Parish Council News

www.sheriffhutton.co.uk

The Parish Council was held on Friday 13th July 2012. It was attended by Cllrs D Wooles (Chairman) (878469), Mrs P Bean (878392), B Parkinson (878373), N Anfield (8787380).

Clerk BC Taylor (878060).

County Councillor Clare Wood was present as a guest. One member of the public was present.

Report of County Cllr Clare Wood

She reported that an NYCC Scrutiny Task Group is looking into the use of mobile Vehicle Activated Signs (Speed Matrix) and the opportunity for Parish Councils to lease them on a temporary basis from the County Council at a cost to be agreed. The Task Group will report its findings and recommendations to NYCC Executive on 25th September 2012.

It was agreed that the Parish Council should write to the Task Group setting out the case for leasing a matrix.

Potholes

The Clerk reported that he had carried out a tour of all the roads in the Village and had reported 6 areas to NYCC Highways for investigation, namely Castle View, Castle Side, Terrington View, West End, Main Street and North Garth Lane

Screening at the Industrial Estate

The latest development is very visible from the road. Lights from the Estate are shining on to the highway and into residents' windows. These matters have been reported to the Ryedale Planning Enforcement Officer who is looking into the matter and also into the proliferation of advertisement hoarding on the highway near to the estate.

Dog Fouling

This still continues in the Village. A more detailed notice is in the Village News.

Cycle Races

At least one of the recent cycle races through the Village was not properly notified to the Parish Council. Investigation with the appropriate bodies is taking place.

Grass Cutting

Because of the bad weather the Grass Cutting Contractor has been unable to carry out the normal number of cuts. This is being monitored and the Contractor is being most helpful in the matter and a reduction in his charges will be allowed for.

Sheriff Hutton Gardening Club

Thirty members of the Gardening Club enjoyed good food, wine and lots of chatter, on Sunday 8th July at the BBQ hosted by Mr and Mrs Paul Drury. We experienced fine weather and magnificent views which helped make this a very enjoyable afternoon. Profits from this event will help boost the gardening club funds.

There is no meeting in August but we welcome everyone, from near and far, to the annual Village Show.

Our next meeting will be on Wednesday, 19th September in the Village Hall.

The Potato & Sunflower Head Competition.

Yorkshire Countrywomen's Association

I would like to apologise for the last minute cancellation of the coffee morning but due to family reasons it had to be cancelled.

We have rescheduled the coffee morning to the 20th September 2012 10am -12 pm in the Miss Ward room at Sheriff Hutton Methodist Church. There will be stalls galore: Cakes, Books, Nearly New and plants; any offers of cakes, books etc. will be gratefully received.

Ann Brown was our speaker at our July meeting; she spoke of her love of old clothes and brought along some beautiful children's clothes from as far back as the 1900s. A lot of the clothes were hand-made and so delicate, but everyone was allowed to handle these garments and was able to see just how much work went into the making of these clothes.

There is no meeting next month due to our trip to the Lynn Hopwood museum at Kirby Stephen. Would all the people going on the trip on the 8th August please meet at Sheriff Hutton Village Hall at 8am PROMPT. We should arrive back approx. 6.30pm.

Sheriff Hutton Playgroup Committee needs a Chairman!

Our current Chair, Jo, is leaving the area in September and we are looking for a replacement. You do not need to have any experience in Early Years Childcare to be Chairman, just an enthusiasm to support this vital community service.

The Chairman's role at Playgroup is to be the public face of the volunteer committee who manage playgroup ensuring compliance to regulating requirements (such as Ofsted), financial accountability and viability. It is an enjoyable and rewarding role and an essential requirement of both Ofsted and The Charity Commission.

If we are unable to elect another Chairman, Playgroup may have to close.

Playgroup has been running for over 40 years, it is a thriving part of our community, supporting local families and the school. If you, or someone you know, is interested or just want to know more about what is involved, please call Jo Pearson on 01653 618356.

