## **Yorkshire Countrywomen**

On the 9<sup>th</sup> October over 35 people enjoyed a very entertaining evening with Angela Spencer and her daughter Molly from "Sugar Mouse" of Easingwold. Angela talked about going from cub reporter to senior correspondent of The Yorkshire Post and then with TV. She covered such tragedies as the Lockerbie disaster and interviewed many famous people such as Margaret Thatcher. Then with her children getting older decided on a complete change of career and opened a sweet shop. Molly her daughter is the baker of wonderful cakes for the café now part of the business. They brought lovely free samples of chocolate and sweets and some to purchase which brought back many fond memories of childhood treats.

At our next open meeting on the 13<sup>th</sup> November we have Chris Cave who is an accomplished actor and storyteller, coming to give a talk/performance on the story of George Hudson "The Railway King" amongst other things. Chris Cave is well known for his performances locally at the York Museum and the National Railway Museum, portraying a range of historical figures in an informative and amusing style.

## **Badapple Theatre Company Ltd present**

The Premiere of "The Carlton Colliers"

Sheriff Hutton Village Hall 6th November 7.30pm Tickets £9.50 adults, £5 under 16's

Call 01423 339168 or [www.badappletheatre.com](http://www.badappletheatre.com)

An original comedy by Kate Bramley with music by Jez Lowe, about village life, love and occasionally football ... Nothing ever happens in Carlton Flatts. Unless you count the time that the Colliers won the Inter-Village cup. But that was before the big strike. Before Jemmy was even born!

But you have to dream, don't you? And Jemmy wants to dream big. He might make the League as he's got a cracking left foot, if he can just keep it out of his mouth when Nina is around. And if he can help keep the Colliers out of bother until the end of the season.

Nina hates football. She's got her Zumba classes and a bit part on Corrie as a dancer, which could be her dream ticket to something big as long as her Nana doesn't see it. Nana still thinks a street-dance party is something you'd invite the Queen to open. Chris reckons people are starting to treat him like he's old. But playing the fool has served him pretty well for most of his life so he thinks he may as well just carry on. The great thing about staying in Carlton is that nobody notices that you're doing nothing, 'cause there is nothing for anyone to do.

A quirky new comedy about village life, love and sometimes.... err... football. About dreaming big in an old pit-village and the daft things that start to happen when you do.

Written and directed by Kate Bramley (Back to the Land Girls / Ex-Hull Truck Theatre) With original songs and music by Jez Lowe (SONY Radio Academy Award Winner/ BBC Radio 2 Radio Ballads).

Starring Robert Angell (from BBC's Waterloo Road), Aiden Lee Brooks and Kaitlin Howard.

Established in 1998, Badapple Theatre specialise in inventive new comedy specifically designed for rural touring, with shows premiering at their 'Theatre On Your Doorstep' network in their native North Yorkshire before embarking on national tours.

## **Super-Mobile Library**

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 1<sup>st</sup>, 15<sup>th</sup> and 29<sup>th</sup> November.

## **Thank You**

Mary Brant and family would like to thank neighbours and friends for the many offers of help and messages of sympathy following the death of her husband Gerry after his long battle with health problems. We are grateful to you all. Thank you.

## **Neighbourhood Watch**

With the exception of a thwarted attempt to steal an outdoor trampoline from York Road, September and October have passed without any noteworthy crime-related incidents in Sheriff Hutton nor any of the surrounding villages, with the Police having nothing specific to report or advise, which can only be good news – long may this be the case!

I have had only one report of Cold Calling, a lone male offering to etch someone's car windows. Despite his persistence and determined approach he was sent on his way, sadly without having had his vehicle registration number recorded.

With the onset of dark evenings and the likelihood of very much colder weather being forecast for the coming month, can I ask that anyone living near elderly and/or infirm people be vigilant for their wellbeing. The sad news of a local man dying in his home and being undiscovered for a protracted period of time is proof that even in a small community such as this it is possible for people to be overlooked.

The next NHW meeting will be held on 3<sup>rd</sup> December at 7pm. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389. Alan Pitman 15 October 2013.

