Fracking

The Parish Council have recently been contacted by a company called INEOS Upstream who have been appointed as the Operator of the licence covering our area. INEOS Upstream has been awarded acreage in three main geographic areas, Yorkshire, the East Midlands and Cheshire.

An award of a Petroleum and Exploration Development Licence allows the company the right to explore for hydrocarbons (oil or gas) that may be trapped in commercially viable quantities below ground and they have advised that their interest is focused on discovering whether gas can be produced from the shale layer of rock some 3-5 km's below the surface. Any drilling or fracking operations to establish this would be subject to the normal planning process through the local planning authority including extensive consultation with the community.

What happens next?

In some areas they will need to carry out an assessment of the geology using 'seismic data acquisition' which is effectively 2 and 3 dimensional scanning of the subsurface to get a very detailed understanding of the layers of rock beneath us. They have advised us that they are also likely to submit a number of planning applications during 2016 with a view to drilling up to four vertical wells across both the Cheshire and East Midlands basins in 2017, with the option to extend the wells horizontally and perform a fracking operation if the initial results are encouraging. These initial wells will provide them with information to better understand the geology and the potential to produce gas at commercial rates.

INEOS intend on holding community exhibitions ahead of any seismic acquisition programme. The exhibitions will have staff and resources available to explain how seismic data is acquired, the duration, equipment involved and what you might see or hear during the programme. The exhibitions will also have general information on the whole process of extraction of gas from shale rock.

Ahead of submission of any planning application to drill and/or frack a well they will hold community exhibitions where INEOS staff will explain the plans, what is involved and answer any question the communities may have.

INEOS can be contacted directly through this email address: Shale.information@ineos.com

The Parish Council have advised INEOS of the recent motion passed by the Parish Council to declare Sheriff Hutton an 'anti fracking' village. The Parish Council will continue to monitor the work of INEOS closely and update residents as to any developments as and when they happen.

New Appointment

Following a selection process Mr Marcus Oxendale has been appointed as the new Parish Councillor, following the resignation of Cllr Lea. The Parish Council were delighted with the interest in the vacancy and all residents who applied were very worthy candidates.

The Parish Council look forward to working with Mr Oxendale and believe his wealth of knowledge of the village will be a great asset to the Parish Council.

Next Meeting

The date of the next Parish Council meeting is Friday 12th February 2016 in the Village Hall at 7.30pm.

Louise Pink, the Parish Clerk, can be contacted regarding all Parish Council matters at sheriffhuttonparishcouncil@gmail.com or on 01904 674552. 1 Sirocco Court, Fossway, York. YO31 8FE.

Sheriff Hutton Ladies Group

The meeting held on the 13th January was a very interesting talk about Prostitution in Victorian England. Life for women was harsh in Victorian times. Girls as young as 13 were sent out to start their life on the streets as a means of earning money for food.

On a lighter note our next meeting is a return visit by Rod Coope, who was due to play at our afternoon tea party last year but was unfortunately unable to play because of the power cut we had. So fingers crossed this time he will be able to play. There is no charge for this meeting so if you came to the party last year please feel free to come for a return visit. This time it will be mince pies and a cup of tea and a lovely afternoon of music. The tea party is on the 10th February 2016 at 2pm. Sheriff Hutton Village Hall.

Barbara Grinham

Sheriff Hutton First Responder Group

This is a call to all interested parties in becoming a qualified first responder for your local community. Prospective responders should have a clean Driving Licence and be happy to undergo a DBS check (Previously a Criminal Records Bureau check). After training you will be required to take part in a rota of local responders who will arrange times to have the bag and provide cover at a time that is convenient to them. You will be trained to respond to the older children and adults usually calls are to non-accident situations.

This is a valuable community service and an empowering life skill. Take up the challenge for 2016.

Sheriff Hutton Field Naturalists

John Grimshaw, the Director of the Yorkshire Arboretum at Castle Howard gave us a brilliant talk about the arboretum from its beginnings in 1975 through to the present. He talked about the building of the collection, its scientific value to botany and the partnerships, particularly with Kew but also with other arboreta in the UK. The collection has come on in leaps and bounds and I would urge us all to pay a visit to support the Arboretum, an independent charity without funding from Castle Howard, to enjoy this remarkable collection of trees right on our doorstep.