Friends of Sheriff Hutton Village Hall

The Friends are now taking a break until the autumn when we will be holding 2 events

The next Friends meeting is on Tuesday October 2nd at 7.30pm in The Village Hall – new Friends are always welcome.

Sheriff Hutton Field Naturalists

Field Nats considered themselves lucky in the extreme to have a rain-free day for the trip to Dalby Forest last month. On a walk round the area of Bridestones, the occasionally tricky conditions gave us an indication of just how much rain had fallen in recent weeks. However, it didn't dampen the group's enthusiasm or their ability to spot flora such as ragged robin, hedge woundwort and sheep's sorrel. Birds seen and heard included meadow pipit, yellow hammer and linnet.

Next month's event is a morning visit on **Saturday August 4th** to Pond Head at Yearsley: meeting at the Village Square near the Highwayman Pub at 10am and aiming to be back by 1pm. All visitors are welcome and anyone wishing to come along and join the group or needing more information about Field Naturalists, please get in touch with either Melanie on 878711 or Andy on 878785 or 878404. Membership is £10.00 for the year.

Dear Friends,

What is the quality of our relationships? Are we in a good place, or a bad place? Are things working smoothly or are they bumpy at the moment? It is not something that we often think about unless things are not working out well. But how do we manage to build in some quality time in for our families and friends, to make relationships work better? We live in a world filled with many different distractions. The news said yesterday that we are speaking on the telephone much less than we used to but sending text messages more.

I have mentioned before that families used to get together at meal times and had time together without any distractions. This happens less and less, so where do we get family time together without distractions? With the modern means of mass communications you get the impression that an average family has a device each.

But relationships are built up by people spending time together. The time can be spent talking or doing some joint activity, or whilst eating. We all need that kind of quality time. With all of us being very busy at all times now this is more and more difficult. But as we go into August people start to go on holiday. Holidays, and especially holidays away are very special times. They are almost always mentioned about someone's life when I take a funeral. It is a time for a break and a time to spend quality time with your nearest and dearest.

The wonderful power of a holiday is that you are taken away from a proportion of the distractions of daily life. (Though I remember on a plane where the Mum played on her phone, the daughter played on a tablet computer and the son listened to music on his phone. The Dad was sitting somewhere else!) But for a good portion of time on a holiday away, it is time for relationship building. It is time to exercise our relationship muscles. It is time to make sure we spend time together with those who are closest to us, to draw them closer still.

So I do hope that you are going away somewhere on holiday during the Summer. I do hope that you will have good weather. But whilst you are away, do remember that this is a special time, a time to remember for a long time to come. It is also a time to exercise the relationship muscles. Get the family to lessen their grip on the digital age, and enjoy spending time together.

God came to earth in Jesus to spend some quality time with us, and to call us to spend quality time with him, and each other.

With every blessing from
Graham.

The next Ramble will be on Thursday, 30th August meeting at the Village Hall car park at 9.30am. A gentle 5 mile walk – hopefully to see the heather on the moors – followed by a pub lunch. We will return to the village by 3pm.

Sheriff Hutton Tennis Club

Junior Champion

The Junior Competition was held in July and 8 intermediate juniors competed. The play was of a high standard with some close and exciting games. The final was between James Holdsworth, last year's winner and Angus McMillan and congratulations must go to the winner Angus, who at 12 years old is the youngest champion the club have had. Well done to all who took part. The club is fortunate to have yet another batch of talented enthusiastic players.

The competition marked the end of the junior club nights which have been badly affected by the weather.

The Tuesday practice sessions also ended in July and these have been well supported and the juniors have made steady progress. Many thanks to Helen Dryland for all her hard work in organising and running the sessions.

Autumn/Winter Tennis. Would you be interested in coming along to informal coaching /social tennis on a Sunday morning? Damian has been running successful Wednesday morning coaching and if there is enough interest would be able to do Sunday sessions. Please get in touch if you are interested.

Ladies Tennis. The Ladies sessions continue through August on a Monday afternoon and a Wednesday morning. The Ladies competitions will be held in September, the Singles on September 22nd and the Doubles on September 29th.

