

Executive Director's Report: Derek F. Curran

Thank you to the staff, board of directors, members of the corporation, businesses and individuals that helped make 2014 another successful year at the Arlington Boys & Girls Club.

Once again our membership saw growth and our staff continues to come up with innovative programs and activities for our members. The afterschool program and pre-school programs are both at capacity and provide much needed care for the community. The Club kids program which is the heart and soul of the Club has continued to grow and provide a fun, safe place for children to go during non school hours. Each day children have the opportunity to have fun, make new friends and create lasting memories.

Because of tremendous community support this year our annual "Give the Gift" campaign exceeded our goal of \$50,000, the new Trip of a Lifetime raffle was a huge success, and once again fundraisers such as the Christmas tree sale, \$10,000 raffle and golf tournaments all provided valuable resources for the Club.

Thanks again to everyone who made 2014 a successful year for the Arlington Boys & Girls Club!

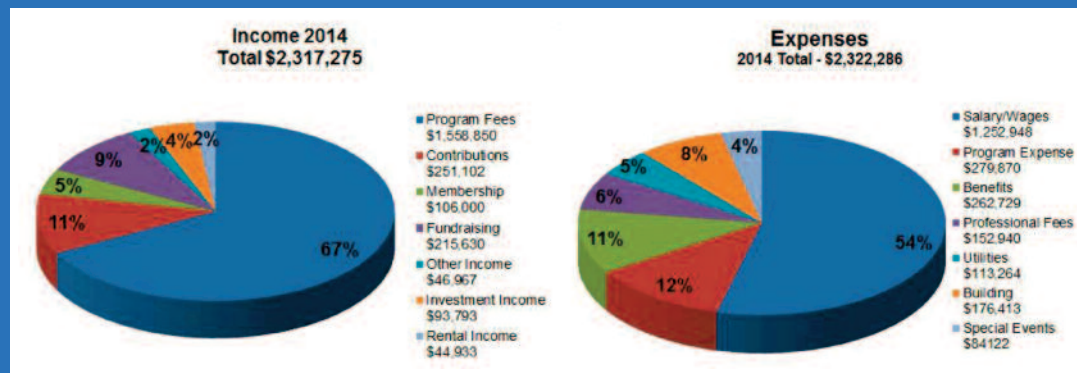

President of the Board of Director's Report: Stephen J. Cunningham

When we think of the club, a lot of us think of the building and its location, a valuable piece of real estate. A beautiful spot by the pond that helps kids grow. We realize that it is those kids that are the real value associated with the building. Just as the location and the pond add to the value of the property, the staff, their programs, and the guidance provided, add to the valuable property at 60 Pond Lane....the kids.
