### Grass Cuttings

The issue of the grass cuttings that have not been cleared from the roads is due to parked cars preventing the contractors from doing so. The Council is to ask the local PCSO to the next meeting to discuss car parking in general.

### Meeting Dates

The meetings in August and September will take place on the third Fridays in the month instead of the second. The dates will be **Friday 16 August 2013 and Friday 20 September 2013.**

## Message from the Jumbles

Sincere thanks to everyone who came along to our July Coffee Morning also to those who were unable to attend but sent donations. Yet again it was a beautiful sunny day and we thoroughly enjoyed seeing all our usual supporters as well as new ones, who all seemed to have enjoyed themselves. The total raised was £510 for the Play Area, which will pay for the new swing seats that have been installed. The total raised so far this year by the Jumbles is £10,240.

We start our Jumble Sales again on Saturday 7<sup>th</sup> September raising money for Diabetes UK. Diabetes affects such a lot of people, young and old and we hope we can look forward to your usual generous support. Donations of Jumble, Bric-a-Brac, books toys will be most welcome. We are also looking for donations of home-made cakes for the refreshments and cake stall, and raffle and tombola prizes. If you are able to help in any way please contact Penny Bean 878392, Pat Cooper 878677 or Sue Dodd 879065.

Please ask your friends and relations who live out of the village if they have any Jumble they would like to donate. Your help will be very much appreciated.

Make a note in your diary our Macmillan World's Biggest Coffee Morning will be on Saturday 28<sup>th</sup> September – see September News for further details

Thank you

## Sheriff Hutton Field Naturalists August 2013

The sun really shone on the group when they went to Pocklington Canal in July. The group saw many species including blue-tailed damselflies and ringlet butterflies as well as a vast array of birds including willow warblers and reed buntings.

Next month's visit on **Saturday 3rd August** is an all day trip to Potteric Carr near Doncaster, a nature reserve of the Yorkshire Wildlife Trust (YWT). It is the trust's flagship reserve, with a variety of habitats from open water and marsh to woodland. Facilities include a café, picnic areas, visitors centre and toilets. For more information please see the website:

[www.ywt.org.uk/reserves/potteric-carr-nature-reserve](http://www.ywt.org.uk/reserves/potteric-carr-nature-reserve). Meet in the Highwayman car park at 10am. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 878785 or Tricia on 878995.

## Yorkshire Countrywoman

Our meeting on the 10<sup>th</sup> July was well attended by members. Jane McKeown told us of her life as a Army wife, her job of bringing up her children on her own, often moving to different countries and packing up a house with six children, a very hard job indeed.

There is no meeting next month due to our trip on Thursday August 15<sup>th</sup> to Sewerby Hall near Bridlington. Would the people going on this trip meet at the Village Hall at 9.30am returning at approx. 4pm.

Just a reminder for the people going to the tea party at Flaxton on the 3<sup>rd</sup> August meet at Sheriff Hutton Village Hall at 2.45pm where transport is by car .

## Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday SEPTEMBER 5<sup>th</sup>**, during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

## Sheriff Hutton Bowling Club

All our teams have been enjoying the excellent weather since it arrived (before that it was positively Arctic on some evenings). During the next few weeks there will be a chance for new members or those just curious to turn up on Monday evenings and give bowling a go.

## Tennis News

Wimbledon: the ultimate treat for any tennis fan must be a day out at The Championships Wimbledon. The thrill of walking through the gates and seeing the courts and grounds laid out before you and, if you are one of the lucky ones with a Centre Court ticket, the spectacle of Centre Court opening out in front of you is a memory to treasure. For Jack Pitman, one of our keenest junior players, and his Mum Andrea, who were the lucky winners in the club ticket ballot this was to the case. They had seats on Centre Court on the opening day and saw the defending champion, Roger Federer open play. Federer must be one of the greatest tennis players ever with great style; this match was followed by Maria Sharapova and then, to end a perfect day's play, the eventual Champion Andy Murray. Jack said the Wimbledon experience was the best day of his life.

Champions may come and go, rackets get bigger, shorts get longer, and grunts get louder but the magic of Wimbledon shines on forever.

**League Report** Most matches will be over by August and the teams are having mixed fortunes. The Men's team are having a good season and are 4<sup>th</sup> in their division. The Ladies' team in the York League are looking for improved results in the second half of the fixtures. The Hovingham League Mixed team has had several wins but the Ladies' team are still looking for their first win.

