Public Forum

A member of the public spoke about their concern regarding planning application 14/00833/HOUSE - Neslyn.

Local Sites Document

Charlotte Bogg, the Managing Development Officer from Ryedale District Council spoke about the local sites document which shows sites for residential development and how this would now be reviewed to form part of the Local Plan. Public consultation would take place before the end of the year. There was a requirement for about 300 properties across the 10 service villages of which Sheriff Hutton was one.

The Council stressed their concern over any possible development of Peckitt's Yard site which had been included in the development officer's briefing. Their concern included

1. The visual impact on the Church and East End
2. Access to the site over already congested roads where parking problems are ongoing.
3. The type of housing envisaged.

Next Meeting

The date of the next meeting is Friday 10 October 2014 in the Village Hall at 7.30pm.

Nigel Knapton, the Parish Clerk, can be contacted regarding all Parish Council matters at nigel.knapton@townandparish.co.uk or on 0777 999 4712

Reading Group

I wonder if there are any like-minded people in the village who would be interested in joining a Reading Group. This is a group of no more than eight people who will want to read one book a month, (arranged with Easingwold Library), and then for us to meet and discuss the books chosen.

This is NOT an academic meeting, but a meeting of friends, who will have a coffee and cake and discussion of what we have read.

If you are interested, which we hope you will be, please phone Frances L'orange on 878627 or Gillian Newman on 878672.

Sheriff Hutton Village Hall –200 Club

Lucky £25 winners for September were 2, 81, 130, 173 and 209.

Sheriff Hutton Field Naturalists

An intrepid group braved the early start for the final outdoor trip of the year to the RSPB Leighton Moss reserve. The day was glorious and the sightings spectacular including Great White Egret, Teal, Redshanks and Dunlin, and rather unexpectedly, two Lancaster bombers flying over Morecambe Bay.

Next month sees us back in the Village Hall meeting on Wednesday October 1st. This will be an open evening with no individual speaker, everyone is encouraged to bring along things to show what they have been up to this summer. Dave Newman will have a table of specimens to give us an appetizer of his winter talk on pebbles. Andy will have a few things to show what he has been doing with the RSPB, please let Andy know if any member would like a table to display any specimens from the summer they would like to talk about. There will be light refreshments, please let Andy, Jim or Tricia know if you are able to bring any contributions of food or drinks along. There will be a raffle as well and if anyone has prizes to bring along, again, please let anyone on the committee know and bring them along on the night.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Gardening Club

The start of the autumn meetings was well attended by members and visitors. Tony Featherstone, a light hearted octogenarian, showed us how he revamped his front garden to practically zero maintenance and, after ten years, has a mature garden with very few problems enabling him relax in it and indulge his passion for vegetable growing. Tips for young and old alike.

In October we move onto wildflowers along verges and waysides with Margaret Atherden. Wednesday 15th October, 7.30pm at the Village Hall. Come and join us.

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday 2nd October** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Dear friends,

October is a "season of mists & mellow fruitfulness" according to the poet. Well, fruit there has been in abundance this year. I've enjoyed cherries, peaches, apricots, plums, pears etc. to my heart's content. Like an old advert - they looked good, they tasted good, and they did me good. I wonder if people say the same about us?

Jesus talked to his disciples about bearing good fruit, fruit that is nourishing and lasting. The apostle Paul spelled out the kind of fruit Jesus called us to produce in our lives in a letter he wrote to people in Galatia. There are nine fruits; love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

We are so used to seeing and reading about the negative things in the world; war, violence, greed, intolerance, the diseased and rotten fruit of peoples' bad harvests, that we fail to notice the people and places that are not like that. Jesus said that we can make a difference in our corner of the world if we try to live the kind of life God wants us to.

So, try to be peacemakers not peace-breakers, show kindness, compassion and understanding. Be patient however frustrated you are, be just, glad for what you have and show a generous spirit. Then the fruit you bear will refresh others and could change their potential harvest for the better. Any community is only as good or as bad as the people in it. So, what fruit have you got on offer?

Every blessing, Ann Vaughan

Village News has been advised that the bus service is being re-tendered and a new timetable will apply from Monday, November 3rd. The new timetable will be published in the November News.

The super-mobile library will visit the Village Hall Car Park between 10.00 and 12.00 on Fridays 3rd, 17th and 31st.

The Methodist Church

Last month was start of a new Methodist church year and began with being thankful for the harvest and all the goodness of God. When we look at the events that follow in October in our church we are reminded that having received we must now give and serve the people who share their lives in our time and space. This is well done in the Christmas shoeboxes that are filled and sent to needy children, there is a separate notice below with details. The Monday evening guild begins with a programme of many different evenings and last year shared over £300 with different charities. Then we have a church council meeting to discuss how we can best use the resources we have of talent, money and premises. A month to share things with one another in speech, giving and serving. Come and share in any of our activities, you will be most welcome.

Wesley Guild

The opening evening is on the 13th October and will continue every Monday to 15th December and then from 5th January to 30th March. A varied programme has been arranged and the full details can be obtained at the Methodist Church and each month the evenings will be listed in the Village News. The evening commences at 7.30 p.m. with a short time of devotion of a hymn, prayer and appropriate reading before the arranged programme. The general aim is to be over no later than 9pm, having shared in a cup of tea and biscuit after the speaker. If any of our evenings are of interest to you, do please come along to the Miss Ward room, you will very welcome.

