Sheriff Hutton Field Naturalists April 2012

Geoff Oxford returned to the group to give a thoughtful and in-depth talk about spiders; a subject he researched during his years at the University of York. Even the less than arachnophile of us amongst the group felt more informed and perhaps thought more kindly about spiders by the end.

Our next meeting is our first outdoor meeting of the year, on Saturday April 14th meeting at the Village Square near the Highwayman Pub at 10am. We will be going to the RSPB reserve at Bempton Cliffs near Bridlington. There are limited refreshment facilities there so it's advisable to bring a packed lunch. Please feel free to join us, non-members are very welcome. We will be car-sharing so a small donation to each driver for petrol would be appreciated.

Anyone wishing to come along and join the group or needing more information about Field Naturalists, please get in touch with either Melanie on 878711 or Andy on 878785 or 878404.

Message From the Jumbles

The sun certainly shone on our Book Sale. Thank you to everyone who donated such fantastic books and to those who came and bought them. There was such a wide choice of reading matter giving plenty of opportunity to stock up for the next year. Don't forget, we will welcome them back when you have finished reading them for one of our Jumble Sales, or next year's Book Sale. Thanks also to those who donated home baking, preserves and prizes and just as importantly, time to help on the day.

The total raised for The Parish Church was £1,311 bringing the running total for the year so far to £4,389

Our next event will be **The Jumble Sale on 28th April**, raising money for Sheriff Hutton Bowls Club, which is always in need of money to keep the facilities up to a high standard.

Spring is here, Summer is just around the corner, start sorting your cupboards and wardrobes out – we welcome your cast offs. The Hall will be open between 9am and Noon to receive jumble and the sale will start at 2pm.

Stillington Volunteer Driver Scheme

Stillington Surgery in partnership with the national charity CSV, with funding from Comic Relief is providing help with transport to healthcare appointments.

The service is provided by a team of volunteer drivers. Trips have been made to the Stillington Surgery, York District Hospital and Leeds. At the moment we cannot provide a service for Strensall Surgery patients.

Should a patient require transport to their healthcare appointment information is available from the surgery.

A call to the charities local Volunteer Organiser to let them know the time and date of the appointment is all that is required.

It is helpful to give as much notice as possible. The Volunteer Organiser will need to check the availability of a local volunteer who will take the patient to and from the healthcare appointment.

The service is free, however donations are welcome.

CSV's Development Officer Steve Twynham says "It is really rewarding being involved in such a scheme and with the support from Comic Relief we look forward to helping many people who have difficulty with travel to healthcare appointments. The service has been very well received by patients.

If you would like to help us MAKE A DIFFERENCE and would like to be a volunteer organiser or volunteer driver supporting the local community and would like more information please contact 07557 78684099 or email rsvpnorthyorkshire@stevetwynham.com

Dear Friends,

We have an expression, "Where there's life there's hope." It is quite a common expression and it is quite self explanatory, but it seems that it is tremendously appropriate to the season of Easter. It is very difficult to imagine what Jesus' disciples must have been feeling on Good Friday. All of their hope in the future had been destroyed. They had been on a roller coaster ride with this person called Jesus for three years, and suddenly he was dead and buried. Not only was that very sad and a tremendous blow to them, they also felt that they too were in immediate danger of being killed themselves. Good Friday for the disciples meant "no life and therefore no hope."

Then suddenly from a very unexpected cause, there was life again, and life in a different way, and hope that would soar more than it ever could if Jesus had not died. They started to get reports that Jesus had been resurrected. He was no longer dead but had been raised to life. With new life there was suddenly new hope, and new life when they knew that Jesus had been dead would be a time of amazing hope. This was hope of life beyond death in a very immediate way.

We are used to our changing seasons, where we have Winter, Spring, Summer and Autumn. We are used to thinking of the significance of Jesus' resurrection bringing new life, just as we get new life in the Spring. But this new life from Jesus was not ordinary. It was not the ordinary miracle of new life in the Spring which is expected every year. This was new life from a completely different source. This was God doing something new and unique in the world, it was God demonstrating that God is in charge of life. That also means that God is bringing into the world the most extraordinary and wonderful hope. We have the hope of new life in Christ even through death.

Have a Blessed and Peaceful Easter.

Graham.

At the Annual Parish Meeting held in the Miss Ward Room Roy Thompson [878644] and Cheryl Smith [879128] were elected churchwardens for the coming year and they are the first point of contact for church matters. Our thanks to the Stewards of the Methodist Church for the use of the room.

The following matters of general interest to everyone in the village were also raised:

For Pleasure in Thanksgiving in Memorial Flowers: We have been asked if flowers can be placed in Church by anyone in the village. The answer is **YES**. We would be delighted to welcome any placement. A variety of vases to take small or large bunches of flowers are available. A donation can be made and flowers placed on your behalf. [We already do this for several people on anniversary dates] Simply contact Mary Masefield Tel: 8787501.

Organists: Would you like to play the organ in church occasionally? We would welcome you with open arms. For more information and to arrange a practice session contact Andy Hunt (878242) or John Oakley (878754)

Friends of the Village Hall

Jack, Caryn and The Elastic Band

This was a fantastic evening raising £635 for Village Hall funds. We have received many positive comments and everyone seems to have thoroughly enjoyed it. They were all amazed by the quality and professionalism of the performance and thrilled that such an event could be "home-grown" in Sheriff Hutton (with a little help from Wilberfoss!).

