The Village Auction 2013

The Auction held on April 27th raised just under £2000 before hiring costs, to be shared between the Play Area, History Group and Lunch Club.

A huge thank you to everyone who was involved in helping in any way and to everyone who donated items for sale or who came and supported us on the day. It is impossible to thank everyone individually, as so many people volunteered and turned up to help – auctioneering, catering, baking, cashiering, transporting, testing, clerking, running, sorting, boxing, setting out, clearing up etc, etc. Without everyone's contribution, teamwork and good humour it would have been impossible to achieve the result we did.

Thank you very much.

Friends of the Village Hall

The Friends are now taking a break until the Autumn when we already have lined up:

The Foresters - Friday November 15th

Our next meeting is on Tuesday 17th September at 7.30pm in the Village Hall. New friends are always welcome.

Sheriff Hutton History Group

I must apologise for omitting last month a big thank you to Eric Hope for his interesting and informative talk following the AGM. He shared memories of growing up in and around Sheriff Hutton particularly mentioning the family bus company, Hope's Buses, which took people from Sheriff Hutton all over the place, including the annual village outing to the seaside. Thank you Eric. We have received a small grant from RDC for our Community Archive Fund. Another thanks to Eric for this one.

A major fundraising event is to be held on June 23rd which we hope will further boost our building fund(see below)

June's walk – on **Thursday, June 27th** – will start from Kirkham Abbey and include walking along the bank of the River Derwent before taking to field paths for the return loop. The distance is about 5 miles and the walk will be followed by lunch at The Stone Trough at Kirkham. Why not come along and join us. If you don't have your own transport that is not a problem, someone will give you a lift. We meet at the Village Hall car park at 9.30am and return to the village before 3pm.

Concert in Aid of Farlington Church Heating

On May 11th the York Philharmonic Male Voice Choir treated the audience to an evening of entertainment and pleasure through their wide repertoire of contemporary, classical, west-end, opera, folk song and spiritual music. It was a superb performance which ended with well-deserved rapturous applause. To add to the evening's enjoyment, the ticket price included a delicious, two course supper of freshly prepared food, most of which had been donated by church supporters. The concert was raising money to replace Farlington church's life expired heating and carry out essential repairs to the bellcote and the profit for the evening was in excess of £1,400

Sheriff Hutton Field Naturalists June 2013

The 4th May saw some early risers as the group joined forces with the Glebe Conservation Trust for a dawn chorus guided walk. There were two walks led by Andy Chapman, a member of Field Nats and a long standing volunteer for the RSPB who helped people to identify different birds by their calls. Sightings included blackcaps, bullfinches, and song thrushes amongst the usual suspects of rooks, jackdaws and wood pigeons. Both walks were followed up by a hearty breakfast at the pop-up cafe at Stone Lodge which provided a full English breakfast for hungry walkers. The event was highly successful with funds being raised for both the care of the conservation area and also for Sheriff Hutton Field Naturalists.

Next month's meeting will be on **Saturday 1st June** for a trip to Howsham Mill (**not** June 4th as stated in Field Nats Summer schedule), a Grade II listed Georgian watermill. The Howsham Mill Project is restoring the Mill to its original state, for use as an environmental study centre promoting renewable energy and local history and wildlife. It will also be available for use as a community venue for local people. For more information see the website: <http://howshammill.ning.com/> . Please note there is no cafe and all parking is on the road. Meet in the Highwayman car park at 10am, we should be back in the village by around 1pm.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 878785 or Tricia on 878995.

Message from the Jumbles

The Ryedale Leisure volunteers were absolutely thrilled with the total raised at our April Jumble Sale. They had put in a tremendous amount of work collecting Jumble and baking and the £1,710 raised was well deserved. Sadly for one of their volunteers it was a costly day as he inadvertently sent his brand new sports jacket and trousers to the sale. If anyone purchased the dark blue/grey jacket and trousers (labels still attached) and would be prepared to return them to him for a consideration, please get in touch. If you sent a handbag to the sale and think you may have left something in it that you value, please also get in touch.

Our running total so far this year is £6,142

The total for the May Jumble Sale for the British Heart Foundation will be announced in the June News.

The next Jumble Sale will be on 15th June raising money for Alne Hall Cheshire Home. Your donations are always very much appreciated and can be dropped off at the Village Hall between 9am and 12 noon. Please do remember to check pockets of garments and bags before sending them to us.

Our summer coffee morning will be on Saturday 6th July at Midway, Main Street, between 10am and Noon, raising money for the Play Area - so make a note in your diary and come along and enjoy a relaxing morning with friends - further details in next month's News.

Then we will be taking our "Summer" break (where has the last 5 months gone)

Lord Ralph Neville endowed the Neville chapel in the south aisle of the church in Sheriff Hutton and built the Plantagenet castle in around 1400. He also raised the licence for the Village Green, site of medieval village hiring fairs. Lord Richard Neville, Earl of Warwick, also known as “Warwick the Kingmaker” played an important part in the events prior to the Battle of Bosworth, Richard, Earl of Gloucester, became powerful in his own right by marrying into the Neville family and inheriting the estates through his wife, Lady Anne Neville. The tomb effigy of their son, Edward of Middleham, Prince of Wales, lies in the St Nicholas Chapel in St Helen and the Holy Cross, Sheriff Hutton. Mrs Batten will be speaking on how the Neville family fared after the Battle of Bosworth.

