[www.sheriffhutton.co.uk](http://www.sheriffhutton.co.uk)

The Parish Council Meeting was held on Friday 14<sup>th</sup> September 2012. It was attended by Councillors D Wooles (Chairman) (878469), Mrs P Bean (878392), B Parkinson (878373), N Anfield (878738) and S Wood (07834493302). Apologies for absence were received from the Clerk BC Taylor (878060). Cllr Mrs Bean stood in as Clerk. There were no guests and no members of the public present

### Planting of Jubilee Tree – Update

In response to the request for alternative suggestions to mark the Jubilee, Eric Weightman and Jock Fairclough have offered to provide a commemoration tree which they will also arrange to plant and fence. It is to be in the hedgerow on York Road near the newly finished rustic bench. This is in a similar position to the previous 'Jubilee Tree' which had been planted in the last century.

The Council recorded their appreciation and thanks for this generous offer which will be a most appropriate long term recognition of an historic year.

### Affordable Housing

The Housing Enabler from Ryedale District Council will be attending the Council Meeting on the 12<sup>th</sup> October 2012 at 7.30pm to speak on developments regarding Affordable Housing

### Planning Applications

**12/00606/FUL:** *Punch Partnerships PLC:* Formation of 2 timber sash windows to ground floor north elevation at the Highwayman Pub, Finkle Street – Approved by Ryedale DC subject to conditions.

**12/00695/FUL:** *Goodness (Ms C Barugh):* Siting of temporary agricultural worker's dwelling and general purpose agricultural building at Goodness, Sheriff Hutton Road, Strensall YO32 5TP

The Council supported this application

### New Lamp Posts

The appearance of new lamp posts in the village was queried and the Clerk is to be requested to ask NYCC and Clare Wood about them

### New Access to Industrial Site

A new access gate has appeared in the hedge at the Industrial Estate. The Clerk will investigate. Concern was expressed about it being a possible new access road

### Neighbourhood Watch

Neighbourhood Watch has been asked to negotiate with the Police to have Sheriff Hutton designated as a No Cold Calling Area. The Neighbourhood Watch Group have expressed a wish to have a public meeting at the Village Hall monthly, immediately before the Parish Council Meeting. This was thought to be a good idea provided the meeting finished no later than 7.15pm.

### Speeding Traffic

It has been brought to the attention of the Parish Council that some residents are putting themselves in danger by standing in the road flagging down traffic which they feel is travelling at excess speed. Residents are requested to discontinue this practice before accidents occur.

**The next Parish Council Meeting** will be held on Friday 12<sup>th</sup> October 2012 at 7.30 in the Village Hall

## Sheriff Hutton Tennis Club

**Wimbledon Tickets.** Have you registered on the Places to Play website for the LTA? All adult, intermediate and student members can register, just go on to the LTA website and follow the links to Places to Play registration. If you would prefer to fill in a form there are some at the courts and I have some. The more members we register the more tickets we will be eligible for in the Wimbledon ticket draw. We need at least 50 to stand a chance of getting a decent number of tickets. Any problems just contact me.

**Social Tennis.** The matches may have finished but play still goes on, the Ladies sessions will run all autumn and winter and we have added coaching/social tennis on a Sunday morning from 10.30 to 12.00 at a very reasonable cost of £3 for adults and £2 for students and intermediate juniors. You don't have to book just pay and play on the day.

For details of any of the above contact Josephine Johnson tel 878626 or email [josephinejohnson6@gmail.com](mailto:josephinejohnson6@gmail.com)

## Sheriff Hutton Bowling Club

The season has ended and the competitions have run their course, we have glorious winners and equally glorious fellow competitors as there are no losers in this socially levelling game – if you can bend your knees and deliver a wood then you can be champion!

Our champions this year are the following Olympians:

Mens Singles	Brian Sanderson
Ladies Singles	Pat Sanderson
Mens Pairs	Michael Waite and Roy Thompson
Ladies Pairs	Josie Wynn and Jill Johnson
Two Wood Singles	Ian Downing
Mixed Pairs	Josie Wynn and Michael Waite

Congratulations to one and all!

The green is now closed until springtime to allow the grass to recover from a season of abuse, the club however plan to continue with social activities throughout the winter and hope all members will support the events fully.

The club is hosting a fund raising Bazaar in St. Crux church hall in Pavement in York on Saturday 10<sup>th</sup> November from 10.00 until 4.00 and do appeal for anyone who would be happy to help out for some time during the day to contact Pat Sanderson on telephone 878014. Gifts of cakes for sale and to serve on the day would be most appreciated as would donations of jewellery and bric-a-brac for the stalls.

A reminder to all that Bingo nights will recommence in the Village Hall on Friday 19<sup>th</sup> October and will welcome all players and helpers new and old and appeal for raffle prizes of any variety and value from members and supporters.

