Parish Council News www.sheriffhutton.co.uk

The Parish Council met on the 14th August 2015. Councillors present at the meeting were Douglas Wooles (Chairman), Penny Bean (Vice-Chairman), Brian Parkinson, Sally Downing, David Lea and David Smith. The Clerk was Louise Pink. 10 members of the public and Councillor Eric Hope were present for part of the meeting.

Planning Applications for consideration

15/00736/MFUL, Peckets Yard, East End, Sheriff Hutton

Erection of 8 no. four bedroom, 4 no. three bedroom and 7 no. two bedroom dwellings together with associated road layout and landscaping following demolition of existing workshop/storage building by Daniel Gath Homes.

At two well attended lively public meetings strong feelings were expressed both against and in support of the application. The majority opposed the application in detail and those in support emphasized the need for some development in Sheriff Hutton, including low cost housing. Recognising all comments the majority vote of the Council was to object to the application which should be withdrawn.

Key Objections: long standing issues over the existing difficulties of the East End narrow approach to the site; the over development with the proposed number of houses within a relatively small area, emphasizing the larger type of houses would be unlikely to attract families into the village; the limiting capacity of the existing water, drainage etc systems; close proximity to the historic church; affect on existing trees in the yard and loss of a number overall; proposed layout and density of building design with possible inadequate and inappropriate landscaping or means of enclosure considered to be unacceptable in overwhelming detail.

Happy New Year

Let me be the first to wish you a happy new year. Happy new church year that is. Like the schools, the church year begins in September. Regular meetings resume after the summer break and the continuing cycle of services begins again. There is nothing new in all of that. Sometimes we can become so used to the cycle and routine that we lose sight of the possibilities of the 'new' in new year.

Jesus knew about making things new. In Revelation 21:5 He says of His reign in the Kingdom of Heaven, 'Behold, I make all things new'. Throughout his ministry Jesus made things new. He took fisherman, tax collectors and zealots and gave them new professions as disciples and apostles. He touched those who were sick and lame and blind and gave them a new lease of life.

And now, He is waiting to see what we will do with this new year. God is doing exciting things in this place. It is my prayer that we are open to His leading and work together to be part of it. Doing something new is never easy. But 'the power to do all these things is given to us in Christ, who strengthens us.' He is calling each of us to do something for Him in this new year, and no matter what He calls us to do, He will give us the strength to do what He asks. Revd Elizabeth Cushion

Creative Request

Dear villagers, I have recently moved to the village and take part in lots of craft activities. I use a range of recycled materials but in particular I use old ties. If anyone in the village has any old ties that are no longer needed please could I request that I be able to use them for my projects? Any not used will go to charity so nothing will be wasted. If possible please could you call me on 878744 and I can arrange to collect.

Thank you, Justine

Sheriff Hutton History Group

July 22nd - Ryedale Family History Group. A big thank you to Janice Wood who gave such an interesting account on the formation of the group and how it finally ended up in a spare room in Hovingham village hall. A grant of £47,000 from the Heritage Lottery fund enabled them to purchase equipment to download various projects onto micro film including War memorials and Parish registers. The group now has an in-depth database, that anyone doing family research can access, and various publications. Janice also handed out a family history sheet for everyone to fill in as much as they could. The group meets every Thursday between 10am - 3pm in Hovingham village hall where there is always someone on hand to help start finding ancestors on the website. Everyone is welcome.

Diary date: **Wednesday 23rd September 7.30pm** Village Hall- an illustrated presentation by Dr Matthew Townend who lives in Sheriff. Titled **Viking Age Yorkshire** the talk will give an overview of Yorkshire's two centuries of Scandinavian settlement, and ask what we can know, if anything about Sheriff Hutton and the surrounding area in this important period. Please come along and join us for what promises to be a very informative evening.

New members are always welcome, if you are interested in the history of Sheriff and would like to be involved in sorting and cataloging the many documents and photographs that we are still getting donated then please contact us - Margaret 878465 Meg 878136. Membership details Beryl 878363.

Sheriff Hutton Field Naturalists September 2015

Our trip to Ashbury Meadow didn't disappoint despite the meadow being past its most floriferous. Highlights included finding Marsh bedstraw and that silver bullet of the mediaeval pharmacopeia, Betony. Once planted in every good physic garden in abbeys across Yorkshire, it is still to be found in the grounds of Rievaulx Abbey. The icing on the cake was spotting a Marsh Helleborine orchid along with butterflies too numerous to mention.