Our next meeting will be our **AGM on Wednesday 3rd February at a different venue**. The DISHY pantomime rehearsals will be in full swing at the village hall so **we will be meeting at the Miss Ward Room at the Methodist Chapel at 7.30pm**. Please come along and let us know your thoughts about the year past, as we go through our previous year's calendar, elect our committee and decide on the indoor and outdoor events for the coming year along with the venue for the annual dinner. There will be a raffle, for which prizes would be welcome. There will also be a small buffet; if you are able to bring along any food or drink please let any of the committee know beforehand.

We hope you can join us. New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Sheriff Hutton Village Hall –200 Club

It is pleasing to report that at 246, membership for 2016 is just short of our record number of 247. Thanks must go to the following non-trustee volunteer collectors: Sandy Anderson, Lynne Blair, Tricia Harris, Lyn Minto, Lesley and Chris O'Neill, Lynne Shepherd and Ida Terry.

January winners were 35, 67, 113, 148 and 237.

Glebe Conservation Area Annual Clear-up

We will be carrying out our annual tidy up and work programme on **Saturday 27 February**, and would welcome volunteers to come at **10.00am** and help with clearing and cutting back where required. Work gloves and rakes will be especially useful. We hope to have a bonfire too.

UCCC New Year Party 2016

Many thanks to everyone who contributed in any way to help pull together such a lovely party. Once again, this relied on a HUGE element of goodwill and community spirit to make it all possible.

Thank you to everyone who came, including Rev Cushion and Rev Vaughan, to our entertainers (Tad Chorale), to the committee, hostesses, drivers, kitchen team, wine waiters, good neighbours who looked out for each other, and to all those who provided baking, refreshments and raffle prizes (including Jerry Petch, Cynthia Marshall, Alison Massingham, Sheriff Hutton Post Office and York Wine Shop).

A special thank you to our younger helpers who made table decorations, welcomed people, took coats, served drinks, made cups of tea, cleared tables and generally helped out so cheerfully and generously.

Just to remind you that our NEXT party will be on **Saturday 7th January 2017**, and this will be our 50th anniversary celebration.

We will also be holding a **Village Auction** on **Saturday 23rd April 2016** (this year) to raise funds for future parties. So, over the next couple of months, please start thinking about any items you might be willing to donate to the auction. We are very grateful to receive most household and garden items, although we cannot sell clothes, shoes, large white goods, mattresses, microwaves, or upholstered furniture (unless it has fire safety labels in compliance with the 1998 regulations).

If you have helped in the past, please put this date in your diary – new helpers also very welcome. We are already looking for someone with a large trailer to pick up some items which have been put into storage on our behalf – if anyone can help with this, or for any queries about the auction, please ring Caroline on 878242.

Dear Friends,

It's great in a dreary winter, when people are fed up of the constant rain and grey skies, to see aconites, snowdrops and early daffodils all doing their stuff properly, rising above all that threatens to destroy them. They are a reminder that Spring is on the way. They lift our spirits.

This month sees the beginning of Lent, a 40 day period leading to Easter. This was the time when new Christians prepared themselves for baptism on Easter morning. It was a time to learn what it meant for them to be a follower of Jesus - to let go of old habits and adopt a new way of life. That meant caring and compassion for all, being fair and just in everyday life, knowing what was right and good, showing patience and understanding. In other words, living God's way not the world's.

Now Lent seems to be a time when people give things up like chocolate, alcohol, cakes etc. The benefits of doing so are only temporary though. It would be much better if we took a leaf out of nature's book and learnt to live (do our stuff) properly as we are meant to do. Lent is an opportunity to look at ourselves critically and take one thing that we could improve and make it a habit beyond Easter. Perhaps we could stop moaning or complaining over trivial things and count our blessings, or learn to be more patient and listen to others, to look around and see where we can help, or visit someone. The list is endless. But at the end, not only ourselves but other people would be enriched. Our spirit as well as theirs would be lifted.

