Parish Council News

www.sheriffhutton.co.uk

The Parish Council Meeting scheduled for Friday 14th October 2011 was cancelled due to problems with booking arrangements at the Village Hall. That meeting was rescheduled to Friday 28th October 2011.

The next Parish Council meeting will be held as normal on Friday, 11th November, 2011 at 7.30pm in the Village Hall.

"Supermobile" Library Service Starts Friday November 4th

A "supermobile" library providing a range of services begins operating this month. Compared to the conventional mobile libraries, which were withdrawn last month, the supermobile offers a superior service, carrying about 3,000 items of stock - including books, DVDs, videos and audio books - and offering internet access via satellite.

The supermobile will visit **Sheriff Hutton Village Hall car park between 10.00 and 12.00 on Friday, November 4th** and then every fortnight.

New Year Party

The UCCC New Year Party in 2012 will be on Saturday 7th January. This is a celebration tea and entertainment for our more senior residents of Sheriff Hutton and Lilling and their partners. Invitations are delivered between Christmas and New Year, but if you have recently moved in please phone Caroline Hunt on 878242 so she can ensure you receive your invitation!

We completely depend on our volunteer hostesses, kitchen team and drivers to make the party into such a great celebration of our community here in Sheriff Hutton. Hostesses work in pairs to look after a table of 6 guests. Most of the food is provided and prepared by the committee and kitchen team, so the hostesses bring tableware, trifle and cake! Drivers transport guests to the party and home at the end, and also provide a 'teas-out' delivery service for anyone who is unable to attend the event because of ill health. Every year we receive many warm thanks from those who have attended and enjoyed the evening. Many guests were themselves involved in running parties in the past, and they are especially appreciative of the time and effort that go into the day.

A number of our long-term hostesses have recently retired because they are officially eligible to attend the party themselves (although obviously they feel FAR TOO YOUNG to do so!). Sometimes hostesses find that with changing family/work circumstances they are no longer able to help out on an annual basis. So we would like to thank all our helpers once again for all the years they have supported this event, and we hope very much that they will come to the party as guests when they are ready to do so!

If you are able to help again, or would like to get involved for the first time (as a hostess, kitchen helper or driver) please could you phone Sally Cliff on 878455 or Ruth Carter on 878538. New helpers are always very very welcome!!

Sheriff Hutton Tennis Club

Top Team in the Charity Stakes

The York League Ladies team may not have finished top of the league for tennis but they were certainly the top team in the fundraising stakes this year. Christine and her team members raised a staggering £210.00 for the nominated Fulford Ladies League charity, Breast Cancer Research, in a sponsored game count over the summer. Congratulations to all who took part and Christine has asked me to pass on her thanks to the team as well.

Social Tennis. A Ladies session will be held on Saturday November 5th from 1.30pm. All other Ladies sessions continue and the Sunday morning club sessions will be on the 13th and 27th, weather permitting.

Friends of Sheriff Hutton New Village Hall – 200 Club

227 members took part in the October draw - £25 each to numbers 1, 129, 135 and 143.

November's draw in addition to the usual half yearly prizes of £150, £100 and 3 of £50 will have 5 consolation prizes of £55 to reflect the year's average membership exceeding 200.

This month will also see the start of the collection of next year's draw subscriptions. The trustees very much appreciate the support provided by members, and hope that they are prepared to continue to help fund a vital village resource in these financially uncertain times. This year's newcomers to the Village should receive an invitation note giving details of the 200 Club. Anyone who is not currently in the draw and who would like to be included, should please contact Brian Shepherd on 878310 for further details.

Yorkshire Countrywomen's Association

Our October meeting was very interesting, Judith Wilson talked about the Alexander Technique, which is a way of helping people walk with ease and to retrain their muscles to hold less tension. A few of us were shown how to use this technique to walk correctly and to lift things properly, it was very informative and hopefully we all learnt a few things.

We are organising a visit to Beverley & Burton Agnes Hall and Gardens on Wednesday 30th November 2011. There are still a few places available if anyone would like to go. The cost to Members will be £14, Non members £16 (this does not include the £7.50 fee for the entry into Burton Agnes Hall). The hall will be decorated ready for Christmas so it is well worth a visit. If you would like to book a seat please could you ring Gillian Newman 878672 or Barbara Grinham 878476 as soon as possible? The coach leaves the village hall at 9 am returns at approx 6pm.

Barbara Grinham

Yorkshire Countrywomen's Association presents:-

THE STORY OF "DIG HUNGATE".

Members of the York Archaeological Trust will give a talk about the single biggest excavation ever carried out in York. This fascinating story offers a rare and exciting opportunity to look at 2000 years of York's history and will include details of many of the discoveries that have been made. Hopefully, they will bring along some of the treasures that have been excavated. The talk is open to everyone, not just YCA members so please come along, all are welcome.

The Story of The Archaeological Dig at Hungate will be told at 7.30pm on November 9th 2011 at Sheriff Hutton Village Hall. (Please note there will be a small charge for non members to cover the cost of supper).

