Parish Council News

The Parish Council Meeting was held on Friday 11th June, 2010. It was attended by Cllrs D Wooles (Chairman), Mrs P Bean (Vice Chairman), D Weston, B Parkinson, I Read and N Anfield. Clerk BC Taylor (878060).

Apologies were received from Cllr Mrs J Calvert.

County Cllr Mrs C Wood and District Cllr K Knaggs attended as guests. Some 150 members of the public were present.

Wind Turbines in Sheriff Hutton

The Chairman declared the meeting open and stated the current situation as it was known. Four landowners had been approached by Scottish Power to see if they would be willing to lease out land for the erection of wind turbines and the associated power lines. They had been offered £1,000 each to sign a confidentiality agreement. A plan had been circulating in the village showing 11 turbines of industrial size on the flat plain between Daskett Hill and Terrington Bank. (This later transpired to not be the official plan produced by Scottish Power which showed suggested positions for 9 turbines in the area). The Chairman pointed out that no turbines can be erected without formal planning permission and no application has been made, and will not be made for at least 18 months because of the preparatory work that Scottish Power will have to carry out.

County Cllr Mrs Wood was introduced and said that although she is not against wind turbines, she is against the siting of them in this instance and will actively work to oppose them. The proposed site is not an ANOB, but is on its back door and ANOB will oppose this siting. She said it is important to be aware of what can happen. There is a wind farm at Mendip Hill and Selby has a 'forest' of turbines. It is very early days but she will give her full support to oppose the plan.

District Cllr Knaggs was introduced and said that he and County Cllr Mrs Wood had often worked as a team in fighting causes and they would do so again over this matter. He has put in place an early warning system at Ryedale DC to warn if a planning application is made. There has been an application granted for a small domestic size turbine on the Wolds which was intended for the generation of domestic supply and not attached to the grid. He said that wind farms are constructed with a Government subsidy which is funded by the consumer. This results in a charge of £13.50 on each electricity bill. The existing wind farms across the country only work at 25-30% official capacity and still need power stations to keep the lights on when the wind drops, for 70% of the time. The countryside will be blighted by them for little gain. There is a website www.countryguardian.net which acts to help groups wishing to oppose wind farms by collecting and making available well researched technical information.

The discussion was then thrown open to the floor. The consensus was that it was essential to form a group to fight the proposed development. The Parish Council felt that this should be formed from and run by residents. Issues voiced of immediate concern were the legal position on compulsory purchase of land, the transportation of blades into the area for the construction and the method and route by which the generated supply would be carried to the national grid.

The open meeting closed and the normal Parish Council Meeting resumed. Cllr Mrs Bean proposed a resolution to be passed not to support wind turbines in this area until such times that more comprehensive information and details are to hand when the Council will consider its position further and make a more reasoned judgement. She also proposed that the Parish Council should be represented on any group formed in the village to oppose wind turbines.

Cllr Weston supported the proposal.

Complaints made to Ryedale District Council

A number of outstanding matters relating to planning and street lighting have been raised with Ryedale District Council and there has been no response. It was agreed that the Parish Council should write to the Chief Executive of the District Council seeking urgent attention to these matters.

Oh What a Lovely Barbecue !

The calm, warm evening was just perfect for the second village barbecue organised by the Friends of the Village Hall and the Playgroup Committee on May 22nd. People of all ages turned up in large numbers to enjoy the barbecued meats, the array of salads and the tempting choice of puddings. But great evenings like this don't just 'happen', and the hardworking Village Hall Friends and Playgroup parents deserve a big vote of thanks for organising such a memorable evening.

Yorkshire Air Ambulance Fund Raising

Thank you to the Terri Wade YAA fund-raising team for their hard work at the car wash event on the 5th. June by the wet 'Sponge Bobs' washing the cars, to the support crew with catering and tombola. A special thanks to those of you who contributed cakes and tombola prizes and proud owners of shiny clean cars! We raised a total of £440 towards ongoing local Air Ambulance fundraising

Sheriff Hutton Bowling Club

Our coffee morning held in early June was a great success; the weather was kind to us and we had a lot of support from members and visitors. Everybody seemed to enjoy the coffee, the chat and a look round our facilities. It was a very good club/village get together; it was our first venture into this social scene, and our sincere thanks go to all who came, worked, bought books, raffle tickets, cakes or helped in any way at all. Any profit made is to help the club funds. (Don't know the profit yet- the lucky square competition is still going on!).

