Music Technology and Medicine

Dr Andy Hunt from the University of York (and from Sheriff Hutton) will present an illustrated talk of his work and of others.

Andy has been working in computer and electronic music technology since the 1980s, and has made musical instruments and devices to help people with disability.

Recent work uses sound as a way of letting clinicians and patients hear how their body is working.

Andy will explain this work, illustrated with pictures, videos and music examples.

Even though it may sound quite hi-tech, this talk will cover the material in an accessible and entertaining way.

Come along and find out how people can not only be entertained by music technology, but use it in their rehabilitation.

Sheriff Hutton Cricket Club

Sheriff Hutton CC held its well-attended 2011 AGM on 18th November at the Pavilion. This provided the opportunity to reflect on a relatively successful season with both 1st and 2nd XIs finishing third in their respective divisions and with some excellent team and individual performances. Finishing third meant we narrowly missed out on promotion but hope to achieve this in 2012.

The election of officers also took place with the majority of posts being filled. However, several important posts are currently vacant: Umpires for 1st and 2nd XI and Groundsman. In particular the groundsman vacancy is flexible in the level of commitment and experience required, in any case support in the form of assistance and advice will be provided. For an informal enquiry or more information and details on these posts please contact Tony Fisher (01904 491832) or John Armitage (07870 222356).

Pre-Season Indoor Net practice is scheduled to start on Sunday 26th February at the Mount School, York from 11.30am to 1.00pm, same as last year; sessions run for 6 weeks consecutively. If you are interested in attending or in finding out more about how to get involved with the club in a playing or non-playing capacity, please contact Tony or John. We are a friendly, welcoming and above all sociable club who are always looking for new members.

Sheriff Hutton Village Hall –200 Club

247 members took part in the October draw - £25 each to numbers 170, 182, 216, 219 and 234.

Health Visitor Drop in

The Health Visitor will be at The Village Hall from **9:30am - 11:30am on Thursday, 2nd February** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone waiting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Sheriff Hutton Field Naturalists

A year in the life of a botanist was the theme of the talk and themed discussion led by Gill Smith of Ryenats and it didn't disappoint. With a range of excellent slides, Gill showed us some of the unusual and sometimes rare beauties that are growing throughout the year on our doorstep. Some of them such as Lesser Twayblade are quite small so it helps to be keen eyed and equipped with a Flora. Particularly of interest were the slides she had of Ashbury Rievaux which some of the group visited last year which showed just how rich a flora the site has around late May. Many thanks must go to Gill and her assistant for her fascinating talk and her thoughtful answers to all the questions asked.

Our next meeting is on Wednesday February 1st starting at 7.30pm and is our AGM and members' night. Last year was really productive so we will be having the same format. If anyone has any thoughts or ideas for discussion, please let Melanie know beforehand so it can be built into the agenda. There will be refreshments and a raffle included. Non- and new members are welcome, only £3 including refreshments.

Anyone wishing to come along and join the group or needing more information about Field Naturalists, please get in touch with either Melanie on 878711 or Andy on 878785 or 878404.

Sheriff Hutton Pre-school Playgroup News

We would like to thank everybody who supported the Jumble Sale on Saturday 14th January at the Village Hall, helping to raise just over £1,600 of much needed funds for Playgroup. Thank you to those who donated items (including lots of delicious baking!), to those who helped on the day and, of course, to the Jumbles themselves who kindly agreed to run the sale in aid of Playgroup.

Volunteers – Do you enjoy being with children? Do you have time to spare on a Monday or Wednesday morning or a Friday morning or afternoon? If you would like to volunteer to help at Playgroup on a weekly or monthly basis, we would be delighted to hear from you. Please ring Jo (on 01653 618356) for an initial discussion and we can arrange a visit for you to meet our Playgroup team and find out how you can help!

The Village Auction 2012 Saturday April 21st

This year the Auction will be held on Saturday April 21st at the Village Hall from 1.00pm until the last item is sold. This year the proceeds will be divided equally between Sheriff Hutton Primary School and Playgroup.

Please start saving your saleable items!

As previously we will be collecting in Sheriff Hutton and Lilling on the Friday evening and Saturday morning. Due to Health and Safety regulations we are unable to accept upholstered furniture including sofas unless they have a label showing they are not flammable. We also cannot sell mattresses, dishwashers, washing machines, fridges or cookers. We ask that all items are in saleable condition as disposal of left over items is difficult.

As ever we will be asking for volunteers to help with all aspects of the Auction – further details in next month's News.

Sheriff Hutton Bowling Club

The green is frozen enough for ice skating but our dedicated sports persons can keep fit by playing an active game of bingo in the village hall on Friday 10th February at 7.30pm.

While the jack is out of play everyone will be competing vigorously for the bingo jack-pot!

We will be very happy to welcome all our regular players and anyone who cares to try out for the bingo team whatever the weather.

Dear Friends,

In psalm 46 verse 10 it says, "Be still, and know that I am God." Most of the psalm is about the turbulence of life. It talks about wars and about the whole of nature being uprooted and destroyed. Yet in the midst of all of this turbulence the Psalmist urges us to be still, so that we can know God better.

