## **Sheriff Hutton Ladies Group**

We had 3 visitors to our meeting on the 8<sup>th</sup> July. Janet Jay from Autism Plus talked about her work with people who are autistic. She showed a slide show of the chocolate factory they have set up at Park House Barns at Gilling East where people with autism and learning difficulties work alongside people and earn a living. Visitors are welcome to visit this beautiful building and see what goes on and sample the delicious chocolates that they make. (Believe me, they are, as Janet had brought some with her.) It is open 13.00 - 20.00pm

On Tuesday the 7<sup>th</sup> July 10 of our ladies went to the Galtres centre in Easingwold as guests of the Easingwold YCA to a talk about Edwardian housewives.

Our next meeting is our special tea party. On Wednesday 12<sup>th</sup> August 2.30pm a touch of Bettys comes to Sheriff Hutton. We have a pianist playing, sandwiches, (no crusts please), cakes and scones to name a few. If anyone would like to come we have a few tickets left: just let me know (878476) so we know how many we are catering for.

Just a reminder to the people going on the trip to the Ryedale Folk Museum, Hutton Le Hole on Sept 3<sup>rd</sup>: please meet at the car park at the Village Hall at 10am prompt. Transport is by car.

If anyone would like to come and see what goes on at our meeting please feel free to come along. It would be nice to have some new members.

### **Summer BBQ and Musical Evening**

A HUGE thank you to everyone who supported this event in any way: buying tickets; working in the bar (what an amazing team Sue and Sam); BBQ-ing (thank you again Shaun and Paul); door keeping, lights and general gofer (George); providing the wonderful burgers and sausages (Squid); sorting out the raffle (Nic - among many other jobs); selling tickets; and donating raffle prizes, salads, puddings (too many people to mention but FABULOUS food thank you all).

We also received some financial donations from people not attending, which was really kind, thank you. Many thanks also to Tim Hunt who was fabulous, despite a LOT of clearing up at the end (and very early start for him the next morning).

Great music from the Moor Monkees, followed by wonderful home grown entertainment from our very own Jack, Caryn, Nic, Andy, Caitlin, Jasmin and Amy, and leading into lots of budding talent in the karaoke and disco!

It was a really good all-age event and lots of people commented that they were really pleased to feel part of such a vibrant community.

A SPECIAL call out to all those people who came as guests but did a generous stint in the kitchen - I simply couldn't have managed without you Meg, Caryn, Mel, Bee, Julie, Lara and Claire - THANK YOU!

I'm delighted to confirm that the event raised £600 which has been shared equally between the Youth Club and DISHY (Pantomime Group). Meg still has a grey zipped fleece jacket, white plastic bowl, yellow plastic bowl and flower shaped beautiful glass flat dish which were left at the end, so please call her on 878136 if they are yours!

## **Health Visitor Drop-in**

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday 10<sup>th</sup> September (no session in August)** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

## **Sheriff Hutton History Group**

### **The Middleham Jewel**

Thank you to everyone, members and visitors who supported our fundraising evening, £148 was raised towards the running costs of the Archive store. A very big thank you to Dr. Kate Giles who gave an informative and humorous account of the Jewel and the speculation that surrounds the history of it. Who owned it, what the markings on the jewel meant, was it a woman's jewel, the size and weight of it, such a fascinating item which can be viewed this summer in the Yorkshire museum during the Richard III exhibition. Kate will be back with us in 2016 with an interesting new topic.

