Gardening Club and The Village Show

The July evening visit is to Jackson's Wold at Sherburn (Scarborough), the home of Mr & Mrs R Cundall. The Club has visited before many years ago but since then the garden has been extended to two acres. It is open under the National Garden Scheme. Please meet at the Village Hall car park on Wednesday 9th July at 6.15pm for car share and directions.

The Village Show will take place this year on Saturday 9th August at 2.30pm in the Village Hall. As we said last year, in order to encourage someone to take on the role of Show Secretary we decided to reduce the work load by not searching for sponsors and having a much reduced programme booklet. This is to be found in the centre of this issue of the Village News and includes the entry form. More entry forms will be available if required. The lack of sponsors does mean that there will no longer be any prizes associated with the cups for either adults or children. We have however increased the prize money for children's classes as stated in the programme. The show will be run as usual with the exhibits, home-made teas and raffle. We are very relieved that the Gardening Club is still able to run the show for the village and surrounding areas to enjoy and hope that there will be lots of entries in all classes. There is still plenty of time to make things, take photographs and tend the flowers and vegetables so please come along and fill the tables for all to admire.

The potato and sunflower weighing evening on Tuesday 5th August, 7- 8pm at the village hall is to include a baked potato supper. £2 per person including a drink. There will be the usual prize monies for the heaviest and second heaviest crops, heaviest single potato and the biggest sunflower head. So keep them alive and well fed and we can only hope for a fine evening so as the event can take place outside.

Sheriff Hutton Bowling Club

Improvements to the Green and its surrounds continue and it is reported as "bowling well". Rabbits, be warned!

The Club Internal League started in early June and will run through the summer, generally on Monday afternoons with open practice nights on Thursday nights.

If you are interested in starting there are no fees for joining in the first year and equipment is available.

Super-Mobile Library

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 11th and 25th July.

Sheriff Hutton Village Hall –200 Club

Lucky £25 winners for June were 49, 79, 127, 158 and 241.

Village Ramble

The date for this month's ramble is Thursday, July 31st. Meet the friendly group of walkers at the Village Hall car park at 9.30am for a walk of about 5 miles followed by a pub lunch and we shall be back home by 3pm. You don't need your own transport, lifts can be provided.

Yorkshire Countrywomen

Our speaker Martin Phillips from Howsham Mill was unfortunately taken ill on Monday evening and cancelled so we were left without a speaker. Ruth Wood came to our rescue and brought her fabulous quilts, which she lovingly makes, for us all to enjoy looking at. The work that goes into these quilts is unbelievable. Many thanks for stepping in at the last minute.

Some of us were lucky enough to attend the Easingwold Branch YCA "Summer Splash" lunch. We were fed the most wonderful lunch consisting of fresh salmon, cold meats and loads of salads to choose from and the puddings were so good we couldn't make our minds up what to have.

Our next meeting on the 9th July is an open meeting so everyone is welcome to come and listen to the Hand Bell Ringers from Northallerton; these ladies are very talented and will be playing many tunes. So please come along to Sheriff Hutton Village Hall 7.30pm on the 9th July.

Lights Out:

"The lamps are going out all over Europe, we shall not see them lit again in our life-time"

Words spoken by Sir Edward Grey, Foreign Secretary in August 1914 as Britain's ultimatum to Germany was about to expire. Lights Out is a headline project of the cultural programme 14-18 NOW and is part of the Centenary commemorations of the First World War. It is an invitation to everyone in the UK to turn off their lights on 4th August between 10pm and 11pm leaving on a single light or candle for a shared moment of reflection, marking the hour that Britain entered World War 1 one hundred years ago. Candlelit gatherings at local war memorials, church services, community events are planned around the UK....if you have any ideas as to what we could do in the village to mark this time please get in touch.

Village Hall Chairman's AGM report

I am delighted to be able to say that our village hall continues in good health, both structurally and financially, due mainly to the dedication of our committee of Trustees, and their supporting groups. Special thanks are due to Caryn Douglas our treasurer, and Ian Read, Operations Group treasurer, who have put in many hours of hard work preparing the accounts. Caryn will give us a summary of our financial status shortly.

The trustees' philosophy has been that the day to day running of the hall be met by hiring charges, and any extra fundraising, such as that from the 200 club, or events organised by the Friends Group is for capital expenditure. During the past year this objective has been achieved, and our reserves are currently adequate for our needs.

