Sheriff Hutton History Group

Archive Store Open Day The weather for our opening couldn't have been better, clear blue skies and very warm, perfect for the many visitors who came to celebrate the day with us. We had a steady stream of villagers and visitors who came to look at the exhibition, scan archive materials, give us some very interesting accounts of their life or contact with Sheriff, enjoyed the refreshments and met up with old friends and made new ones. The exhibition covered aspects of village life from its people, activities, faiths, employment, agriculture and housing. We hope that people found something of interest in the wide range of information displayed, we certainly got a lot of positive feedback and new archive material for the store. A display of Commemoration of WWI & 2 and Evacuees in the village created a lot of interest and we received added information of a village and its people during the war years. Neil Hodges (July village news) gave us some of his research which was very helpful and we have been able to forward new information to him.

Councillor Eric Hope welcomed everyone and Jean Farnaby opened the Archive store dedicating it to her husband Alan Caleb Farnaby whose lifelong love of the village was the foundation for the collection. In her speech Jean told us about the Warwick Oak which we thought had been lost through felling, but a seed was taken from the oak by Edward Clark who nurtured it, John Howarth then cared for the sapling until it was planted by George Dobson and Alan Farnaby at the end of Coble lane. The oak is now flourishing by the side of Alan's seat overlooking one of the best views in the village, so when you sit on the seat you are resting under history.

Viewing of the store had to be done in small groups due to its location. Grateful thanks to Chris Thompson who had spent many hours decorating, putting up the shelving and getting the store completed for the day. The day had been the result of a lot of hard work by members of the History group and young people on the day, thank you to everyone for the time spent setting up the exhibition. Thank you to the Village Hall Trustees who have given us the space for the store and to everyone who has donated funding, time and energy to get the store off the ground. The work of transferring and digitising the contents to their new home goes on!

Sheriff Hutton Tennis Club

League Reports. The Hovingham League Mixed team welcomed some new players this year and although the team finished in the lower half of the division they had close matches and will look to build on the improved team next season. Many thanks to Chris Drury who managed to get teams together for all the matches.

The Hovingham Ladies had a reduced number of matches and finished in the bottom half of the league. The main aim of this team is to encourage members to play competitive tennis and this was certainly the case this year with nine ladies playing in the matches. My thanks to all of them, I hope they enjoyed the tennis and are looking forward to playing again next season.

The York League Ladies team has had a good season and will finish in the top half of the table. Many thanks to Chris Thomas who ran the team and encouraged some new members to play... She saw her team members have well deserved good results especially in the second half of the season and will look to build on that success next year and push for promotion back to division 5.

The York League Men's team was again run by Josh Williams. Without Josh's interest and commitment the men's team would have folded and we are indebted to him for keeping it running. Due to a reorganization of the league the team is in a difficult division and this has been reflected in the results, some easy wins and also some very hard matches. Their season will not finish until September when the final placements will be available.

Club Competitions. The Ladies Singles will be held on Saturday September 20th at 1.30pm. The Ladies Doubles will be held on Saturday October 4th at 1.30pm. This is a friendly afternoon's tennis with partners drawn on the day. All members are very welcome just come along on the day and enjoy an afternoon's tennis before the winter comes along.

The Men's Singles will be held on Saturday September 13th at 10.00am.

Junior Tennis. The coaching sessions with Damian came to an end in July and the juniors have made good progress. The trophy for the most improved junior was presented to Milly Ainley, congratulations to her and all the juniors who took part in the sessions.

Junior Competition. The Junior competition brought the junior club nights to an end. The club nights have not been as well supported as in previous years but there has been a lot of competition from other sports this summer. The final was between Jed Pitman and Luke Bartlett and was a keenly contested match. The standard of tennis was excellent and the boys were very evenly matched. The first set went to Luke then Jed fought back to level the score at 5 all in the second set. A nail biting game then went to deuce several times before Luke managed to hit the winning shot. Congratulations to Luke as champion and to Jed as runner up, it was a thrilling match which was enjoyed by the spectators.

Social Tennis. The Ladies sessions continue through September.

Lost Tennis Balls. Members are asked not to enter any of the adjoining properties to retrieve tennis balls.

Details of the club are available from josephinejohnson6@gmail.com

Gardening Club

EASIER GARDENING. Tony Featherstone will tell us how it can be done at 7.30pm on Wednesday 17th September at the Village Hall.

The new layout for the village show this year was given praise by many as exhibits filled the hall and the stage. The new secretary was encouraged by all the support she was given before-hand and on the day of the show. So note the 8th August next year and come to help keep a village event alive.

Cup winners were: The Warwick Cup (Veg & Fruit): T Thompson. The Richard 3rd Cup (Flowers & Pot plants): M Thompson. The Home Craft Cup (Craft): M Thompson. The Neville Plate (Craft, best entry): C Hull. The Cookery Cup (Cookery & Preserves): S Hemingway. The Photography Cup: D Blyth and B Jones. Children's Senior Cup: A Hilton. Children's Junior Cup: M Bell. The Children's Shield (Best entry): M Bell. Alan Farnaby Memorial Trophy (Child with most points in Show): A Hilton. Association Cup (Adult with most points in Show): S Hemingway and T Thompson.

