Sheriff Hutton Field Naturalists

Our second trip to a Yorkshire Wildlife trust reserve this year was similarly rewarding when the group went to Garbutt Wood at Sutton Bank. A steep climb down to the side of Lake Gormire and round the wood itself showed that although autumn is upon us, in sheltered spots red campion, foxglove and meadow sweet could still be seen in flower, whilst blackberries and elderberries were ripening nicely. It was easier to hear birds than see them but we managed to spot siskins, marsh tits and robins to name but a few.

Next month sees us back in the Village Hall to start our programme of talks on **Wednesday 2nd October** at 7.30pm. We will meet in the village hall refreshment room where our speaker will be Vicky Kindemba from the charity Bug Life. She will be talking about pond life and conservation. Please join us if you are interested.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 878785 or Tricia on 878995.

Sheriff Hutton Pre-School Playgroup

Friends of Playgroup

It's hard to believe that we are coming to the end of the summer holidays but we are already looking forward to the start of a new term at Playgroup. We are also looking forward to planning a range of fundraising events throughout the coming year. To ensure that we always have a team of people to assist with these events, we are keen to hear from anyone who would be willing to join 'Friends of Playgroup'. This group would be for those people who, while not wishing to serve on our Playgroup committee, would be happy to give some of their time to help with our fundraising events as and when needed. **There is no need to have an existing or previous connection with Playgroup, just a desire to support this vital village service.** To register your interest in joining 'Friends of Playgroup' please contact Julie on 878574 or email: shuttonpreschool1@yahoo.com
Thank you

Our meeting this month is on Wednesday October 23rd (please note this is the 4th Wednesday of the month rather than our usual 3rd Wednesday) when we have an open meeting with national flower arranger David Ryland. David is an entertaining demonstrator and it will be an enjoyable evening so come along and bring your friends. Tickets cost £5 and are available from any committee member

Next month will be the AGM and election of officers. We still need a **Village Show Secretary**. As stated last month the show will not continue without anyone to organise it and we have not as yet had any offers or enquiries.

We also need a **Secretary** and a **Program Secretary** for next year. We would be very pleased to hear from anyone willing to stand for any of these positions and join the committee. If you would like more information on what is involved then please give me a call.

Guide Dogs for the Blind Association

Our Annual Christmas Fair will be held in the Village Hall on Saturday, 9th November, from 2.00 till 4.00pm. We will have Guide Dog logo goods, including Christmas cards, diaries and calendars, and various stalls, including cakes, bring and buy, tombola and raffle, as well as teas! See you there?

Rainbow Centre Coffee Morning

We would like to say a very big 'thank you' to everyone who supported the coffee morning on September 14th, especially to the people who made scones, lovely cakes and biscuits, to those who helped in any way in the house in moving furniture, on a stall and of course in the kitchen and to all the people who brought donations for the Centre. We made an amazing £215! The two ladies who came from Scarborough couldn't believe their eyes when they saw what we had collected for them to hand out to their clients. They only had a small car but filled it up!

Chris and I are taking a car and large trailer load through to Scarborough. If anyone has any gifts of household items (particularly bedding) pots, pans and clothing IN GOOD CONDITION, or even small items of furniture, we shall continue throughout the year to collect such items. Joan and Howard Maw will continue collecting at Hillcrest, Main Street, or you can contact Margaret Thompson and arrange to leave items at Greystones, The Green (tel. 878465)

Sheriff Hutton History Group

After a summer break we only had 5 members at the September meeting but those present enjoyed another look into a couple of the boxes. We were interested in the Domesday Project, but need to find out more details. Can anyone help us? We also considered further the village census which was conducted in 2000 as a Millennium Project.

Message from the Jumbliies

The Jumbliies set a new record !!! - £2,200 raised for Diabetes UK

We could not have wished for a better way to start our Autumn/Winter Session. The response to our appeal for Jumble was absolutely fantastic. We had so much to sort that we had to delay the opening time a little. All the stalls were piled high with good jumble and luckily as the rain held off, we were able to use the outside area as well as the hall. Most of our usual buyers were there waiting well before 1pm and many new buyers came along to snap up bargains. The hall was still buzzing at 4pm.

It was a great day, certainly one to remember. Our thanks go to all the people, young and not so young who came along to help and not forgetting of course all those who sent along jumble, cakes and prizes and gave cash donations.

We really do appreciate all your support.