Health Visitor Drop in

The Health Visitor will be at The Village Hall from **9:30am - 11:30am on Thursday, 3rd November** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone waiting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Village Charity

Like many other organisation and individuals who rely on interest from savings to provide an income, the current low level of interest rates has hit the Village Charity hard. As a result the Trustees have decided that they have no alternative but to place a cap on the level of grants which they can make. Please note that applications for consideration at their November meeting must be in the hands of the Secretary, John Oakley - Old School House, 878754, by **Wednesday 9th November. Late applications will not be considered and will be referred to their March 2012 meeting.** Applications should contain as much detail as possible particularly applications for assistance to purchase books and equipment - book lists with prices are essential.

Message from The Jumbles

Where has this year gone to? Only one more sale left this year. Our Macmillan Worlds Biggest Coffee Morning was another great success. Not only was it a super social event but £707.60 was raised for Macmillan, which included £98 from the Money Tree.

Despite the bad weather the October Jumble Sale was very well supported and raised £1416 for the Friends of Chernobyl Children. The Children have been staying in Easingwold for the past month and some of them actually came along to the Jumble Sale. The money will help to fund their next visit to this country. The FOCC do a fantastic job in finding hosts and sponsors as well as running fund raising events and the children really enjoy coming here.

Thank you to everyone who supported these events. Which bring our running total for the year to £13,989.

The last sale of this year will be on November 19th and is for Marie Curie Cancer Care.

Have you have sorted out your winter wardrobe and found things you no longer want to wear – if so we would love to have them. Books, Bric-a-Brac, Toys, Shoes, all will be very much appreciated. We will be at the hall between 9 am and 12 noon to receive anything you wish to give.

Penny Bean 878392
Thank you

The Methodist Church

In November the church celebrates both remembering and looking forward. The village churches unite in the Service of Remembrance at the Parish Church at 10.45 a.m. on Sunday 13th November. It is hoped that many people of the village will find time to come and remember those who have given their lives in service of our country and those who are still serving in many different parts of our world. Wear your poppy with pride. Then on the last Sunday in November we celebrate the beginning of Advent a time when we look forward to the birth of Jesus Christ into a troubled world, a hope of peace and that the sacrifices made may not have been in vain.

Gillygate/Ghana Health Link Thank You

I would like to say a huge thank you to everyone who has helped me raise funds to visit Ghana at the end of October, in particular Margaret Singleton for hosting the cheese and wine evening and Ian Downing for the Bingo night. Thank you to all who attended these events, which were a great success and collectively raised just over £1,150.

Sam Warriner

Backwards or Forwards?

November can be really bleak, with short days and frosty nights, fog and fireworks. It seems to be a month when we look backwards. We begin with the season of All Souls and All Saints November 1-2nd when we give thanks for the lives of those who have died whom we love but see no more. Come along to the service at Stillington 6pm if you would like to remember someone in particular.

'Trick or Treat' is an American import for the Holy Evening – Halloween – October 31st, the night before All Saints. Let's keep it holy – not too many scary masks! Why not bring back apple bobbing?

Even Guy Fawkes, November 5th, is a reminder of old divisions between Catholic and Protestant which thankfully have long since disappeared in this country.

Next, Remembrance Sunday on November 13th reminds us of the futility of war and the bravery of those who gave their lives on our behalf. As we remember the soldiers serving in Afghanistan, Iraq and around the world today by wearing our red poppies, we promise that we will not forget what they have done. Working for peace is something we can all do. That's forward thinking.

November also brings the end of the Church year. 'Stir up' we pray on the Sunday before Advent, November 20th, 'the souls of your faithful people that they plenteously bringing forth the fruits of good works may by you be plenteously rewarded.' Many people take this as a reminder to make their Christmas puddings, but we can also stir ourselves to look forward to a time of growth, leaving the mistakes and sadnesses of the past behind us as we look to Christ the king of our hearts. He is waiting to tell us how much he loves each one of us.

Enjoy the sparklers!

Village Hall Hiring Charges for 2012

Sheriff Hutton Field Naturalists

What a great October! Two successful events in one month.

One of the warmest days of the year and a record for October, accompanied the group of members that explored Black Toft Sands and North Duffield Carr on the 1st of the month. At Black Toft the treats didn't stop here as a number Marsh Harriers were seen, along with a Merlin which was special, Black Tailed Godwit, Red Shank, Green Shank and Spotted Red Shank, Snipe, Stonechat, Red Admiral butterflies & a low flying Lysander! By the afternoon though all went quiet as the balmy day proved too much for the wildlife and at North Duffield Carr our sightings were limited but did include Linnet, Swallows, Common Data butterfly and a wasp nest above the toilet block.

Our first evening of the winter programme was a lovely way to kick things off. Members shared their summer's stories of wildlife observations which included some wonderful pictures of inside a nesting box. We were walked through the trials and tribulations of a family of blue tits as the parents laid 8 eggs and eventually managed to get 6 chicks to fledge. Other stories included some interesting observations of cat and swan behaviour (not at the same time!); fascinating finds from the Isle of Man: bird survey results done on local farms and bees behaving badly! My thanks goes to Moira, Marion, Dave, Jean and Andy for their contributions.

Further dates for your diaries: Wednesdays Nov 2nd, Dec 7th, Jan 4th, Feb 1st AGM, Mar 7th from 7.30pm in the Village Hall. Anyone wishing more information or would like to join the group is very welcome; please call either Melanie on 878711 or Andy on 878785 / 878404.

Samples will also be available for viewing.

So please join Sheriff Hutton Field Naturalists, a warm welcome awaits. £3 entry including refreshments, start 7.30pm in the Village hall.