League Results. The matches are well on the way to finishing although some have had to be rearranged due to rain. Thanks to all members who have played in the teams and the team captains for organising the matches. Full results will be in the September News.

Membership. The Club have had a good year with membership up from last year. Just a reminder that the courts are for members only so if you haven't paid you are not entitled to use them. Parents are reminded that juniors under 11 are only allowed on the courts under the supervision of an adult.

Sheriff Hutton Bowling Club

The club is currently in the feverish process of establishing the singles, doubles and triples champions of 2012, which makes the organisation of the Olympics seem mere child's play. We struggle to fit the knockout games into our already busy end of season league matches but do enjoy the ability to get lots of bowling in before the end of this waterlogged summer and our annual awards dinner.

The current weather forecast is giving the members some hope of a sunny August when all will savour the ability to get out on the green without weatherproof clothing. If you think you would enjoy a couple of hours in the sun do come along and join in with the bowling or just enjoy a leisurely evening in the sunshine, everyone is welcome any Monday evening or for any of our remaining home matches.

John O'Groats to Land's End

Steve Loynes and Rex Parry from West Lilling, along with six friends from York, cycled over a 1,000 miles in just twelve days from John O'Groats to Land's End, finishing on June 15th.

The weather was against them most of the way, cold and wet, especially the last two days when they encountered gale-force winds as well.

They have raised over £53,000 (plus Gift Aid) for York Against Cancer and would like to thank all those who contributed to this extraordinary amount.

At our June meeting we learnt about schooldays in Sheriff Hutton, with fascinating memories of lessons, games in the playgrounds with separate playgrounds for girls and boys! The Methodist School became known as 'the Little School' and the C of E School 'the Big School,' with pupils aged 8 – 14 years. Many lessons were similar to those of today but more formal and punishments were quite severe. It was a fascinating evening. Thanks to Nancy Megginson and Alma Lilley for their personal and family memories.

NB. There will not be a meeting on August 25th

New Members always welcome! Further enquiries to Margaret Thompson 878465

Neighbourhood Watch

With the exception of some relatively minor incidents during June, all remains quiet in the village, however I am asked by the Police to advise all users and owners of 4x4's (all types and ages, luxury SUV's and utility) to be extra vigilant and security conscious as there have been a surge in thefts of such vehicles in the wider Yorkshire area – ensure they are at least locked, preferably within a locked garage or other secure building. I am further asked to make you aware that the theft of diesel oil is on the rise again, both commercial and domestic. If you see any suspicious activity, please report it immediately to the Police.

The results of the traffic survey to determine the viability of 'Matrix' signs has been, too say the very least, disappointing. Neighbourhood Watch and the Parish Council are currently working together to progress this issue to the next level – I am sure most if not all of you are aware of the dangers presented by speeding vehicles within the village and the desirability of any measures that will reduce the substantial risks imposed on residents and visitors. It would be helpful if you could write to the Parish Council expressing your concerns and/or support for these signs, preferably highlighting any specific incidents you have witnessed or been involved in.

In the unlikely event of summer actually arriving and allowing us to enjoy our gardens, can I please remind you to ensure that valuable and portable items are secured and out of sight, and if you are spending time in the back garden, ensure that the front door is locked (or vice versa!) – Opportunistic crime always increases during the summer months.

As a reminder to all, in the event of you needing to contact the Police for non-emergency matters the new telephone number to use is 101- don't be frightened to use it. All emergency calls are still to be made to 999.

The next meeting has yet to be scheduled, but will provisionally be held mid-November in the village hall, Sheriff Hutton. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389.

Alan Pitman 5 July 2012.

Fouling of the Pavements

An increase in the occurrence of dog fouling in the Village is still being reported. Please remember to pick up your dogs' excrement and place it in the Dog Waste Bins provided. If you see anybody failing to clear up after their dog please report the matter, and the person's identity, to the Ryedale Dog Warden on 01653 600666 ext. 208 (you do not have to give your name) or email dogwarden@ryedale.gov.uk.

Officers will advise you how an offence can be dealt with and will give you an option to be a witness to the event.