Bookings over the year have remained steady.

The solar panels continue to prove their worth and have generated some £3600 during the year and given us a reduction in our electricity bills of over 50% compared to before the installation of the panels. This is all well in line with our estimated projections.

The extremely generous legacy from the estate of the late Helen David has been used to provide new state of the art toilet facilities for the disabled, which are now completed. The Trustees are immensely grateful for such generosity.

Structurally the Hall is in good overall condition.

We have budgeted for the replacement of the Granwood composite floor in the main hall and the oil boiler which will be replaced when necessary, but are currently continuing to provide sterling service after 30 years of use. We can be proud that this longevity is due to the care that has been taken in the maintenance of these items.

The administration of the Hall is overseen by four groups:

The Operations Group; The Friends Group; The Play Area Group and The Health & Safety Group.

The Operations Group oversees the day to day running of the hall under the expert chairmanship of Richard Haste. The Group continues to manage the tricky balance between expenditure and income without compromising the maintenance of the hall.

The Friends Group under the expert chairmanship of Margaret Fisher, have raised over £1100 during the year, and in so doing have utilized the Hall itself for several popular village events.

The Play Area continues to provide a safe and popular facility for the village.

The Health and Safety Group's recent annual review showed that the Hall meets all sensible H and S requirements.

The Hall was subject to a random inspection by the North Yorkshire Fire & Rescue service in November of last year in view of the latest fire regulations, and the inspector's recommendations are currently being addressed.

Overall, the inspector was impressed with the quality of the hall, the way we look after it, and our risk assessment regime.

The Trustees are delighted at the success of the newly formed History Group. The archive room is now almost complete, and it is expected that the Group will be moving material in there soon.

Sadly Playgroup will be moving out of the Hall later this year. The Trustees are pleased that Playgroup has been able to use the Hall to our mutual advantage for several years, and we are sorry to see them go, not least because this group has been our main regular hirer, so their move will have a significant effect on our income. Of course this will also give us new challenges to look for new hirers.

I would like to make a special mention of the dedication of Terry Johnson who carries out regular inspections and maintenance of all electrical matters tirelessly, week after week, and without whose expert input we would be at great loss.

Finally, although after this year's AGM, the Chairmanship of the Trustees will be taken over by Ian Read, who will succeed me for the next 3 years, I would like to express my sincere thanks to all my fellow Trustees and supporting groups, and the volunteers who support the hall with their work and dedication throughout the year, in maintaining a village hall to be proud of, for the people of this village.

Clifton Cycling Club

The club has been regular hirers of the Village Hall for several years now. We have received the following, to explain to readers how their events are organised.

The club organise a number of sporting events each year on the quiet roads around Sheriff Hutton. These fall into two distinct types – time trials and road races. Each has to go through an approval process and conform with requirements of a national sporting body, police and highways authorities, but the two are different – and will indeed look different if you see them happening on the day.

Time trials are events where riders are set off one at a time to complete a set distance as fast as they (safely) can. These generally involve a maximum of about forty competitors who will gather at the start, and all you'll see after that is the individual riders one at a time. We put out "Cycle Event" warning signage along the roads, and we station a marshal in a hi-viz jacket at any danger points – usually junctions where they emerge from a minor to major road. Most competitors ride out to these events, but we try to locate the start where a small number of cars can be parked without causing problems. Most of these events are on Thursday evenings from May through to August. There usually isn't a formal event HQ (other than the back of the organiser's car) as the organisation is fairly straightforward.

Road races are bunch events; a maximum of sixty competitors set off together to complete a set number of laps of a given circuit, and will usually largely stick together throughout and there will be a sprint at the finish. These events have lead cars and one following car, all with roof signs, and in addition we place warning "Cycle Event" signage along the roads. We also employ professional traffic management to control traffic at most junctions – this is done by halting traffic with "Road Closed" signage each time the bunch comes through – usually for less than a minute each time. We try to leaflet-drop all houses along the route in advance to give notice and to ask as politely as we can that cars be parked off the road where this is easily done – purely because this just makes things a further bit safer. We have an Event HQ for these events and in Sheriff Hutton we book the village hall. We send out a "start sheet" to competitors beforehand and request that they park in the provided car park if at all possible, or with consideration if they have to park on the roads – we specifically ask that driveways be left clear.

