Erection of timber framed summer house in rear garden for Mrs L Ainley. The Parish Council feel that there is currently insufficient detail in the application to make a decision at this stage. A time extension has been requested and the Parish Council feel that a site meeting may be necessary.

Ryedale District Council – Decisions and Appeals

None.

2016/17 Precept

After discussion it was agreed for the 2016/17 precept to be raised by 2% to £15,810. This small increase is due to decreasing grants being given to the Parish Council by North Yorkshire County Council for grass cutting and the filling salt bins. It was agreed that as the Parish Council wish to maintain grass cutting standards and retain the number of salt bins and heaps of salt currently available in the parish the shortfall has to be met from the precept.

Essential Maintenance on Sutton-on-the Forest Culvert, Sutton-on-the Forest

North Yorkshire County Council Highways have advised us that they will be carrying out essential maintenance works to Sutton-on-the-Forest Culvert, York Road, Sutton-on-the-Forest from the 15th February 2016 for approx. 6 weeks (weather permitting). The works will briefly comprise strengthening the mains sections of the existing culvert, rebuilding the wall at the west end and installing measures to protect the structure. Due to the nature of the works and narrow carriageway it will be necessary to close the road during the construction. A signed diversion route will be installed via Goose Lane, Carr Lane and Main Street. If anyone has any issues surrounding these works or the road closure please contact the Project Manager, Jad El-Khawaja on 01642 334206 or jad.el-khawaja@jacobs.com.

Clare Prosser

It was with great sadness that we received the news of Clare's untimely death in January.

Clare was a valued member of the community first responders (CFR) and dedicated much of her spare time to the support and care of others. Her passion for nature and wildlife shone through and she was frequently to be seen cycling along the lanes in all weathers.

Clare's care and compassion led to her fulfilment of her ambition to be a nurse and she graduated recently. This was but one of many of Clare's achievements in a life that was full and varied. Clare will be sadly missed by all who knew her and we join in expressing our condolences to Phil her husband, and her family.

End of an Era

Mum, Nancy Wright, would like to inform her friends at Sheriff Hutton that she has moved into Rockingham House Residential Home in Malton. She hopes you will all find time to call in and visit her when you are in the area.

Also, thank you all for your support you gave whilst she was at home.

Yes, it is an end of an era for the Wright family, who were all born and bred in the village for many years. Mum is the last to leave.

Surgery's Happy Patients

Stillington Surgery has been named as one of the best in the country as far as patients are concerned. Out of 7,700 surgeries nationwide Stillington was voted 6th. This is based on the GP Patient Survey which is a rolling poll based on the views of the surgery patients. It covers everything from the trust patients have in their doctors, to the attitude of reception staff and most importantly, how easy it is to get an appointment. Stillington received glowing feedback. These results cover the period January to September 2015. Dr Peter Jones said 'We're delighted with this result which recognises both the whole team effort and the value of traditional general practice'

The Highwayman

The Highwayman was acquired by ourselves in October 2015 and has since been closed whilst undergoing refurbishment. The refurbishment has been particularly extensive in the private accommodation and catering kitchen, along with the ladies and gents toilets. The actual pub area has been more of a cosmetic nature, although considerable work has been carried out to cure the damp and various other hidden problems. The Highwayman has, shall we say, been unloved for some time and it has taken a while, but there is light at the end of the tunnel!!

We will be re-opening soon, offering a range of cask ales, fine wines, homemade food and a warm welcome.

Our new website: <http://www.thehighwayman.uk.com/> will be up and running shortly and keep you in the loop!

We hope to accommodate darts and pool teams and look forward to getting involved with village life, we look to host quiz nights, have the occasional jazz afternoon and are always open to suggestions.

The telephone number is the same as before 01347 878328, please give Lisa or Ian a call should you require further information, we are looking to take bookings shortly.

Join us and let's put The Highwayman back on the map!!

Gardening Club

SAVE THE DATE: Sunday July 3rd, 2pm to 5pm at Games Hope, Foston by kind permission of Ros Harwood and Lucy Coutts, to raise funds for the Gardening Club. The grounds of 4 acres are an ongoing project and include formal herbaceous perennial beds, kitchen garden, an orchard, a woodland area and a 2 acre paddock for children to let off steam! There will be a number of stalls including tombola, raffle, cakes and plants. More details to follow, but put the date in your diary now.

The March meeting to be held on Wednesday evening of the 16th at the Village Hall is 'Easy Gardening' by Martin Fish. Martin has spoken to the club previously and we have visited his garden in Rainton. So we know he is a good speaker.

March is the time to pick up your potato sets/buckets and your sunflower seeds. Sets are £2 per adult and £1 per child. Seeds are 50p per adult and 25p per child for 2 seeds. Please note there is a separate class for the children's sunflower this year. As the potato competition and sunflower competition are part of the village show they are open to all.

February's meeting was well attended on a popular topic, 'weeds'. The speaker was interesting, informative and amusing.

Sheriff Hutton Primary School

Over the last few weeks the children have really enjoyed finding out about different places around the world. Our topic for the coming term is 'Reduce, re-use, recycle'; the children will be researching environmental issues and they will investigate ways in which we can save water and recycle household items.

We are again looking at fundraising opportunities to enhance our provision – our current priorities include purchasing some additional laptops, some up to date software to support the development of literacy skills and improvements to the outside area used by our youngest children. The PTFA are also hoping to raise some money to install a bicycle and scooter stand. Many of the children enjoy cycling or riding their scooter to school and we want to support this by ensuring safe storage on the school site.

