An Apology

In the Parish Council News item of the March Edition of the Village News, it was stated incorrectly that the Seat to be sited opposite the Police House was in memory of George Nelson.

The seat is to be dedicated to the memory of Dennis Davison. The Council offers apologies for its mistake to the Family and Friends of the late Mr Davison.

Dear Friends,

This month we celebrate Easter and it is interesting how there are so many different images and ideas that come together in the Christian year. At Easter Jesus was raised to life again "on the first day of the week". That is supposedly the same day that the world was made when God created "the heavens and the earth". The implication was that this was the "new" creation of God. It was the day when God created the world again. Jesus' resurrection was the first day of the new creation.

But often we want to celebrate the resurrection of Jesus, before we have even taken seriously Jesus' death. We want to skip the garden of Gethsemane, and the trial and execution, so that we can rush on to the resurrection. But we do need to take seriously Jesus' death and suffering. It shows us the great depth of God's love. God loves us that much, but it also shows us that suffering is the way to love. Suffering is a part of love, and the two are inseparable. We suffer when people we love hurt us intentionally or unintentionally. But through suffering we can attain the new life in Christ.

But we know that Jesus can identify with our suffering. He shows us that he is present with us in our suffering strengthening us and helping us. Jesus suffered just as we ourselves suffer in life, and therefore we have an understanding God. But we also have the knowledge that through suffering there comes new life, which we celebrate on Easter Sunday. Jesus' death was not the end, but God brought about something to overcome death itself, new life in Christ.

So do have a good celebration of Easter this year. Send each other Easter eggs and other signs of new life. Have a good celebratory meal with family, to celebrate God's new creation. But in the midst of the celebrations remember that this came about through suffering, and the self-offering love of God in Jesus Christ.

With every blessing for Easter from **Graham**

On behalf of the UCC Committee we would like to express our grateful thanks to all who took part in the rescheduled New Year party on Saturday, 13th March 2010.

Our heartfelt thanks go to each and every one of you who all helped in a myriad of ways all pulling together. The usual well oiled machine ran very smoothly and the event was a great success judging by all the wonderful compliments which have been kindly passed onto us.

Well done to our home-grown **Elastic Band** who enthusiastically provided the magnificent entertainment.

Altogether demonstrating once again how lucky we are to live in such a committed community. See you all in 2011.

What a great end to the Winter Programme! A surge in new members swelled numbers to capacity on Wednesday, 3rd March. Our thanks goes to the speaker, Jacqui Faraday joined by two colleagues from Leighton Moss bird reserve, who presented an enjoyable and interesting talk on the 'Seasons of Mull'.

Looking forward to the Summer programme, we have decided to trial extending the outdoor meetings into October, starting earlier and because of how the bank holidays fall this year the first few meetings will occur slightly later in the month.

NOTICES

At the Annual Parish Meeting Roy Thompson & Cheryl Smith were elected churchwardens for the coming year and they are the first point of contact for church matters.

Yorkshire Countrywomen's Association

We held our fifth Annual Branch Meeting on 10th March. The Chairman reported another successful year which had seen membership rise to 45, with new members coming not only from the Village but also from Strensall, Slingsby and Swinton. The Treasurer reported that although there had been a slight rise in our expenditure, we were able to keep next year's subscription at the current level of £13.00 which is due at our April meeting.

After a short business meeting, Nancy Megginson brought along 'Some of her Favourite Things', and gave us a most fascinating account of how she had acquired them and why they were so special to her. The meeting ended with everyone enjoying a buffet supper provided by all the members.

The first meeting of our 2010 Programme will be held on Wednesday, 14th April at 7:30pm in the Village Hall when we are to have a talk entitled 'How Good is Your Memory?', given by Gill Myers of the Alzheimer's Society. We extend a warm welcome to anyone who would be interested in joining us at our monthly meetings.

Lillings Ambo Parish Council

Wheelie Bins: The Parish Council has received a complaint regarding Wheelie Bins being put out too early, causing an obstruction and hazard to pedestrians. Ryedale DC recommends that bins, boxes and bags are only put out the evening before collection and that they are returned to their normal storage position during collection day. Lids must be flat and no items (branches/twigs, etc) protruding.

Dog fouling: Dog owners are reminded that if they allow their dog to foul anywhere within a 30 or 40mph area and fail to clear up immediately, it is an offence. The offender can face a maximum fine of £1,000.00. If you see anyone letting their dog make a mess and not clearing it up, please notify the Ryedale DC Dog Warden on 01653 600666.

Thank You

Thank you to the Committee of the Churches for organising the re-arranged Party on Saturday, 13th March. We as guests appreciate all the planning and work put in to prepare and serve us on the day. The meal and extras were excellent as always but the kindness of the friendly hostesses made it special. Because of the extra work in re-arranging the event, we say a special thank you particularly to the **LOCAL** members of the music group who entertained us. The choice of songs which we enjoyed for over one hour was marvellous and the talent of the soloists and instrumentalists was appreciated by the prolonged applause shown at the end.

Thank you all for providing this event for this Village.
