Sheriff Hutton PreSchool Playgroup

Playgroup will be starting again on Monday 5th September. Due to popularity we are continuing our all day Friday in addition to the Monday and Wednesday mornings. There are spaces available and we are hoping to start taking children from 2 years old. We are also looking for relief staff - no experience necessary just an enthusiasm for working with children. For more information please contact Jo Pearson by e-mail shuttonpreschool1@yahoo.com or visit our website www.sheriff-hutton-playgroup.org

Sheriff Hutton Field Naturalists

Unfortunately due persistent precipitation on Sat August 2nd the outing to Wharram Percy Quarry was cancelled. So we now look forward to September and keep everything crossed that we will be luckier with the weather. Our next meetings are:

Sat Sept 3rd Start 6pm. An evening BBQ, moth hunt, exploration of the Church Yard and Conservation Area. Please be aware that if interested in attending, it is crucial you contact Andy on 878785 / 878404 for catering purposes.

Sat Oct 1st A day trip to Black Toft Sands – rich both in birds, wildlife and flora. Time allowing we may visit another reserve on the return trip. Meet at the Village Square near the Highwayman Pub for 9.30am and sharing transport, back approx 4pm. Bring along a pack up, toilets available at the reserve.

Wed Oct 5th Our evening winter program begins in the Village Hall.

Anyone wishing more information or would like to join the group is very welcome; please call either Melanie on 878711 or Andy on 878785 / 878404.

Sheriff Hutton Youth Club – the beginning or the end! September 20th

We are now at crunch time. September will prove to be either the beginning of a new term or the end of the Club. Even though we have 37 members on the register and a consistently high attendance level, great space in the Village Hall, good parental support and volunteers to help at sessions, sadly we do not enough Youth Leaders. Currently one person has kindly come forward but he cannot run the club on his own, so we are reaching out for the last time and appealing to anyone that might be interested.

The role is voluntary, so to spread the term time sessions between a group of 4 people ideally, really helps as a support network, as not many people can cover consecutive weekly sessions. It also ensures that there is still someone available for high days, holidays and sickness. Please ring to find out more from any of the following: Melanie/Tim 878711, Mark 878235 or Jean 878629.

Since opening in 2003 we have been through challenging but also very rewarding times & seen 200+ children come through our doors. More and more children go outside the village for clubs and events which is a pity particularly as we have the facilities that we do. Young people should be engaged in the community they live in, so anyone that can offer help please come forward and we will work around the time you have available. Many thanks.

Members / parents / volunteers: we will not open the club until September 20th to allow time for people to come forward. So this will either be the first session of the new term or a farewell party. More information will follow closer to the date.

Bonfires and the Law

If you are having a bonfire the smoke and smell created by it can annoy your neighbours. Warn them beforehand – they are much less likely to complain. Make sure you light the bonfire at a time least likely to affect neighbours – not on a warm day when they are likely to be in their garden or hanging out their washing. Only burn dry material – damp causes more smoke. **Never** leave a fire unattended or leave it to smoulder – douse it with water if necessary. Do not burn plastic, foam, rubber or painted materials – they create poisonous fumes and can cause damaging health effects.

If your neighbour has a bonfire and it affects you, speak to them and explain the problem. They may not be aware of the distress they are causing. If speaking to your neighbour fails contact your **Ryedale District Council Environment and Planning Department**. In most cases officers will try to deal with the matter informally. To be considered a nuisance bonfires need to be a regular occurrence and seriously interfere with your well-being. An occasional bonfire is unlikely to be considered a nuisance in law.

There aren't any specific laws against having a bonfire or about when you can have one, but there are Acts dealing with the nuisance bonfires can cause. Under the **Environmental Protection Act 1990** it is an offence to get rid of domestic waste (including burning it) in a way likely to cause pollution or harm to human health. Under the **Highways Act 1980** anyone lighting a fire and allowing the smoke to drift across a road faces a fine if it endangers traffic. If this happens call the police.

If the District Council considers a bonfire to be a nuisance it can issue an abatement notice. Failure to comply could result in a fine of £5,000, which can rise by £500 per day if the notice continues to be ignored.