## Message from the Jumblies

Fantastic is the only word to describe our September Jumble Sale. The weather was good so we were able to have some of our stalls outside, which gave us a wider scope for the items we were able to accept for sale. Most of our regular buyers and quite a few new ones came along and the final total raised was £2,012 for Macmillan Cancer Support. This is a new record and brings our running total this year to £11,862. The amount raised at our World's Biggest Coffee Morning will be reported in the November News

Our Jumble Sale on 20<sup>th</sup> October will be to raise money for the Youth Club, to help to buy equipment and pay the village hall rent. As winter is approaching you may be sorting your wardrobes out so please remember us and let us have your cast-offs. Bric-a-brac and household linen, toys and books will also be most welcome. The organisers of the Youth Group will also be very grateful for donations of homemade baking and preserves, raffle or tombola prizes.

We will be at the Village Hall between 9.30 and 12 noon, on the morning to receive any donations and the sale will start at 2pm as usual.

We hope we can look forward to your usual generous support.

We would also like to remind you about our Christmas Concert on Sunday 2<sup>nd</sup> December at 2.30 pm. The Swinton Brass Band will be playing seasonal music and we are sure you will enjoy it. Please put a note in your diary.

Thank you

Penny Bean 01347 878392

## Coast to Coast Walk

Dear All

We wanted to thank everybody who very kindly sponsored us for our ½ Coast to Coast Walk which we achieved the first week of the summer holiday. Despite the weather, which was very wet over the Lake District, we achieved our goal. There was lots of excitement with broken trailers and a flooded camp site and rain and more rain, while it seemed the rest of the country was bathed in sunshine, but we made it!

Thank you very much to all who donated we have raised nearly £1000. Our Just Giving page is still open if anyone still would like to donate to Adoption UK or Diabetes UK.

Watch this space for this time next year when we do the second half of the walk. That's if Dad's knees and Mum's tent erecting skills are still up to it of course.

Thank you - Ellie and Charlotte FitzGerald

**Playgroup is still looking for a new Chair** - if anyone is interested or to find out more please contact [shuttonpreschool1@yahoo.com](mailto:shuttonpreschool1@yahoo.com) or call the playgroup mobile on 07717 799646.

### Dates for your diary:

We have a Tempest photographer coming to Babies and Toddlers on the **11th October**, the session starts at 8.30 to enable older children to have family photos before school.

The Toy Sale is coming up on Saturday **8th December** so please save any toys you might be wanting to get rid of.

Many Thanks - Molly Walford

Please either drop in on the morning of the event 9.30 – 11.30am, or Manchester House (red door), New Lane, but please ring first so we know what to expect. Thank you in advance. Melanie 878711

## Super-Mobile Library

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 5<sup>th</sup> and 19<sup>th</sup> October

## The Methodist Church

At the moment we are getting ready to celebrate Harvest Festival and wondering how we may be able to decorate the church this year after the poor summer we all keep referring to. Should we buy fruit and vegetables to decorate or should we use the money we would spend as a donation to the Methodist Relief Fund who undertake projects in countries of need.

Recently we had news of a village in Uganda which the church supports and for a number of years a group of people near Bristol have sent £1,500 a month to help feed the people. They now feel they can only help for six months. So the need is urgent to cover the basics of poshu (made from maize flour) and beans. The £1,500 per month only covers this diet for nearly **every** meal and there are 150 children and caring adults to feed.

Who should grumble the most about a lousy summer? It makes you think how thankful we should be at this harvest time.

**Harvest Supper:** On Monday 1st October at 7.30 p.m. there will be the annual harvest supper and the speaker after supper will be Mrs. Sylvia Bunting. There will be a collection and sale of produce which will be donated to Methodist Relief and Development Fund. Everyone is most welcome to come to the Miss Ward room at 7.30 p.m.

We are still needing empty shoe boxes with separate lids and small gifts to go inside them. Leaflets are available from the Methodist Church giving lists of items that can and cannot be included. Some children have never received a gift at Christmas, this is an ideal opportunity to give so much pleasure to a needy child.

Please help if you can.

## **Sheriff Hutton Field Naturalists**

A super day was spent at the North Cave Wetlands. This old sand and gravel quarry is a great example of how an industrial landscape can be restored for the benefit of wildlife. This reserve was rich in species of birds, flora and even though this summer has been far from ideal, we saw a number of butterflies. Interestingly there were some juveniles still about, common moorhen and tern, 32 other bird species were spotted including Pochard ducks, Yellow wagtail and Sand martins. Plants included Bull rushes, Teasels, Water lily and Water mint. Butterflies included Meadow brown, Peacock and Tortoiseshell.

**Next meeting: Wednesday 3<sup>rd</sup> October 7.30pm in the Village Hall.**

Our winter programme now begins and the first evening is for the group to informally share their stories and perhaps photos of sightings throughout the summer.

Our next meeting is an open meeting where our speaker is Maureen Sutcliffe. Maureen will talk about "The Good Life". She wanted to be fully self-sufficient using her smallholding to grow food and keep animals with hilarious results. Her friend John who is a farmer told her to buy some goats, only she got the wrong ones. So if you want to listen to her talk please come along on October 10<sup>th</sup> at 7.30pm in Sheriff Hutton Village Hall. We will also be holding a raffle with quite a number of prizes.