We live in a very busy time. Most of us wonder how we can manage to get all of the things that we want to do in 24 hours in the day. We have this feeling that we should always be busy. It is as if our life's work is measured by the amount of activity that we fit in. But there is a tremendous power in stillness. There is a tremendous healing in the ability to be able to be still and ponder God's nature.

I saw a brief article in the news about meditation. A reporter spoke to a doctor who was investigating the phenomenon with the latest high technology to see what effect it had. They were looking at a brain scan. When someone meditated they discovered that the chronic pain that they suffered from reduced. The reporter discovered that the front part of the brain, (which is associated with ego) reduced in activity, and the rest of the brain was stimulated. It was a very small sample but it seemed that stillness was not only healing but also draws people out of themselves to think of others.

We are entering the time of Lent in February. It is a time that we traditionally think of as a time to meditate. It is a time to think about our life and our relationship to God. So I invite you all at this time of Lent to read psalm 46. Look at all of the images, and the power of that psalm. But also I invite you to act on verse 10. Be still and know God.

With every blessing from

Graham

Your support has sustained me through a difficult year.

My Thanks to You All.

Thank you. To the Churches Committee for planning, organising and raising money for another wonderful New Year Party for us of Mature Years.

Thank you to all who worked, provided, and served the excellent tea on Saturday January 8th.

I make particular mention of the welcome and happy service and kindness of the hostesses.

Thank you to all who provided the enjoyable entertainment. The special soloist and accompanist, the school choir and their conductor and accompanist.

The applause showed our appreciation of all the talents and happiness shown to end another memorable party.

Message From the Jumbles

Thank you so much to everyone who supported our first Jumble Sale of 2012, your amazing generosity is so very much appreciated. Although the day was very cold it didn't keep our customers away, quite the opposite we had lots of new faces as well as our usual customers. The kitchen staff were kept very busy, a great cake stall, super tombola and raffle all added to the fantastic total of £1610 being raised for our Pre-school Playgroup, which will certainly help them with their finances.

Our next sale will be on February 11th at 2pm in the Village Hall, raising money for York Against Cancer. As usual all donations of clothes, toys, bric-a-brac, household linen, tombola and raffle prizes and cakes will be very much appreciated.

We will be at the Village Hall from 9.00 am on the morning to receive anything you would like to donate. The doors will be closed at 12 noon in order to give us time to get ready for the sale to start at 2pm.

A Reminder - The Annual Book Sale will be on Sunday 11th March in aid of the Parish Church. Donations of good condition second hand hard and paper backs, jigsaws, DVD's and CD's will be very much appreciated. If you have books etc you would like to donate please contact Roy Thompson, John Oakley or Cheryl Smith, or any of the Jumbles after 11th February. This is a great opportunity for you to clear out your book shelves and also to come along and restock them at a fraction of the cost of a new book and enjoy home-made refreshments. More details will be published in the March News. Thank you for your continuing support

Sheriff Hutton Youth Club Update

Now that the Club is once again thriving with 45 members registered and a team of Leaders settled in, I wanted to say a special thank you to Jean Whisker who previously helped as a Youth Leader. Jean really enjoyed getting involved and could often be seen running up and down the football field during club sessions. Luckily there was often a game of football or rounders going on as well, so she was very much thought of as a part of the team by members. A huge thank you for the time you gave. It should be remembered that this club is voluntary and could not go ahead without all the helpers who get no remuneration and members that attend regularly. We are now looking to build on what we have, improve equipment and perhaps get more adventurous with other activities including outings.

Please note that the club continues on Tuesday evenings 7 – 8.30pm, entry £1.50, only closed for half term and Easter holidays.

If you are interested in youth work, would like to volunteer as part of Duke of Edinburgh, just want to find out more about the club or help, then please call Melanie/Tim 878711.

Richard III at Sheriff Hutton - Revealed! October 20/21st 2012

A weekend of celebration in words and music at St Helen and the Holy Cross
More details later.

The family of Claude Coverdale would like to say thank-you for cards of condolence and words of sympathy for Claude, who died on the first of January in his 100th year. He was a people person, and over recent years was often seen at his garden gate engaging in conversation with passers by.

Although he had outlived most of his contemporaries, the large gathering at St. Helens was evidence of the esteem and affection in which he was held in the village.

Our Village

Are you interested in your village? What do you know about your village? Would you like to know more about your village and its surrounding area?

Do you, your family or friends have any documents, photos, memories etc about Sheriff Hutton that you would like to share with others so we can chart a little more of the village history?

Come and join a group of like-minded people and our speaker, Jim Hall who will share with us his experiences of a village project he is involved with and the way it has unearthed a lot of interesting material. Could we do the same sort of thing?

We are meeting in Sheriff Hutton Village Hall on Wednesday, February 22nd at 7.30 pm.

If you are interested but cannot join on this occasion please contact Margaret Thompson 878465 or Nancy Megginson 878411 so we can keep in touch with you.
