Village Inspection

An inspection of the village took place on Thursday 11 July. Various issues had been identified for action. There were three matters which residents could assist with:-

Parking on yellow lines – This continues to be a problem. A visit from a parking enforcement officer will be requested to take action against offenders.

Overgrown foliage – there are several areas around the village where foliage is impeding street lighting, noticeboards and the footways. Please ensure that this is trimmed back to allow everyone to enjoy the facilities.

Dog fouling – the dog waste bins are being well used but there are still incidents of fouling. Ryedale DC have made several prosecutions locally in the last year. This enforcement would continue over a wider area.

Public Forum & Anonymous Letters

The opportunity for members of the public to comment on AGENDA items, or raise items for future discussion is provided for in the opening items of each meeting.

The Council is however unable to deal with or include anonymous letters, as it is not possible to verify the information given. Please address any correspondence to the Parish Clerk, as this will allow the matter to be followed up within the shortest time.

Next Meeting

The date of the next meeting is Friday 8 August 2014 in the Village Hall at 7.30pm.

Nigel Knapton, the Parish Clerk, can be contacted regarding all Parish Council matters at nigel.knapton@townandparish.co.uk or on 0777 999 4712

Nuisance Parking on Double Yellow Lines

If this is a problem for you, and you would like to do something about it, then you could email parking@scarborough.gov.uk and ask Ryedale Council to take enforcement measures.

Message from the Jumbles

Despite the hastily rearranged venue the Coffee Morning on the 5th July was a great success and £312 was raised for DISHY, towards the cost of next year's pantomime. Thank you so much to everyone who came and so generously supported it. My thanks to Caroline Hunt for taking on the reorganisation at short notice, to Lara Willan, Sue Dodds, Barbara Grinham, Bonnie Lawson, Sharon Bennett, Linda Scaife and of course, the members of DISHY and everyone else who helped, for ensuring the morning was an enjoyable event.

This brings our total so far this year to £10,958

We will be back from our break on September 6th with our Jumble Sale to raise money for Yorkshire Cancer Research, followed by our World's Biggest Coffee Morning for Macmillan on 27th September (please remember to save your small change for the Money Tree)

Thank you

Penny Bean 01347 878392

High Summer Lunch for St Leonards

Thank you to everyone who joined us for the highly enjoyable High-Summer Lunch raising money for the new heating and lighting now urgently needed for Farlington church. The event, held in Eric Weightman's barn at Mill Hill Farm, raised £1,576.90 – an amazing amount from a wonderful occasion which was made possible by the generosity of those who 'sat down' and the tireless band of helpers.

Village Ramble

The ramble this month will be on **Thursday, August 28th**. Meet the friendly group of walkers at the Village Hall car park at 9.30am for a walk of about 5 miles around the countryside and woods at **Allerthorpe**. The ramble will be followed by a pub lunch and we shall be back home by 3pm. You don't need your own transport, lifts can be provided.

Sheriff Hutton Field Naturalists August 2014

The first rain for many days (and torrential at that), did not dampen the enthusiasm of the group hunting for fossils at Cayton Bay, ably led by Dave Newman. The amount and variety of fossils simply lying on the beach or clearly visible on the larger rocks in the bay brought home the age of the coastline and the plethora of small creatures and plants that existed there around 150 million years ago.

Next month's trip is to Nosterfield Nature Reserve near Masham on **Saturday 16th August**. This will be an all-day trip and there is no cafe at the reserve, so please bring a pack-up lunch and something to drink. **Meet at the Highwayman Pub car park at 10am.**

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Sheriff Hutton Bowling Club

At the half way stage of the season, the green is playing well and there have been some good results:

Megan Hammond and Jill Johnson won the Ladies 2-wood pairs at a League competition which took place at Sheriff Hutton on a partly wet 13th July.

The Ladies team has won two matches as have the Veterans.

The Club League is going well and the "Green Party" are out in front on points (Brian Sanderson, Megan Hammond, Dick Johnson and Barbara Brigham).

Gardening Club

August is the village show. Hopefully those wishing to enter have kept their entry form from last month's news. Please contact Sarah on 878418 if you require a further copy. See you at the village hall on Saturday 9th August.

We have the potato weighing and sunflower measuring on Tuesday 5th August, between 7-8pm. Come along and enjoy a baked potato supper as well as the weighing. As I lost my sunflower to the slugs this year I won't be able to follow up with a double. I have spotted one or two which are performing well, more head than stalk.

The July garden visit to Jackson Wold proved popular and the extended area provided an interesting but tricky marrying of formal garden into rural countryside. An opportunity for discussion over delicious cakes.

