Mono-Pole on Daskett Hill: The report from Ofcom was reviewed and showed that emissions were within tolerance levels as laid down by law. It was agreed that further monitoring should continue and another report commissioned in 12 months time. A summary of the report is printed below.

Complaint to Local Authority Ombudsman: A letter of apology from Ryedale DC in respect of its maladministration in regard the Mono-Pole is also printed below. A payment of £2000 was offered by Ryedale DC in accordance with the recommendation of the Ombudsman. This sum was accepted by the Parish Council on behalf of the Complainant and has now been paid over. The Parish Council will discuss how the money is to be applied at the November meeting.

Footpath from Mill Lane Avenue to Farlington: The footpath has been tidied by the NYCC Footpaths Officer and is now more accessible. The state and condition will continue to be monitored.

Broken lanterns in York Road and Main Street: It was agreed that these lanterns will be replaced with the supply/transfer to be carried out by NEDL and Ryedale DC replacing the lanterns. The Parish Council is to fund both exercises.

Planning Applications:

- 08/00600/FUL: Mr James Barnitt: Erection of conservatory to rear and attached garage to replace existing garage at 5 Terrington View, Sheriff Hutton YO60 6QS has been approved by Ryedale DC subject to conditions.

Hedges: There has been a complaint about the state of the hedges in Castle Side. NYCC is to be asked to trim these. A message will be inserted in the Village News asking Residents to maintain their own hedges.

Village of the Year Competition: The presentations will be made on 10th October in Terrington Village Hall. The winners are as yet unknown and will be disclosed at the presentation.

Footpath around the Castle: The funding has now been agreed for the work. A reply is awaited from English Heritage confirming that the works can commence. Subject to this, it is hoped to be started before the end of October.

Bonfire Night: It was announced that there would be no bonfire this year on the Village Green. The next Parish Council Meeting will take place on Friday 10th October at 7:30pm in the Village Hall.

Neighbourhood Watch

There was a Neighbourhood Watch meeting of coordinators and Police in September. Beville Freeman Grenville was elected Chairman. The Police informed the members that several laptop computers had been stolen in the area – often overnight – and there was concern about flytipping. The next meeting is on Thursday 11th December for anyone to attend.

Telecommunication Mast at Daskett Hill

In March 2007 a member of the Parish Council made a complaint to the Local Government Ombudsman about the failures of Ryedale District Council in the way that they conducted the planning process for the Orange application for a mobile phone mast at Daskett Hill.

In July 2008 the Ombudsman delivered his decision about the complaint. He found Ryedale District Council guilty of maladministration in the way it had handled the application for the telecommunication mast at Daskett Hill. The Ombudsman ruled that the District Council should make a formal apology to the complainant and that a small payment of £2,000 should be made to the Community. The formal apology has been received and the text can be viewed below. The Parish Council has decided to accept the sum of £2,000 and it will be used for a special project –to be decided upon after further consultation within the community.

Anyone wishing to see the correspondence from the Ombudsman should contact Judith Calvert.

Text of letter of apology from Ryedale District Council

26 August 2008

Dear Mrs Calvert

Complaint Ref: 07/B/01468/AD

Telecommunication Mast at Daskett, Sheriff Hutton, North Yorkshire

I write further to the report of the Ombudsman which found that Ryedale District Council was found guilty of maladministration in the way it administered the application for the telecommunication mast at Sheriff Hutton.

The District Council is responsible for this and indeed could have managed the process and the communication better.

I write to apologise on behalf of the District Council for the way this matter has been handled and for the inconvenience it has caused.

I hope that we can work together to repair the relationship between Ryedale District Council and Sheriff Hutton Parish Council. I have offered to attend any future Parish Council meeting if you think this would be helpful.

Yours sincerely

Janet Waggott

Musical Supper at Castle Farm on 6th September

The musical supper, hosted by Jenny and Richard Howarth, at their house was enjoyed by over 60 people and raised £480 for the funds of the churches in the Benefice. Almost 3 hours of scintillating, and universally appreciated, virtuoso musical entertainment was provided by the 'dynamic duo' of Les Bresnen and Andy Hunt on piano and keyboard. The excellent food was donated and served by a host of kind volunteers. Many thanks must go not only to them but to the others who provided the tent, furniture and other equipment, manned the bar, gave donations and helped in other way. All in all – a great team effort.