The Potato and Sunflower Social evening was well supported with 48 potato pots being emptied and weighed along with 10 sunflowers being measured. Baked filled potatoes were supplied by the club as an added extra to the night's proceedings and as it just managed to stay fine most stayed to hear the results. Derek Forsdyke was out in front with 5.06KG followed by Alan Plews with 4.78KG. Derek also had the biggest potato this year at .52KG. Lyn Minto had the largest sunflower head at 12.4cm. There seemed to have been more blight about which spoilt a few pots.

As we approach the AGM in November some of the officers have completed their term of office, namely our Chairman and Treasurer. Anyone wishing to be nominated or nominate please contact the secretary, Judith, on 878339. The committee is always open to members who would like to serve on the general committee and help run the club and, also provide new and fresh ideas. A seed order co-ordinator in conjunction with Terrington gardening club is also required.

Finally, as we had to, unfortunately, cancel our talk on orchids last year Terrington gardening club are inviting members to their evening meeting on 26th November to hear a talk given by Roy Creek on Orchids. Seasonal mince pies and wine will be available with the £3 entry. If you are interested please let Judith know on 878339 as they would like to have numbers in advance.

St Leonard's Needs a Treasurer

Due to our church Treasurer moving out of the area we are urgently seeking a successor. The person we need will be competent with figures, have a computer and be able to use Excel spreadsheets. The year-end accounts are produced using a Church of England template which is easy to work with and the Gift Aid claim is processed annually online. Paying-in money after services and events is currently undertaken by another member of the Church Council and this arrangement can continue if preferred. The Parochial Church Council meets five times a year. The retiring Treasurer will provide advice and guidance on what has to be done.

You do not have to be a regular churchgoer but some sympathy with the Christian faith would be preferred.

If you are interested, in the first instance please contact one of the Churchwardens – Margaret Singleton (01347 878735) or Sally Downing (01347 878745)

THE METHODIST CHURCH

A new Methodist year begins on September 1st when ministerial appointments take effect. The York Circuit of churches will welcome a new superintendent the Revd Leslie Newton from Bramhall in Lancashire who will live at Strensall and Revd Julia Skitt who will live in Copmanthorpe. In his welcome letter the Revd Newton says how appropriate and helpful it is that early into this New Year we will celebrate Harvest Thanksgiving. Scripture reminds us that having an "attitude of gratitude" is an important foundational Christian habit, something we should cultivate consistently and intentionally. Apostle Paul writes of always thanking God and encourages us to give thanks "in all circumstances."

But how can we develop an "attitude of gratitude" through all the changing scenes of life if we are struggling in this area. Remember that God is faithful in all things - all the time - without condition and no matter how we are feeling and that God provides for us.

So at the beginning of the Methodist New Year let us embrace the challenge to be grateful people: grateful to God and grateful towards each other.

There will also be a sale of produce for the same fund.

The History of St Helen and the Holy Cross – Sheriff Hutton

I have lived in Sheriff Hutton for about 40 years and have had a reasonable interest in the history of the village. I have no record of how many times I have ‘inspected’ the church of St Helen’s –but it is more times than I can count – so I thought I knew just about everything about it.

However, I decided to go to, at least, the first one on 2nd August about ‘What the Normans did for us.’ My real reason for writing this is to express ‘What Roy Thompson did for me’ on his detailed talk on so many items I had not noticed on my visits. Having heard Roy’s first talk I decided to go to the one about the Plantagenets on the 9th August. His research and knowledge made it another hour well spent on learning such detail about how our ancestors designed and built such things as churches.

When you read this there is a chance to visit the church for Roy’s last informative and interesting talk (What the Victorians did for us) on Saturday 30th August starting at 2pm.

Neighbourhood Watch

There have been a number of instances of dogs 'disappearing' over the past month or so – all reports thus far are from rural locations and involve terriers, spaniels and retriever types. Initially owners had assumed that the animals had escaped or run off, however this is looking increasingly unlikely and it would appear that they have been stolen – at the time of writing I am working with the Police to determine fully the scope of these thefts. Current local reports include, but are not limited to, Farlington, Stillington and Hovingham. I strongly urge all owners of such dogs to take necessary precautions, and would ask anyone with any information to contact either the Police or myself.

I am advised that once again animal watering facilities have been tampered with near the castle (Sheriff Hutton). As this coincided with the start of the school holidays it could be easy to draw a swift conclusion as to the likely culprits, however I would ask that whoever is responsible to stop messing around with farm equipment. It's worth pointing out that the farmer reporting the incident is both extremely annoyed and rather large.