## **Message from the Jumbles**

We had great response to our Macmillan World's Biggest Coffee Morning. Again the sun shone and many of our usual supporters and some new ones came along to enjoy a great social occasion. As usual Elaine Aconley spent most of the morning on her knees creating the fantastic Money Tree, which raised £105. The Hall was buzzing with people, there was a good raffle and tombola, plenty of cakes on sale and the Jewellery Stall was, as always, very popular with plenty of bargains for everybody. Alan Dykes had brought along some new intricate wooden creations which attracted a lot of attention. The total raised was £893 including some very generous cash donations. Many thanks to everyone who supported the event

We had yet another fantastic Jumble Sale in October. The weather may have changed but it did not affect the support we had. Plenty of good jumble, good cakes and a great team to work with, resulting in £1864 being raised for The Samaritans. Many thanks to everyone who supported and those who gave cash donations. Our running total for the year is £15,197

The next Jumble sale will be the last of the year on 23<sup>rd</sup> November and will be raising money for the NSPCC. As usual we will be at the hall from 9am to receive any donations of jumble and the sale will start at 2pm. Thank you, Penny Bean

The service is being held again this year and will start at 10.45 on Sunday, November 10<sup>th</sup>. The service will be followed by a simple lunch at High Towthorpe which any member of the congregation is welcome to join. There will be no charge for the lunch but any donations will be given to the Royal British Legion.

## **Sheriff Hutton Field Naturalists November 2013**

We started our winter programme with a fascinating talk from Vicky Kindemba from Buglife, the national organisation in the UK working to conserve invertebrates. She talked about the programme of work involved in conserving these species in order to achieve sustainable populations and prevent extinctions. Invertebrates are at the bottom of the food chain and thus have a vital importance to life on earth but get less attention than perhaps more attractive species further up the food chain.

Next month's meeting is on 6<sup>th</sup> November at 7.30pm. We will meet in the village hall refreshment room where our speaker will be Dave Newman. Following on from his previous, very insightful talks on the geology of the planet and fossilised trees and plants, this autumn Dave will be talking to us about sea shells.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 878785 or Tricia on 878995.

## **Dear All**

A big thank you to all who kindly sponsored us for the second half of our coast to coast walk, which we completed successfully in July this year. This year the weather was beautiful, quite a contrast to last year, sunshine all the way.

We haven't quite reached our target of £500 each for Mesothelioma UK and Adoption UK, our Just Giving page will be open until Dec 2013 so any further donations would be very gratefully received for these two deserving charities. Thank you again, Ellie and Charlotte FitzGerald

## Sheriff Hutton History Group

Our fundraising for the Community Archive room has been given the most incredible boost – an anonymous donation of £2,000 which has enabled us to reach the total of £13,330 so we can now start to build!!! To our benefactor, a deep heartfelt thank you for having a belief in what we are attempting to do .... to record and preserve the history of this wonderful village and the memories of its inhabitants for future generations to enjoy. Reaching the total has also been greatly helped by monies from the Parish Council and a further anonymous donor. We still need computer equipment and software. All this will be quite expensive too but I have every confidence we shall raise the money needed. Who would think that it is only 18 months since we started the History Group? Thanks to everyone for the many donations and on-going support without which we would not have got to this point and also to the members for their hard work too.

On Saturday October 12<sup>th</sup> Tony Wright gave us another very interesting talk. This time the story was about a certain Thomas Lumsden who is not really well known in the area but who was connected in many different ways with Sheriff Hutton and the Forest of Galtres. The whole story was rather complex! A big 'thank you' to Tony for again helping us to raise much needed funds for the Community Archive Building Fund. I understand the amount will be close to £250.00.

At our monthly meeting we discussed various approaches to collecting 'Oral History' - a means to capture the memories of our local residents. We hope to record the memories of particularly the long term residents of our community and extend our archive records. To gain confidence the members tried a little 'exercise' with a 'mock' interview. The results were quite amusing, and we all learnt some useful lessons!

## Sheriff Hutton Tennis Club

### Ladies Competitions

The Ladies Singles and Doubles competitions were held in perfect tennis weather and proved enjoyable for both players and spectators

The Ladies Singles was well supported with players split into 2 groups with the winners of each group playing each other in the final. The rounds provided some close and competitive tennis with the winners, Sarah Anderson and Pauline Hull, then playing each other in an exciting short set. The scores were level at 4 all before Pauline, the defending champion pulled away to win 6 – 4. The trophy was presented by Beryl Haigh, the Club President who congratulated Pauline and thanked all the players for an enjoyable afternoon's tennis.