**Junior Tennis.** The juniors have been enjoying coaching sessions with Damian which finished in July. They have all made good progress and it is very rewarding to see a new generation of tennis players coming through. We are especially pleased to see so many girls playing and hope they will continue when they reach Intermediate level

**Junior Competition.** The junior competition was played on a perfect summer's evening and was a highly competitive competition with several close matches. Eight Intermediate juniors took part in a round-robin format with the two finalists, defending champion Angus McMillan and Joe Carter, going through to the final. The final had all the trimmings of Wimbledon with line judges, but no hawk eye, ball boys and referees. It was still neck and neck until the last game which saw Joe just edge past Angus to be the 2013 Champion. Congratulations to Joe and Angus and well done to everyone who took part. A big thank you to Helen Dryland for organizing the evening, Jess Pitman for helping to set it up and the spectators who came along to support the players.

**Social Tennis** All Ladies' tennis sessions continue through August.

**Court Use.** The courts are for members only and this year we have had problems with non-members using the courts. The club has to maintain the courts and grounds and also look to future expenditure so the subscriptions are a very important part of keeping the club operating. If you are not a member, you are not entitled to be on the courts and you are not covered by our insurance. We think our subscriptions offer good value for a local sporting facility which can be used all year round.

**British Tennis Membership.** Sign up by logging onto [www.Lta.org](http://www.Lta.org) and follow the links to register with Sheriff Hutton as your place to play. The website has lots of interesting items, especially for junior members, and gives you the chance to enter the draw for Wimbledon tickets.

Further information about the club is available from Josephine Johnson Tel 878626 or email [josephinejohnson6@gmail.com](mailto:josephinejohnson6@gmail.com)

## Supporters of the Rainbow Centre, Scarborough.

We are holding a Coffee Morning at Greystones, The Green on Saturday September 14<sup>th</sup> 10.00-12.00pm in aid of the Rainbow Centre in Scarborough. This is an interdenominational charity which supports anyone in difficulty of any age in Scarborough. More details next month.

Margaret Thompson, Margaret Fisher, Caroline Hunt.

## Sheriff Hutton History Group

Our major fundraising event this summer at Mill Hill Farm hosted by Eric Weightman was a terrific success. Starting with welcome drinks and canapés, we moved to a huge barn which was very attractively laid out and enjoyed a range of cold meats, salads, desserts, cheese and biscuits, finishing with coffee, tea and mints. Many thanks to Eric and his generous friends and members of the history group for donating, preparing and serving the food!

A very big thank you to all who contributed towards the prizes for the auction. These included 2 x half lambs from Stuart Stark from Fridlington Farms Ltd, a family day ticket to Castle Howard House and Grounds, a bottle of whisky from the House of Commons donated by MP Ann Mackintosh, and a last minute Aromatherapy Massage donated by one of the guests. Thanks to Melanie for organising and running this auction which raised over £250. There was also a £50 note donated by Eric which was 'raffled' raising £300.

The total of almost £2,500.00 for this event has now raised our dedicated Archive Room Building Fund to just over £6,000.00 in the last 14 months. Many thanks to everyone who has helped us to reach this fantastic figure. We are working towards a total of £14,400.00. If we keep going at this rate we may be able to start building by next summer!

At our July group meeting we welcomed another new member. The group were fascinated by the contents of one box which held the results of a village survey carried out in 2000. There were photographic records of all the properties in the village, where possible including the residents. A simple census type survey lists all residents with ages, occupations, etc. Many comments were made about changes that had taken place, people who have left the village or sadly died, and changes to properties were also noted, although only the front elevation was shown. John Hendry has provided a summary of the national census taken in 2001 showing 1038 people in the village and giving a breakdown by age, sex, economic activity etc. This will roughly correlate with our 2000 figures and adds interest to the exercise.

Please note: No meeting in August

Dates for your diary:

Tuesday September 10<sup>th</sup> 7.30pm Village Hall More exploration of the BOXES

Saturday October 12<sup>th</sup> 7.30pm Village Hall Tony Wright will tell us more about the Castle

## **Dear Friends**

As most of you are probably aware I am finishing work as a Minister in the York Circuit at the beginning of August. Also because of Sam's need for stability and his education I am staying in York so that he can continue at his special school at Hob Moor Oaks in Acomb. I am applying for jobs in the local area and hope that something will turn up soon. I am also trying to set up an online business to work from home.

