Parish Council News

The Parish Council Meeting on 13th June 2008 was attended by Cllrs D Wooles (Vice Chairman acting as Chairman), Mrs P Bean, Mrs J Calvert, B Parkinson and N Anfield. Clerk Mr B C Taylor (878060). Apologies received from Cllrs D Weston (Chairman) and I Read.

Posts and Rails around Village Green

Some posts require replacement around the Village Green. A quotation has been obtained for their replacement. Work has started on the staining of posts and painting of rails around the green and it is envisaged it will take about a month to complete. The task is being carried out by a student under the supervision of a resident.

Relocation of Mono-Pole from Dasket Hill

A letter is to be sent to Ofcom requesting the testing for emissions from the Mono-Pole to ensure they comply with international guidelines.

Accounts 2007/8

Accounts were presented to the Parish Council and approved for submission to the External Auditors. A Notice is to be posted on the Parish Notice Board informing residents of their rights to inspect and query accounts.

Village of the Year Competition

The application has progressed to the next round and will involve an inspection on 30th June 2008. Residents will be involved to speak on various aspects of village life and there will be particular emphasis placed on different age groups. Given the fact that the inspectors have limited time there will be static displays which they will be able to walk around and look at. The Vice Chairman will give a short address on the Parish Plan and future intentions and the inspectors will then return from further deliberation and a report.

Hand Rails in Calverts Garth

Hand Rails have now been installed after a protracted wait.

Trimming of Growth in Ginnel next to Primary School

The ginnel has now been tidied up and made safer. NYCC are now to resurface during the school summer holidays.

Grass Cutting Contract

Final details have now been agreed with contractors with regard to the areas to be cut. The next cut will be during the week commencing Monday 16th June 2008 and it hoped that the July cut will be undertaken immediately before the inspection for the Village of the Year Competition.

Planning Applications

Application No 08/00074/FUL: Erection of two storey extension to front of existing two storey extension (retrospective application) at 21 Old Mill View, Sheriff Hutton: dated 20/5/08. Approval granted by Ryedale DC.

Application 08/00532/FUL: Ms Linda Harris: Erection of a conservatory at The Oaks, High Stittenham, York YO60 7TL. Parish Councillors agreed to support the application in its present form.

Application 08/00515/FUL: Mr J Cleather. Erection of a 4-bedroom detached dwelling with attached single garage at land adjacent to Halfway House, Main Street, Sheriff Hutton. Parish Councillors agreed to support this application in its present form providing the proposed works do not extend beyond the existing Development Line.

A special meeting was held on Tuesday 3rd June to discuss the following Planning Applications.

08/00376/FUL: Mr John Dickson: Conversion of detached garage/store to two-bedroom self-contained residential annexe (revised details to refusal 07/00050/FUL dated 24/4/07) at 1 Woodend Cottages, Ashbank Lane, High Stittenham, York, North Yorkshire YO60 7TW. Councillors felt that the concerns they expressed when rejecting the original application had not been dealt with and therefore rejected this application.

08/00436/FUL: Mr Ian Overfield: Change of use of part of workshop to form additional office space at Oak Tree House, 10 Alan Farnaby Way, Sheriff Hutton, York, North Yorkshire YO60 6PG. Councillors agreed to support this application in its present form.

Traffic Regulations around Primary School

NYCC have confirmed that a speed restriction of 20 mph is to be installed around the perimeter of the Primary School from West End Lane into Castle View. A report giving dates for the installation will be supplied as soon as they are to hand.

The next Parish Council Meeting will take place on Friday 11th July 2008 at 7.30pm in the Village Hall.

Ryedale Citizens' Advice Bureau

A nomination form for appointment as a Trustee of the Ryedale Citizens' Advice Bureau has been received. Anyone interested must arrange for a Proposer and Secunder whose permission has been obtained and nominations must be received in time before the AGM which takes place at 6.30pm on Thursday 3rd July 2008 at Ryedale Community House, Wentworth Street, Malton, YO17 7BN.

Further information and a nomination form can be obtained from the Parish Clerk, Bev Taylor (878060) to whom all enquiries should be addressed. If you feel that you have time and skills you can bring to the Management Committee then your Application and Participation will be most welcome.