Our running total so far has now shot up to £12,440

The next Jumble sale will be on October 12th 2pm to 4pm in aid of The Samaritans

Have you any jumble left? - If you have we will be at the Hall from 9.00 am on the morning of the sale to receive it.

Thank you
Penny Bean

Royal British Legion Poppy Appeal

This year the door to door sellers will be calling on you between 26th October and the 9th November. There are no rules about the wearing of poppies, they can be worn anytime but there are strict rules about when we are able to sell them. Unfortunately shops in towns start selling them as soon as they receive them from the distributors which puts our local volunteers at somewhat of a disadvantage.

Poppies will also be on sale at The Post Office, The Highwayman and The Castle Inn. Please support our local Appeal.

Every penny counts. The RBL provides a vast range of welfare support to people currently serving in the armed forces, wounded and sick personnel, and ex-service people.

If you have served in the Armed Forces or are dependent on someone who has and you need help, they could help you too. Contact 08457 725 725 for more information

14th Meet the Minister. This is an opportunity to learn something about our new minister Revd Elizabeth Cushion who resides at Easingwold.

28th The Harrison Collection. This is a very notable collection of farming memorabilia which is now held at the Ryedale Folk museum at Hutton le Hole. Edward Harrison will speak on this collection and show rare items of interest. The collection has been used to provide unusual items for TV programmes.

Each evening commences at 7.30 p.m. with a short period of devotion and then after the programme we will have a cup of tea and biscuit. Home in the village by 9 p.m is our normal time schedule. A collection is taken to cover expenses and at the end of the guild year we distribute to charity any surplus, normally about £300.

Do come and join us if any of our evenings are of interest to you.

Christmas Shoeboxes

On Wednesday 23 October we will be filling the Christmas shoeboxes in the Methodist Church as our contribution to "Operation Christmas Child". We know that last year our boxes were part of 80,000 boxes sent to Swaziland. A country where a quarter of the people live with HIV and a lot of children are without parents. Tekugana aged 11 is part of a child headed household and when he received his box his face lit up with a dazzling smile. Thrilled with a notebook, pencils and pens he straight away started writing and drawing.

So come and share in this Christmas box filling, it will start at 10am and you can even have coffee and biscuits at Drop In in the Miss Ward room.

If you would like to help with this project we do need gifts for the boxes and any donations towards the cost of UK transport, overseas shipping and promotion would be appreciated. It is estimated that £3 is the cost of transport and distribution. The type of gift suitable for a box is a cuddly toy, toothbrush and paste, soap and flannel, note pad, drawing paper, comic book, pencils, pens and pencil sharpener, crayons or felt pens, hat, cap, gloves or scarf small ball or tennis ball, puzzle, small jigsaw, for boys a truck, car, plane, football cards and girls small jewellery set, doll, skipping rope or hair accessories, wrapped sweets (sell by date must be at least March next year).

It's a great occasion so come and share in this Christmas gifts for very needy children.

WEDNESDAY 23 OCTOBER in THE METHODIST CHURCH from 10 am

Hello Sheriff Hutton!

I have recently had the pleasure of becoming minister at the Methodist Church, alongside Rev Ann Vaughn, so thought I would take this opportunity to share a bit of my background with you.

I originally come from Doncaster in South Yorkshire, where my parents still live. I grew up with church, starting Sunday School at two years old, though personal commitment came for me while preparing for church membership, aged fourteen. From school I went to Sheffield University, where I did a degree in Biblical Studies. I then did a PGCE and taught RE for three years at a secondary school in Doncaster. Through church involvement and being a local preacher, I became aware of a call to ordained ministry and began the process of candidating. I then moved to Manchester for training. My first appointment was in the Newcastle West circuit in Northumberland, where I served for 5 years. Then last August I moved to Easingwold and have survived my first year here!

We all have our stories of what God has done for us. Over the next weeks and months I will enjoy meeting you and sharing in your stories. I look forward to working, worshipping and serving with you.
Elizabeth Cushion

Dear "Village News",

I just had to write to the dog owners of Sheriff after my walk this morning left me totally dismayed, embarrassed and saddened at the thoughtlessness of some owners who are leaving their dog's poo on the pavement grass around the village.

On my short street walk this morning I counted five guilty drops. This makes me as a dog owner feel very angry as to why an owner can do this.

