This will take place in the Village Hall starting on Tuesday June 14<sup>th</sup> and Wednesday 15<sup>th</sup>. Please make a date in your diary to attend. The Parish Council hopes that as many people as last year will attend this inquiry. Your support is vital to demonstrate the importance of the footpath to the community.

## **Fracking Update**

Councillor Bean attended an information event held between Parish and Town Councillors and INEOS who hold the licence for Fracking in this area. They are in the process of contracting for Seismic Testing to be carried out in the areas they hold licences for, apart from National Parks and AONBs. The results of the tests will then be analysed and decisions made regarding the areas to be fracked with a view to starting work by 2018 subject to planning approval. Prior to any planning applications being lodged INEOS intend to hold discussions with the parish and town councils in the areas that will be affected. They will also be holding more community information events, dates and venues to be announced later.

## Message from the Jumbles

Thank you so much to everyone who supported the last Jumble Sale. We had mountains of jumble and despite the forecast fortunately the weather was good enough for us to have tables outside. The total raised was £1591, which was shared by our local Bowls and Cricket Clubs. This brings the running total to £7952

The months zip along and we only have two more events before our summer break. Our Jumble Sale on 18<sup>th</sup> June will be to raise money for the **Alzheimers Society**, which we are sure is a cause many people will like to support. Alzheimers is a most cruel disease, and it does not discriminate – as well as it affecting many older people an increasing number of younger people are now being diagnosed with early onset Alzheimers. Your donations of good condition jumble, clothes, bric-a-brac, toys, books and household linen etc will be most welcome. We will be at the Village Hall between 9am and 12 noon to receive anything you would like to send to us. Tombola prizes and cakes will also be very much appreciated.

The books will be on sale from 1pm with the main jumble sale starting at 2pm.

This illness can affect any of us, directly or indirectly and our support is vital to the Alzheimers Society. If you don't have any jumble but feel you would like to make a financial donation to help them in their work, please contact any of the Jumbles.

Many thanks

Our Summer Coffee Morning will be on Saturday 2<sup>nd</sup> July between 10am and 12 noon, at **Midway, Main Street** and will be raising money for The Yorkshire Air Ambulance, another worthy cause, especially for people living in rural areas.

We can't guarantee perfect weather but we can guarantee you an enjoyable, relaxing morning with the Jumbles. We particularly enjoy the Coffee Mornings which are much less stressful than the Jumble Sales and we can have the opportunity to chat with everyone. Hopefully the weather will be kind and we can sit in the garden. There will be a cake stall and Second Hand Jewellery Stall, as well as our usual tombola and raffle. Admission £2

Please come along and join us. We are looking forward to seeing all our usual supporters and hopefully some new ones too.

Please be assured of our appreciation for your continued support

Penny Bean 878392

## **What Shall We Do Today?**

I go on holiday shortly. One of the first questions that will be asked when we arrive is "What shall we do for the rest of the day?" The answer will depend upon the weather, personal preferences, what is available and a consensus of opinions. Life is full of choices, over three dozen every day. Many go unnoticed and concern only ourselves; what to wear, to eat, time to go to bed etc. Other choices though affect other people, and perhaps we have to learn to compromise or give way. We may even have to do something we don't particularly want to do for the sake of someone else's pleasure and enjoyment, or for their good.

When Moses brought the Jews to the Promised Land, he said this to them. "You have choices to make when you settle in this land. You can take what you want and live at the expense of others, or you can live God's way, in communities which care for one another, even the stranger, so that all may live life to the full." Moses urged them to do the latter. Jesus said, "I have come that you might have life, life in its fullness."

This means that it matters what choices we make where we and others are concerned. We have to look at the bigger picture and decide how our choices will affect and enrich other lives. David Hockney painted an enormous canvas of Trees in Winter at Warter. It was made up of 72 small canvasses, which by themselves did not make sense, but put together formed a wonderful painting. Our choices may seem trivial, but put together with other peoples, they present a bigger picture, which might mean that we have to alter our original idea to fit something which is overall much better for all concerned. This happens in families, communities, nationally and internationally as we determine a way forward - a way that will be of benefit to all concerned. Remember, you matter and so do your choices. Now, what shall I do next?

## **Youth Meeting Shelter**

Since 2008 the Shelter on the Playing Field has been a great area for our teenagers to meet up and has been well respected by them until recently ..... what a shame that it has now been vandalised by a minority of young people who seem to take a delight in willful damage. We know that the majority of users have valued a place set aside for them and it would be terribly wrong for this to be reflected on all our teenagers in the village. We would remind everyone that it is dangerous to climb on the shelter and would ask villagers to be aware of this if they see a child on the roof.

We received a grant to build the shelter as a one-off and there is no money to repair the roof. We are appealing for volunteers to give time and materials to repair the shelter, if this does not happen then unfortunately the shelter will have to be dismantled.