Meanwhile the club matches are midway through the season, and we are turning towards our internal club competitions. Don't forget anybody can come down for a (free) roll up on Monday evenings- you will be very welcome.

Eloise Conway Needs Your Vote

Eloise Conway, aged 8, from Stonelands Close has been short-listed for the national Silentnight Book at Bedtime story writing competitions for children aged between 7-12. She had to write a short bedtime story, which included the Silentnight characters of Duck and Hippo. There has now been 10 finalists chosen by author Jeremy Strong and these are to be put on the Silentnight website for people to read and vote for their favourite story. The voting started at 9am 14th June and closes on July 16th, so, if you would like to read Eloise's story (and hopefully vote for it!), the website address is www.silentnight.co.uk/bookatbedtime, with the winner announced on the 3rd August.

Friends of the Village Hall

The Village BBQ made over £1000 to be shared between the Village Hall and Playgroup. We were very lucky with the weather but thank you so much to everyone who helped or contributed in any way and to all those who attended. It was a real team effort!

Sheriff Hutton Tennis Club

Centenary Celebrations. Over 50 members and friends came along to enjoy our celebrations. They were greeted by a very glamorous new lady member, our contribution to the scarecrow trail, and the pavilion and courts decked with bunting and balloons. Inside the pavilion was an extensive display of photographs, some from the village archive, which provided a trip down memory lane for some and who's who competition for others. A history of the club up to the middle 1970's was an insight into village life then, whist drives and dances were the order of the day in the 40's and 50's .

After an excellent barbecue the Chairman, Neil Watson thanked everyone for coming, especially Mrs Lily Pearson who has been a lifelong supporter of the club since the early 1940's. He thanked Helen Dryland for organising the evening, and Helen was presented with a bouquet of flowers. Finally the celebration cake was cut and handed round with champagne. The celebration evening had been another important milestone in the long history of the village tennis club and we were pleased to share it with so many people.

Home fixtures for July Ladies July 17th, July 24th, at 9.30am, Mens July 11th, July 25th at 10.00am. Hovingham League July 5th, July 12th at 6.30pm. Ladies July 1st 6.30pm.

Junior Tennis. This is well supported and all the juniors have had the opportunity to attend coaching sessions.

The Junior Competition will be held on Friday July 9th at 6.30pm. Please arrive on time.

The Tuesday afternoon sessions will finish in July, please check the dates with Helen.

Social Tennis. All the sessions continue as normal through July.

Fieldnats

During the two dawn choruses we saw a wide variety birds. Welburn was particularly rewarding as we watched 3 Corn Buntings singing their hearts out, whilst the beautiful sunny morning in Sheriff proved popular, with some members going round the conservation area & castle moat twice. Our first ever dry Dawn Chorus in the village brought out the widest number of birds identified to date including Skylark, Chiff Chaff, Gold Finch & Black Cap. Our thanks go to Andy Chapman for his hospitality at Welburn & leading the search in Sheriff, along with the church for allowing us to use their facilities for breakfast.

Anyone wishing to join the group, please call Melanie for more information.

Next Meeting: Sat 3rd July, Strensall Common. Meet 9.30am at the Square near the Highwayman.

Summertime

Most of us take holidays these days. Originally, these were Holy Days to celebrate the numerous saints in the calendar. The whole village would celebrate together. Henry VIII and the Protestant work ethic changed this approach, later the Puritans didn't even celebrate Christmas!

Holidays now reflect the school calendar. Can you remember the wonderful feeling when school finished and we had long sun-filled days to ride bikes, make dens and play games? I can also remember wet camping holidays in Scotland, spent listening to the Test match in the car. A friend describes how they always went on holiday wearing their best clothes. That is hard to imagine in today's leisurewear world.

The Annual Holiday has merged into a number of short breaks as we become more affluent. For many people, breaks from work are spent decorating or 'chilling out'. Where does that phrase originate? It sounds as if we are becoming bottles of beer in the fridge.

