LEADERSHIP DEVELOPMENT AND SUPPORT CONSULTANCY
**Introduction**

This 360° feedback report has been designed to give you some specific and structured feedback on your current performance against a detailed leadership competency profile. It gives you a benchmark of how others perceive you and compares that to how you see your own performance.

By making this comparison you can start to identify key areas for development and you will be provided with a development planning document along with this report.

The ratings and comments provided in this report, were given in good faith and with the purpose of helping your self development. Even if you disagree with low ratings or negative comments, you should recognise that it is their perception and work to change it.

A Protostar consultant should be meeting you to go through this report however in any event, if you have questions relating to the report, please email info@protostar-uk.com

Now, start reading the feedback and remember that this is the start of a journey to becoming an even more effective leader.

Excellent and balanced listener, will provide platform for others to express their views.
Listens and then presents well on analysis
Is an effective and thoughtful listener, with a gift

Expresses himself well

In the box below please describe what, in your opinion, Snow White could do differently that would improve your performance in this area?

Others may find reasoning articulation difficult to follow. Consider simplification at times.
I have learnt to ensure that he is specific in his requirements otherwise you find that what you provide does not meet what he thought he asked for.

Listen more
3 - Change Innovation and Adaptability

Considers ideas and encourages others to develop new and innovative ways to improve current activities.

Responds in a professional, flexible and positive manner to a constantly changing environment.

Champions and drives the change initiatives of others, as if were their own initiative.

Analyses and produces plans for complex changes.

Varies support and communication to individuals, based on their comfort with change.

Takes the initiative to seek out and understand the impact of the change on all the key players and proactively address concerns.

Sees downturn periods as an opportunity to make positive changes.

Establishes milestones/key change points and celebrates their achievement.
3 - Change Innovation and Adaptability

In the box below please describe what, in your opinion, Snow White does well in this area?

Does not often appear 'phased' by changing situation
I have struggled with this set of questions. Has too many restrictions within the business to allow creativity or risk.
I believe he would be a risk taker and more creative in a different way.

Has a lot of ideas

In the box below please describe what, in your opinion, Snow White could do differently that would improve your performance in this area?

Needs to give more direction / input to team, and back ideas with action
Look at consistency providing clarity of direction during periods of change/pressure.
Sell the ideas fully
He could improve his enthusiasm for trying out new ways of doing things. He needs to be more comfortable with the possibility of failure.
Could ensure all changes / innovations are driven through to completion. Take more cognisance of ideas from different industries.
Is sometimes so risk adverse that will not consider the option

Be more flexible and open to others ideas
4 - Strategic Planning and Perspective

Understand current and future organisational objectives and translates them into clear operational plans

Communicates the role that their ‘team’ plays in facilitating and achieving the organisation’s objectives

Takes the longer term organisational requirements into account when making decisions

Understands how the political, economic, sociological and technological environment affects organisation’s objectives

Understands the organisation’s mission, vision and values

Proactively manages business challenges and builds a roadmap to see them through

Displays an understanding of what is required of an organisation, to take best advantage of an upturn

Prepares for growth/increased workload well before it occurs
In the box below please describe what, in your opinion, Snow White does well in this area?

Strong at company level little experience of role at Division
He is a great champion for his team within the business and takes every opportunity to explain how well they have done to achieve goals in very adverse circumstances.

In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?

Although happy to take responsibility for improvements a tendency for them not to be driven to completion.
Try to be less "clever" with objectives and goals and be more specific
5 - Thinking and Decision Making

Solves problems by taking a broad view of the situation, stepping back from the detail in order to assess the wider impact.

Collects input from others – valuing their ideas, opinions and contributions.

Makes sound and timely decisions based on consideration of risks, alternatives and practical implications.

Tackles problems and issues in a timely fashion without hesitation.

Demonstrates clarity of thinking, doesn’t appear vague, confused or conflicted.

Understands new information quickly.

Doesn’t get immersed in detail and focuses on what’s important.

Makes hard decisions humanely and fast.

Uses problems as an opportunity to learn and build capabilities within and across the team.

Overcomes hurdles, issues and barriers.
In the box below please describe what, in your opinion, Snow White does well in this area?

Has the ability to think strategically after analysing information and presenting in a understood fashion.
Collecting information from others prior to final decision
Ultimately the decisions taken are good. Does not take a "flyer" but considers all options

In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?

His decision-making and risk assessment is often on the cautious side and this can sometimes be compounded by the deferral of a decision that does not benefit from the delay.
Ensure problems are dealt with in a speedier manner.
Stay out of the detail so as to take a wider view
6 - Planning and Prioritising

Prioritises and monitors own work schedules and that of team members, demonstrating flexibility as new issues arise

Prioritises and monitors own work schedules and that of team members, demonstrating flexibility as team size/structure changes

Demonstrates focus on the objectives and end results

Monitors progress, managing any issues before they reach a critical stage

Develops effective contingency plans

Involves all relevant individuals in producing plans and deciding priorities

Ensures that in times of stress, long term initiatives and decisions are not overwhelmed by short term requirements

Identifies suitable individuals for tasks by analysing their capabilities/potential and delegates effectively

8 - People Management

In the box below please describe what, in your opinion, Snow White does well in this area?