Whilst the issue of parking in the East End of the village was never really an issue within the remit of NHW, the Police have advised me that an ambulance attending an emergency in Calverts Garth was delayed in attending due to insufficient available road width caused by vehicles parked on double-yellow lines. Perhaps understandably Parking Enforcement Officers have now taken a rather active interest in the village and will, I understand, become a regular sight on our roads. It is regrettable that requests from Parish Council to park responsibly (and legally) were so blatantly ignored, but a relief that the consequences of this irresponsibility did not have a tragic outcome.

Although the nights are slowly drawing in again it is noticeable that there are still a lot of pedestrians, cyclists and horse riders around late in to the evening – as always can I ask all road users to be duly diligent.

The next meeting has been scheduled for 7.30pm 9th September. Anyone interested in joining the group should contact me at the shop or ring me on 01347 878331. If you have anything to report regarding crimes either in process or evident please ring 101.

## **Youth Club Reopens Tuesday 16<sup>th</sup> September**

**7 - 8.30pm in the Village Hall**

Leaders: Pamela Dods, Richard Gordon and Jess Pitman

All young people from Y7 upwards are very warmly invited to the re-launch of Youth Club for a new school year. Carolyn and Charles are no longer able to help us, so we now have Pamela Dods, Richard Gordon and Jess Pitman as our team of leaders.

We'll be meeting soon to come up with ideas for possible activities to see which ones YOU as Youth Club members would like us to provide and include YOUR ideas! We also hope to launch a Facebook group so we can keep our members and their parents up to date with upcoming events, dates, activities and links to useful information.

All parents of young people on the register will be contacted in September to see if they can give up at least one evening this year to help as a volunteer from 6.30-8.45? Many thanks to all those who have helped as volunteers before - we're really grateful for an extra pair of hands when setting up and putting away, running the tuck shop, and just generally mucking in with activities.

Youth Club has a small management committee to provide background support to the leaders: Pamela Dods, Caroline Hunt, Jill Anfield and Sarah Holdsworth. If you would like to be involved in the running of this very important village club, please contact Caroline on 878242. We'll be doing some fundraising this year, so please look out for our events and support them if you can!

## **Sheriff Hutton Field Naturalists September 2014**

The Field Naturalists went to Nosterfield Nature Reserve near Masham this month. Nosterfield is probably North Yorkshire's best wet grassland nature reserve, and it's a particularly important habitat for some of the less-often seen species such as Shoveler, Redshank and Lapwing, an all-round good day out.

Next month will be the final outdoor trip of the year for the group when we will be going to the RSPB Leighton Moss reserve on **Sunday, September 7<sup>th</sup>**. Please take note that this will be a very long all-day trip **meeting at the Highwayman Pub car park at 7am**. This will get us to the reserve for around 9.30am. The day will be spent exploring the main reserve and the salt marsh habitat at the reserve. The reserve has good facilities and including a cafe and a shop. The group will stay at Leighton Moss until around 4pm (weather allowing) and get back to Sheriff around 6.30pm. If people could let Andy know how many people would like to go, this would give us an idea of numbers for transport.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

## **Car Keys**

Sorry - don't have an address or name to send a note through the post, but can you please pass on my thanks to the person who returned my driving licence after I left it during a recent cycle event.

We're decorating at home and I thought it was probably buried among the boxes but really pleased to have it back.

Thanks again, Best Regards, Cath

## **Sheriff Hutton Pre-School Playgroup News**

The summer holiday has been far from quiet with preparations for Playgroup's September opening on the primary school site. It has been exciting to see the transformation of the indoor and outdoor learning areas and we are looking forward to welcoming our children and parents to our new premises at the start of the autumn term. We would like to take this opportunity to thank everyone who has helped in any way including our staff: Juliette, Angela and Donna; and our committee, especially Gillian Fairbotham (and husband Mike) who must have wondered whether the list of jobs would ever end! Particular thanks must also go to the following: Paul Kean for all his time and effort in preparing our classroom for its new role as a pre-school; to Mark Oakley and June Davison for moving all of our belongings to the school site; to Alan Pratt for designing our Playgroup sign; to Eddie Hull and his team for transforming our outdoor learning area; and to Mrs Bev Stell and the staff of Sheriff Hutton Primary School for all their support before, during and after the big move!

Please note that Playgroup sessions are held each week during term time on Monday, Tuesday, Wednesday and Friday from 9:00-12:00 (morning); 12:00-3:00pm (afternoon) or 9:00am-3:00pm (all day) with an optional After Playgroup Club from 3:00-3:20pm. If you would like further details on session times or to discuss a place for your pre-school child, please contact Julie on 878574 or email: [shuttonpreschool1@yahoo.com](mailto:shuttonpreschool1@yahoo.com) Please also note that Babies and Toddlers sessions continue to run every Thursday morning (9:45-11:45am) during term time at the Village Hall.

Dear friends and neighbours of Dorothy Lyons, thank you for your best wishes, kind thoughts and many enquiries about my health, which at the moment is not too good but improving.

You made me very welcome when I arrived in the village, I was very happy the whole time I spent amongst you.

I now live in Ivy Lodge Retirement Home in Haxby, so maybe I will see you if you call.

Once again thank you all.

Dorothy
