Emergency repairs to South-West Tower of Sheriff Hutton Castle

Sheriff Hutton Castle is a prominent land mark in the village and indeed in North Yorkshire, it can be seen from as far away as the Howardian Hills and on a clear day even from York. But its importance extends beyond the local area and is recognised in the designation of the remains as a Scheduled Monument and a Grade II* listed building – reflecting the site's national importance.

In 1999 the site was placed on English Heritage's Buildings at Risk register and since then we have been working with the owner to help find a solution to secure its future. This began in 2002 when English Heritage funded work to the North East tower. But more work is needed as the South West tower is in a perilous state and is in danger of collapsing. We are concerned that any collapse would significantly detract from the striking visual presence of the Castle. Whilst English Heritage has comparatively little funding and calls on its money are great, we recognise the importance of this magnificent site and are therefore providing further funding to put ties into the top part of the South West tower, remove the vegetation and undertake some pointing work. This should stabilise the structure.

However this is a short term solution, ideally we would like to see all the standing remains fully repaired and strengthened and more opportunities for the public to get close to and learn about the castle. But it is unlikely that we will be able to find anymore public money to put into the site. These works will 'buy some time' and we will continue to work with the owner and the local community to try and find a longer term solution.

How time just slips by, this year the Singing Group celebrated 20 years of singing for pleasure. It all started when Jean Shuttleworth wondered if people would like to get together midweek to sing and learn new hymns and songs. Amazed, about 18 people turned up and so on the first and third Wednesday each month it has carried on. We are not a choir, many of us don't read music but we hope we make a joyful sound. There's plenty of laughs and banter and we even go out to sing and entertain other people from time to time as well as take part in church services.

If you like to sing why not think about joining us, you would be very welcome. Contact Jean Shuttleworth on 878471.

Forgiveness

One of the serving maids sitting at the fire noticed him, then took a second look and said, "This man was with him". He denied it, "Woman, I don't even know him." A short time later, someone else noticed him and said, "You're one of them." But Peter denied it: "Man, I am not." About an hour later, someone else spoke up, really adamant: "He's got to have been with him! He's got 'Galilean' written all over him. Peter said, "Man, I don't know what you're talking about." At that very moment, the last word hardly off his lips, a rooster crowed. Just then, the Master turned and looked at Peter. Peter remembered what the Master had said to him: "Before the rooster crows, you will deny me three times." He went out and cried and cried and cried.

I wonder if there is anything in your life that when you see, hear, smell or touch it reminds you of some past failure or hurt? For Peter it was the sounds of the Cockerel announcing a fresh start, a new beginning of another day. But Peter could not hear that, all Peter heard was his own failure.

Later on Jesus restores Peter and shows him forgiveness, but I wonder what Peter's response was to hearing that sound again after knowing the grace that Jesus showed him?

I think that there are two ways of dealing with our past failures. One, we can wallow in the pain and beat ourselves up, or two we can see them from the other side as moments that announce a turning point in who we are.

The difference, I believe is God's forgiveness....

This week take some time to think through those past hurts, ask God to forgive you and give you the power to forgive those who hurt you, then go back and find the thing that reminds you of it, but this time embrace it as a sign of God's new beginning.

Sheriff Hutton Art Group

As I write this we have just enjoyed our annual Art Exhibition which was blessed with good weather. We were very heartened to see a steady stream of visitors throughout our Easter Sunday and Monday openings. Once again we thank you for supporting us so well and being cheerful, friendly people. There was much good-humoured chat going on as well as serious browsing. We were pleased to hear that so many had enjoyed the exhibition. Now we take a break and throughout the summer we will be on the look out for views to paint and bright ideas to stimulate us. Soon we have our post-Exhibition meeting to consider how we can improve our exhibition for next year when we hope to see you again.

Gardening Club

The first visit of the year will be to 'TINKERS HALLOW', GREAT OUSEBURN on WEDNESDAY MAY 20th. Please meet in the village hall car park to go by car at 6.30pm. Anyone without transport will be accommodated for a small contribution. Entry into the garden is free to members.