### **Archive Open Day July 11th**

The theme 'Education and Youth' attracted a number of visitors from Sheriff, Tadcaster, York, Malton, Pickering, Eskdale all who helped us in identifying many of the pupils on our school photographs going back to 1925, a big thank you to everyone for filling some gaps. Ted Hall who now lives in Pickering met up with David Armitage who were class mates, hadn't seen each other for 60 years, it was quite a reunion. Nancy Megginson & Roy Thompson were able to help a lady from Eskdale with her family research and Ben Williamson did a brilliant job as our 'scanner' for the day. A thank you to staff at the school for the loan of displays and congratulations to everyone in the school on their 50th Anniversary. Refreshments by Beryl Haigh and Anne Grogan were very tempting and well received. Alan Pitman's archeological display and talk attracted a lot of interest, sadly we will be losing all his valuable resources and knowledge at the end of August, but we wish Alan, Gillian and family good luck in the future as they leave the village. A big thank you to everyone who gave up their Saturday (and Wimbledon) to set up another successful day with more artefacts, documents and photographs for the Archives.

In 2013 we had a donation of a projector, which has served us well but we now need to upgrade to a new one. Our thanks to Mel Hunt who has been very kind in offering hers as a backup in the event of ours closing down during a presentation. A new projector would cost around £500; we will then be set up with efficient equipment for our meetings, shows and visiting speakers. £186.50 was raised from the Archive Open Day towards the projector and future fund raising events will go towards this.

As a result an objection to the modification of the route has been lodged.

The Villagers Group

## **Sheriff Hutton Village Hall –200 Club**

247 members took part in the July draw. £25 winners were 40, 47, 101, 212 and 228.

## Sheriff Hutton Tennis Club

**Junior Tennis.** The last of the junior coaching sessions took place in July. The sessions started with 13 juniors and ended with 13; proof that the children had enjoyed their sessions with Damian. The trophy for the most improved junior was presented by Pauline and Sandra to Joseph Brownbridge. All the children received certificates. All the juniors have made steady progress and the older ones will be able to come to junior club night next year with a good grounding in tennis skills. Many thanks to Damian for running the sessions, Angus for helping him and Helen for her interest and support with the junior tennis...

The club would like to thank the Sheriff Hutton Charities for their support with this venture.

**Junior Competition.** The competition brought the junior club night sessions to an end. The sessions have been well supported by a group of talented youngsters who are setting a high standard in playing abilities. The competition was a round robin and the clear winner was Angus McMillan who didn't drop a game in the competition. Congratulations to Angus and to the two runners up, Jed and Ryan and to all who took part, the tennis was of such a high standard it put Wimbledon in the shade.

**Junior Holiday Coaching.** Damian is running coaching session the week commencing 3<sup>rd</sup> August. Details are on display at the courts or contact Damian.

**Club Competitions.** The Ladies Doubles will be held on September 12<sup>th</sup> at 1.30pm, the Ladies Singles will be on Saturday September 26<sup>th</sup> at 1.30pm. The Men's Singles will be held on Saturday September 19<sup>th</sup> time to be confirmed.

**On- line questionnaire.** Many thanks to members who filled in the questionnaire about the proposed resurfacing of the courts. There was over whelming support for the project which we are hoping to get grant aid towards the cost....

If you didn't receive a questionnaire it is because I don't have your email address, if you would like to receive news of the club in this way please let me have your email details.

### New Sheriff Hutton Website

You will be aware that the old website was considerably out of date and since it was set up technology has moved on considerably. We are pleased to say that the new updated website is now available for viewing at [www.sheriffhutton.co.uk](http://www.sheriffhutton.co.uk), funded by the Parish Council.

The new layout incorporates a contact sheet for direct access to The Parish Council, The Village News, the Village Hall and the History Group. There is also a contact sheet for general enquiries.

Dates of events organised by groups in the village will not be published on the individual pages. This information can be gained by accessing the Village News web page.

Any changes to the information on the individual pages should be sent to Penny Bean on [p\\_bean@btinternet.com](mailto:p_bean@btinternet.com) for incorporation.

## **The Methodist Church**

It is wonderful to live in a village where **c**aring for one another is practised by so many people and long may it continue. This week my car broke down and it was with the help of a stranger that I was able to contact my service garage, and what relief when the pickup vehicle arrived to bring us safely home. A Good Samaritan that Jesus told a parable about. We often pray when we are in difficulty, but don't forget to give thanks when the burden is lifted. Not all of God's angels have white flowing robes and wings, and do tell someone that your prayer was answered. To help you pray we are continuing to open the Methodist Church every Wednesday from 9.30 am to 11 am. It is for your private prayer and meditation, please use it.