## **FAREWELL**

As many of you will know, our vicar the Revd. Chris Ellis recently suffered a severe stroke. Although he has made a marvellous recovery, he and his wife have decided that the best interest for his future health, his family and his 5 parishes will be served if he retires.

To express our thanks and to mark this occasion the parishioners in the Benefice are holding a party in the Village Hall on Sunday 26<sup>th</sup> June at 5.30pm. There will be food, entertainment and a cash bar. There is no charge but to help with catering we would ask if people wishing to join in this occasion would get a ticket from either churchwarden – see below

Many of you will have met Chris not only at Sunday services but through baptisms of your children, weddings and funerals when his pastoral care has been much appreciated. If you would like to contribute to the presentation which will be made during the evening as a 'Thank You' for all Chris's his care and support over the past 11 years; contributions will be gratefully received by the Churchwardens, John Oakley [Old School House 878754] or Roy Thompson [May Rose Cottage 878644]. Cheques should be made payable to 'Forest of Galtres Churches'

## **Sheriff Hutton Cricket Club**

### Sheriff Hutton History Group

Our April AGM presentation by Roy Thompson titled the '*The Battle of Lilling*' was an interesting account, not of a physical sword wielding battle but a political, parochial one of words and letters. Thank you Roy and our audience which included villagers from Lilling for their contribution of local knowledge to the evening.

Also in April we were very proud to welcome and show off our archive store to famous author/historian Alison Weir and her party who were on a tour of Richard III sites. Quite a number were Americans and it was very interesting to hear about their historical societies. A big thank you to Jill Johnson for organising the day. We also had a visit from John Smith, a Canadian gentleman, whom we have been helping to trace his family through the Saville line, he thoroughly enjoyed his day in Sheriff.

At the AGM a new committee was formed with Peter Brown as Chairperson, we look forward to continuing our cataloging of the archives and welcoming new donations to add to the growing collection. Membership of £12 for the year 2016/7 is now due, if anyone is interested in supporting the exciting work that the History group members are involved in please contact Beryl Haigh 01347 878363 or Meg 878136

Diary date: **Tuesday June 28<sup>th</sup> 7.30pm** - A History of Rowntrees - an illustrated presentation by Richard Atkinson about the origins of the confectionery industry in York. An evening to recall those sweet treats long gone. Members £2 Visitors £3 with refreshments.

### Sheriff Hutton Ladies Group

Our meeting on Wednesday 11<sup>th</sup> May was well attended. We had a few visitors and 2 new members joined our group. Kath and Clive Richardson came to tell us about what happened to the last of the 8 children of Margaret Burns.

The next meeting on Wednesday 8<sup>th</sup> June is a members only meeting. There is no speaker but we will be doing various things throughout the evening. We are doing a put a name to the baby game (would people remember to bring a photo of when they were young) which should be fun. There will be scones with our cup of tea and a general chit chat.

## **The Methodist Church**

June seems to be the month when we can begin to feel that the winter blues are past us and now we can begin to get on with things. Everywhere is looking fresh, the grass is growing, blossom on the trees and now we begin to live. Enjoy your outings, experience new things, meet new people and rejoice in this wonderful world we have. Yes, you might say just look at the news, not much good in the world there. A preacher once said we shouldn't bemoan the lack of good news but rejoice that good news is so common-place that it is not news-worthy. It's a point well made. Have a good news month, at the end of each day ask yourself what has been the best bit to-day, you might be surprised. God made a wonderful world, and we people should do our best to keep it as it was intended. A garden where everything is provided for people to share and be happy with one another.

### **Churchyard and the Glebe Conservation Area**

Regular users of the footpaths through the Conservation area (dogwalkers or not) might have noticed the maintenance work being carried out on the historic drystone walls which divide the churchyard from the old Glebe. Buttresses (new and reconstructed) were needed to support the walls damaged by trees or sheep. Further safety and management measures are in hand and overall reconstruction will be carried out over two or more years.

A Conservation Management Plan is at an advanced stage which takes into account wildlife and access areas, and planned future use of the churchyard and wide consultation is scheduled to reduce the risk of the area being a charge on the rates.

We don't have the money for all this work (estimated £10,000) and would welcome donations from members of the community who value these important assets. Donations may be made to the PCC Treasurer, Old School House (cheques to "Sheriff Hutton PCC") - telephone 01347 878754.

Thank you, the Churchwardens

## Neighbourhood Watch

The next meeting will be on Monday 27th of June at 7.30 pm in the Village Hall, our local Community Police Officer Nicki Pounder will be present, along with Gail Cook, Ryedale Community Partnerships Officer, to hear your concerns and answer questions.

There will also be a talk on Road Safety Issues, including Drink/Drug driving and the older driver, given by the 95 Alive Road Safety Officer, which should be informative, dare I mention speeding ?.

We now have nine co-ordinators in the Village, but we need more to improve coverage, so please come along and see what it is all about, and consider joining the team.