This year we ran one evening road race (on 1st May) and will be running two races (a British Cycling race and a veteran's race for over-40's) on the same day – Sunday 29th June. The veterans race will start at 10am and the BC race at 1:30pm. Each will last around two hours but all you will see is the bunch passing through once every twenty-odd minutes, with the lead and following cars and the junctions being temporarily closed. We are very keen to work alongside local communities to allow grass-roots racing to flourish; if there are any issues or concerns then please contact the organiser – either at the Event HQ on the day or by email at roadrace@cliftoncc.org

The Old Glebe Conservation Area

The conservation area of about three acres is a diverse area surrounded by hedges and trees. The management of this area is very important to support many wild flowers and grasses. On warm sunny days butterflies and moths can be seen fluttering about.

Cutting and harvesting the grass in late July or August allows the flowers, (including one or two orchids!) and grass to reseed. Sheep then graze the flush of growth in the autumn.

This year the Conservation Trust has a problem. For the last few years the machinery (tractor, mower and hay turner) which have been borrowed are no longer available. If the grass cannot be cut and harvested the management of this area may have to change. It would be sad if the work started by Robin Wardell and others over many years is not continued.

Can anyone local to Sheriff Hutton help? If so, please contact either Brian Parkinson 878373, Brian Shepherd 878310 or Jim Warrington 878667.

Thank you.

The Methodist Church

My bible starts with the words "In the beginning God created the heavens and the earth." I have just returned from the gardening club's day trip to Nidderdale and last week I came home from two weeks holiday on the Isles of Scilly. Both wonderful experiences when the views were breathtaking. They reflected God's earthly creation and the work of people using their talents to create something of beauty and peace. The gardens we visited today showed how people can create something wonderful despite difficulties of weather and conditions they had before them. So as we go through the days of this summer let's try to remember to look at the creation before our eyes and give thanks to God and the people who shared in it.

Sheriff Hutton Conservation Area.

This year's bird walks and breakfast attracted record support raising £90 for the Field Naturalists and £140 towards the public liability insurance for the Conservation Area. A huge thank you to Andy Chapman for his wealth of knowledge, skill at passing it on, and stamina in leading 3 separate walks.

The fine weather made Sunday breakfast a great socialising event, so a big thank you too, to the magnificent kitchen staff and to all of you who came and made our day.

Sheriff Hutton Field Naturalists July 2014

June's guided dawn chorus walks followed by breakfast, were very well attended with twelve people even turning up for the first walk at **4.30am!** The other walks were also well attended and many people grabbed the opportunity to tuck into a hearty cooked breakfast afterwards. A big thank you must go to Helen Spath who once again hosted the pop-up cafe at Stone Lodge and cooked over thirty breakfasts. Thank you to everyone who came, your support for both the conservation area and Field Naturalists is very much appreciated.

Next month's visit on **Sunday 13th July** is a day trip fossil hunting at Cayton Bay, led by Dave Newman. There is no cafe so please bring a pack up and something to drink. Meet at the Highway pub car park at 10am.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308 or Tricia on 878995.

Christian Aid

Last year, we raised the excellent sum of £390.20 from the envelope donations collection. This year, however, we have really excelled ourselves. Amazingly, we collected £406.55 despite the ever-increasing demands on our finances. Well done, everyone, and many thanks for your generosity.

Sheriff Hutton: St Helen and Holy Cross - 2pm – 4pm, Saturday 2nd, 9th, 16th, 23rd and 30th August - Guided walks trace the history of this fascinating building, with its intimate links to the Neville family and to Richard III, whose son is reputed to be buried here. See too the monuments associated with the Thweng family, linked to William Snawsell of Barley Hall through his marriage to Joan Thweng.