We have struggled a bit to find somewhere to live, but we have really fallen on our feet as we have found a lovely two bedroom terraced cottage on Strensall camp. We have fields at both the front and the back, and a little wood at the back of the house. One of our neighbours saw a deer walking past in the field yesterday in the early morning, which probably lives in the wood.

It is a lovely area and there are lots of families with children in the houses round us. Next door there is a seven year old girl who plays with Sam and Sam is just delighted to have a play mate right next door of his own age. It is close enough for Theresa to walk to work each morning, and we have a nice neat back garden for Sam to play in.

Sam has adjusted well to moving which was one of the things that we worried about. However this was because we were able to let him visit the new house a few times before we moved in. We were able to partly furnish it and make it homely for him before the final move. He did get very stressed about the move beforehand as we expected and displayed this in a number of different ways. But he settled very quickly when he met the little girl next door.

We know that a lot of people have been very concerned for us over the last year, and we are very grateful for the love and support that many people have shown. Things will still be difficult until I manage to find another job or manage to start making money in a new business, which takes some time to get going. But we are very grateful for people's prayers and concerns for us over this difficult transition. Please keep praying for us.

With every blessing from  
Graham

## THE METHODIST CHURCH

August: the school holiday month. We do hope it is a time of renewal for you, and that you are able to find rest from the busy demands you have to face each day. Everyone needs time off to recharge their batteries to find that new energy which will put a new spark into their lives. So enjoy your opportunity to do something different, who knows it may be a life-changing experience.

Jesus said " Come unto me and I will give you rest". There are many ways to find that peace which passes all understanding. If you have time we would love to see you at any of our services.

The preachers at our services in August are:-

- 4th 10.30 a.m. Mrs Ann Quick
- 11th 10.30 a.m. Revd. Andrew Foster
- 18th 10.30 a.m. Mrs Sylvia Bunting
- 25th 10.30 a.m. Revd Vivian Firth (Communion).

Wednesday 8.30 a.m. Morning Prayers

10.00 a.m. Drop in for Coffee in the Miss Ward room.

## Neighbourhood Watch

June and July have been locally quiet, the Police reporting nothing of note in the period, however I would urge all of you making the most of the current summer weather (current at the time of writing!) to take care to ensure valuable/portable garden items are safely locked away when not in use, and to take necessary measures to ensure your property is secure when not occupied – open windows are an invitation to burglars, and in light of the burglaries reported last month (in Slingsby and Hovingham) it would be wise to be cautious.

Following a number of complaints made to me regarding the roundabout at the top of Dasket Hill in Sheriff Hutton being used by cycling clubs as a start/finish point, in doing so creating a distraction at an already apparently hazardous junction, I have discussed the issue with the Police, who advise that the clubs are entitled to proceed. Whilst I disagree with the logic and the principles involved, there is nothing that can be done to halt this arrangement. I would, however, welcome any information regarding hazardous incidents involving racing cyclists or the supporters/spectators in the vicinity of the roundabout.

There has been one report of cold calling (on the 16 July) in the village, this time someone from Tyneside selling/offering driveway surfacing – this was reported to the Police by at least one householder – at the time of writing I am not aware if the Police were able to attend and/or take any action.

I have been asked to assess the possibility of extending the speed limit on the Lilling to Flaxton Road – I will be writing to NYCC shortly to see whether this is a viable proposition and will advise of the response in next month's village news.

As previously requested, can all road users be aware of increased usage of the area's roads by walkers, horse-riders and cyclists and take due care, especially in the evenings.

The next NHW meeting was tentatively booked for 2<sup>nd</sup> December, however the Police would not be able to attend – I have been asked to move to 3<sup>rd</sup> December (a Tuesday). If this is a problem for the regular attendees of the meeting, please contact me as soon as possible and I will attempt to re-schedule. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389.

Alan Pitman 17 July 2013.

### Bingo for Farlington Church

The bingo evening on 21<sup>st</sup> June raised a magnificent £685.00. This brings the total raised in the last 12 months to £8,080 and gets us well on our way to being able to renew the life-expired heating system and carry out urgent repairs to the bellcote. We would like to thank everyone who contributed prizes and our especial thanks go to Ian Downing and his team who made the evening such a success.

If you would like to see where the money is going, St Leonard's is open all the time and you would be more than welcome to come and have a look.

