Mobile Library Service

The current mobile library service ends on Friday 16th September 2011.

NYCC are now working with representatives from communities to identify ways to continue to provide a service for those people unable to access the library service by any other means. This may include having a library outlet connection in a suitable venue, as well as extending the current Home Library and Information Service provided by volunteers to people in their own homes.

If anybody wishes to know more about the Home Library as a user or as a volunteer or can suggest a location for a library drop-off point/book collection, please contact library secretaries on 01609 533811 or email libraries@northyorks.gov.uk or visit the mobile library on one of its last calls to the village and pick up a form.

Friends of Sheriff Hutton New Village Hall –200 Club

227 members took part in the July draw, £25 winning numbers were 10, 23, 35 and 110.

Mid Week Ramble

This month's ramble is on Thursday August 25th, new walkers are always welcome to join us for a pleasant walk of around 5 miles in beautiful countryside, followed by a pub lunch or snack. We meet in the Village Hall Car Park, at 9.30am where transport can be arranged. We get back to the village by 3.00pm. Why not give it a try.

Sheriff Hutton Bowling Club

It doesn't seem very long since we were looking forward to a new season and now here we are just playing our remaining league fixtures before the end of the month.

Our own club competitions have still to be completed and these are keenly contested. Our Monday practice/social evenings continue throughout August and anybody is very welcome- come and join us for a friendly roll-up and a chat and see what we have to offer.

(We do have a social side as well as playing bowls!)

Sheriff Hutton Tennis Club

League Report. The teams are now playing their return fixtures and most of the matches will be finished by August. The Hovingham Mixed and Ladies teams are enjoying a good season and are in mid table position. The Men's team, which has a majority of young players, has continued to find the opposition too strong and will be demoted next year. The York League Ladies are in mid table and another couple of wins should see them safely retain their position in Division 5.

Junior Champion. The junior competition was held in July and proved an exciting evening with some excellent tennis. It was a very close competition with play-offs needed for places in the semi-finals. The winner was James Holdsworth and the runner up George Hawkswell. Congratulations to James and all the juniors who made the competition such an enjoyable evening.

The competition ended the junior club nights, which have proved very popular this year. The club are fortunate to have another set of good juniors making such good progress.

The junior practice sessions finished in July, they have been well attended this summer and all the children have made good progress. Many thanks to Helen Dryland for organising and running the sessions.

Club Competitions. These will take place in September/October.

The Mixed Doubles will run as an American Tournament on Sunday September 11th at 10.00am

Men's Singles and Doubles on Saturday 17th at 10.00am

Ladies Singles Saturday September 24th at 1.30pm

Ladies Doubles Saturday October 1st at 1.30pm.

Please come along and make the competitions a success.

Social Tennis. The Ladies sessions continue through August.

Club Night will continue but could do with more members to come along. We have juniors who would like the experience of playing with adults so if you can spare the time please come along on a Wednesday evening from 6.30pm.

Further details of the club from Josephine Johnson

Sally Duffin was our speaker at the July meeting, which was very well attended. Sally is a Nutritional Therapist and gave a very interesting talk about Health and Wellbeing. During the discussion lots of questions were asked and Sally answered everyone's problems, which were varied to say the least. I'm sure everyone went home feeling a little happier and ready to try some new remedies.

There is no meeting next month due to it being our annual outing.

A reminder to the people who are going on the trip to Scarborough, please could they meet in the Sheriff Hutton village hall car park on Wednesday 10th August at 9am prompt.

Thank You. Barbara Grinham

Sheriff Hutton Field Naturalists

Well, we thought Rievaulx Terrace and Ashberry Nature Reserve had a lot to offer, but for a small reserve Jeffrey Bog proved to be a real treasure trove of finds. Two new members joined us for a super morning, the weather was warm and dry which finally brought out the moths & butterflies: there were lots of small moths we couldn't identify but other sightings included the Chimney Sweeper Moth, Small Copper and Small Skipper butterflies. Swathes of Betony added to the beauty of the landscape and other less common plants seen included Hemp Agrimony, Devils Foot Scabious, Common Spotted Orchids and Dropwort. Birds included Lesser White Throat, Reed Bunting and en route at Kirkham Abbey, keen eyes picked up a Spotted Fly Catcher sitting on the bridge.

