## Parish Council News

At the Parish Council meeting held on Friday 11<sup>th</sup> September 2009, the following Councillors were present: D Wooles (Chairman); Mrs J Calvert (Vice Chairman); D Weston; Mrs P Bean; I Read; N Anfield. Apologies: Councillor B Parkinson and B Taylor (Clerk).

**Youth Group:** On behalf of all Councillors, the Chairman expressed grave disappointment that the Cricket Club had taken the decision to stop the Youth Group using their facilities, as the Youth Club provides a very valuable facility for the young people of the area. **Verges:** Following a further meeting with interested parties to discuss the proposed area to be dedicated to promoting the growth of wild flowers, agreement had been reached to start the project in the Spring. Further enquiries are to be made to find someone with the appropriate equipment to be involved in cutting the area when necessary.

## Sheriff Hutton Village Charity

The Charity exists to provide financial assistance to organisations and individuals within the parishes of Sheriff Hutton and Lilling for educational and social purposes. The Trustees, 2 each from the Parish Church and the Parish Council, meet 3 times a year in March, July and November.

In recent years, they have given grants to help with the purchase of books, musical instruments and organised educational trips. Although the funds available each year are limited, the Trustees would welcome applications from the wider village.

Applications should be made to the Secretary, John Oakley, Old School House. If in doubt contact me to discuss your application.

Starting in October, the activities begin for another autumn/winter period and so we welcome back Chatterbox for the pre-school children to our premises on Tuesdays. Then on Fridays, Music Club meets and as mentioned last month, the Singing Group is on Wednesdays. Monday nights is Guild Night and there is a separate note about what's on in October. So, in addition to the Drop in for Coffee each Wednesday morning and of course our Sunday services, there are lots of opportunities to get to know you. We would like to see you so if there is anything we advertise you might be interested in, don't hesitate – come along. If stepping across the door on your own is the problem, then ring any of these numbers and we will arrange for someone to meet you and help you. ## Dear Friends

When you meet someone new there are usually two questions that you ask. The first is, "What is your name?", and the second is "Where are you from?" Both of these tell us a great deal about the new person. The answer to the first question is straight forward; it enables us to address the person in a more personal way. But the answer to the second question is also very important. It tells us a great deal about the person and gives us some insight into them when we know where someone is from.

The Israelites were always referring back to their past, and saying that they were the people who were once slaves in Egypt. It was a defining point in the life of the people there. It was something that was tremendously important and gave them something of their identity. The same could be said of people born in Yorkshire. People are very proud of being born in Yorkshire. It gives people an identity but also says that we are people who have a similar background to others born in the county. The people have a shared history.

But the same could also be said of us as Christians. We are people who have met with God in the person of Jesus Christ, and so we are different. Our lives have been irrevocably changed by that meeting. We are people who are so changed by meeting God in Jesus that it permeates our identity and the way that we live our lives. But we are also people who share a heritage with millions of others around the world, and through the centuries. This changes the way that we live our lives on a daily basis, because we have met with God. How could it be other?

With every blessing from  
Graham

## Message from The Jumbles

Our Jumble Sale on 5<sup>th</sup> September was well supported and the sum raised for Racing Welfare was £1475. A fantastic total, in memory of John (Percy) Marshall. When we later heard the news of the tragic deaths of the two promising young jockeys in Norton, the night before, it made all the hard work so worthwhile, to be able to help Racing Welfare to support those in need. Thank you to everyone who contributed in whatever way. This brings our running total for the year to £11,689.

Our next Jumble Sale is on Saturday 10<sup>th</sup> October in aid of Riding for the Disabled at Welburn. As usual your donations of good condition, clothes, bric-a-brac, toys, books etc will be most welcome. We will be at the Village Hall from 9:00am to receive your donations, until 12 noon. The sale starts at 2:00pm and we look forward to seeing everyone then.

## Gardening Club

The October meeting is on Wednesday, 21<sup>st</sup> at 7:30pm at the Village Hall when the speaker will be Sarah Hopps on 'A Sensory Garden'. Visitors welcome at £2/head, includes tea and biscuits.

We started the autumn season with Dr. David Willis who entertained and informed members, guests and the visiting Welburn Horticultural Society, on the breeding of daffodils from early times and his involvement. As a club member, we would all like to thank him as we appreciate his passion for the daffodil.

## Sheriff Hutton Youth Club Teddy Bears Picnic

Although we didn't get the numbers we hoped for, everyone that joined us for the Teddy's Bear Picnic joint fundraiser had a great time and was incredibly generous. The afternoon stayed dry, so we were able to picnic outside and hold races that included the teddy and spoon race, which proved to be very popular. The teddy bear competitions had a good number of entries with some very well dressed and loved teddies. The most senior one there was 73 years old!

A very big thank you goes to the youth club members, parents and volunteers who helped and to all who supported us on the day.

We raised £230 before deductions for the Village Hall, half of which will go to the Community Foundation who have financially helped out the Youth Club on 2 occasions over the last 6 years that we have been running.

## Sheriff Hutton Youth Club Update (NOW SUNDAYS 5.30-7.00pm)

Our open meeting on 13<sup>th</sup> September was very well attended. It was immensely warming and encouraging to see the level of support there is the village for the Youth Club to continue, particularly from those who are not directly connected to the club.