Message from The Jumblies

Wow! The September Jumble Sale was one we will remember for a long time to come. By 9.30am, the hall was absolutely full of bags and boxes to be sorted, by 11.00am we had so little space to work in, we just could not accept any more. There was just nowhere to display it. We were so relieved to take a break for lunch, but it was all so rewarding. We passed the new record set earlier this year and reached our next target by raising an unbelievable £2,002 for the Macmillan Cancer Relief. This brings our running total to £11,300.

Thank you so much to everyone who supported the sale. We had an absolute mountain of jumble, a heaving cake stall full of scrumptious home baking, a book room bursting at the seams and a wonderful raffle and tombola, and lots of buyers.

Sincere apologies to those who so kindly took the time and trouble to bring jumble, unfortunately we could not accept it because we had so much. Please, please, continue to support us and let us have it for the next Sale.

The total raised at the Macmillan Coffee Morning will be announced in the next News.

Our next Jumble Sale will be on **Saturday 11th October** at 2pm in the Village Hall in aid of **Young Heroes**. The Young Heroes are young people who are terminally ill. The support group provides help for them and their families. We need your support to help them to carry on with their essential work.

We will be at the Village Hall to receive jumble, etc from 9.30am on the morning of the sale.

Yorkshire Countrywomens Association

This month's meeting on 10th September was a lively talk by Bill Tetlow on the Donkey Sanctuary. Bill told us how his life was changed by a chance turning made by his wife when she saw a delightful young donkey in a field. After taking Bill to see it, his interest and love for these animals grew. After buying his first donkey, he began to breed and then show them, eventually he gave up his poultry farm to become donkey warden for the North of the country. Bill spoke with humour and the talk was very much enjoyed.

Next meeting, Wednesday 8th October, when Angela Rhoades will give a brief history of pearls and important pearls in history.

As always we would welcome new members and visitors, we meet on the second Wednesday of the month at 7.30pm.

Mobile Phone Base Station Audit

As part of their public duties, Ofcom conduct surveys of emissions from mobile phone masts. At the request of the Parish Council, Ofcom conducted an audit of the radio frequency emissions in the vicinity of the Daskett Hill mast on 7 August. They commented that the radio spectrum is continually changing and their measurements can only provide information on radio frequency conditions for the specific locations at the time of the survey.

Radio waves carry energy. The amount of power that they produce at any point is measured in terms of the number of watts passing normally through each square metre. The power is the only property that could be a hazard. The International Commission for Non-Ionising Radiation Protection (ICNIRP) sets out the maximum exposure levels to this power. The Ofcom measurement at a number of sites in the Village proved that the radiation level was about one tenth billionths of the ICNIRP levels.

The Ofcom measurements can be viewed on their website at www.ofcom.org.uk/sitefinder/audits or the full report can be seen by contacting Judith Calvert.

Christmas Shoe Boxes

We will be filling shoe boxes at the Methodist Church on Wednesday 29th October from 10:00am to 12:00 noon. Anyone is welcome to come along and fill a box. Leaflets are available giving details of items that cannot be accepted and those that are allowed. We will be pleased to receive boxes that are already filled, items to be put into boxes and donations towards the postage costs which are £2.50 per box. These can be left at the Methodist Church any Wednesday morning.

Bowls Club

Our season ended officially on 14th September on a lovely, sunny early autumn afternoon when we played the Autumn Fours and then topped it off with a high tea. Because of the earlier rains, there are still a couple of club competitions to complete. Perversely the green is in splendid condition just waiting for these matches before it gets its autumn pampering.

Our results have seen us finish in mid-table in each of our three leagues: Hovingham, Ryedale Veterans and Ladies Country. This was a good effort from our small club. We still need new members to join those who played this season for the first time -and enjoyed it.

Results for the completed competitions are:

Ladies Pairs: Betty Crompton and Barbara Brigham

Mixed Pairs: Betty Crompton and Ian Downing

Autumn Fours: Megan Hammond, Betty Crompton, Ian Downing and Martin Press

The Charlie Howe trophy winner: Jim Day

Congratulations to these winners

FIRST BINGO EVENING in on Friday 17th October at 7:30pm in the Village Hall – Everyone welcome
The annual club lunch and presentation of trophies will be held in Burn Hall, Tollerton Road, Huby on Sunday 2nd November at 1p.m. Details of the menu and cost are on the notice board in the clubhouse. Please sign up as soon as possible so that we know about numbers. Many thanks.

The (over 60s) Luncheon Club

The first weekly meeting of the Luncheon Club will be on Tuesday 7th October in the Village Hall at 12:30pm. Is your name on the list? If in doubt ring Brian or Wendy.

Mobile Library

The mobile library visits the Village every 3 weeks. The van carries more than 2000 items including books, videos, DVDs and audio books.