Our next trip will be on **Sunday September 6th** when we will be going to Love Lane Quarry by the side of Pickering Castle and a river bed near Kirkbymoorside. Dave Newman will be leading and showing us the rocks and minerals of the site. Prepare for anything as Dave takes us back in time to explain the origins of the Yorkshire landscape. It would be useful to be dressed for walking through long, possibly wet grass. Depending on how the weather has been behaving, the river bed may not be quite so dry either. Bring a packed lunch and something to drink. Anyone wishing to go should **meet in the car park of the Highwayman Pub at 10am.**

New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

League Reports Hovingham League - Mixed Team. Many thanks to Chris Drury who has run the team again this season. It has been a challenging year but with some new players the fixture list has been completed and members enjoyed the competitive tennis.

I ran the Hovingham Ladies team again and was very pleased to see how much the ladies playing improved over the season. Although finishing in the bottom half of the table I think next year will see continued improvements and good results.

York League Ladies. Many thanks to Christine Thomas who again ran the Ladies team. The team was hit badly by injuries but Christine managed to fulfil all the fixtures, no mean feat when faced with injury problems. Many of the matches had very close results and the team will finish in mid table.

Men's Team. Josh has run a very successful campaign this season and the team could be in line for promotion, the last match on the 13th September will decide the outcome. The teams have had some very good results and have had several mentions in the Press reports.

Village Hall AGM

The Village Hall trustees held their AGM on July 21st. Here is a summary of the various reports given:

The Village Hall continues in reasonable health, both structurally and financially, but as it is now over 31 years since the official opening of the Hall, it should not be unexpected that signs of serious wear and tear are beginning to appear in the fabric of the building. Examples of this include the urgent replacement at short notice in December of the whole of the southern range of windows, barge boards and soffits at a cost of some £5000 and the necessary expenditure of another £4000+ in the first quarter of this year on electrical work required for us to obtain renewal of our electrical certification (a requirement for all public buildings) for the next 5-year period.

This year's AGM saw Jim Day, a former Chairman of the Trust, with thirty years behind him stepping down in favour of a younger volunteer. We are very grateful to Jim for the numerous years' service that he has given to the Hall.

From an Operations perspective the situation, although still favourable, is much less so than was reported last year. The loss of the regular Playgroup bookings in mid-2014 has, as anticipated, dealt a severe blow to our on-going financial position, partially offset by the most welcome efforts of the Friends in raising about £1000, by the increasing contribution from the Solar Panels (over £3800 this year) and by a most generous anonymous donation from a local resident that has enabled us to fund much of the work done in improving the access path. Thanks were expressed to our Caretakers Tim Hunt and Andy Berry, whose work makes life much easier for those running and using the Village Hall. Thanks were also given to all Trustees, volunteers and supporting groups, without whose continual dedication and commitment through the years, the Hall could not have been maintained over the last 31 years as a venue of which the village and its inhabitants can be justly proud. If any readers feel that they would like to get involved with the running of the Village Hall then I am sure they will be most welcome! Finally, thanks were given to Stephanie Williamson for all the work she did during her time as Bookings Secretary

Sheriff Hutton Gardening Club

This month sees us back in the Village Hall for our indoor meetings. The meeting on Wednesday September 16th at 7.30pm is a joint meeting with Welburn when Gill Hodgson will talk about and demonstrate 'Cut flowers from your garden'. There will be a raffle of a flower arrangement. As always visitors are welcome.

On the 4th of August, a fine Tuesday evening, 48 buckets of potatoes and 17 sunflower heads were brought down to the Village Hall to be either weighed or measured. Baked potatoes were served and it all made for an enjoyable social event. This year once again Derek Fosdyke's green fingers were in form and he won the potato competition with a total crop of 4.14Kg and the largest potato weighing 0.38Kg. Ray Watson had the 2nd largest crop with 3.22Kg. We had a better display of sunflowers this year which Derek also won with a massive seed head diameter of 30cms.

The weather was also kind to us for the Village Show on the 8th August. All sections were well supported but the weather earlier in the year had some effect on the vegetable section which was down a bit from normal. Runner beans and tomatoes in particular were hard to find. The cookery section was not as full as usual partly due to holidays and also a power cut on Friday in one local area. The hall still looked good and all who came enjoyed seeing how much local talent there is. Thanks are due to everyone who helped in anyway both before and on the day and of course to all who brought their exhibits to make it a successful Show. The cup winners this year were :-

Warwick Cup (Veg and Fruit) - J Warrington, Richard 3rd Cup (Flowers and Pot plants) - M Thompson, Home Craft Cup (Craft) - M Thompson, Neville Plate (best entry in craft) - J Warner, Cookery Cup (Cookery and Preserves) - C Adamson, Photography Cup - D Pomfret, Senior Cup (Children) - A Hilton, Junior Cup (Children) - M Bell, Children's Shield (Best exhibit in children's section) - E Philpott, Alan Farnaby Memorial Trophy (Child with most points in show) - M Bell, Association Cup (Adult with most points in show) - M Thompson.

