Parish Council News

The Parish Council Meeting on 9th May 2008 was attended by Cllrs D Wooles (Vice Chairman acting as Chairman), Mrs P Bean, Mrs J Calvert, B Parkinson and I Read. Clerk Mr BC Taylor (878060). Apologies received from Cllrs D Weston (Chairman) and N Anfield.

Presentation by Representatives of NEDL and YEDL:

They announced that Sheriff Hutton is 14th in the list for modernisation of Electricity Supply with at least £500,000 of work to be done. No delivery date forecast, but a delay of more than 5 years mentioned, with money being the main stumbling block.

They wanted Sheriff Hutton residents to be made aware that, in the event of a cut in Service, arrangements will be made to cater for people with priority needs. There is a Register which presently contains names of 80,000 people who are, for example, on Dialysis Treatment. The Clerk will contact the NEDL Parish Council Liaison Officer to set up Registration requirements for Sheriff Hutton. There will be a special fail-safe procedure to ensure that the supply cannot be cut off by the Engineer without ensuring that people on the Register in the area are catered for.

Relocation of Mono-pole: Latest Position

NEDL maintain a Register of those members of the Public who would require Priority Need Assistance in case of a Failure in the Electricity Supply.

In the event of a Planned Power Cut any person present on the Register and resident in the area affected by the Cut will be given prior warning of the intended action before it is taken. This will enable alternative arrangements to be made and ensure that nobody suffers any life-threatening consequences.

If any Resident feels that he or she will require this facility please contact the Parish Clerk on 878060 or write to him at The Mill House, Lilling, YO60 6RP. He will be pleased to assist you in the registration of details on the Priority Needs Register.

Parish Plan 2008

Now's The Time To have Your Say

By the time you read this you should have received your Parish Plan questionnaire which will give your views on a wide range of topics. The new Parish Plan will set the scene for the way in which a majority of our community want Sheriff Hutton to change or develop (or not change or develop) over the next 5 – 15 years so please give a few minutes of your time to answer the questions. The survey is confidential so no one will know what was said by a particular person.

There is a questionnaire for each adult (aged 17 and over on January 1st 2008) in the Parish and a separate one for those aged 11 – 16. If you haven't received your copy by June 5th please ring Richard Haste (878581) or Douglas Wooles (878469).

Please fill-in your questionnaire – it is your opportunity to help shape the future of your community.

For this months meeting we had a fascinating talk by Jean Elliott who has been trained in both Graphology and Psychology, Jean has a special interest in the criminal mind and explained that some traits could be revealed by a persons handwriting. We were told that slant, spacing and the size of capitals could all be interpreted. We were also entertained by the analysis of some politicians writing.

We look forward to our next meeting which is on June 11th on the RSPCA by Richard Humphris. As always we welcome new members and visitors.

NOTICES

Instead of our usual service on Sunday 27th April Farlington went to High Towthorpe farm for a Rogation celebration sensitively led by Sue Nightingale despite the rain - followed by a farm breakfast generously provided by Geoffrey and Margaret Singleton. Up to 40 people attended, over £100 was raised for church funds and our thanks to all who made this day such a memorable one.

On the 3rd of May we saw a revived tradition - a Vicarage Garden Party. Thanks to some very hard work by a few stalwarts, the generosity of Chris & Angela who opened their garden and some very fine weather, a great time was had by all especially the children. Apart from being a very successful social occasion it raised £1025 for Benefice funds.

Sunday 11th May was Pentecost and Bishop Martin joined us at Westfield Farm for a picnic and service. Again it was a very successful evening with about 90 people of all ages attending. At the end of the service 3 doves, the symbol of Pentecost, were released. [I hope they found their way home!]

Playgroup News

Once again, playgroup is full! We will be having a bit of a celebration of playgroup at the Summer Fair on Saturday 14th June when we will be holding a sponsored Mini Marathon, the Grand Opening of our Awnings and also a Balloon Race. This is our main fundraising event of the summer – and we do still depend on fundraising to break even at both Playgroup and Babies & Toddlers. So we hope very much you'll be able to support the Summer Fair!

All friends of playgroup and toddlers in the village are invited to take part in our BALLOON RACE. The balloons will be released at the Summer Fair and the balloon that travels the furthest wins a prize. For more details, or to buy some balloons at £1 each, please contact Caryn on 879094.

We'll also be running a SECOND HAND TOY STALL at the Summer Fair – if you have any toys you would like to donate, please drop them in to a Playgroup or Babies & Toddlers session or to Caroline at 10, Warwick Close.