Our next couple of meeting are:

Sat Aug 6th Our destination is Wharram Percy Quarry. Parking limited so meet at Village Square near the Highwayman Pub for 9.30am so we can organise sharing transport, back by lunchtime.

Sat Sept 3rd An evening BBQ, moth hunt and exploration of Church Yard and Conservation Area.

Please be aware that if interested in attending, it is crucial you contact the number below or a member of the club for catering purposes.

Anyone wishing more information or would like to join the group is very welcome; please call either Melanie or Andy.

Gillygate/Ghana Health Link

I am going to be returning to Ghana again this October. Some of you may remember I visited in 2008 to deliver a teaching programme to fellow nurses. As a result of the link the local hospital has forged a link with York Hospital, so we are now concentrating our efforts on developing health care in the surrounding rural clinics (a bit like our version of GP practices).

Again this is self-funded so I'm doing lots of fundraising to help. Local events include:

A **prize bingo** in Sheriff Hutton Village Hall Friday 30th September - eyes down at 7.30 and secondly **an evening at High Towthorpe**, Farlington towards the end of September - more details to follow.

Please come along to support me. As always any offers of help, baking, raffle prizes are very much appreciated - I can collect.

Many Thanks Sam Warriner

Dear Friends,

In Genesis Chapter 2 verse 5 it says that "no plant of the field was yet in the earth and no herb of the field had yet sprung up – for the Lord God had not caused it to rain upon the earth." We get a fascinating picture of the creation of the world. Plants and animals were created but plants hadn't started to grow because God had not caused the rain to fall. We get a fascinating insight into the minds of the writer that rain and therefore life was totally dependent upon God. When God sends rain, life can survive and even thrive. When God withholds rain life becomes hard and difficult.

Last Friday was the 15th July which is St. Swithun's day. St Swithun was a bishop of Winchester in the ninth century. He was a pious and educated man. He died on the 2nd July 862 and he was buried in the churchyard as members of his order usually were. About a hundred years after his burial his remains were moved into the church into a tomb on the 15th July. Legend has it that St. Swithun was not best pleased and so he caused it to rain for forty days and forty nights. The legend still remains that if it rains on St. Swithun's day it will continue to rain for forty days and forty nights. It rained last Friday! Possibly this means we will have a wet Summer, and maybe we will complain about it, but we will be able to feed ourselves.

In the horn of Africa it has not rained for two years until just recently. The weather will have been lovely and sunny and warm, but without the rain the crops have failed. Once again we are reminded that when God sends rain life can survive and even thrive. When God withholds rain life becomes hard and difficult. So if it rains a lot during the Summer and we are tempted to complain, maybe we should stop for a minute and think that here God is giving life to our land.

With every blessing from
Graham

Sheriff Hutton Cricket Club

The cricket club continues the 2011 season in fine form with both teams standing 4th in their respective divisions by the middle of July. The 1st team have won 7 games and drawn 2 games out of 13, whilst the 2nd team have won 6 games and drawn 3 games out of 13. In addition, the 1st team reached the quarter-final of the York & District Senior Cricket League's 20/20 cup competition, but were narrowly defeated by Drifffield in a high-scoring, but very wet (!) game.

The latest winners for the cricket club's "Castleman 200 Club" are as follows:

July draw - 1st Prize of £150 to Mr Eddie Hull; 2nd Prize to Mr John Pratt; 3rd Prize to Mr Andy Frank.

If you would like to join the Castleman Club or become involved in sponsorship at Sheriff Hutton CC, you may do so by contacting Ernest Taylor on 01904 656800.

All prospective new members of the cricket club are most welcome to attend practice nets every Tuesday evening or to attend any of the home fixtures on a Saturday or Sunday afternoon, or a Wednesday evening.