Every blessing, Ann Vaughan

Sheriff Hutton History Group

If you attended our meeting in January you would have been introduced to Mrs. Batty, the lyrical lady in John Hendry's presentation, our lady in the Archives. February's meeting will continue on the same theme: who was Mrs. Batty? Where did she live? What was her role in the village? Do we have people in the locality are who are connected to her? If you have an answer to these questions and further information please come along and help us build a profile of this lady. Also take a browse through some archives which we are hoping that villagers will be able to identify for us.

Meeting: February 23rd Tuesday 7.30pm Village Hall. Entrance £2 Members £3 Visitors to include refreshments, raffle.

Welcome to new members Linda & Hugh Ainsley who are supporting our Tuesday afternoon cataloguing session; their help is very much appreciated. This is vital work recording and downloading the information that we currently have in the Archives, but also the number of donations that keep landing on our doorstep. It's all good stuff, keep it coming in! Ring Meg 878136 or Beryl 878363 for membership enquiries.

Come along and support the production and get involved in the magic world of Pantoland.....oh yes you will!

Messy Church

Our next session for families will be on Sunday 28th February from 4.30 to 6.30 in Sheriff Hutton Methodist Church (not on 14th February as previously advertised).

Messy Church is an opportunity for families to explore some ideas about God, faith, prayer, Bible stories, and everyday life in all its ups and downs. We provide a range of family-friendly activities to choose from, a short celebration, and then a shared meal so hopefully no one else has to cook that night! You can expect a warm welcome, a very informal and supportive atmosphere, and opportunities to be creative, share ideas, ask questions or just relax and enjoy some family time. Everyone very welcome.

If you would like to find out more, or if you would be willing to help at this session, please call Caroline on 878242.

Friends of the Village Hall

The next meeting of The Friends, to plan events for this year is on Tuesday February 2nd at 7.30pm. New Friends are always welcome.

Facts Before Fracks: Sheriff Hutton Village Hall: Tuesday 1st March 7-10pm

Due to the success of the previous talk, a further talk has been organised about the impacts of fracking. Dr Tim Thornton a retired Ryedale GP is returning to talk about the potential health impacts of fracking. Jo and Steve White who have recently returned from Pennsylvania will be showing a film and talking about their trip. There will be refreshments and a Question & Answer session afterwards. Hoping to see lots of people there.

Lynne Blair

Sheriff Hutton Primary School

The school term has started very well with all the children enjoying our 'Journeys' topic. Our youngest children in Bulmer class are making collages and models of a journey to London, thinking about the differences between rural areas and the city. In Neville class the children are looking at a range of maps and atlases to find out about different places around the world. The older children in Howard class are studying the journey of a river. They are researching the world's major rivers and are identifying geographical features.

Some of the children have taken part in local sporting events recently including cross country and Sports Hall athletics. They all demonstrated great sportsmanship and we are proud of their achievements.

******* School Vacancy *******

The school runs a breakfast club every morning from 7.45am to 8.45am for up to 8 children. We are looking for someone who could cover a few mornings a week for this hour session. The post requires simple food preparation as we offer the children cereal, toast and fruit juice. A DBS check is also necessary but this will be arranged by the school. For more information including pay scale please contact Sally Bellwood in the school office.

You can find out more about the school and the activities the children are involved in on our school website www.sheriffhuttonschool.org

Message from the Jumbles

As the January Jumble Sale for the Parish Church was held after closing date for the News, the amount raised will be published in the March News.

Our next sale will be on February 20th at 2pm in the Village Hall, raising money for Sheriff Hutton Play Group/Toddlers Group. They are always desperate for funds in order to continue to provide this excellent facility for the youngest members of our community. We hope you are able to help us to raise a good total for them. We look forward to receiving anything you are able to donate and will be at the Village Hall between 9am and 12 noon to accept good condition clothes, bric-a-brac, books, toys etc. which will be most appreciated.

Thank you

The Methodist Church

What a lot has happened since writing the last entry for the News. We have shared in Christmas, welcomed the New Year, celebrated with coffee and a brass band concert in the village hall, a Christmas celebration in the Parish Church, Christingle service in the Methodist church and then the wonderful New Year Party in the Village Hall. What a great village and what a wonderful way to share fellowship and caring for one another.

