferred to Silver Lake Country Club as their Service Director. From here I was promoted to Food and Beverage Director at Woodside Plantation in Aiken, South Carolina. Then to The Hills of Lakeway in Austin, Texas as Operation's Manager. In 2008, I was appointed as the General Manager at Lost Creek Country Club also in Austin, Texas. After six years at Lost Creek I returned to the Carolina's as the General Manager at TPC Piper Glen Country Club, a new acquisition property. After two years there and leading TPC Piper Glen to unparalleled membership growth and success I returned to Texas as General Manager at Pebble Creek Country Club in College Station, Texas. The Great State of Texas is certainly my home now and I could not stay away for long!

I have two beautiful daughters, Taylor age fourteen and Emma age eleven. Both are great students and the heart of my life. I enjoy spending any time away from work with my daughters. I also love everything about the game of golf and I look forward to playing with you, our Membership.

I have met many Members in my first five days and thank you all very much for the great welcome that I received. I look forward to serving you, our Members, and working hard towards the goals of Berry Creek Country Club.

Sincerely, Patrick Criminger
