# Treatment Menu

LITTLE BOOSTS TO MAKE YOUR HAIR AND SCALP FEEL GREAT!

## OUR TREATMENTS

Our wide range of tailored treatments use patented prescriptive luxury ingredients to help repair and revitalise your hair.

Express treatments are available for those of you with little time, or add in a head massage for extra relaxation while we take care of your hair.

If you're not sure, your stylist can help you choose a treatment to suit your hair and scalp.

Treatments can be booked with your styling or colour service and are suitable for almost everyone.\*

\*Please notify your stylist of any existing medical conditions that may be affected by massage.

## TIGI COPYRIGHT SOS EXTREME RECOVERY

Infused with Marine Protein Complex™

Clinically proven to repair internal damage and return hair back to virgin condition in just 5 minutes.

Contains 100 times more keratin than just using shampoo & conditioner.

Increases the flexibility of hair, making hair less prone to breakage.

Gives form and strength to hair fibres, improving body, texture and manageability.

For extremely damaged hair or before a colour service.

£15

## TIGI COPYRIGHT CUSTOM CARE BOOSTERS

### Custom Care™ Repair - Shine - Smooth

1 to 6 pumps of these Intermixable boosters added to the Keratin and Shea Butter infused base to give an entirely customised treatment.

Colour-safe and suitable for all hair types. Formulated boosters are also available for home-care.

- **Acidic pH - 4.0 to 5.0**
- **No artificial colourants**
- **Suitable after every color service**

**£5**

## GHD ADVANCED SPLIT END THERAPY

Scientifically formulated for all hair types, GHD's Advanced Split End Therapy contains a blend of nutrient rich ingredients that help to defend your hair against daily styling and environmental stress.

Utilising a propriety Thermo-Marine Bonding System™, this treatment fills and binds broken hair fibres together, instantly repairing split ends while the Super Nutrient Complex prevents future breakage by surrounding each strand with a protective coating.

Leaving hair feeling stronger and looking sleek and shinier for up to ten shampoos.

Also available for home-care between salon visits.

**£10: Luxury - with 10 min massage**

**£4: Express**

## Nioxin Mini-treatments

**Deep Repair Mask - Delivers deep conditioning, manageability and smoothness. Provides protection by strengthening hair against damage.**

**Diaboost - Increases the thickness of each hair strand. Penetrates the hair shaft for fuller, stronger results.**

**Hair Booster - Delivers an intense boost to areas of low density. Conditions hair and forms a protective barrier against cuticle damage.**

**Night Density Rescue - leave-in treatment promotes hair density by reducing hair fall in 3 months**

**£4 each**

## NIOXIN SCALP RENEW

### Nioxin Scalp Renew\*

**Works like a facial product, but for your scalp!  
Its dermabrasion technology revitalizes your scalp and  
gently exfoliates the scalp.**

**Removes build up around hair follicles.  
Helps accelerate skin surface regeneration by up to  
34 percent compared to untreated skin.**

**Promotes an overall healthy look.**

**\*Not for use with a colour service**

**£15**

## MINI MASK

We have a wide selection of prescriptive hair masks available if you feel your hair just needs a small boost.

Left on for just a few minutes, they will nourish and condition your hair to help it look amazing when you leave the salon.

Your stylist can help you choose.

Most masks are also available for home-care.
