Sheriff Hutton History Group

Our speaker this month was Neil Hodges. He gave us an illustrated account of his in-depth research of Bracken Hill and the surrounding area. Bracken Hill, the house, is originally Georgian, then early Victorian.

It has been more than a house over the years, including being a barracks, a pub and post office. The barracks is named in the 1901 census, and the map of 1904 refers to Sheriff Hutton barracks. In 1874 the house and row of cottages were part of a working farm. The labourers lived in the cottages. They worked until well over today's retirement age, one is recorded as being 93 years old! There is evidence of a pulley on the side of the house up to the attic, which might have been used as a grain store. The attic might also have been used as an extra room.

Certain names familiar to us recur in the census over the years such as Pearson, Metcalf, Suggitt and Harrison. A tithe = 1 tenth of the annual produce of land or labour. This was taken as tax for the support of the church and clergy. The church in return helped the poor of the parish. There was a tithe barn on Coble Lane where produce was stored. Tithe owners sometimes prepared maps for their own use to show the ownership of land.

Hawthorn hedges were used to divide fields for many years. There is evidence of this behind the house at Bracken Hill. These hedges are probably about 200 years old.

Neil had some very good slides of the tithe map of Bracken Hill and the surrounding area. Thank you Neil for a most interesting evening.

Please note: There will be no meeting in July and August, and the Monday research sessions will be closed. Thank you to everyone who has popped in to see us with information and donations. Our archives continue to grow.

Next meeting is on Tuesday 26th September at 7.30 p.m. "The historical study of the Yorkshire dialect" presented by Mathew Townend on how dialect has been studied historically. This connects with his earlier topic of our Scandinavian heritage in terms of language. This will be Mathew's second visit to us, and you can be sure of a very interesting and informative evening. Members £2/Visitors £3 including refreshments.

Christian Aid Village Collection 2017

On behalf of the Churches in Sheriff Hutton, may I thank those who contributed to an increased sum of nearly £750 which has been sent to Christian Aid and will help to support their increasing demands due to migration. Christian Aid has been helping refugees since 1945 and the call on their services does not diminish. Special thanks to Claire and Barry at the Post Office for their hospitality (hosting the box). Roy Thompson, CA Organiser for SH Churches OR276398.

Sheriff Hutton Field Naturalists

The weather was at least dry for our visit to Rievaulx-Ashbury Field. This is a small site run by the Yorkshire Wildlife Trust and a good place to see a terrific range of wild flowers and butterflies in particular. Whilst we weren't lucky enough to see Roe deer or freshwater shrimps, both of which are common here, there was both white and the increasing unusual red clover as well as Yellow Rattle, Agrimony and Water Mint.

Our next visit is to Pond Head at Yearsley Wood on Sunday July 2nd. This is a good site for insects, dragonflies and butterflies as well as flora. There are no facilities but it's not too far from home and will be a morning's walk. Please meet at The Highway Inn car park at 10am if you wish to come along.

We hope you can join us at any of our meetings. New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Sheriff Hutton Tennis Club

The season is well under way with teams making steady progress through their fixture lists. As in previous years, injuries have caused problems in the Ladies team and Christine will be hoping to get her regular team back and looking for better results in the remaining matches. The Men's team is having a much better season in Div. 6 and, with the welcome return of Charles, the team is easily holding their own and is in mid table. The Hovingham League sides continue to have close matches and congratulations to the Ladies team who celebrated their first win of the season, Lucy will be looking to build on that success for the remainder of the matches, the Mixed team continue to enjoy their matches but wins are elusive.

Social Tennis. The Wednesday morning sessions continue to be well supported.

Junior Tennis. The primary school age juniors are enjoying their coaching sessions with Rob, an LTA coach from Easingwold. They also took part in the Quorn Family Competition. This proved an enjoyable afternoon with parents playing with their children. The winners were Joseph Brownbridge and his brother Adam. The competition gave the juniors the opportunity to put the tennis skills they have been learning to good use.

Junior/Intermediate section. The Club Competition will be held on Friday July 7th at 6.30pm. All juniors 9 and over welcome.

As you read this Wimbledon will be starting, four lucky couples from the club are going to watch. Make sure you are eligible for the club draw next year by becoming a BTM, go to the LTA website and follow the links using this club as your place to play. Juniors over 9 can also register.

If Wimbledon inspires you to take up a racket the courts are open all year contact Josephinejohnson6@gmail.com for further details.

Sheriff Hutton Bowling Club

The Season is in full swing and if you fancy a try-out or a return to the game why not come along on a Monday afternoon between 1.30 and 2pm.

All equipment and coaching is available free.

Sheriff Hutton Ladies Group

Julie Ryan came and gave a talk at our meeting on the 14th June, about her quest to swim the channel. Julie fundraises for various causes so she decided to swim the channel to raise money for International Rescue. It took her three attempts to do this magnificent task, bad weather and tides postponing the first two attempts but in 2012 she finally made it.