Fancy ringing the church bells? I will be in church at 11am on Saturday 19th July to give tuition to anyone who cares to come along. We do actually need a ringer for weddings and this is a good opportunity to learn a new skill. I look forward to seeing you then. John Oakley

Sheriff Hutton Pre-School Playgroup News

Sheriff Hutton Pre-School Playgroup and Toddlers is a registered charity no. 1021113

AN EXCITING DEVELOPMENT

As many of you will know, there has been a playgroup in Sheriff Hutton for over forty years. Much has changed in that time although one thing has remained the same: **the commitment of Playgroup staff and committee to providing quality, affordable pre-school education for local children.** Our base, for many years now, has been the Village Hall and we are grateful to the trustees of the Hall for accommodating Playgroup and allowing us to make changes including providing outside storage and an awning, and complying with our health and safety requirements. However, it is fair to say that running a pre-school from the shared Village Hall space – although it is an excellent community venue – has presented us with increasing practical and financial challenges over the years. We are delighted to announce, therefore, that we have been granted a temporary licence to move to a self-contained, free-standing classroom at Sheriff Hutton Primary School, to open in September 2014. The classroom we will be using is spacious, very well-maintained, has access to its own toilets and hand basins, and also has an enclosed outside area for our exclusive use. In the longer term, we are seeking permission to lease the land on a redundant part of the school site – currently occupied by the electricity substation – so that we can build a permanent pre-school facility.

For Playgroup, relocation to the school site will provide a great opportunity to further develop our indoor and outdoor provision; will increase our financial stability; will enable us to offer more sessions and extend our hours to fit in with the school day as requested by many of our parents; will strengthen links with the primary school; and will further ease transition for our children. **In short, we believe that this move will give us the best chance of securing the long-term future of our independently run and managed community pre-school playgroup.**

How you can help:

- **In the short term:** money has been set aside already for the few essential alterations needed, but we are hoping to raise an additional **£3,000** to enable us to make further improvements including installing a canopy in the outside area and also replacing/refreshing some of our toys and equipment. If you would like to make a donation towards these items, please contact Gillian Fairbotham (Treasurer) on 878517 or email: shuttonpreschool1@yahoo.com. We would also be pleased to hear from anyone who thinks they could provide a good quality fridge or lockable shed.
- **In the long term:** if we are successful in gaining permission to lease the substation land for a permanent pre-school facility, we will launch a major fundraising campaign. Further information will follow.

From September, we will provide Playgroup sessions each week during term time on Monday, Tuesday, Wednesday and Friday from 9:00-12:00 (morning); 12:00-3:00pm (afternoon) or 9:00am-3:00pm (all day) with an optional After Playgroup Club from 3:00-3:20pm. If you would like further details on session times or to discuss a place for your pre-school child, please contact Julie Brownbridge (Chair) on 878574 or email: shuttonpreschool1@yahoo.com

Open Afternoon – Saturday 30th August 2-4pm – in Playgroup's new home in the free-standing classroom at Sheriff Hutton Primary School

On Saturday 30th August we will be providing a taste of Playgroup past, present and future! You are warmly invited to come to the free-standing classroom on the school site from 2-4pm to view our new home and to chat with our wonderful and well-established Playgroup staff. There will be activities for our younger visitors, an opportunity to view photographs of Playgroup past (perhaps you attended the Village playgroup in years gone by?), and a chance to find out more about our plans for the future. Light refreshments will be provided. We hope to see you there!

Babies and Toddlers at the Village Hall – Every Thursday during term time 9:45-11:45am

Our Babies and Toddlers group will remain at the Village Hall and will continue to provide an opportunity for our babies to pre-school children and their families to meet up every Thursday morning (9:45-11:45am) during term time. We will ensure that we maintain the strong supportive links between Babies and Toddlers and Playgroup that we have formed over many years. If you haven't visited us yet, please do pop in. We provide a free first visit and charge £2 for parents/carers with babies (until they are 12 months old) and £3.50 per family after that, whenever you are able to attend. The Health Visitor also visits Babies and Toddlers once a month – discussions are confidential and in separate room. For further information on Babies and Toddlers, please contact Margaret on 878314

Fundraising News and Events

Race Night – 20th September 2014 – in the Village Hall

Please put Saturday 20th September in your diaries for our Race Night. This will be a professionally hosted evening of simulated races together with supper and a licensed bar. Why not put a table together with friends or family and come along for a fun evening. Further details to follow in next month's Village News.

Kids' Stuff Sale – Saturday 8th November 2014 – 2-4pm in the Village Hall

A fantastic opportunity to purchase great quality used children's toys, clothing and equipment at bargain prices. A 'one-stop' shop for nearly new children's clothes, school uniform, toys, games, books, DVDs, nursery equipment, outdoor equipment and much more. There will also be a café, raffle and cake stall.