Judith, Secretary

Sheriff Hutton Old Glebe Conservation Area

The area has been managed since its formal inception in 1988 by its trustees, with help from local volunteers and farmers. The original purchase was funded by grants and a large number of contributions from villagers. It is open to the public, and provides a peaceful natural and historic place, with many species of plants, butterflies and birds. It also is the site of the first castle in Sheriff Hutton, dating back to the twelfth century. As an accessible space, the trustees are obliged to insure for their liability to the public, and we also incur periodic costs for boundary maintenance, mower hire and other sporadic necessities. This expense is only **partly** covered by a three yearly grant from English Heritage (EH) and occasional local fundraisers. (We do have a jumble sale planned for some time next year!) We are concerned regarding the effect of recent cuts in government funding on EH's future level of grants, and therefore the trustees would like to invite residents, who value what this space provides, to consider becoming Friends of the Conservation Area, by subscribing the modest amount of £10 a year, thereby providing us with a more regular and certain source of local income. If you are interested in doing so, please contact Helen Spath on 878487.

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday 4th September (no visit in August)** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Oil Initiative

We are planning to order oil at the end of August. If anyone is interested, please contact us by 25th August with the amount of oil you require with contact details and delivery address. The order will be put towards the end of the week for delivery the following week. The minimum from most companies is 500 litres. I apologise to those of you who put in orders in February and we had to cancel. A crisis occurred and we had to ditch everything at the last minute to go abroad to be with my family.

Super-Mobile Library

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 8th and 22nd.

Festival of Lammastide at Farlington

Lammastide is a farming festival to celebrate the start of the harvest. It largely died-out at the time of the Reformation in the days of Henry VIII. St Leonard's is one of a number of churches in rural communities bringing it back into the church calendar. The service will be on **Sunday, August 17th at 10.30am** and everyone is welcome to join us for this special occasion in the farming year.

August is the time for holiday when families have the opportunity to relax and enjoy doing things together. Recent new residents to our village have remarked how they have appreciated the friendly welcome they have received and people giving time to wish them well when they meet. This is a reflection of how people in our village find time to do things together. It is so important to find time, so take the opportunity to pause and enjoy this holiday month with whom you might share it.

Neighbourhood Watch

As far as I am aware the last month appears to have been incident free, with the exception of an increase in fly-tipping locally. There has been a report made of a white Nissan Navara seen in suspicious circumstances at Cape Farm (just north of Sheriff Hutton on the Terrington road) – whilst nothing was taken nor any offence committed it would be worthwhile taking the registration details of any such vehicle, just in case...

The 'Nominated Neighbour' scheme is starting to 'come together', with a number of document packs already issued to suitable residents. I expect the scheme to be fully functioning within the next month or so, however I am awaiting information from the Police and District Council which is slightly delaying full implementation.

As the summer holiday season is now truly upon us there are the usual issues to take into consideration;

- 1) Increased numbers of school-age children on foot/bicycle (or horse...) in and around the local villages – please drive with increased vigilance
- 2) This time of year typically sees an increase in thefts of garden equipment and furniture, readily and profitably sold on in car-boot sales. Secure any equipment under cover or out of sight and consider using one of the indelible marking products to identify your property.
- 3) Warmer weather encourages us all to leave windows open – an invitation to a potential burglar and a bit difficult to explain to your insurance company.
- 4) If you are going on holiday ensure that your neighbours or NHW coordinator is aware.

The next meeting has been scheduled for 7.30pm on 9 September. Anyone interested in joining the group should contact me at the shop or ring me on 01347 878331. If you have anything to report regarding crimes either in process or evident please ring 101.

Sheriff Hutton Pre-School Playgroup News

The last few weeks of the summer term have been busier than usual. We had a fascinating trip to the Tannery building site in Strensall which was a dream come true for all of our little construction enthusiasts! The children were given 'high vis' vests and hard hats and were able to see the houses in various stages of construction – from foundations to completed houses. Watching the diggers was particularly enjoyable – for our children and for our adult helpers! On the same day, Playgroup held its annual sports day and it was wonderful to see so many parents enjoying the sports activities and the end-of-year presentation to our oldest children who will be going to school in September. We would like to wish all of those children well as they take this important next step.

As many of you will know, Playgroup will reopen in September in a self-contained classroom within the grounds of Sheriff Hutton Primary School. The next few weeks will see a great deal of activity as we bid a fond farewell to the Village Hall and prepare our new 'home' for the start of the autumn term. There are many changes ahead but our staff and committee are very excited and optimistic about the future. I know that our Playgroup team have big plans for our new premises and are very much looking forward to putting them into practice! Of course, Playgroup is about so much more than the walls around us: it is essentially about our dedicated, caring staff; the quality of our early years provision; and the children and parents of our local community.