On Tuesday 13th June a few of us were guests of Easingwold Ladies Group. We enjoyed a lovely lunch and had an interesting speaker who told us about "taking tea the Georgian way".

We are arranging a trip to Breezy Knees nursery on Wednesday August 9th 2017. The entrance fee is £6.50; there is a tea room where lunch can be ordered.

Breezy Knees has lovely gardens to walk round, but it's a rather long walk to get to the gardens before you start to look at the various different themed gardens. Meet at the Village Hall at 10.15am. Transport is by car. (Names will be taken at the next meeting.)

Our next meeting is an open meeting so all are welcome. We have Ed Cornmell who is the Governor of Full Sutton Prison coming to tell us about his job at the prison and how the prison is run. Should be interesting! Everybody will be on their best behaviour I'm sure

Neighbourhood Watch

I had two reports on the 30th May that the Fish sellers were in the village yet again, I informed 101, and the Police attended. On this occasion, wet fish was being sold, which appears to have less legislation, so buyer beware. Their vehicle was legal, and the cold calling response was that they had existing customers in the village, so the Police were unable to take any further action, but have informed Trading Standards of the incident.

Unfortunately, I have to report no further progress on the Community Speedwatch initiative.

Sheriff Hutton School

July brings another successful school year to an end. We would like to wish all of our Year 6 children the very best of luck for the future as they move onto the next stage of their education either at Malton, Easingwold, Ryedale or Huntington School.

The children throughout the school have enjoyed several great topics this year including World War II, dinosaurs, the Great Fire of London, The Victorians, Ourselves and the Romans.

With so many challenges facing schools I am constantly overwhelmed at the amazing support from our local community; from coming to listen to the children read to attending one of our events. Thank you to everyone for this wonderful commitment to our school.

The PTFA has raised a fantastic amount of money this year which we hope will help us to buy new tables and chairs for the dining hall as well as contributing to further educational visitors and trips.

I am sure the children will enjoy the remaining weeks of the school year with our annual sports day and the end of year BBQ.

The children return to school on Tuesday 5th September.

Message from the Jumblies –

Having been shortlisted for the Queens Award for Voluntary Service, we were disappointed to miss out on an actual award. However, we are so proud to have been shortlisted from the vast number of nominations countrywide, and to receive a letter expressing appreciation for the work we do for the local community. Our sincere thanks go to Michael Charlton-Weedy who spent a lot of time preparing the nomination and to those who submitted supporting letters. Although disappointed we are not downhearted and we will continue raising money not only for our own community but all the other worthy causes that help us in our lives.

Despite the pouring rain lots of buyers came along to the May Jumble Sale for Alne Hall Cheshire Home, which raised £1500. The Friends of Alne Hall were absolutely delighted with the support received from our local community. Many thanks to everyone who donated Jumble and came along to support.

The June Jumble Sale was a great success. Good jumble and probably the hottest day of the year. The total raised for York Against Cancer was £1750, which included some cash donations. This will help towards reaching their £100,000 target for their 30th anniversary year which is to support their mobile chemotherapy unit. Once again thank you to everyone who gave support. This brings our running total to £10,725

Bonnie has also been very busy and has raised £340 from the sale of jewellery which has been donated to the Alzheimer's Society to support research into this extremely debilitating disease.

Our last fundraising event before taking our summer break is our annual Coffee Morning on Saturday 8th July at Midway Main Street, 10am to 12 noon. As well as the delicious homemade refreshments, there will be a book stall, tombola and raffle, as well as Bonnie's Second Hand Jewellery Stall. We really love this event as it gives us a chance to see all our regulars and have time to chat socially. If you haven't been before, please do come along and spend an enjoyable morning with us and help us raise money for Help the Heroes. The £2 admission charge includes coffee or tea and a jam and cream scone, or piece of Cake if preferred.

We will then be having a 2 month break with our next Jumble Sale being on 9th September to raise money for Yorkshire Air Ambulance. As the YAA do not have an official support group we will be appealing for donations of bric-a-brac, clothes, curtains, bedding etc. shoes, toys and books. The YAA provide a life-saving service and have attended many incidents in this area. Money raised will help to keep them flying.

Hoping you all have a good summer and that we can look forward to your continuing support.

THE METHODIST CHURCH

There seems to be a general increase in energy this month and no doubt it will increase as we move into July. Getting to the time when family activity and sporting challenges are really in full flow. Whatever you might be doing do try to get the best out of it and cherish the opportunity, for it may be a memory you might never forget, and do take a pause now and then to look around you at scenery or just the people you are sharing it with. What blessings we all have. Have a lovely energetic month with God's blessing.