I think I am a responsible dog owner and always pick up. He's my dog and I have no problem with this task. OK - I hold my hands up that I may not be as careful in the fields, but if it was on a footpath I would clean up.

I cannot understand why, in such a lovely village, people would want to spoil the streets by leaving their dog's poo on the ground to be a hazard to other people and especially young children.

I am hoping that the culprits are visitors who do not care for our village, but if you are a resident and reading this, knowing that you are guilty as charged, **please take a bit more responsibility and pride in keeping our streets clean.**

I have even seen poo only feet from the dog litter boxes: now that really is totally unbelievable.

SO PICK UP, it's not hard, and use the amply supplied bins.

A Concerned Dog Owner

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday 3rd October**, during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Super-Mobile Library

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 4th and 18th of October.

A Date for your Diary. York Musical Theatre Company presents 'A Partridge in a Pear Tree' on Saturday 7th December in the Village Hall at 7.30pm.

Neighbourhood Watch

August and September have been thus far quiet, however I am aware of a complaint being made to the Police regarding the tampering with a water trough in a field to the rear of The Croft (Sheriff Hutton) – apparently rocks have been put in the trough and the water supply adjusted. I suggest that those responsible desist immediately in the interests of animal welfare and because the farmer's really quite annoyed.

The Police advise that a company called SSH Fire and Security are calling by telephone offering a free security alarm, linked directly to the Police, for those over the age of 40. Too good to be true?.... once installed the company charge £200 for fitting. If you have had, or do take a call from these people in the future, do not accept any offers, and contact NYCC Trading Standards immediately.

With the advent of darker evenings and crops having been harvested the likelihood of poaching activity increases. If you see anything suspicious, contact the Police.

Please would cyclists, horse riders and pedestrians ensure that they have adequate lighting or appropriate reflective clothing as the nights draw-in.

No recent fuel thefts have occurred within Ryedale since those reported last month, however I would remind you to take precautions, especially as many of you are now stocking-up on oil for the winter.

Insofar as I am aware there have been no cold-callers in the last month either in Sheriff Hutton or any of the surrounding villages.

As you have probably noticed the Speed Matrix system has finally arrived. I am somewhat alarmed by the number of times the lights have been activated on the northern approach to the village already – hopefully we should be able to access the data collected by the system and get an objective assessment of driving habits over the initial 6 week period – I will attempt to provide some kind of statistical report in the November Village News.

The next NHW meeting will be held on 3rd December. Anyone interested in joining the scheme as a coordinator should contact either Alan Pitman at the Post Office in Sheriff Hutton or by calling Chris Hudson on 01347 878389.

Badapple Theatre Company Ltd present

The Premiere of "The Carlton Colliers"

Sheriff Hutton Village Hall 6th November 7.30pm Tickets £9.50 adults, £5 under 16's

Call 01423 339168 or www.badappletheatre.com

An original comedy by Kate Bramley with music by Jez Lowe, about village life, love and occasionally football...

Nothing ever happens in Carlton Flatts. Unless you count the time that the Colliers won the Inter-Village cup. But that was before the big strike. Before Jemmy was even born!

But you have to dream, don't you? And Jemmy wants to dream big. He might make the League as he's got a cracking left foot, if he can just keep it out of his mouth when Nina is around. And if he can help keep the Colliers out of bother until the end of the season.

Nina hates football. She's got her Zumba classes and a bit part on Corrie as a dancer, which could be her dream ticket to something big as long as her Nana doesn't see it. Nana still thinks a street-dance party is something you'd invite the Queen to open. Chris reckons people are starting to treat him like he's old. But playing the fool has served him pretty well for most of his life so he thinks he may as well just carry on. The great thing about staying in Carlton is that nobody notices that you're doing nothing, 'cause there is nothing for anyone to do.

A quirky new comedy about village life, love and sometimes.... err... football. About dreaming big in an old pit-village and the daft things that start to happen when you do.

Written and directed by **Kate Bramley** (Back to the Land Girls / Ex-Hull Truck Theatre) With original songs and music by **Jez Lowe** (SONY Radio Academy Award Winner/ BBC Radio 2 Radio Ballads).

Starring Robert Angell (from BBC's Waterloo Road), Aiden Lee Brooks and Kaitlin Howard.

Established in 1998, Badapple Theatre specialise in inventive new comedy specifically designed for rural touring, with shows premiering at their 'Theatre On Your Doorstep' network in their native North Yorkshire before embarking on national tours.