The Methodist Church

In June we have two celebratory services. The first is on Sunday 9th when we mark it as Methodist Homes for the Aged Sunday. The Revd Hazel Hanson has been invited to lead worship. Methodist Homes for the Aged (MHA) is a care home organisation with an excellent reputation for dealing with people who have alzheimer's disease. The nearest home for elderly housing is Field Court at Heworth. MHA recently celebrated 70 years of service at Coventry cathedral and from the first home opened in 1945 there are now 91 homes with 16,000 people benefitting from MHA services.

The other celebratory service is on Sunday 30th when the two village churches will share in a united service which will include holy communion. The Revd Dr Peter Doble a friend of both our churches will lead the worship.

A warm invitation is extended to these and all other services in our church in June.

St Leonard's Rogation Sunday Service

Sunday, May 12th saw St Leonard's church held its annual Rogationtide service. This year Eric Weightman welcomed us at Mill Hill Farm on the outskirts of Sheriff Hutton. The service relates to the nurturing phase of the farming year and gives blessing to the crops, farm animals and the work of farmers. It is a service which has long been an important church occasion in rural communities. It has become a St Leonard's tradition to hold the service on a farm rather than in church. The weather turned wet just before the service, which was a blessing to the farmers present who needed rain for dry fields, so the service took place in a large barn with views out to the fields. Dry throats from the strength of the hymn singing were soothed by the excellent tea which followed the service.

Can you help??

For the last 6 months I have been working with the Ryedale War Memorial group researching the names of the people who appear on the Sheriff Hutton War Memorials; in the Church and in the Old School House. I have been able to follow up most names and to find out a little bit about them and their backgrounds. The next stage in the research is to ask you if there is any information about the people who are on the Memorial that you would like to add to the research, which will end up as a published booklet and will be available on-line. It would be really good if you know anything which can help to fill out the picture of each person. Any information would be gratefully received.

Phone Neil Hodges 01347 878595 or email neildhodes@btinternet.com. The names on the memorials are below.

Dog foul in bags are being placed on two of our bonfires either side of the moats and also on fencing in the croft field. There are a lot of very good dog walkers, but unfortunately somebody is abusing their rights, by not placing dog foul in the nominated bins provided by the council in the village.

If anybody sees these offenders, please contact us on 878341 or 878091 and also Mr Alan Pittman at the Sheriff Hutton Post Office.

Neighbourhood Watch

Thankfully April and early May have been 'quiet' in terms of reportable incidents – insofar as I am aware there has only been one set of 'Cold Callers' offering 'home improvement' services. I am advised that they were dismissive of the 'No Cold Calling Zone' status recently granted to the village, telling people that the zone did not apply to them. Thankfully most people followed advice and sent them quickly on their way, however I am aware that quotations have been supplied to a number of addresses – I have passed these on to NYCC Trading Standards for them to investigate further.

In the event of any further Cold Calling, can I please ask that you are polite but firm and close the door on them – if you feel intimidated in any way call 101 immediately.

As the summer draws closer, can I please remind you to keep valuable garden equipment (lawnmowers, strimmers, tools) securely locked away when not in use.

The next NHW meeting has been scheduled for 7.30pm, 24 June. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389.

Alan Pitman 17 May 2013.

Dear Friends,

What motivates people? This is something that is explored endlessly within our society. We experience it within every drama, and every soap opera. We see it within the news as the media examine the motivations of politicians and political groups. It is something which comes to the fore particularly within all mystery stories and especially murder mysteries. It is the examination between the public image and expressions of people and their private motivations and secrets. It is also explored in the media when we have the real-life dramas of people convicted of terrible crimes. Not only does the media pour over the evidence on the news but often has further investigative programs delving into their backgrounds.

The two main motivations of people are pleasure and the avoidance of suffering. We often think of these in terms of the carrot and the stick. What the media is particularly interested in is when people's behaviours change, or where they deviate from commonplace behaviour. So what happened to the disciples in their experience of Jesus' death and resurrection and the advent of Pentecost? What changed a group of frightened men, into an exciting and outgoing phenomenon that was determined to change the whole world immediately?

Firstly they had a change of perspective of God and how God works within the world. They realised that God was more in charge of life and death than they could possibly have imagined. Secondly they were overcome by love and the power that love has to change people and change lives. They had a passion about God's love and about telling people about it. A passion that was just as passionate and just as important as anyone is when they fall in love. It was a passionate love which calls the world to see God's love in the person's life and in the change that it has brought them. It was a love that set out to conquer the world. It was the love of God who brings life and creativity into the world. In Acts chapter 2 it speaks of it as tongues of flame going out and touching each one. It was the passionate flame of love.

What motivates you, pleasure or the avoidance of suffering, love or fear?

With every blessing from

Graham