AGM – Wednesday 9th July 2014 at 8pm in The Highwayman

We are always on the lookout for enthusiastic volunteers to join our Playgroup Committee. You do not need to have a connection with Playgroup – past or present – just an interest in supporting this vital community service. If you are interested in joining us, the AGM is an ideal opportunity to step forward. We are particularly keen to hear from anyone who is interested in developing fundraising/publicity, although all offers of help will be gratefully received! This year's AGM will be held in The Highwayman on Wednesday 9th July 2014 at 8pm. Please contact Julie on 878574 if you would like an informal chat about what we do and how you can help.

Neighbourhood Watch

Following yet another attempt by persons of dubious character to do 'work' on an elderly resident's property the Police are keen to introduce the 'Nominated Neighbour Scheme' to the village as a matter of some urgency. This entails a neighbour, friend, family member, NHW coordinator or Parish Councillor to be nominated by vulnerable members of the community to act as a contact for callers at the door.

The scheme requires the nominated person to ascertain whether the unexpected caller is genuine or not. If genuine the nominated person can accompany the caller back to the vulnerable persons house (callers of ill intent tend not to bother going to the nominated address). The Police have information packs regarding the scheme and are intending to make them available shortly – if you would like a pack either for yourself, a family member or neighbour please give me the details and I'll pass them on to the Police. I know nobody likes to consider themselves vulnerable, however the types of people perpetrating these scams are well versed in their craft and have no scruples with regard to making money, and have demonstrated a high success rate locally over the past months.

Insofar as I am aware there has been little in the way of local crime in the past month, either in the rural areas or villages – presumably everyone's watching football and/or tennis instead – the only crime trend advised is that of theft of fuel from Peugeot cars. These cars have plastic fuel tanks that are easily drilled into to allow theft. The Police advise owners of these cars to be vigilant, and to park with the driver's side adjacent to a wall or other obstruction. These thefts have occurred between Malton and Scarborough, so are not an immediate concern locally, but be aware.

The next meeting has been scheduled for 7.30pm 9 September. Anyone interested in joining the group should contact me at the shop or ring me on 01347 878331. If you have anything to report regarding crimes either in process or evident please ring 101 – please don't ring me.

The IT Ladies Doubles competition will be held on Saturday 6th September please contact the Ladies Captain Christine Thomas on 810893 for details.

Tennis has to compete with lots of other sports, especially this year, but you can easily be a player rather than a spectator. Tennis is a game for life and once you have mastered the art of connecting the ball to the racket and hitting it over the net, the courts are there for you to enjoy. You might not make it to Wimbledon but you'll never know if you don't have a go.

Enjoy this great summer of sport.

Please contact me for details of any of the above.

Message from the Jumbles

We were a little anxious regarding just how much jumble would turn up for our Jumble Sale on 14 June for the "A Good Night's Sleep" Appeal, in aid of the Martin House Hospice for Children and we were overwhelmed by the amount of support we received from everyone. Masses of good quality jumble, a heaving cake stall, a marvellous selection of cakes for the refreshments and most generous cash donations, as well as people giving up their time to help on the day. Thank you so much for your generosity. We are so pleased to be able to say that our combined efforts resulted in £2,000 being raised for the appeal, which we are in no doubt will be put to good use.

Our last event before the summer break is our annual July Coffee Morning on Saturday 5th July, at Midway, Main Street, between 10 am and 12 noon.

Do you remember that fantastic pantomime that Amy Hunt and Jasmin Frost organised earlier this year? How brilliant it was and what stars the whole cast were. Well, great news, the girls are hoping to do it again in 2015!

However, to do it they have to raise a considerable amount of money to cover costs of hall and costume hire etc. and all the other incidental expenditure. So we have decided that all money raised at our coffee morning will be given to them to help with their fund raising.

There will be a cake stall, tombola, raffle, Bonnie's second hand jewellery stall etc., as well as delicious home-made refreshments. Please come along and join us. We are sure that if you enjoyed the pantomime as much as we did that you would like to help us to support the young people of the village by raising as much as possible.

Looking forward to seeing you.

We will be back from our break on September 6th with our Jumble Sale to raise money for Yorkshire Cancer Research.