Treasurer Needed. At our AGM on July 1st we will lose Faith Oakley as Playgroup Treasurer. Faith kindly stepped in last year but now needs to stand down because of college commitments. Would you be willing to help? If you would like more details, please contact Caroline Hunt.

Sheriff Hutton Youth Club

After 5 years the Youth Club is still going strong thanks to the on going support of parent helpers, volunteers & the generosity of villagers when fundraising. The Club itself though struggled to get off the ground in 2003, until John Williamson came forward to be the first Youth Leader. Now 5 years on John has decided to step down & we would like to say a very big thank you for the time he has given the club.

As you can guess, this now creates an opening!! If anyone is interested or just wants more information on being a Youth Leader, please contact Melanie. We currently share the responsibility with 2 other Youth Leaders so the commitment is approximately one evening every three weeks.

Fieldnats

A trip up to the Terrington Lavender Farm was enjoyed by 7 members and proved an excellent day for bird watching. 20 birds in all were identified including Gold Crest, Gold Finch and Chiff Chaff.

Dear Friends

I can hardly believe it is thirty one years since I moved into the area. There have been many changes over the years, not least in my life. I was a Secondary School teacher who expected to finish my forty years and retire. Instead, at fifty, I found myself candidating for ministry in the Methodist Church. God has a way of gently pushing you along, and my life took a very different turn from the one I had imagined. But that could be said of all Christian lives.

We are called by God to be a pilgrim people, journeying with him throughout our lifetime. Whilst there may be periods of rest along the way, we are not expected to take root or stagnate, but be willing to be led to fresh pastures or rugged pathways which may arrive unexpectedly. These can challenge us, frustrate us, make us fearful or glad. Yet despite all, we can be certain that God will help us, especially when he has brought us there.

I must confess that I was afraid yet excited when I was accepted for the Methodist Ministry. All kinds of questions buzzed around in my head. There is a saying – whom God calls, he enables. So he does. But he doesn't wave a wand and take away all the hard bits. Paul, Peter and other members of the early Church soon found this out as they were flogged, imprisoned and thrown out of numerous cities. God's gift is strength for anything. Over the years there have been difficult moments as well as joyous ones. He has been and is present with me in all of them.

Now, after 13 years, it's time for me to move on again – to retire and discover what else God has in store for me. A new minister will be arriving in August to begin his work on September 1st. His name is Graham Peaden. I will continue to live in Huntington so you will see me about. If God has been nudging you, or you are wondering about the future, remember, his grace is sufficient for you and everyone else.

May God bless you and keep you,

Ann Vaughan

Chernobyl Childrens' Project (UK) – Jumble Sale 21st June 2008

Chernobyl Children's Project (UK) is a national charity set up to help the children of Belarus who live in the worst affected areas after the radiation fall out from the Chernobyl nuclear disaster.

In October 2007 I was lucky enough to be approached by the charity to travel to Belarus and deliver a training package with a colleague, to train the teaching staff in the orphanages to listen to children. What I saw whilst I was there and all the children I met made a huge impact on me and a lasting impression. A lot of the children had mild to severe learning disabilities and lived in orphanages with literally hundreds of other children from the age of 3 to 16. The conditions in the orphanages were abysmal and nothing I would want my children to ever experience living in. The children had no personal possessions, food was strictly rationed and of very poor quality, they ate nothing fresh. Even fresh fruit or vegetables were not available to the children in the orphanage.

The charity are trying to make conditions in the orphanages better, to provide a better standard of living, and try to move as many children as possible into foster families by funding a fostering scheme. They also fund projects, provide extra facilities and train staff in Belarus inspite of ongoing opposition from the government of Belarus. All the work they do is to improve conditions for the children of Belarus. When I returned from my trip I wanted to help raise some money for the charity. I was fortunate enough to be offered the June Jumble Sale on Saturday 21st. This is fantastic news! However it is fast approaching and I really need some help. I would like to raise a record amount of money for the children of Belarus. To do this I need as much jumble as possible. If anyone is having a clear out ready for summer I would be happy to collect any unwanted items and store them for the Jumble Sale. Alternatively any donations of jumble can be dropped at the Village Hall on the morning of the sale until mid-day. We will be running a cake stall, so donations of baking would be gratefully received. I am happy to pick these up on the morning of the Sale. If anyone would like to help at the sale or want any further information I would be especially happy to hear from you!! Thank you.