All of this information and more can be obtained from www.ryedale.gov.uk (choose Environment & Planning on the home page menu, then pollution/pollution control nuisances)

Sheriff Hutton Gardening Club

The annual day trip to Tatton Park Flower Show was on Saturday 23rd July. Over forty members and friends spent several happy hours doing what we gardeners like doing best; looking at gardens, plants and shopping. The Show was very well attended, but there was ample space to browse and sit in the sunshine. So much to see, so perhaps a visit to Tatton House and Gardens will have to wait for another time.

For those who spotted John Foley, of Holden Clough Nursery, on his stand with his Crocosmia, or watched his interview with Monty Don on Gardener's World, you will be pleased to know that he is our speaker at our next meeting. We are to be guests of Welburn Horticultural Society in Welburn Village Hall on Wednesday 21st, September at 7.30pm. when John Foley will give a talk on 'Late Perennials'. For those wishing to share transport to Welburn, please meet in Sheriff Hutton Village Hall car park so we can leave at 7.10pm

The Potato and Marrow Competition

Another fun, but competitive, evening when forty four growers waited in anticipation whilst the tubs of potatoes and the very large marrows were weighed. Derick Forsdyke regained his crown with his heaviest crop of potatoes weighing in at 3.98kg. Margaret Thompson took 2nd prize with her potatoes weighing 3.08k, and E & R Watson came 3rd with their crop weighing 2.9kg. The winner of the Heaviest Potato was Margaret Thompson, whose potato weighed 0.7kg. Second prize went to R Carpenter at 0.58kg, and third prize to A Thompson's whose potato weighed 0.46kg.

The winner of the Heaviest Marrow was Judith Goodwill with 3.80kg; second was Terry Fisher with 3.32kg, and third was L. Scaife with 3.12kg.

Thank you to Gillian Thompson for organising the event.

The Village Show

The Village Hall looked splendid when all the produce, flowers, pictures and craft items were displayed. We were concerned how many items would be entered due to the weather but we were pleasantly surprised to see, not just how many entries there were, but the quality of the exhibits. The Craft was of a particularly high standard this year. Over two hundred people came to view the exhibits and enjoy the afternoon.

The winners were:

The Warwick Cup (for fruit and vegetables)	Tony Thompson
The Richard Third Cup (for flowers and pot plants)	Margaret Thompson
The Home Craft Cup	Pat Sanderson
The Neville Plate (best entry in Craft)	Ian Smythe
The Cookery Cup (joint winners)	Tracey Theakstone and Elaine Magee
The Photography Cup	Sue Newman
Children's Photography	Bex Anfield
The Senior Cup (children)	Abigail Shaw
The Junior Cup (children)	Eifion Morgan
Children's Shield (best exhibit in the Children's Section)	Lucy Nevin
Alan Farnaby Memorial Trophy (child with most points in Show)	Abigail Shaw
Association Cup (adult with most points in Show)	Tony Thompson

We would like to thank all those who helped make this a very successful day, especially to Jane Burnett, who spent many hours organising the whole event. However, we do need a volunteer to run next year's Show. Jane has organised the event now for four years and has stream-lined it to run smoothly.

And finally, thank you to those who took part in the Show, for without your exhibits there wouldn't be a Show.

The date of next year's Show will be 11th August, 2012, so please put it in your diary so that over the long winter months you can start preparing your exhibits!

Help Raise Funds for the Gillygate/Ghana Health Link

I am returning to Ghana this October in the second part of a health teaching programme in Ghana. A Message from Pam Powell and Sue Park

As many of you will know, we have both just retired from our posts at Sheriff Hutton Primary School. We would like to say an enormous thank you to all of you who came along to make our retirement celebrations so special. We were so touched at how many people from across the whole community came to see us and wish us well, and especially delighted to listen to the past and present pupils of the school who entertained us at the Saturday celebrations. Thank you as well for the lovely messages you wrote to us, and for all your cards and gifts. We will have so many wonderful memories of our last week at the school, as well as so many memories from all our years at Sheriff Hutton.