For the one in three families where there has been divorce, particularly for single parents, holidays have to be managed with extra child-care and careful budgeting.

For two thirds of the world where the average income is \$1 per day, holidays don't exist. Time is spent on the basics, searching for enough food and enough water for today and tomorrow will take care of itself.

Jesus invited his disciples to come away with him and have some rest. He made time to pray with his Father. If we put him first, then the other parts of our lives whether we are working, or on holiday will fall into place.

However you take a break, whether with family or friends, camping in the rain, or exploring the rest of the world may it be a time when you put aside the concerns of work, family and household matters and return restored and invigorated.

God will be with you, wherever you are.

Children's Play Area Update

The Play Area committee constantly monitors the condition of equipment and the state of the area itself. The Play Area has served the community well over the last 26 years but it is acknowledged that some of the original equipment is in need of attention. During a recent Health and Safety inspection the swings were deemed to be unsafe and therefore were immediately removed. We are waiting replacement top beams which we hope will be fitted in the near future.

We are sorry for the delay and whilst we appreciate how disappointing it is that the swings are not available for use we are sure you will agree that the safety of those using them is of the utmost importance.

A programme of minor repairs has been drawn up and is also to be carried out as soon as possible.

Proposals for future replacement of some of the equipment are being considered but to fund these will necessitate a concerted programme of fund raising. Any offers of help to raise money will be very much appreciated. Consultation with all those who use the Play Area will take place before any final decisions are made regarding any new equipment.

If you have any problems regarding the area please contact Caroline Hunt or myself.

Yorkshire Countrywomen's Association

Perfect weather greeted us on the morning of 15th June when fifteen members assembled in the Village Hall car park for our trip to Boundary Mill, Colne. We travelled through Harrogate, over Blubberhouses Moor to Skipton, where we stopped for coffee before moving on to Colne for lunch and some retail therapy – most people came back with a bargain or two!

The sun was still shining when we left Colne at 4.30pm and we all enjoyed the return journey through Otley and Ilkley as the countryside was looking at its best. We thank Bette for once again organizing such a successful outing.

We are not meeting in the Village Hall for our next meeting on 14th July, instead we are visiting Boots Store in Coney Street, York for a talk and make-up demonstration, with three of our members acting as models. Please note that the coach will leave **the Village Hall car park at 6.30pm**.

There are still a few spare seats for our outing to Scarborough and the Spa Orchestra on August 11th. If you would like to go and have not put your name down, please contact Bette for details.

PTFA Scarecrow Trail –Thank You!

Despite a cold start, this year's Scarecrow Trail was a great success with the weather really warming up later on and bringing everyone out to see the 20 wonderful creations all around the Village.

The winning Scarecrow by popular vote was the truly terrifying 'Angel Bob'.

A huge thank you everyone who participated either by making a Scarecrow, following the trail or enjoying the refreshments at the Village Hall. A total of £420 was raised.

1st Easingwold (Forest of Galtres) Scout Group

The Easingwold Scout Group is a thriving Scout group serving the local area and currently has around 60 members spread fairly evenly between Explorers, Scouts, Cubs and Beavers with a number of others waiting to join.

One of our long serving adult leaders has become District Commissioner and is no longer in a position to spend as much time as he would like with the youngsters. Many of the parents already help out but we need more assistance with running the Cubs, Scouts and Beavers. There is no need to have a great deal of experience in Scouting as training is provided but memories of your own time in the Scouting Organisation (no matter how long ago that may be!) would obviously be of benefit. It would be a shame if such a useful opportunity for the development of our youngsters is lost for the sake of a few hours a month of your time.

If you have ever been a Scout or know somebody who has who might be able to help, or even if you have never been involved with Scouts at all but are willing to spend a couple of hours a week helping our youth develop into worthwhile citizens, please contact me on **01347 810633** or log onto www.easingwold.org/scouting for further information of what we are doing in the local area.

Group Scout Leader

Filler Items for Village News

Sometimes we find that we have a little extra space in the Village News. If you have any items of local interest that we could include then do send them along to the editors for consideration and hopefully for future inclusion. Many thanks.