Many thanks to Jack, Caryn, Andy, Caroline, Rob, Mike and Gerry for all the hours they must have put into planning and rehearsing. We hope they got as much pleasure out of it as the audience clearly did.

Many thanks also to everyone who helped in any way including preparing and serving food, running the Bar and Raffle and doing the lighting, dressing the tables and stage and looking after the door which all contributed to a very successful evening.

The next Friends meeting is on Tuesday July 3rd at 7.30pm in The Village Hall. New Friends are always welcome.

Queen's Diamond Jubilee Celebrations

Monday June 4th in and around the Village Hall

Invitations will be delivered before the Easter Holidays. If you have not received your invitation before Friday 13th April please contact Cheryl Smith on 879128. Replies can be put in designated Boxes at Sheriff Hutton Post Office, Church or Chapel by **Monday April 16th**. All children of primary school age and under must be accompanied by an adult.

We would ask everyone who can, to walk to the Village Hall as car parking will be very limited. If you are unable to make your own way to the Hall and require assistance please ring Cheryl Smith on 879128.

Village Groups and Organisations have been asked to help with providing refreshments for the Street Party Tea and we will be sending out a more detailed letter to them in April. However any offers of additional baking such as scones, cakes, sausage rolls etc will be most welcome. These can be left at The Hall from 11am onwards on the day.

All offers of help will be gratefully received as many hands make light work! Offers to Jill/Dick Johnson on 878545, Margaret Fisher 878314 or Cheryl Smith 879128.

The programme of events is:

3.00pm	Sports/ Games for Children and Young People
4.30pm	Street Party in the Village Hall Car Park (inside if wet)
	A Tea Dance will take place during the afternoon
7.00pm onwards	Disco, Licensed Bar and BBQ (small charge)

The next planning meeting is on Monday April 16th at 8.00pm in The Village Hall – we will be delighted to see anyone interested in becoming involved.

Everyone is welcome to this Village Event

Sheriff Hutton Gardening Club

On Wednesday, 18th April we welcome Brian Walker to our meeting to speak on the subject of 'The Changing Forest'. Brian has recently retired from the Forestry Commission at Pickering. As usual, our meeting will take place in the Village Hall at 7.30pm. Visitors are welcome.

There is still time to enter the potato and sunflower competitions. Seed potatoes and containers are available from Estelle Grout at £2 for an adult and £1 for under 16yrs. The seeds to grow the largest sunflower head are £1 for adults and 50p for under 16yrs. These competitions are open to members and non-members, so perhaps you can encourage school children to join in these competitions too; especially the Sunflower Head Competition, when they can watch a huge plant grow from such a small seed.

The Village Auction 2012 Saturday April 21st at The Village Hall

This year the Auction will be held on Saturday April 21st at the Village Hall from 1.00pm until the last item is sold. This year the proceeds will be divided equally between **Sheriff Hutton Primary School** and **Playgroup**.

Viewing and light lunches from 12 noon to 1pm. Refreshments will be available throughout the afternoon.

We will be very grateful for donations of household items, garden equipment and bric a brac etc. We ask that all items are in saleable condition as disposal of left over items is difficult. We have found that books, videos and jigsaws do not sell particularly well and would therefore ask that donations are limited to good quality books. Due to Health and Safety regulations we are unable to accept upholstered furniture including sofas unless they have a label showing they are not flammable. We also cannot sell mattresses, dishwashers, washing machines, fridges or cookers.

As previously we will be collecting in Sheriff Hutton and Lilling on the Friday evening and Saturday morning – items can be left outside your property for collection or you can bring them to the Village Hall. Please telephone Gill Noble on 879045 or Gillian Fairbotham on 878517 if you wish to notify us of a particular item/ items you would like to donate and would like collecting. This is particularly helpful for bulky items so that we can ensure we send out an appropriate vehicle.

As ever we are asking for volunteers to help with all aspects of the Auction – in the kitchen, collecting and sorting items and during the Auction itself as “runners”, cashiers etc. Also donations of baking for refreshments will be most gratefully received.

Any enquiries or offers of help to Gill Fairbotham 878517, Kathryn Jackson 878235 or Margaret Fisher 878314.

Bargains for everyone – we look forward to seeing you there!

"Supermobile" Library Service

In view of the number of impending bank holidays, the dates for the next visits were being discussed at the time of going to press. Details for April, when known, will be displayed on village notice boards.

The Sheriff Hutton Play Area

The Play Area is managed by a small committee, under the umbrella of the Village Hall Trustees. Funding for repair, refurbishment and replacement equipment is the responsibility of the Committee Members, which is a very onerous task as most of the members of the committee are also involved in other organisations within the village and they too are seeking to raise money to fund their varying activities.

The Play Area has served the community well and following the annual safety inspections the committee endeavours to keep the equipment in a safe and serviceable condition. However, some of the older equipment is now looking a bit sad and we would like to formulate a programme for replacements to keep the Play Area up to a high standard and attractive for the younger members of our community who use it. Play equipment is extremely expensive, with the added cost of safety surfacing to meet Safety standards, so we are looking at needing to raise several thousands of pounds.

Some of the existing committee are now finding that other commitments are preventing them playing as active a part as they would have wished. We are, therefore, looking for one or two new people to join. Do you have any time to spare?

Someone who has a knowledge of how and where to obtain funding would be welcomed with open arms. Do you have that expertise? Would you like to be involved?

If you would please contact Penny Bean on 878392 or Caroline Hunt on 878242