It has always been a great joy and privilege to work at this very special school, within such a warm and supportive community. Thank you to all the lovely children we have taught, and to all of you for all the happy times we have shared, and for your friendship and support. Sheriff Hutton has been such an important and very special part of our lives and we will miss seeing you all and enjoying your company.

We know you will welcome our successors, Mrs Beverley Stell (Headteacher) and Mrs Penny Vity (Early Years teacher), into your community, and that they will settle in quickly and enjoy teaching the delightful children at Sheriff Hutton Primary School just as much as we did!

THANK YOU!

New Dental Practice

We are delighted to announce the opening of The Howardian Dental Practice on York Road Industrial Estate. This purpose built, Private practice will be accepting patient registrations from the 5th of September, our team is excited at providing this essential local service for local people. Whilst we are unable to offer NHS treatment we find that many of our patients really value the opportunity to have treatment in an unrushed manner, with plenty of time to identify and discuss their dental needs. By providing a local service with extended opening hours we feel we can provide excellent value for money, no travel costs as we are on your doorstep, no trouble locating parking spaces and their associated costs and with appointments from 8.00 on some days and up to 7.00 pm on others you can save your holidays for leisure.

The practice will be headed by Dr Christine Parker BDS who graduated from Manchester Dental School in 1996, her main passion is general dentistry, however she also has several years experience in Non Surgical Facial Rejuvenation, that is wrinkle reduction, non-permanent facial fillers and facial peels. Dr Parker previously worked for 10 years at The Crescent dental surgery in Scarborough and more recently at Pickering Dental Health Practice.

Doctor Parker and her team aim to provide high quality, modern dentistry in safe , comfortable and relaxed surroundings. With these purpose built premises and fully disabled access we are aiming to bring 21st century dental services to the local population, but with all the courtesy and customer service of years gone by. Many patients have expressed their delight at their treatment over the years, please feel free to visit our website on info@howardiandental.co.uk to see their testimonials.

Further information and appointment booking can be obtained by phoning 01347 878111. We look forward to seeing you.

Wind Turbines Proposal for Farlington Grange Farm

On May 12th of this year, The Energy Workshop Limited (EWL) sent a "pre-planning application" to the Hambleton District Council, who forwarded this to Farlington's Parish Meeting for comments on May 20th. The application was discussed and in early June a letter was sent back to Hambleton D.C. strongly opposing the plan. Disappointingly, the so-called "screening application" was accepted by H.D.C. and a full planning application is now expected to be lodged later this year.

On August 2nd, at Stillington Village Hall, more than 60 people attended a presentation by EWL to hear about the wind turbine that may be built at Farlington Grange, about half a mile from Farlington village. A 130 metre turbine would be nearly twice the height of York Minster, taller than St Paul's Cathedral and would be taller than the new Wembley Stadium, the second tallest stadium in the world! It would be very visible and obvious from most parts of Farlington, Whenby and elsewhere, would be noisy and there would be a "shadow flicker". Unsurprisingly, the vast majority of the residents at the meeting were totally opposed to EWL's plan. The Farlington Wind-turbine Action Group (FWAG), which comprises a number of local residents, has been formed and states it is determined to fight against the construction of such a wind turbine.

Should you wish to support FWAG in their campaign to stop the Farlington wind turbine and the others it may spawn, please visit www.Farlington.org.uk for more details, to give your comments and to make contact with the FWAG.

Sheriff Hutton Bowling Club

This year's intense bowling season is rapidly coming to an end with the approach of our club singles, doubles and triples competition finals. The matches to date have been hard fought in a tight schedule compounded by our increasingly dismal summer weather.

Sheriff Hutton have fought bravely in the Huby Triples League against substantial opposition while our ladies are performing magnificently in the Ladies Country League against strong competition, with only a few lady members to call upon.

The veterans team can be said to be performing superbly in the social niceties of the Ryedale Veterans League gaining plaudits for their high quality Tea and Biscuits!

Announcement can now be made of our forthcoming Christmas Bazaar to be held on Saturday, December 3rd from 10.00 to 14.00 in the Bowls clubhouse, a must date for your festive calendars. Details to follow in the October newsletter.

Supporters and spectators are always welcome at our home and away matches with details posted on the club notice board.