Yorkshire Countrywomens' Association

Our evening with Richard Humphris of the RSPCA on Wednesday 11th June was informative and sometimes distressing, as he showed slides of domestic animals that had had to be rescued by his organization. Mr Humphris also spoke about wild, farm and research animals and how the RSPCA monitors each section.

The evening finished with our usual refreshments and chat.

On Saturday 19th July the Yorkshire Countrywomen are having a cream tea at the village hall or outside if the weather is fine, between the hours of 2.00 and 4.00. We do hope that as many people as possible will come and support us.

Friends of Sheriff Hutton New Village Hall – 200 Club

228 members took part in the June draw, £25 each to numbers 26, 43, 184, and 194.

THE METHODIST CHURCH

Minister Rev Ann Vaughan, Telephone 01904 762171

Thank you to Ann who this month really begins her 'wind down' from being our minister. She will lead two services this month, in the morning of 6th July and evening on 20thth July. Her last appointed service will be 3rd August.

We wish her well in her retirement, but as she will continue to preach and live in Huntington it is really 'Au revoir' rather than Farewell. Thank you Ann for all you have done for our fellowship both in the church and the village. God Bless.

Gardening Club

WEDNESDAY 16TH JULY day trip to SHEFFIELD BOTANICAL GARDENS. Leaves VILLAGE HALL CARPARK at 9.15am. Should be back by 6pm. Coach fully booked. Pub lunch, plus tearoom at the Botanical Gardens.

Unfortunately the two evening garden visits this year have been either cold or wet. Hence a reduction in numbers of hardy souls willing to turn out. Our hosts were as delightful as ever. And, even though the two gardens were very different, were a tribute to their owners enthusiasm.

The day at the Village Fair brought in £130 for club funds from the sale of a mixture of plants, vegetables and flowers. Thanks to all those who helped and supported the event.

The Sheriff Hutton Recipe Book

Many thanks to Mandy, Jill and Vicky for all their hard work in compiling the Recipe Book, to everyone who contributed recipes and to Martin Gray of Fulprint Limited for his kindness and generosity in printing it at no cost. There are 52 recipes in an easy to use format and the book costs £3.50. It should make an ideal present as well as being very useful at home when you want to try cooking something new and different!

Friends of the Village Hall

Our next meeting is on Tuesday September 23rd at 7.30pm in the Village Hall. New Friends are always welcome.

Sheriff Hutton Primary School PTFA – Thank You!

Thank you to all those who supported our '3rd Annual Scarecrow Trail' held on Sunday 8th June. We were very lucky with the weather; it was an extremely hot day, and not a single rain drop in sight to turn our scarecrows into mush!!!

We had 23 scarecrows in our trail and the standard of making was very high, some say better than previous years. The competition was won by the Conway family with their all action hero 'Indiana Jones'. Close second, by just one vote, was the mighty 'Gladius' and his amazing chariot (a marvellous effort from the Beans). Third was 'Horrid Henry' (the Willans are used to coming third – always the bridesmaid...!). Trail winners were Penny Bean and friends William Hawkswell and Edward Dick.

We raised over £400 which will be well spent by the Primary School. Many thanks goes to all the PTFA members who worked extremely hard on the day and to all the scarecrow makers, without whom, we would not have a trail!

It has been suggested that local businesses could get involved and use the opportunity for a bit of free advertising! It has also been suggested that we run a scarecrow making workshop next year.... so watch this space and start thinking of ideas!!!

Lara Willan, PTFA chairman

St Leonard's Farlington

Sheriff Hutton Bowling Club

With the help of some guest bowlers from Strensall and Hovingham, we played a touring side from Keyworth on June 10th. This turned out to be a very exciting match with all watching the scoreboards with increasing interest. At the final count, Sheriff had won by 103 shots to 102! Everyone enjoyed themselves and the score didn't matter too much.

Mid-June of course was the summer fair; SHBC ran a bric-a-brac stall which gave us a welcome £101. Our thanks go to those who provided and bought some of the wares on offer (we now know what it's like to be a Jumble – very hard work!)

Summer Fair 2008

Well the rain fell about half an hour before we started and the hall filled up with stalls heading for shelter but then it cleared up and we were underway. We hope a good time was had by all. We made £1200 to be divided equally between the Village Hall and Playgroup and other stall holders seem to have had a profitable afternoon too.