### **Holidays - Time to Relax and Find Refreshment**

My Grandpa clocked in long hours in the Iron Ore mines in the Cleveland hills and my father similarly working in the Steel works on Teesside (where I worked for year.) However, when we came home there were no faxes/emails waiting for us to answer, no mobile phones or pressing emails to interrupt our relaxation. Home was home – a place and a time for enjoying life, talking and playing with family in ways which taught us about each other and enriched relationships, a time for thinking, dreaming and thanksgiving for all the good things and times life has given us, a time for deep measured reflection on how to handle the challenges and difficulties facing us. Home was home, not a pit stop for data gathering or shipping the children off to another lesson or entertainment before heading back to work. Families got to know in depth the personalities and needs of each member. Individuals were contented and at peace within themselves.

Today, there is no 'down time', no escape from other people and requests for action. People have hands –free phones in the car, mobile phones and pagers in their pockets, people take them on holiday, or on their day off to the beach or on a walk; people switch them on as soon as they wake up to see if someone has left a text message, people even take them to the bathroom. No escape, no rest, no deep peace.

An eminent psychiatrist points out "that a lot of people are working twenty-four hours a day, seven days a week, even when they are not technically at work. It's a guaranteed formula for breakdown!" Breakdown of mind, body and spirit, family and relationships.

A man tells this story.

On holiday in the Western Highlands of Scotland my wife and I were talking to our Highland tour guide as we ate our lunch on a remote beach. I mentioned how unusual it was to have no television, newspapers or radio, "In fact" I said, "it's going to be strange to return home and find out what's happening in the real world." No one spoke for a few minutes. Then without taking his eyes off the horizon, our guide commented, "I assume it's the real world you come here for!"

Have a relaxing, peaceful and refreshing holiday!

Best Wishes Revd. Chris Ellis

### **Friends of Sheriff Hutton Village Hall**

There will be a meeting of The Friends on Tuesday September 15<sup>th</sup> at 7.30pm in the small Committee Room at the Village Hall. As our numbers are dwindling new Friends would be especially welcome with new ideas and energy to help us continue our support of this invaluable community facility.

## **Sheriff Hutton Field Naturalists August 2015**

Our visit to RSPB reserve at Saltholme was a great day out with plenty to see. In spite of being part of a very industrial landscape, there were many birds ranging from the common such as starlings to the rather more exotic Little Egret. There was also an incredibly rich flora showing that given half a chance Nature can triumph even on a brownfield site. My favourite was Common Centaury, something I hadn't seen before. Definitely worth a trip for anyone who hasn't been.

Our next trip is on **Saturday August 1<sup>st</sup>** to Rievaulx Terrace and Ashbury Meadow. This will be a re-visit to Rievaulx, this time we will be looking for flowers and also butterflies and dragonflies. Facilities will be at a minimum, although we might make a trip to Helmsley if needed. Anyone wishing to go should **meet in the car park of the Highwayman Pub at 10am**.

New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

## **Celebrating Lammastide at Farlington**

Lammastide is the farming festival which celebrates the start of the harvest. It largely died-out at the time of the Reformation in the days of Henry VIII. St Leonard's is one of a number of churches in rural communities bringing it back into the church calendar. The service will be on **Sunday, August 16<sup>th</sup> at 10.30am** in St. Leonards and everyone is welcome to join us for this special occasion in the farming year. After the service there will be light refreshments outside the church.