Thank you for making this season so eventful.

In the Church this month we look towards another season, Easter, with Ash Wednesday and the period of Lent beginning. It's a time when we remember that God not only gave us Jesus as a baby at Christmas but as a man he was allowed to suffer the problems of being a human being and then give his life so that we today can have forgiveness when we forget and spoil the fellowship we have just celebrated.

So as we continue to enjoy our lives together let us remember to keep that spirit of caring for one another in our wonderful village.

Village Ramble

Blow away the Winter Blues with a morning ramble in beautiful North Yorkshire followed by a friendly pub lunch on Thursday, February 25th. We meet at the Village Hall car park at 9.30am and return to the village between 2 and 3pm.

Playgroup

The children were all keen to come back after Christmas holidays and we have a couple of new starters who have settled in very well. We are looking forward to a busy term at Playgroup with a farm visit planned to see some lambing live!

Our village Playgroup currently runs Monday, Tuesday, Wednesday and Friday from 9.00am-3.00pm with an optional after school club from 3.00-3.20pm. We currently have spaces available for children aged 2 years and older. Funding spaces are available for 2 and 3 year olds depending on your circumstances. Please contact 07717 799646 or shuttonpreschool1@yahoo.com for more information or to book your free trial session.

Playgroup is run by a voluntary committee; we are always looking for new members or 'friends' to help this vital village service. If you can offer your time and experience, **you do not need to have a child at playgroup**. Please come along to our next committee meeting on 3rd February at 8pm in the Playgroup building on the school site. For more information call Molly on 01347 878127.

Gardening Club

Our meeting on the evening of Wednesday 17th February, 7.30pm at the village hall is 'Wonderful Weeds' by Peter Williams. The bane of most gardeners. It will be interesting to see how the speaker finds them wonderful!

As it is winter and the days are short it is perhaps a good time to remind readers of the news of the village show in August. Most appropriately the craft and photography sections. Whilst thinking of which vegetables to grow it may be worth noting the show is to include a 'biggest vegetable' class.

Neighbourhood Watch

The next regular meeting will be held on Monday 22nd February at 7.30 pm in the Village Hall. Our local Community Police officer Nicki Pounder will be present, with other Police colleagues to answer questions and hear your concerns. Please come along and support your local team, we have only seven coordinators at the moment, so we need more to improve coverage of the village.

Neighbourhood Watch is one of the largest voluntary crime prevention initiatives across the country, and provides many benefits. It is about communities and getting together with neighbours to cut crime and improve the links between the community and the Police

Its aims are to reduce local opportunities for crime, to establish a community spirit so that everyone can contribute towards the protection of their property by mutual co-operation and communication, and to inform the Police of any local suspicious activity.

Current concerns are the increase in thefts from insecure sheds and farm buildings, tools, equipment, fuel and vehicles are being targeted, with a recent incident at Flaxton.

Any suspicious activity should be reported immediately to the Police by dialling 101, noting any vehicle registration number.

If you wish to join us, then come to the meeting, or contact me, Terry Johnson, Lead Co-ordinator on 01347 878626, terryj70@btinternet.com

Sheriff Hutton Reading Group celebrated their second successful year at a Christmas luncheon held at The Grapes in Slingsby. Poetry readings before and after the meal, chosen by members, were very much enjoyed. Our selection of books in 2015 have included such topics as race relations in America, leprosy and Asperger's Syndrome, historical novels and classics, a ghost story and an excellent thriller. All these books required an immense amount of in-depth research by the authors which was much appreciated by the members. We look forward to our meetings in 2016 and another excellent selection of books.

We do have a waiting list, but for those who may in the future be interested, please contact either Frances L'Orange 878627 or Gillian Newman 878672.

Bus Service

It is good news about the bus service. North Yorkshire County Council have completed their review of all the subsidised bus service in the county and the 181 is to remain at five buses per day running between York and Malton via Sheriff Hutton and Castle Howard. There will be some detailed changes to times and summer and winter versions of the timetable to take into account Castle Howard opening times. As soon as we have the date for the timetable to start – at the moment it is only known that it will be in April – the full timetable will be published in the News.