Terry Johnson, Lead Co-ordinator (01347 878626 [terryj70@btinternet.com](mailto:terryj70@btinternet.com))

## Village Auction

Many, many thanks to everyone who was involved in any way with the Village Auction on Saturday 23rd April. We had a wonderful team of volunteers, so thank you to all those who donated items, collected and carried items and helped to set out the hall. Thank you to the stage team, kitchen team, the runners, cashiers, clerks, committee bidders, auctioneers and of course to all those who came and stayed and bought items! The auction raised £2,400 and it was another great all-age community event (despite the cold!)

Unfortunately, it would appear that some of the Youth Club equipment was inadvertently included as sale items! If you have ended up with this equipment or if you have table tennis bats/balls/nets, snooker balls and Frisbees, or other sports equipment that you would be willing to donate to Youth Club please call Caroline on 878242.

Many thanks The UCCC

## Playgroup

This term, Playgroup children have been enjoying the improving weather and covering a wide range of topics depending on the current interests of each little person. This has included building models, examining our bug hotel, watching the changes in the class tadpoles, completing obstacle courses, learning about dinosaurs, experimenting with floating and sinking and making chocolate soup in the mud kitchen....to name a few!

We are really proud of our village playgroup and as our numbers drop in September as several children leave for school, we are looking for new children to join us. We take children aged 2 – 4 years and can offer funded places. To find out more visit our website [www.sheriff-hutton-playgroup.org](http://www.sheriff-hutton-playgroup.org) or call 07717 799646 to book your free trial session!

The re-surfaced courts were declared open at our Open Afternoon in April by our Chairman, Neil Watson. The afternoon provided a meeting place for old and new members and the opportunity to try out the new surface. Thank you to Damian, who ran coaching sessions, and to Helen who provided the refreshments. The courts now provide an excellent playing surface and are a great asset to the sporting life in the village.

Junior Tennis. The junior coaching sessions are already running on a Wednesday afternoon but it's not too late to join in. The time is 4.00 to 5.00pm and the coaching is free to Junior Members.

## **Sheriff Hutton Field Naturalists**

Our visit to The Yorkshire Arboretum followed on from a talk given by the curator John Grimshaw last winter. It was a chance to see the superb collection of trees, some from the Hillier Nurseries and also from Royal Botanical Gardens, Kew and also to see the development of the wild flower meadows as part of the site. The Arboretum has just obtained a grant from the Heritage Lottery Fund to help them develop the site further so we look forward to seeing how this fabulous resource develops in the future.

Our next meeting will be on Saturday 5<sup>th</sup> June, when we will be visiting Wharram Quarry. Please meet at the Highway Pub car park at 10am. This is another Yorkshire Wildlife Trust reserve. The site is rich chalk grassland, known for its butterflies and wildflowers so should provide some unusual wild flowers for us to see. There is no cafe on site so you should bring a pack up and a drink.

We hope you can join us at any of our meetings. New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

## **Sheriff Hutton Primary School**

Our Year 6 children have just returned from another fantastic trip to Sweden. They enjoyed a sunny boat trip around the waterways near Gothenburg then stayed for a few days beside the lake in Bollebygd. They visited our partner school, Gadden and spent time with the Swedish families. It was a wonderful experience which they all enjoyed.

Our focus on reading has continued with a great Book Fair, raising around £180 to be spent on new books for school! The PTFA have also held a successful book sale where the children could get some new reading material for just 10p!

We continue to welcome many people from the village who help in school; listening to reading or joining in with school activities. If you would like to help or just pop in for a visit, we would love to hear from you!

You can find out more about the school and the activities the children are involved in on our school website [www.sheriffhuttonschool.org](http://www.sheriffhuttonschool.org)

## **Coach Road Second Inquiry June 14 - 15th**

Hopefully, most villagers now will be aware that the second inquiry into the application to designate the Coach Road in Sheriff Hutton Park as a public footpath will start on Tuesday June 14th in the Village Hall at 10.00am on both days. It is understood that the previous ruling for part designation, as far as the lake, **could be revoked**, as the original objectors have indicated their intention to overturn it.

Are you a dog walker, have children or grandchildren, or just enjoy a circular wander around the fields? All villagers, including those who may not have lived in Sheriff for very long but who value being able to walk the Coach Road, and who wish to preserve historic public usage of the road on foot, are strongly urged to attend. Whilst not of itself evidence, a good attendance by villagers at the last inquiry was noted by the inspector.

Anyone who wishes to speak at the inquiry must attend on the first day, in order to register that fact.

## **Sheriff Hutton Bowling Club**

Many thanks to the Jumbles for their wonderful event in May which was shared with the Cricket Club.

Matches have started and the good weather has really helped to prepare the Green. Join us on Monday afternoons at 2pm if you would like to join other new and old players for a good social atmosphere and opportunities to play a game which is both healthy and stimulating.

You might get to enjoy it as much as we do!