## **Message from the Jumbles**

After days of brilliant sunshine, torrential rain and thunder and lightning in the early hours of 4<sup>th</sup> July meant we were unable to sit in the garden for coffee but fortunately the rain managed to hold off and didn't dampen the spirits of those who came along to support our Coffee Morning in aid of Marie Curie Cancer Care. It was good to see so many people and to enjoy the chat and banter. As always it was a very happy atmosphere. With the inclusion of some cash donations the total raised was £538, bringing the running total at the half yearly point to £11,602, which includes an additional £20 sent to the York Blind and Partially Sighted Society.

We hope you are enjoying the summer. Our next Jumble Sale will be on 5<sup>th</sup> September in aid of Motor Neurone Research, more details in the September News.

Thank you for your continuing support  
Penny Bean 878392

## **Cheese and Wine at Ashbrook Barns, Farlington**

Trevor and Sue Rowley are opening their doors at Ashbrook Barns, Farlington on **Friday, August 28<sup>th</sup>** to host a Cheese and Wine Evening in support of the replacement of the 1960's heating and lighting at St Leonard's church, and looking ahead, the renovation of the historic bells. Why not start the August Bank Holiday weekend with a relaxing evening of good food and fine wine in friendly company. The evening runs from 6.30pm to 9.00pm and tickets cost £10 per adult (which includes the first glass of wine) and £2 for accompanying children.

This is a 'ticket only' occasion so please contact one of the following - Louise Clark at Whitestone Farm, Farlington 811626, Sue Rowley 811115 / [sue@viewpoint.co.uk](mailto:sue@viewpoint.co.uk), Wendy Haste 878581 / [richardhaste@btinternet.co.uk](mailto:richardhaste@btinternet.co.uk) or Sally Downing 878745.

We look forward to you joining us for a good evening in a good cause.

## **Dog Fouling**

Would the lady who collected her dogs mess from the verge in front of my house and then proceeded to cross the road and empty the bag on the opposite verge, PLEASE use the facilities available nearby responsibly. They are provided for dog owners to dispose of the mess so you DON'T leave it for people to walk in !!!!!

## Sheriff Hutton Primary School

The end of the school year is always a busy time and this year was no different! During the last few weeks the children enjoyed a wonderful, although rather hot sports day. It was great to see so many parents and carers join us and some even took part in our mums and dads races! This year's overall winners were red team but everyone demonstrated great sportsmanship and had a fun afternoon.

The school held its 50<sup>th</sup> birthday event in July, thank you to everyone who came along. It was fantastic to meet so many past pupils and teachers, to listen to wonderful stories and to catch up with friends. We are so lucky to live in such a warm and welcoming community and I would like to thank everyone for their steadfast support and commitment to our school.

Wednesday 15<sup>th</sup> July saw the 'one night only' performance of our Key Stage 2 play – The Dracula Rock Show! The children were brilliant and there are certainly several potential stars of the future!

The whole school enjoyed a great day at the beach during our last week of term. The children built some amazing sand sculptures and dug some rather large holes! Even the teachers had fun paddling in the sea.

The end of the year is a time when we see our Year 6 pupils move on to the next exciting chapter of their lives. This year thirteen children move to various secondary schools including Malton, Easingwold and Huntington. Two of our staff have also left the school, Mrs Claire Ellis, our cook, and Mrs Dorman the school secretary. We all wish them the very best of luck for the future.

The summer holidays will allow work on the windows to be completed and everyone will have some much needed rest. We are already looking forward to a new school year in September!

You can find out more about the school and the activities the children are involved with on our school website [www.sheriffhuttonschool.org](http://www.sheriffhuttonschool.org).

### Theft of Quad Bikes

We have experienced an increase in the theft of Quad Bikes from farms and rural locations. Quad bike owners should be mindful of security of their property and the fact that thieves are targeting them specifically. Please be vigilant and note down the details of any suspicious vehicles in the area. It is a known method for thieves to identify farms with quad bikes or other valuable items by attending the property on the pretext of some other business during the day and to return later to commit crime.

Owners of such property are reminded to record details such as make, model and serial numbers.

Keeping a photo is also recommended.