We need someone to help provide music for our hymns or songs we sing in the Sunday services from 10.30 to 11.30 a.m. To provide this music we have a GEM electronic classical organ for playing by someone with piano or organ skill. Stability, Hope & Trust

As we reach these summer months of July and August what would it mean for us to have these three words, stability, hope and trust, featuring prominently in our lives? I'm guessing as you read this letter that your answer is 'quite a lot' and who wouldn't blame you.

It doesn't matter if you are the type of person who sees the glass half full or half empty for we are all affected by the same things; the only difference is our circumstances. As we go to press there are many uncertainties that arise from the current political state of affairs. Our Prime Minister wanted to bring stability, Mrs May had hope for the future and put her trust in the electorate and we are where we are.

It has been said that God loves us to make plans and smiles when we do, it is a loving smile, for so very often our plans go awry and we ask ourselves 'what on earth happened there then.' As Christians, we have the same cares and concerns, just as much as the next person, but we also have an inner hope that brings with it a sense of peace and reassurance when things aren't going so well. The prophet Jeremiah wrote 'For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.' (Jeremiah 29:11)

We may be looking at a summer of uncertainty as we hope for stability, but looking again to Scripture and we find not only hope but reassurance too 'Cast all your anxiety on him, because he cares for you.' (1 Peter 5:7)

God wants us to lean on him, to cast all our cares on him; after all he is big enough!

My prayer for this summer is a simple one. I'm praying that we can each have and enjoy the blessings that the season of summer brings; that we are able to enjoy each other's company and that in our homes and across our villages we find a sense of unity in community that gives us hope and peace as we trust a higher authority. That ultimately you are able to 'Trust in the Lord with all your heart' (Proverbs 3:5)

May we all be richly blessed with a good portion of stability, hope and trust this summer and always.

Blessings, Revd Steve Whiting

Playgroup

This term Playgroup have been spending a great deal of time outside in our own garden, the playground and the park. They have been on nature walks enjoying the opportunity to explore the moat and roll down hills. Our older children are beginning their transition visits to school and we will be saying goodbye to them with a heavy heart but look forward to seeing them over the fence in September as grown up school children.

We will be welcoming some new starters in September but we have spaces for available on Tuesdays, Wednesdays and Fridays.

Please contact 07717 799646 or shuttonpreschool1@yahoo.com to find out more or arrange a visit.

The Village I Remember

Alan Farnaby's Memories of The Farming Community

In the 1930's most people were occupied in farming or allied trades. There were eight working farms and six smallholdings within the village and thirty-seven outlying farms. Almost all were mixed farms, and it was only after the 1939/45 war that farmers began to specialise, many increasing their dairy herds because of the stability which the Milk Marketing Board brought to the industry, the milk being collected from the farm gate daily, and for the first time farmers had a regular monthly income.

Beef and arable farming also played an important role in the economy of the Parish.

Almost all the village farmers and smallholders farmed land outside the village, several had *gaits* (shares in) the Ings Pastures situated at the bottom of Carr Hill and Carr Pasture – the first field on the right when entering Carr Lane – the main access to Sheriff Hutton Carrs. All who owned the *gaits* were the joint owners of the land and each year, in turn, they acted as Pasture Master seeing that the rules were strictly adhered to i.e. that gait owners only grazed the correct number of stock between May and October each year and that fences, hedges and gates were maintained. All the cattle put in the Ings Pasture were dairy cows and they, together with animals from other farms, had to be walked twice daily to and from the fields for milking. Cows belonging to Hodgsons, Calverts, Pearsons, Hulls, Farnabys, Simpsons and Solitts could be on the move at any time mornings and evenings.

A number of smallholders had joint ownerships of small fields all arable in the 'Canadas' on the south side of Mill Lane or at 'Storey' on the Sutton road near Sheriff Hutton Bridge, and at the 'Anchor' just beyond Brickyard Farm on the Strensall road.

Pigs and poultry were kept on most holdings, eggs and dressed poultry being sold by the women folk for their housekeeping money. Many of them made butter and curd and together with the dressed poultry 'stood' York Market every Saturday, travelling on Tom Harrison's bus, putting their buckets and baskets on the roof; the West Yorkshire Bus Company followed on with the service.

Farming was very labour intensive and many farmers needed to hire in help at certain times of the year for weeding and pulling carrots which were grown to the south of the parish on the light sandy land. Much of this work was done by 'gangs' of ladies who worked for Mr Bob Goddard or Mr Bob Atlay. At potato picking times these 'gangs' were joined by schoolchildren able to earn money during their October holidays.

Extra help was available during the war years from the Land Army and the Italian and German prisoners of war who were billeted at Eden Camp, Old Malton. They wore distinctive clothing of shirts and coats having circles of different colours stitched to them making them easily recognisable.