### New Heating & Lighting for Farlington Church

The Churchwardens and PCC of St Leonard's church would like to place on record their appreciation of the very generous, anonymous local donation of £1,000 towards the cost of replacing the life-expired heating and lighting. We are now very close to meeting our target for this critical part of the church's refurbishment and being able to have a warmer church in time for winter 2014, or possibly a little earlier

### Benefice Eucharist, August 18<sup>th</sup>

Following the Benefice Eucharist (which starts at 10am) at St Leonard's, Farlington on August 18<sup>th</sup> the usual light refreshments will be served. Everyone is welcome and we look forward to seeing you

## Sheriff Hutton Pre-school Playgroup News

Thank you to all those who visited our stall at the Castle Open Day or supported us by providing baking. Thank you also to Sheriff Hutton Primary School's PTFA for working alongside us and sharing the proceeds of the cake stall. Our craft tables were kept very busy with children creating shields and crowns and it was lovely to see so many local families enjoying the afternoon.

Our Playgroup team organised a wonderful Teddy Bears' Picnic and Sports Afternoon on the 12<sup>th</sup> of July which was very well attended by our children and their families. During this event there was also a presentation for those children who are leaving us at the end of term to go on to 'big school'. We would like to wish those children well and hope that they will come back to visit us from time to time!

Finally, we have a vacancy for a Play Leader as detailed below. If this role is of interest to you, we would be delighted to hear from you.

## Coast to Coast Walk for Charity

Hi Everyone

It is that time again. Charlotte, Dad, Lorraine, Vanessa, Tali dog and Kaya dog are about to head off for the second half of the Coast to Coast Walk on the 21 July heading for Robin Hood's Bay and those delicious fish and chips on the 28th July.

I am again raising money for Adoption UK, this year Charlotte is raising money for Mesothelioma UK. Mesothelioma is a little known-about type of cancer which is related to asbestosis. Very sadly Charlotte's Godfather, a close family friend, died of this disease very suddenly and tragically at the beginning of June.

We are hoping for some better weather this year and would be very grateful if you could visit the Just Giving website on the links below and sponsor our walk.

Many thanks

Ellie and Charlotte FitzGerald

## **Sheriff Hutton Gardening Club**

The last few weeks have been busy for the gardening club starting with a visit to the excellent garden at Arden Hall, Hawnby on a perfect summer evening.

On the 30th June the barbecue up at High Stittenham was a very enjoyable event, even though the sun didn't make its appearance very much this year. Our thanks go to Paul and Christine Drury for hosting this event.

Twenty members had a very good two days on the overnight trip to Essex visiting Hyde Hall and Beth Chatto's garden, calling at Felley Priory, near Nottingham on the way down. They were all very different gardens and well worth the visit - as well as an opportunity to purchase plants! A little excitement was added on the return journey with an enforced change of coach. Fortunately this happened near a National Trust property which we were able to visit – much better than a motorway service station!

Summer having finally arrived, the weather was perfect for our day trip to Lancashire on the 13<sup>th</sup> July. About 35 members thoroughly enjoyed both the scenery on the way and the visits to two private gardens as well as Holden Clough nursery. The home-made scones and cakes at the private gardens were an added attraction!

The main event now is the Village Show on the 10<sup>th</sup> of August. Prior to that on Tuesday the 6<sup>th</sup> August is the potato weighing and sunflower measuring. This will be at the Village Hall as usual from 7 pm to 8 pm. Your sunflower head doesn't need to be still looking pretty so bring it along whatever – it is size that matters! This is usually a fun evening, when we can all laugh at our failures as well as be amazed by success so come along with your light/heavy bucket and small/large sunflower!

Everyone in the village should now have received a Show programme, but if for some reason you haven't, they are available from the Post Office or Jane Burnett – 878143.

The entry form for exhibits is on the back page, so please fill this in and bring it along on the morning with your exhibits. Spare forms will be available in the Hall on the day or in advance from either Jane or myself – 878624. A reminder that all exhibits must be staged between 9.30 and 11.30 am. The doors open in the afternoon at 2.30pm

Help is still needed on the day with teas, providing cakes, raffle etc. so if you can help in any way please contact Jane, or any committee member.

With the good weather hopefully the produce and flower entries will be much better this year and there have been perfect photo opportunities. So lots of entries please to make this a good and successful show - if not exhibiting then please come along on the day and enjoy some home-made cakes and admire the talent in the village.

Lyn Minto