## Neighbourhood Watch

Following a number of complaints raised with me regarding 'cold-callers' I have discussed the issue with North Yorkshire Police – I am advised that North Yorkshire County Council Trading Standards operate a scheme whereby 'No Cold Calling Zones' can be created. Having further discussed the issue with our Parish Council I am proposing requesting this scheme for Sheriff Hutton, intending to issue formal documentation to NYCC in the latter part of October – if anyone has any queries on this subject, please contact me or the Parish Council – be advised that I have displayed on the Shop notice-board a 'Question and Answer' sheet provided by NYCC which should answer most questions.

Continuing on the subject of cold callers, North Yorkshire Police are aware of a link between certain groups of 'callers' and incidences of theft/burglary, some in our local area.

As the daylight hours rapidly decrease, can I please cyclists/joggers to ensure that they have proper lighting and/or reflective clothing.

I have been asked to request dog-walkers using the 'moat' to NOT deposit filled bags on the site of previous bonfires at either end of the walk – there have been 2 major clear-up operations in the past 6 months, a disgusting job for those involved – there are plenty of dog waste bins in the village, please use them. It may be worth mentioning that the act of depositing dog waste in this manner is an offence, with a hefty fine possible. This is the first, and last time, that dog waste will be highlighted on the NHW report - any further complaints to be directed to the Parish Council, please.

There is, as yet, no further news regarding the speed matrix system-as previously advised, this is due for discussion at NYCC later in September, after the publication of this newsletter. Somewhat depressingly I understand that of the motorists deemed to be exceeding the legal limit within the village (as measured by Police Traffic Officers) a high proportion were 'locals'.

If anyone wishes to speak informally to the Police, our PCSO (Nicki Pounder) will be available on the library bus in the village hall car-park on Friday 3 November.

Please remember non-emergency calls to the Police, ring 101, emergency calls are still to be made to 999.

The next meeting is scheduled for 13 November at 7.00pm in the Village Hall, Sheriff Hutton. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389.

Alan Pitman 17 September 2012.

## Sheriff Hutton History Group

An interesting evening was spent at the last meeting remembering what life was like living through the war years. The memories collected or collated from different sources included recalling the children evacuated from towns and cities that then had to adapt to country living in Sheriff Hutton; rationing; land girls that helped on local farms, blackouts and much more.

A reminder, this group has been established primarily to help continue cataloguing and preserving the Sheriff Hutton Archive material accumulated over the years. Secondly, its aim is to continue gathering living memories from Sheriff Hutton villagers, whether in the form of pictures, books or newspaper cuttings, to the spoken word captured either by recordings or videoing.

**Next meeting: Tuesday October 9<sup>th</sup>** 7.30pm back at Greystones, when we will be exploring the evolution of population, housing and employment of Sheriff Hutton.

It was great to see some new faces, please remember that our sessions are open to all and for further information please call Margaret Thompson (Chairperson)

## Dear Friends,

When you read through Luke's Gospel, you find that before anything that Jesus did, he would spend some time in prayer. In Luke 6:12-16, Jesus had an important task, he had to decide who was going to come with him on his travels. He had already gathered a lot of disciples from the villages and towns in Galilee. But these were to be the special friends who would be able to carry on the task that Jesus was beginning. But before he chose these twelve men, he spent some time in prayer. It was the same before Jesus made any kind of important decision. We think particularly of when Jesus prayed in the garden of Gethsemane, before he was crucified, but Jesus prayed regularly before any big decisions. Just as we need to pray before we make any big decisions. When we have a church council or any other meeting we always begin our time with some prayers, seeking guidance from God.

But Jesus didn't just pray before big decisions, he prayed very often. Sometimes getting up very early in the morning before it was light so that he could go aside somewhere alone to pray. That is something that we all as Christians need to learn. That we need to spend time alone praying, as well as spending time together praying. It helps us to build our relationship with God. But it also helps us to build prayer into the fabric of our day. So that when we go to put the kettle on to have a cup of tea or coffee, we might be able to spend that time having a quiet prayer to God as the kettle boils and we make our other preparations.

In Africa where I was born it was a predominantly dry place. There were vast open spaces which were dry for a large amount of the year. So a place where there was water was a place where the animals would gather in great numbers. They come to find refreshment and because water is absolutely essential for life. I often imagine prayer as a large cool pool of the water of life. It is a place where we come to refresh ourselves, and to drink deeply of the love of God. It is a place of calm stillness in the midst of the hustle and bustle of life, and a place to sit quietly with God drinking in the life giving water that we have offered to us.

You remember the old wayside pulpit which used to say, "Seven days without God makes one Weak". The same could be said about prayer. "Seven days without prayer makes one Weak!" So as we come to the time of the church council and the time of the October statistics count, let us embark on a time of prayer in preparation for the decisions we will make in the life of the church. Let us build prayer into the fabric of our everyday lives, so that we can follow Jesus more closely each day. Certainly let us pray before every big decision, and before all of our meetings, but we need to have prayer more deeply set into our lives than that. So drink deeply.

With every blessing from  
Graham