Over the winter meetings have been well supported by members and friends. We look forward to interesting and stimulating visits throughout the summer.

Roger Brook, speaking to us on 15th April, updated us on his long association with Bolton Percy Churchyard and recent involvement with another gardened churchyard. His slides included many taken by media photographers when the churchyard garden made him a celebrity. His own garden will be open on 31st May as part of Seaton Ross open gardens.

April's Dawn Chorus was enjoyed by 12 members. Our first almost dry walk of the year revealed 27 different species of birds ranging from Skylarks, to a Little Owl, to Yellow Hammers. Animals that were spotted included frogs, deer, hares and a Barn Owl seen by one member at Sheriff Hutton Bridge, on route to the event. Flowering plants ranged from Black Thorn, Primroses, Coltsfoot and Stitchwort.

The egg & bacon butties were greatly appreciated by all those who attended and our grateful thanks goes to Andy and Gillian for their hospitality, identification of the birds and what to listen for, a tour of the farm and use of the facilities. Thank you also to Angela for the fresh eggs!!

Next meeting: Wed 6th May Lady Spring Wood, Nr. Malton. Meet **10am** in the square near The Highwayman. NB: there is an approx 200m walk before reaching this small deciduous wood, but once you get there it is teeming with wildlife. Remember that for those who do not wish to roam so far, you are very welcome to bring a chair & a flask of tea to set up a base camp! Orchard field, the area that we will walk through, is a lovely open space for public use.

Yorkshire Countrywomen's Association

Over thirty people attended our first meeting of the 2009/10 Programme held on 8th April, and the Chairman welcomed seven new members who have joined us. She also thanked all who had contributed items for the gift boxes for soldiers and reported that twenty boxes had been filled and dispatched in time for Easter.

Our speaker was Glenys Rowe, and her subject 'To coin a Phrase'. She gave us a most interesting talk on the origins of some of our common phrases and sayings and how they have become part of our everyday language.

Our next meeting is on May 13th at 7.30pm in the Village Hall when Michelle Horton from 'Duttons for Buttons' will make a return visit.

Last year we heard how the use of buttons developed over the centuries up to 1800 A.D. This year we will hear the rest of the story up to modern times.

New members and visitors will be warmly welcomed.

ADVANCE NOTICE:

Swinton Brass Band Concert - Saturday 6th June. 7.30pm

Following our Jumble Sale last year the fantastic Swinton Brass Band is returning to give a concert for us. Tickets will cost £6 and £4 for concessions.

The last concert they gave for us was a sell out and was greatly enjoyed by everyone who attended. To avoid disappointment reserve your tickets by contacting Penny Bean on 878392 or Pat Cooper on 878677.

Proceeds from the concert will be donated to The Village Hall.

Our last Jumble Sale in aid of Alne Hall Cheshire Home was a huge success. The sun shone and we were able to have some stalls outside. We had mountains of bric-a-brac and the cake stall was straining under the vast amount of home made baking. Our buyers were out in force and the total raised was a tremendous £1669. Thank you so much everyone who donated jumble and sent baking, and gave donations, your support is very much appreciated by us and by the Friends of Alne Hall who are trying to raise money for a new minibus. Our running total for this year is now £6,069.

The next Jumble Sale will be on Saturday 23rd May, at 2pm, raising money for RNLI. Donations of jumble, bric-a-brac etc. will be very much appreciated and can be brought to the Village Hall from 9.30am.

Village Hall AGM

At the Annual general Meeting of the Village Hall the Chairman, Jim Day, reported that the hall had enjoyed a buoyant year in 2008 with hiring income continuing to cover running costs despite significant increases in the price of heating oil, electricity, insurance and refuse collection.

He reminded the meeting that the Trust is looking to fill two vacant Trustees positions and that there had been no response to the advertisement in April's Village News. Ideally, they would be younger people from the village to ensure the long term future of this popular community facility. He emphasised that the hall belongs to all residents of Sheriff Hutton and that people have to be prepared to volunteer a small amount of their time if the hall is to be available for generations to come. The role is not onerous or too time consuming and he urged people to give him a call on 878608 or Richard Haste on 878581 to find out more about what is involved.