From September, we will provide Playgroup sessions each week during term time on Monday, Tuesday, Wednesday and Friday from 9:00-12:00 (morning); 12:00-3:00pm (afternoon) or 9:00am-3:00pm (all day) with an optional After Playgroup Club from 3:00-3:20pm. If you would like further details on session times or to discuss a place for your pre-school child, please contact Julie on 878574 or email: shuttonpreschool1@yahoo.com Please note that we will continue to run our Babies and Toddlers session every Thursday morning (9:45-11:45am) during term time at the Village Hall.

Open Afternoon – Saturday 30th August 2-4pm – in Playgroup's new home in the free-standing classroom at Sheriff Hutton Primary School

On Saturday 30th August we will be providing a taste of Playgroup past, present and future! You are warmly invited to come to the free-standing classroom on the school site from 2-4pm to view our new home and to chat with our wonderful and well-established Playgroup staff. There will be activities for our younger visitors, an opportunity to view photographs of Playgroup past (perhaps you attended the village playgroup in years gone by?), and a chance to find out more about our plans for the future. Light refreshments will be provided.

A Message from Elizabeth Cushion

Now that the nice weather has come, our thoughts turn to holidays and days out. Maybe over the next few weeks you will head off to the beach, with its sandcastles, donkeys and piers. And to complete the holiday picture, a lot of seaside resorts have a lighthouse.

I recently read a story about a man who was a lighthouse keeper many years ago on the north-east coast. One wet and windy night, he lit a taper, and with his young grandson, began the climb to the top of the lighthouse.

‘What are you going to do with that light, Granddad?’ asked the boy.’

‘I’m going to use it to show ships out at sea where the harbour is. It’s stormy at sea tonight and some ship may be looking for a light to help guide them to safety.’

‘But Granddad, no ship could see that light, it’s too small.’

‘Wait and see,’ the old man replied.

When they reached the top of the lighthouse, he used the taper to light the large lamps with their brightly polished reflectors. Suddenly a great blaze of light was shed for miles around.

A lovely story but one with a message for each of us. We must never think of our light, our service, our gift, our individual contribution, as being too small. We must keep our light burning, keep on offering our gifts and leave the rest to God, for He can do marvellous things with whatever we offer. Jesus, the Light of the World, can use us to help brighten up the world.

Enjoy your summer, whatever you do.

St Helen and the Holy Cross, Sheriff Hutton

We are privileged in Sheriff Hutton to enjoy as our parish church a most interesting medieval building started just after the Norman Conquest and extended in the Plantagenet period during the reigns of some of the most interesting monarchs in the “Wars of the Roses”. English Heritage list it Grade 1 and describe it as “an outstanding example of an English parish church” and it is recognised in the top 1000 of parish churches by a wide panel of medieval specialists and with a national and regional significance.

For those who don’t know it intimately, visiting it for the first time can be a challenge for those who want to identify the many layers of social history and changes to reflect fashion in building styles and furnishings. As custodians, we try to balance the demands of tourists and pilgrims with those of the regular worshipers and special occasions, be they village weddings, baptisms or funerals. We try to be sensitive to those wanting to learn more during short visits without turning the church into a museum, so explanatory notices are kept to a discrete minimum and we keep the church open during daytime, generally 9am to about 6pm for tourists and private prayer.

The Visitors Book records just how many overseas visitors we welcome and many are researching family history or have an interest in particular periods of English history and so search out St Helen’s. and If they happen to be staying with you, let us help you to answer their questions and satisfy their curiosity. The parish church belongs to the village and has done so for more than nine centuries and we try to manage it with a “light touch”, allowing legal access for marriages and burials to all with a demonstrable connection including those who been forced or chosen to move elsewhere.

Group visits or individual enquiries can be arranged through the Churchwardens and we provide hospitality through talks, tours and refreshments. With modern facilities we have been able to put on concerts, displays, training days and special events, such as the upcoming Richard III Flower Festival Weekend which will feature an internationally acclaimed presentation by the Royal Armouries on the “Killing of Richard III” and other cultural and light entertainment.

Putting on large events involves careful financial risk management and wide promotion as we know from experience we cannot rely on the village turning out in sufficient numbers to cover our costs, but increasing numbers of visitors bring welcome income to village businesses and help us provide modest profits for maintenance and development of the 900 year old fabric and the important village churchyard.

If you have any questions on the church building or the use of St Helen’s, please make contact with us; we are happy to meet you and discuss your concerns or interest.