Monday 13th **Revd Ann Vaughan** will speak on her extensive collection of earrings. She has an extremely wide range of drop- earrings which she wears to suit many occasions.

20th **Mr Peter Grubb** is the national chairman of the Wesley guild movement and was recently honoured for his service to a hospital in Nigeria which the guild movement supports. He will be coming from Leeds to give a slide presentation on Antarctica.

27th **Derek Arrowsmith** from Middlesborough will come and share with us some of his music treasures. Derek lived in our village and still takes a great interest in all its activities. We look forward to him coming to visit us.

Christmas Shoe Boxes

Operation Christmas Child is the world's largest children's Christmas project, run by the Christian relief and development organisation Samaritan's Purse. Shoeboxes are always given to children based on need, regardless of their background or religious beliefs. This year we will be filling shoeboxes at the Methodist Church on Wednesday 22nd October from 10 a.m. to about 11.30 a.m. We are asking for your help to provide empty shoeboxes with separate lids, and any small items for boys and girls aged 2 to 14 years, or a donation towards the cost of postage which is £3 per box.

Leaflets are obtainable from people at the Methodist Church which give details of what can be included in the boxes. Last we filled over 130 boxes with your help, it will be great if we can reach or pass that target this year.

Please help if you can.

Neighbourhood Watch

August and September to date have been relatively quiet locally, with the exception of a burglary and car theft from Claxton and a notable increase in the instances of poaching in the areas surrounding Sheriff Hutton. The Police ask that you dial 999 if you see poaching in progress, and urge you not to approach the individuals involved.

I've had a number of reports of speeding locally, mostly from traffic heading along York Road, sometimes at idiotic speeds. I have requested that one of the 'camera vans' be deployed sporadically over the next couple of months or so and have agreed suitable locations and times. Naturally, nobody reading this exceeds the speed limit so it should cause no problems for locals.

Bonfire night is rapidly approaching – last year I had a number of complaints, mostly from dog owners, about the duration of the 'celebratory' period. Having had dogs that got stressed by fireworks I can sympathise – some of the 'domestic' displays over recent years would appear to be inspired by the 'Shock and Awe' assault on Baghdad a while back. This year the 5th of November is on a Wednesday, thereby potentially displays could be laid on the weekend prior, on the Wednesday or the following weekend, 10 days of misery for some dogs and their owners – I know it's not within the remit of NHW, however I would ask that displays be limited to the 5th and 8th November. Just a thought.

Whilst there have been no local thefts of fuel oil recently it is worth remembering that many people have filled their tanks with oil in anticipation of the colder nights ahead – please be aware of any suspicious activity and call the Police if appropriate. As previously requested, can all tank users review security measures to prevent theft.

The next meeting has been tentatively scheduled for 7.30pm 3 February. Anyone interested in joining the group should contact me at the shop or ring me on 01347 878331. If you have anything to report regarding crimes either in process or evident please ring 101.... PLEASE don't report it to me first hours/ days after the event.

Message from the Jumblies

After all the wonderful weather we have been having it had to rain on our Jumble Sale!! However it did not put people off and we had mountains of jumble and masses of buyers.

Thank you to everyone gave their support and the result was a new record of £2,300 which included some generous donations. Our running total for this year has now soared to £13,258. The total raised at our Macmillan World's Biggest Coffee Morning will be given in the next News.

As well at the usual stalls the RNLI Christmas Cards will also be on sale.

Sheriff Hutton Pre-School Playgroup News

We have now completed the first few weeks in our 'new' premises at Sheriff Hutton Primary School. We opened our doors for the first time one Saturday afternoon at the end of August to give our children, their families and the wider community the opportunity to have a look around before the official start of term. We had so many positive comments and it was lovely to see our pre-school children enjoying the games, activities and resources, including our 'mud-pie kitchen' created out of a huge tractor tyre (with thanks to Martin and Angela Smedley for donating the tyre, to June Davison for donating the topsoil and to Stephen Shipley and other volunteer helpers who ran wheelbarrow relays from the trailer to the tyre)! We couldn't have hoped for a better start and the children have settled so well, many of them enjoying the opportunity to say hello to older brothers and sisters over the fence during school playtime! We are also delighted to be able to offer the option of a hot meal at lunchtime, prepared and cooked by the school's excellent catering staff in the school kitchen. Our thanks once again to our staff for all their hard work in creating a safe, quality pre-school environment for the children of our community.

Please note that Playgroup sessions are held each week during term time on Monday, Tuesday, Wednesday and Friday from 9:00-12:00 (morning); 12:00-3:00pm (afternoon) or 9:00am-3:00pm (all day) with an optional After Playgroup Club from 3:00-3:20pm. If you would like further details on session times or to discuss a place for your pre-school child, please contact Julie on 878574 or email:

Babies and Toddlers

Continues to run on Thursday mornings in term time in the Village Hall from 9.45am to 11.45am – all pre-school children and their parents/ carers are very welcome!

Sticklebricks; Mr Potato Head; Farm Animals; Zoo Animals; Dinosaurs; Small cars and other vehicles; Diggers, dumpers and lorries etc in various sizes; Dolls clothes

If you are able to help, please contact Margaret Fisher on 01347 878314.

With many thanks in anticipation!

Sheriff Hutton Cricket Club

The 1st XI lost their remaining fixtures to finish a disappointing season bottom of Division 2 North and are relegated back to Division 3 of the York & District Senior Cricket League after only one season at the higher tier.