We continue to welcome many people from the village who help in school; listening to reading or joining in with school activities. If you would like to help or just pop in for a visit we would love to see you!

You can find out more about the school and the activities the children are involved in on our school website www.sheriffhuttonschool.org.

DISHY and the Beanstalk

Thank you to everyone in DISHY for your magnificent performance last month. You all have such AMAZING talent and have given a great amount of pleasure to many people, in and out of the village. We encourage you to write and perform AGAIN and AGAIN with your excellent ability of giving so much pleasure to so many people. Well done!! Best wishes for the future.

The Methodist Church

Just looked at the calendar for March and realised what a lot of days when we should be thankful. There are two saints' days, David and Patrick, which reminds us of what an effect they had on the people of Wales and Ireland. Then there is Mother's Day when we can all be thankful for the effect of our mothers. And then at the end of the month there is Easter, starting with Palm Sunday, to Good Friday and then that great THANKSGIVING AND PRAISE DAY when we celebrate that JESUS conquered death and is ALIVE for evermore, even today!

So enjoy your month and do celebrate all the things we have to be thankful to God for.

Message from the Jumblies

The January Jumble Sale was a little different this year as we had a bit of extra “help” in sorting out the Jumble on the morning, when we were paid a flying visit by the Radio York’s Finders Keepers Team who were looking for their next clue in their bid to locate the hidden “Treasure”. Following the fantastic publicity Jeremy Buxton gave us lots more jumble arrived and we had masses of buyers in the afternoon. I am pleased to say that my predicted £1200 was way off the mark with £1741 being raised for the Parish Church. After coffee and carrot cake they went on their way, but they sadly weren’t as successful as us, with them missing their deadline for finding the treasure by a matter of seconds. Our sincere thanks to them and to everyone who donated jumble, cakes and prizes and gave cash donations.

The result for the February Jumble Sale for the Sheriff Hutton Preschool Playgroup will be published in the April News.

Our next sale will be on March 19th at 2pm in the Village Hall, raising money for Riding for the Disabled, Shipton by Beningbrough branch. We look forward to receiving anything you would like to donate and will be at the Village Hall between 9am and 12 noon to accept good condition clothes, bric-a-brac, books, toys etc. which will be most appreciated. A reminder that the book room and cake stall open at 1pm and we always have a good selection of good books, dvds and cds and delicious cakes.

Thank you for your continuing support

Village Auction – Saturday 23rd April

The UCCC will be coordinating this year’s auction, which will help raise funds for New Year Parties (including our 50th Anniversary Party in January 2017.)

Now that the days are getting longer and we start to think about de-cluttering, and tidying lofts, garages and shed, please do consider if you have any unwanted items you might be willing to donate to the auction. We are very grateful to receive most household and garden items, although we cannot sell clothes, shoes, large white goods, mattresses, microwaves, or upholstered furniture (unless it has fire safety labels in compliance with the 1998 regulations).

If you have helped in the past, please put this date in your diary – new helpers are also very welcome. We will meet in the Village Hall from 6-8pm on Friday 22nd April to start collecting and organising items, and then will continue to receive and arrange items on Saturday 23rd from 9-11am, ready for the Auction to start at 1pm. We are very grateful for extra hands to help sort and carry. We are also looking for someone with a large trailer who might be willing to pick up some items which have been put into storage on our behalf – if anyone can help with this, or for any queries about the auction, please ring Caroline on 878242.

Draught Excluder Campaign for Winter Homes Keeping Homes Toasty

The Warm and Well in North Yorkshire charitable project, set up to bring warmth to cold homes and tackle rising rates of fuel poverty, has launched a new draught excluder campaign.

If you are part of a knitting, sewing or craft group, or you are a dab hand with a needle and thread, then we'd love your help in creating a draught excluder!

The campaign aims to encourage individuals and community groups to knit, sew and create draught excluders of any design. They will then be donated to people who are living in cold, draughty and inefficient homes to help ward off draughts and cold spots.

The draught excluders will be given to those at most risk this winter including over 75's or people with long term health conditions, families with young children, or those on low incomes.

If you are able to help please contact Hazel Kirby on 01609 780458 or hazel.kirby@ndvsa.co.uk
The website www.ndvsa.co.uk has an easy tutorial for 'how to make an easy draught excluder.'

Chocolate or Coronations Street ?

Will it be chocolate again or Coronation Street? As a church we are now in the season of Lent, and we ask ourselves the question again, what are we giving up? It is the time when we think about an action of self-discipline as we give up something we enjoy for six weeks. Now, more than a week in, I wonder how we are doing; have we stuck to our resolve or have we given in to temptation?

But Lent is much more than an exercise in will power. It is traditionally a time of prayer, reflection and preparation in the lead up to Easter. During Lent we remember how Jesus fasted in the desert to prepare himself for his ministry, and how he faced temptations yet resisted them. In the wilderness, Jesus turned away from the idea of an easy life and popular leadership, and chose instead the way of the cross, because that was the way that God had called him. Over the weeks of Lent, we follow Jesus in this way of suffering to the cross.

So as well as a time of giving something up, Lent is also a time for taking something up. Perhaps spending more time in prayer or setting aside time for reflection in a busy day to think about what God is saying to you. Finding time to go and see someone who is in need. Joining in the Lent meetings. Taking on a new thing that you feel called to do. Whatever it is for us, this Lent may we all once again take up our cross and follow Jesus.