Next year's Village Show will be on Saturday August 13th.

Sheriff Hutton Village Hall –200 Club

247 members took part in the August draw. £25 winners were 101, 109, 129, 180 and 238

Message from the Jumblies

After our summer break we are back in business with two events for you to put in your diary for September.

Our Jumble Sale on 5th September will be raising money for Motor Neurone Research. This extremely debilitating disease can affect the motor neurones that control gripping, walking, speaking, swallowing and breathing and as yet there is no known cure. Although comparatively rare it can affect people of all ages.

We will be at the Village Hall between 9am and 12 noon to receive any donations of cast-off clothes, bric-a-brac, toys, books, shoes, household linen etc. The book room will be open at 1pm with the main sale between 2pm and 4pm.

Our Macmillan World's Biggest Coffee Morning will be on Saturday 26th September at the Village Hall, between 10am and 12 noon. Bonnie will be there with her second hand jewellery stall and Alan Dykes will have his display of models. Of course we must not forget the famous Money Tree, so please bring along your small change to add to the design. Elaine always manages to come up with a brilliant design and she welcomes help from children to complete it.

The other Jumblies will be running the stalls and serving you with delicious homemade scones and cakes and enjoying having a chat with everybody. Donations of cakes for the cake stall and tombola and raffle prizes will be most welcome.

We hope you will be able to come and join us – it does not matter if it is raining or sunshine we guarantee a friendly atmosphere, a chance to catch up with people, good bargains on the stalls and you may even win a prize on the tombola or raffle.

The Methodist Church

The time for new beginnings in the Methodist Church year is September when Ministers take up new appointments and any changes in organisation come into effect. It is no change this time for us at Sheriff Hutton, so we shall continue with the ministry of Revd Elizabeth Cushion and Revd Ann Vaughan leading our mission to the village. Missing from the Village Hall

Over the summer the laundry box, almost all the tablecloths and over a dozen tea towels have gone missing from the Village Hall kitchen. If anyone has these items can they please return them as they are causing inconvenience to users of the Hall. Thank you.

Sheriff Hutton Ladies Group

Well I really think everyone won't forget our afternoon tea in a rush. 62 people sat down to a feast of food. The hall was decked in bunting, tables were ready with china cups and saucers, vases of flowers it all looked wonderful. The pianist had just started playing his keyboard when we had a power cut. So unable to make tea we had a quick trip to the wine shop and purchased bottles of wine so a glass of wine was offered to go with the sumptuous food.

Smoked salmon sandwiches, egg and cress and ham were laid out followed by scones with strawberries and cream, then came the cakes we had so many the choice was very difficult.

The comments at the end of the day were really good everyone said how much they had enjoyed themselves just chatting with friends eating lovely food. My thanks go to my committee who helped with all the preparation from decorating the hall to making the sandwiches, serving the food also thanks to David Newman who spent a lot of the time helping in the panic when the electric went off. Everyone who baked lent crockery etc thank you.

Our next meeting on the 9th September is a talk about Elizabeth Fry. Elizabeth Fry was born in 1780 in Norwich. She was a prison reformer and a Quaker. She married Joseph Fry and had 11 children. She visited Newgate Prison and decided something had to be done to improve the conditions for the women and children prisoners.

Sharon Garner is the daughter of Chris Cade who has visited us numerous times. She will dress up in the uniform of the period and will tell the story of Elizabeth Fry.

9th September 2015 7.30pm Sheriff Hutton Village Hall.

Sheriff Hutton Primary School

The summer holidays are almost over and the children will return to school on Tuesday 8th September.

Our autumn term is 14 weeks long with the half term break starting on Monday 26th October. The term ends on Friday 18th December.

During this term the children will be working on two main themes the first one being 'All about me', which focus on personal history and human biology. The second theme is called 'Time Traveller', this will provide an opportunity to study ancient history including aspects such as the Stone Age and the Iron Age.

All the staff are looking forward to the new school year and seeing all the children again soon.

The school has held a few sports sessions over the last month and the children who participated really enjoyed the experience. They played a range of sports including hockey, basketball, football and even tried out 'Ultimate Frisbee'! There are still a few spaces available for the sessions on Wednesday 2nd September to Friday 4th September, contact Bev Nicholson on 03330 065413 for further details.

You can find out more about the school and the activities the children are involved with on our school website www.sheriffhuttonschool.org.