Thank you

Village War Memorials

For the last 6 months I have been working with the Ryedale War Memorial group researching the names of the people who appear on the Sheriff Hutton War Memorials; in the Church and in the Old School House. I have been able to follow up most names and to find out a little bit about them and their backgrounds. The next stage in the research is to ask you if there is any information about the people who are on the Memorial that you would like to add to the research, which will end up as a published booklet and will be available on-line. It would be really good if you know anything which can help to fill out the picture of each person. Any information would be gratefully received. Phone Neil Hodges 01347 878595 or email neildhodges@btinternet.com. The names on the memorials are below.

Tourist Tides

During the summer months,
There are two competing tides:
As the ebb tide retreats to the deep ocean,
The tourist-tide floods in from the mainland.
People come across the causeway: hundreds every day.
The island is not so quiet when they are here.
This tide leaves its mark.

Just when I think to settle into the
Solitude of Holy Island,
Cut off from the rush of the world,
The world comes to me.
All these people, looking for peace.
They will find it here;
I must invite them onto my island
So that they can carry its peace
Back home again.

The tide returns from the sea, flooding in.
Just so, the tourist-tide ebbs -
Rushing home
To the mainland,
Crossing just ahead of the waves,
Toting its island peace.

Tide of Busyness

God of all calm
Rescue me when I am
Overwhelmed by busyness.

There is a busyness that comes unbidden.
It seeps in slowly at first,
Through the foundation walls of my days,
Then rises until there is no stopping it.

There is a busyness that
Rushes in like a flood,
Because I have opened the sea-wall.
Suddenly I am drowning.

Be my ark, O God,
Until the waters dry up.
When I emerge,
Remind me that you
Promised to never again
Cover the world with water -
So why should I?

I hope you have a good summer!
Rev. Chris Ellis

Another Look Back in Time

The following is a letter sent to Village News in about 1985 and, with the opening of the History Room, it seems to be timely to reprint it and give another 'snapshot' of how life was in our village over 100 years ago. The writer would have been born in about 1900.

"In 1823 the village population was recorded in the Directory of the area as 756 and a few names still survive, e.g. Attlay, Belt, Brown, Cattle, Cordukes, Groves, Harrison, Hick, Pearson and Suggitt, all names known to me in my time. Our residents include a Surgeon (who occupied Bertram House where I was born much later), two Blacksmiths, two Bricklayers, two Butchers, two Coopers, two Corn Millers, six Joiners, two Schoolmasters, six Shoemakers, five Shopkeepers, four Tailors, (including one with the wonderful name of Phineas Gultry), one Saddler, one Brewer and maltster, (whose brewery was surveyed by my father as the Excise Officer for the area), one Linen Weaver, two Carriers (to York every Wednesday and Saturday) and four Public Houses – New Inn, Pack Horse [*now The Highwayman*], Lord Wellington and Blacksmith's Arms [*now The Castle Inn*].

My family, the Wilson family – Mother, Father and my elder brother Vernon – took over Bertram House in January 1908 and the house was something of a wreck (I dare not tell you how much Father gave for it!) but as time passed it was re-roofed and cement rendered, much the same as it is today. As time passed my sister and I were born in the house but there were no such facilities as water or electricity in the village. Our drinking water came from a pump across the road and in the event of a dry summer (I recall one or two) we took our enamelled pail across bright and early before Tot Johnson (who lived opposite with brother Joe and sister) emptied the well for his thirsty pigs and other livestock. Rain water for washing etc. was channelled through guttering all around the house and buildings into five very large barrels in the 'Water Barrel Place' in our row of buildings. Eventually we enjoyed the luxury of a tap in the back kitchen, followed by all the other amenities which we now take for granted, especially electricity (the house was wired at a charge of £1 per point!).

As the Excise Officer for the area, my Father operated on horseback from home, followed by a Triumph motor-bike and sidecar and then a series of Morris cars until his Station ranged over a half-circle from Easingwold, through Helmsley and Kirkbymoorside round to Flaxton and back home – beautiful countryside to this day. On Sundays, Father and we three children walked up to Church (where we had all been Christened and Confirmed over the years) in the morning (as a little boy I used to kneel on the seat so that, for the hymns, I could see over the top of our pew behind the choir on the North side). Mother attended church in the evening with the family.

Schooling moved on to Archbishop Holgate's Grammar School in York, with a very welcome bus service replacing the horrendous cycle rides to Flaxton Station in the old days."