- Gives good recognition and encouragement of key individuals
- Is innately fair in his dealings with people
- Respected leader for personal approach and expertise
- Snow identifies well with high performers and talented individuals and will provide great feedback, recognition and support for their development, both professionally and personally

In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?

- Once judgment has been made on individuals it is difficult for Snow to change his view. This is not a frequent issue but can result in her not seeing the strengths in people.
- Could deal with difficult individuals in a faster manner.
- Try to be more inspirational than dogged
- No comments that would be of help
9 – Organization and “Industry” Knowledge and Awareness

Understands and skillfully navigates the politics of organisational life.

Understands the organisation’s processes and procedures to a sufficient level of detail to successfully manage and plan activities.

Networks with key players in order to build strong relationships with both internal and external ‘customers’

Spends time and energy keeping up to date with market data and trends that affect the overall business.

Understands the relevant financial information and manages budgets and resources within organisation’s guidelines

Keeps up to date on developments within the industry/sector

Keeps up to date on studies/research into what will be required within the industry/sector to succeed in the future
9 – Organisation and “Industry” Knowledge and Awareness

In the box below please describe what, in your opinion, Snow White does well in this area?

Always seeking a better way
Good control and determination in dealing with big challenges
Deals effectively with external customers, able to form and maintain meaningful long relationships.
Always appears logical and fair
Snow has a quiet, calm passion for his part of the business, but lets this shine through at appropriate moments, to great effect. He is also emotionally aware and shows great integrity in addressing these situations.
Good at noticing others emotions and adapting style accordingly.

Very knowledgeable and has in-depth insights of the industry

In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?

Whilst generally positive, periods of prolonged difficulty/stress can impact on behaviour
Feedback not requested frequently
He needs to recognise that people can develop and improve with time, some old dogs can and do learn new tricks. Snow is capable of being the trainer in this regard if he chooses.
I’m not sure whether Snow seeks feedback on his style or not.
Could show more passion
Share what he knows
10 - Emotional Intelligence (EI)

Keeps disruptive emotions and impulses under control
Keeps determined and focused when the going gets tough
Skilfully negotiates and employs a wide range of persuasive tactics to achieve results
Adapts personal style to meet the needs of the individual and the situation
Recognises symptoms of stress in others and addresses swiftly

**In the box below please describe what, in your opinion, Snow White does well in this area?**

- Keeps abreast
- Networking with and promoting company to clients and stakeholders
- Good networker, has made significant penetration within relevant business circles.
- Comfortably in control
- Snow is the class act in terms of managing the formal and informal structures within our organisation
- Understands business structures and politics and has wide network.
- Appears to have a good knowledge of the key players important to the divisions business
- Works within the structure of the HEA procedures and policies. Good commercial knowledge

**In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?**

- Develop networking skills
- Nothing specific
- Needs to work on political skills, not always effective within the internal arena.
- Time management
- He could raise his profile within the infrastructure sector - this has already started but needs to be maintained.
- Could become more of an industry spokesman for relevant income streams.
- Do even more of maintaining contacts with the key players when looking for work rather than only when solving existing problems
- Nothing to add
11 - Business Ethics

Considers ethical issues when setting objective and agreeing to actions.

Is prepared to make tough decisions to ensure that ethical, legal and moral standards are maintained.

Considers health and safety implications when setting and agreeing to actions.

Is open and honest and adheres to policies such as expenses, purchasing, business gifts and others with a potential personal gain.

Is clear about financial processes and that they must be adhered to.

Deals swiftly and decisively with any transgression of a rule, principle or process that could indicate poor integrity.

Ensures that employees whose employment is terminated are treated professionally and with respect.

Hires, promotes, and allocates roles and resources by business need and not personal favouritism or gain.

Reports concerns about ethical situations to senior management.
11 - Business Ethics

In the box below please describe what, in your opinion, Snow White does well in this area?

Always above board
Has integrity and compassion for fellow employees

In the box below please describe what, in your opinion, Snow White could do differently that would improve their performance in this area?

Be objective
Has to step in faster when issues arise
And finally... what one suggestion would you give that would significantly improve Snow White’s performance over the next 12 months?

Be more attentive and in the present

Be more open to ideas, be more supportive of his colleagues.

Build the necessary internal relationships to allow a proactive approach to the role.
To have developed in the role and have a lot more exposure to various aspects of the business which will enable more constructive and proactive actions
The only area for improvement I can suggest is that Snow always considers the bigger picture (in terms of teams) when planning work and ensures adequate notice is given.
Communicate better and follow-up on tasks both

Don't take short cuts