The Ladies Doubles was played 2 weeks later with a good turnout of players. Partners were drawn for with team players partnered with social players. This resulted in a good humoured competition with lots of good tennis, long rallies and plenty of laughter. The scores were very close but a fighting final round by Christine Thomas, the Ladies Captain, and newcomer Lucy Glover saw them edge to victory over Linda Parkin and Dianne Thompson by 1 game. The trophy was presented by Josephine Johnson, the Club Secretary, who congratulated the winners and thanked everyone for making the afternoon such an enjoyable occasion.

The Ladies sessions continue all winter with the addition of an extra session on the first Saturday of the month at 1.30pm.

November is a month for remembering and this will be highlighted by the Remembrance Service to be held at the Parish Church on Sunday 10th November at 10.45 a.m. This year the service will be led by the Revd David Wilkes, who before he retired was the Chaplain General of army padres. It is hoped that many of the people of Sheriff Hutton and surrounding villages will want to share in remembering the people who have made the ultimate sacrifice or been maimed when serving our country so that we today may live in peace.

Remembering others though isn't just a once a year event. There are many opportunities for each of us to remember someone who would welcome our concern for them today. The elderly as winter approaches immediately springs to mind. Loneliness affects all ages. So let us in the month of November remember others in both word and deed and spread that peace which passes all understanding.

## NOTICES

**Village Charity – applications to John Oakley - Old School House, 01347-878754 by Wednesday 6th November please. Late applications will not be considered until March 2014**

## A little archaeology...

I am aware that there is a considerable local awareness of, and interest in, local history, so I thought at least some readers might be interested to know that a series of flint artefacts I have recovered from just outside the village have been confirmed by the Portable Antiquities team at the Yorkshire Museum as being from the Mesolithic period (after the last ice-age, before the adoption of agriculture). Sites of this period are quite rare and not easily identified – as far as I am aware the earliest finds made thus far within the Parish date from the Neolithic, so the finds could take the population of this area back to around 8000 or more years ago (accurate dating without organic matter is somewhat subjective).

I would be interested to hear suggestions from local groups/organisations as to how these finds might be stored and/or displayed within the village once they have been returned to me.

Alan Pitman 15 October 2013.

## Sheriff Hutton Village Hall – 200 Club

235 members took part in the October draw, £25 winners were 29, 96, 107, 148 and 163. November's draw in addition to the usual half yearly prizes of £150, £100 and 3 of £50 will have one consolation prize of £60 to reflect the year's average membership exceeding 200.

This month will also see the start of the collection of next year's draw subscriptions. The trustees as always appreciate the continuing high level of support provided by members this year, and hope that they are prepared to continue to help fund a vital village resource in these financially uncertain times.

This year's newcomers to the Village should receive an invitation note giving details of the 200 Club. Anyone who is not currently in the draw and who would like to be included, should please contact Brian Shepherd on 878310 for further details.

## **Preparing for Christmas**     *from The Vicarage, Sutton on the Forest*

At the end of November the Christian Church moves into the season known as 'Advent'. This is a time of preparation for the coming great festival of Christmas.

Just as we prepare in a 'material' sense for all the festivities, so we are invited to prepare in a 'spiritual and emotional' way to receive the deep meaning and full joy of the coming of God into our world, in order to show us how to live in his qualities of light, goodness and love. In the season of Advent, I invite you all to reflect on the state of our world, and on the affirming value, goodness and peace which this loving act of God brings to us.

I hope that the following meditation may help in this reflective process. Please look for details of your churches' Christmas activities in December village newsletters/magazines. We look forward to welcoming you to share in these events.

## **Sheriff Hutton Gardening Club**

This month we have the Annual General Meeting at 7.30 on Wednesday 20<sup>th</sup> November. This will be in the usual format with the 'business' part being followed by a film of some of our outings, with our thanks to Keith Roberts, and supper provided by members.

The AGM is the time when election of officers takes place and nominations should be with the committee before the start of the meeting. Several officers have completed their term of office and can take on a different position but we are very much in need of a Program secretary. Without a program there will be no gardening club so we hope that there is someone prepared to take on this role. Please contact me or any committee member if interested.

We are also still in need of a Village Show Secretary. The plea for this position has been made several times and if we don't have any offers before the AGM then unfortunately we will have had the last village show for the time being. Once again I hope someone will contact us at least for discussion.

The AGM gives a review of the year and also gives members an opportunity to put forward their opinions and ask any questions of the committee so please do come along and enjoy the evening.

There is no meeting in December but we look forward to welcoming everyone back in January along with new members. Visitors are also always welcome.