Sheriff Hutton Bowling Club

Two pieces of good news at the start of our season.

- (a) We welcome three new members from within the village; also we welcome back three previous members who have rejoined after a year off. The six have already played in some matches, and of course the Club hopes that they will enjoy being in S.H.B.C.
- (b) The club has been very fortunate that Mr Carl Meyer, a Caravan and Motorhome security specialist (www.outsmart-the-thief.com.) has sponsored us by presenting each member with two shirts to wear at our matches. Mr Meyer came along to present the shirts at our first match – which we promptly lost quite handsomely! We are most grateful for our new sponsor's generosity.

Chatterbox runs on Tuesdays during term time for pre-school children from 10-11am in the Methodist Church room. This is an opportunity for our youngest children and their parents/carers to meet together for a short Bible story, craft activity, snack and play time. Nothing heavy! If you would like to come, just pop in for a timetable. We'll be taking a couple of weeks off for half term and then start up again on Tuesday 10th June, running through until our last session on 15th July. Everyone very welcome!

Sheriff Hutton Primary School PTFA (Parents, Teachers and Friends Association)

Proudly presents...

3rd Annual Scarecrow Trail

Sunday 8th June 11am to 5pm

Starting at the **Village Hall** or **The Green**

Maps for the trail are £2.50

Light refreshments, cakes, ice creams and plants are available from the Village Hall.

Our village loves traditions, and the Sheriff Hutton Primary School are continuing hosting the much loved scarecrow trail, but this year it will be hopefully drier! For the last two years we had over 65 scarecrows displayed throughout our lovely village and the standard of making has been extremely high. Lisa Sisk and family won best scarecrow with their amazingly realistic 'Dalek' complete with steaming boots and sound effects! We also had three trail prize winners pulled out of a hat.

You can take part in this year's trail by either making, entering and displaying a scarecrow or by joining us on the day and take part in the trail. (of course, you could do both!)

If you would like to make and display a scarecrow please fill in the passport form below and either drop it in at the school or post it to 18 The Croft, Sheriff Hutton. Closing dates for scarecrow entries is Wed 4th June.

Please support your village school. Thank you!

Auction

The UCCC would like to thank EVERYONE who supported the Auction in April. This raised an amazing total of over £1,890. Thank you to everyone who contributed to a long but worthwhile day, including auctioneers, drivers, carriers, sorters, runners, clerks, cashiers, the kitchen team, all those who donated items and all those who came along to buy on the day!

“16 Circular Walks

in the Sheriff Hutton area” by Alan Farnaby
(a new edition is available at £2.50 from the Post Office)

Walk no 3 Cornborough – a gentle walk over farm paths and tracks

A level walk through West End (the original village was at East End with its own village green, castle and church; the C14th extended it with a new castle, a town market place, and more houses) leads to a field path to Cornborough. The electricity substation is on land owned by Sheriff Hutton Charities and the rent from this and other holdings is used for grants by the Trustees to educational projects and students leaving for study outside the village.

“Corntown”, from where the Romans sent grain down the Fosse (navigable to Sheriff Hutton Bridge until the C20th). The Roman platform for a large camp can be seen on the right of the footpath after leaving Cornborough Manor. Although the manor had its own chapel, a chantry was built in the C15th in the parish church by Thomas Wytham, chancellor of the exchequer to both Plantagenet and Tudor kings. Cornborough Manor was split into 4 in the C15th hence Cornborough Villa, Cornborough Manor, Cornborough Hall and Cornborough Farm.

Turning south, the Vale of York is a wide expanse and the large overhead cables are a sign of an ancient road, used by the Romans on a route from Lincoln to Boroughbridge (across the Humber at Brough and via Market Weighton). The long straight road from SHB towards Sutton is just part of it, and the route has been used for pipelines including the recent ethylene line from ICI Middlesbrough to BP Hull. To the west, spot the white radomes at Menwith Hill (beyond Harrogate).

If the conservationists had not objected, the M11 motorway from London via Cambridge would have passed through Lincolnshire and the Vale of York (Mowbray) on its way to Sunderland. Only the Humber Bridge (nowhere to nowhere) was built at the insistence of Harold Wilson (just before an election!)

Alternative walk of the month – try the Rosedale Ironstone Round – start at Rosedale (near Pickering), climb 1000’ to the west, then follow the old railway bed round the headland (Blakey Inn for lunch?). 12 miles – 4-5 hours.
