COVERSTYL

smart interior design

Cover Styl' is a self-adhesive vinyl designed to realistically recreate the look of natural, more expensive materials, appropriate for interior decoration or refurbishment projects.

New life can be brought into furniture and interior surfaces with Cover Styl', as the self-adhesive vinyl offers endless refurbishment opportunities for walls, facades, doors, columns, bars, offices, restaurants, lobbies, bathrooms, hospitals, banks and conference rooms

COVERSTYL

the range

Key Benefits

- Recreates the look of natural materials

- More cost effective than a classic

refurbishment

- Easy, effortless and ultra-fast installation

process

- 10 year guarantee against changes in

appearance

- Heat-stretchable by up to 220%, facilitating a

perfect application on any furniture contour

The Cover Styl' range incorporates hundreds of

patterns, including wood, metallic, solid colours,

glitter, stone, marble, and leather