The outcome discussed was to trial the club until Christmas and then review.

We ask for members to be patient over this time as we evolve with changing equipment and settle into our new venue. We cannot at this time do anything about the night available but ideas and thoughts about activities, feedback on the time of the sessions etc will be taken on board.

**New members are welcome, the club is open to 11 – 17yr olds but we ask that the 11yr olds must be attending secondary school. The cost of the sessions will remain at £1.50 and there will be tuck available.**

Note to parents: can I please stress that this is a voluntary club and unless we are given instructions from parents, members are free to sign themselves into and out of the club anytime throughout the session. For further information, please contact: Melanie and Tim 878711, Jean 878629, Mark 878235, Linda 878631

## Fieldnats - now in the Village Hall Wednesday, 7<sup>th</sup> October from 7pm

Although not promising all day, the weather held for our BBQ on 5<sup>th</sup> September. 12 current members were introduced to our newest one, Emma Rose Chapman, daughter to Gillian and Andy Chapman, and only a week old. Our congratulations go to them both.

Even with these exciting events, Andy had time to trap 5 types of moths including a Straw Dot, Frosted Orange & Large Yellow Underwing.

Next meeting - An Invitation to All:

## **Cricket Club**

The cricket season came to a conclusion during September with both of our teams giving an excellent account of themselves in the York & District Senior Cricket League. The first team have been promoted to Division 3 and became champions of Division 4B whilst beating (for the second time this season) our local rivals down the road at Sheriff Hutton Bridge CC. The second team put in some excellent performances in Division 5B and look to emulate the first team by aiming for promotion next season.

We are pleased to announce that the winners of the Castlemen 200 Club September draw are as follows:

1st Prize to Mrs Phylis Hull  
2nd Prize to Mr Brian Chester  
3rd prize to Mr Peter Bellwood

If you would like to join the Castlemen 200 Club or become involved in sponsorship at Sheriff Hutton Cricket Club, you may do so by contacting Ernest Taylor on 01904 656800.

Finally, the cricket club is hoping to install an extensive (and expensive) system of land drains at the ground during October and to then completely re-seed the whole of the cricket ground. To enable the ground to recover from this major work, the cricket club would be very grateful if everyone (particularly dog walkers) would then refrain from walking over the cricket ground and for everyone to keep to the "right-of-way" at the perimeter of the ground.

## Yorkshire Countrywomen's Association

At our September meeting, Mrs Chris Dowell gave us a fascinating talk, accompanied by slides, on the history and development of the York County Hospital, from its origin in Georgian times, through the Victorian era, to its closure in 1976, describing conditions in the hospital, early surgery through Barber/Surgeons to modern technological expertise. She brought back many varied memories to members who had used the hospital. Our October meeting is on Wednesday 14<sup>th</sup> October, when Mr David Rymer will be our speaker, and his subject 'A Reluctant Funeral Director'.

New members and friends are always welcome.

## Art Group

Our AGM went off well and the events planned for the year are inviting. Two of our officers retired after serving with cheerful and loyal commitment – Arthur Donnelly, our Treasurer for a stint of 8 years and our Chairman, Anne Russell after 3 years. We sincerely thank them for all their work. Our new Chairman is Don Pomfret and our new Treasurer is Estelle Grout. We wish them well in their new roles.

We have three open painting sessions this month in the Village Hall. They are on Saturday, 3<sup>rd</sup> October and Saturday, 31<sup>st</sup> October from 10:00am to 1:00pm. Also on Wednesday, 14<sup>th</sup> October from 1:30pm to 4:30pm. These are for any member to just come along and join in at £1 per session.

Our old friend, David Newbold, is coming with his expertise and anecdotes, to tutor our Painting Day on Saturday, 17<sup>th</sup> October from 9:30am to 3:30pm. His subject will be 'Acrylics'.

## Responsible for someone else's child? Private fostering – tell us about it!

North Yorkshire Safeguarding Children Board is urging people to help them ensure the safety and well-being of children who are being cared for by someone who is not a close relative.

Private fostering describes an arrangement where someone who is not a close relative (step-parent by marriage, grandparent, brother, sister, uncle or aunt) cares for another person's child for more than 28 days. Although this is done by private arrangement, legally the parent and the carer must notify the local authority where the child is going to live so that Social Care can make sure that the child is being properly looked after.

We want to increase awareness and are asking the general public, as well as professionals who work with children, to inform us immediately.

Paul Nixon, Assistant Director of Children's Social Care in North Yorkshire says: 'Everyone has a role in keeping our children safe – whether you are a teacher, youth worker, neighbour or just chat to the other parents at the school gate. If you hear about a child who is being privately fostered, please let us know immediately so we can ensure the child is being kept safe.'

For more information on Private Fostering, visit North Yorkshire County Council's website on [www.northyorks.gov.uk/privatefostering](http://www.northyorks.gov.uk/privatefostering) or contact David Molesworth on 01609 534117 or [david.molesworth@northyorks.gov.uk](mailto:david.molesworth@northyorks.gov.uk).