A **huge thank you** to everyone who was involved in contributing to the Fair and to everyone who attended. The Roman Games with presiding Emperor and accompanying crafts; the refreshments, the stalls and sideshows; the musicians and other attractions all added to the success of the afternoon. So many people helped in so many ways that it is impossible to name them all but we are very grateful for all the support. It was a great team effort.

The Recipe Book is now available from Jill on 878545, Mandy on 878344 and Margaret on 878314 and will also be on sale at Friends events.

Advance Notices - Chris Ellis has been asked to do two Baptisms at Sheriff Hutton and after much deliberation and consultation this service will be held on **24th August at 11am**. This is a special service - not only for the 2 families but also bang in the middle of August, it will not be the normal pattern.

The families would also like the service to be a Family Praise-type celebration so it will not be 'Living in the Presence' as previously advertised but will be called **'Thanksgiving for Life and Holy Baptism'**.

31st August - Benefice Eucharist at Farlington at 10am. Preacher Venerable Malcolm Grundy (formerly Archdeacon of Craven in Sheffield Diocese).

Christian Aid - During Christian Aid Week our village raised a wonderful £874.62. The breakdown for those who like it:

Methodist Hunger Lunch	£114.80
Parish Church 'Thanks for Food'	£116.81
Post Office Collection Drum	£643.03

Many thanks to every single participant, a very worthwhile result - **Katie Fellows**

Holidays are coming!

Relax

Rest

Reflect

Refresh

Long summer days and holidays provide the opportunity for us to stop and take stock of who we are, what we're doing, and what we want our life to be about –

Who am I?

What makes me happy?

When do I find fulfilment?

How do I enhance my community?

Where does God fit in?

Could Church help my discovery?

So what do I do next?

Happy Hol(y)days.

Fieldnats

Although a little damp, an early start to listen to Sheriff Hutton's dawn chorus was well rewarded. In and around the church yard & conservation area were by far the most active, to the point where it was difficult to pick out some of the quieter birds singing. Our thanks go to two key people. Firstly Andy Chapman who led the walk, gave little gems of information about getting 'tuned in', what to listen for and identified a total of 17 birds including a Willow Warbler & Gold Crest. Secondly Helen Cox who allowed us to roam through her garden from 5.30am, as well as allowing us to take over her kitchen to make bacon butties & cups of tea at the end of each tour round the village.

Please note that we now break for the summer & our next meeting will be:

- Sat 6th September BBQ at Howard & Joan Maw (meet 6.30pm)

Anyone wishing to join the group is very welcome, for further information please call Melanie on 878711

“16 Circular Walks ...

... in the Sheriff Hutton area” by Alan Farnaby (a new edition is available at 2.50 from the Post Office)

This is a variation on Walk No 8 and follows part of the Ebor Way (many of the serious young walkers through the village are earning Duke of Edinburgh awards). A mix of stone roads and muddy fields, leading to Primrose Farm (many of the newer farms have attractive names eg. Golden Flatts and Cape of Good Hope; older ones – Foulrice and Mill Hill are more prosaic).

From the top of the hill, look southwards to York Minster and the Sugar Beet factory; on a very good day you can see Eggborough and Drax power stations, on a vvg day power stations between Goole and Gainsborough spew their steam.

Most of the land between York and this ridge was in the Forest of Galtres, stretching from Stockton on the Forest and Strensall Common to Easingwold (New Park). It was a greater crime to kill a boar than to kill a man when the forest was in Royal hands. Richard III adopted the boar as his badge from York (Ebor). Most of the villages on the Sheriff Hutton ridge end in -ton (Farlington, Marton etc). Those to the north and not in the forest were Viking settlements, hence WhenBY, SkewsBY, BrandsBY etc.

This must have been an amazing place to see the bombers of WWII from local airfields including East Moors right in front of us, circling around York before heading off for the continent. Nowadays, especially on Thursdays – training days for the SAS – watch out for the helicoptered-delivered troops call in the fast jets as they attack Barton-le-Street (what have they done?).

The walk back is via Mowthorpe Hill Farm, part of the Castle Howard Estate, and has indications of training for three day events. Commission Beck is the 19th Century government-inspired drain to take water away from the Carrs to Bulmer Beck. The racing gallops remind us that Little Snugfit was trained here for the Grand National. The many rounded pebbles or ‘cobbles’ are left from the times when this land was one vast lake or sea; many of them used in local villages as paving material.
