Do you want to show others you're a responsible dog walker?

Do you want to help clean up Sheriff Hutton and encourage others to do the same?

In conjunction with the Ryedale District Council 'Don't be a Waster' campaign the Parish Council would like Sheriff Hutton to participate in the Green Dog Walker scheme.

By attaching a green ribbon to your dog lead you are letting people know that you have promised to:-
Clean up after your dog.

Put your bagged waste in any litter or dog waste bin.

Remind others who walk your dog to clean up after it.

Encourage friends and other dog walkers to clean up after their dog.

Carry extra bags to hand out to other dog walkers if they need one.

Sheriff Hutton Farmer's Market

With the success of farmer's markets in surrounding villages, it would be fantastic if Sheriff Hutton could host its own market once a month.....wait a minute, Ryedale District Council has given us the 'go ahead' so we can!

Initial approval has been granted however in order to progress, source funding and to run the actual event we need volunteers. Not everyone has an abundance of time to offer however, with a little bit of help from a lot of people we can make this market happen and raise funds for our village whilst bringing together local traders who can supply us all with great produce.

A committee group needs to be formed so maybe you would like to be a part of this? We will need to set out our aims and objectives, identify roles, pull together suggestions and ideas, make decisions and submit bids. Once this has been established we can move on to the practical elements - the actual market itself. This is where serious manpower will be deployed and volunteers to help on the day will be required.

Maybe you would be happy to be a part of the committee or could you offer a bit of time to help with marketing and advertising? Even if you only want to commit your assistance once a month on market day, there is a role for everyone and all are of great value if we are to make this work.

Message from the Jumblies

The weather was fine, the hall was filled with a good supply of jumble, the cake stall was absolutely heaving with fantastic cakes and the atmosphere was great, made all that much better by a visit from none other than Doreen Lynch who came along to check up on us all, supported by her daughter Wendy and two of her great grandchildren. All the Jumblies and many of our long-term buyers were so pleased to see her and spent time chatting and catching up with her. She is looking fabulous and really enjoyed her day.

Sincere thanks go to everyone who supported by giving Jumble, donating prizes and cakes. The total raised for the Swinton and Excelsior Brass Band was £1938 and they were so thrilled to achieve such a brilliant total. They will be visiting us later in the year to let us enjoy their great music so watch out for further news. This brings our running total for the year to £6332.

The total raised at the April Jumble Sale for Ryedale Leisure Group will be published in the June News.

We have two great events in May. The first one on 15th May when Joan Armitage, Pat Cooper, Linda Scaife and I will be putting on our glad rags to attend one of Her Majesty's Royal Garden Parties, so fingers crossed for fine weather. We feel so honoured to have been invited and are really looking forward to it. We will then be swapping our finery for our familiar red shirts on the following Saturday May 19th for our Jumble Sale to raise money for Alzheimer's Research. We do realise this is the same day as the royal wedding but unfortunately Prince Harry and Meghan didn't consult our diary. Remember you can record the wedding to enjoy later after you have been to bag a bargain.

Donations of jumble, including clothes, bric-a-brac, toys, books, shoes etc will be most welcome. If you have any raffle or tombola prizes you would like to donate please contact Sally Hemingway on 878386. Please aim to bring Jumble to the Village Hall as early as possible between 9.30 and 11.00am on the 19th May. If you are unable to bring it along on the morning of the sale please contact Sally or Pat Cooper on 878677 or me on 878392 and we will try to make alternative arrangements.

Many thanks, Penny Bean Sheriff Hutton Jumblies – Turning Cast Offs into Cash

45th Annual Exhibition – 2018 Easter Weekend

Water, water everywhere – it was hard to avoid it over the Easter weekend! However, it was possible to enjoy wet-in-wet and other painting techniques, as well as a more sunny ambience, at the Art Exhibition in the Village Hall. It provided a dry haven and welcome refreshments for 300 plus visitors who bravely trudged through muddy puddles and negotiated water-logged roads to see the Group's 2018 display of original art work, and to observe Teresa Kinloss, an expert spinner at work. We are very grateful to everyone who came and to the local Primary School children for their delightful artwork, which reflected some of the topics they have studied this year.

The winners (aged between 5 and 11) were Josh Doughty, Gethin Davies, Max Rackman, Anna Walford, Cristain Josu and Florence Read.

In the main exhibition, "Best in Show", voted by the public, was a tie between Val Emery for her oil painting "Time out from the City" and Nigel Joesbury's painting "Hi There!"

Please come again for our 46th annual exhibition.

Sheriff Hutton Ladies Group

We had 4 visitors and 21 members at our meeting on the 11th April. Jennifer Willis who is the Governor of Full Sutton Prison gave us a talk about her job. In 2001 she started as a prison officer, her belief was to "make a difference." Before coming to Full Sutton she worked at various prisons including Belmarsh prison. Everyone really enjoyed her visit she was asked an assortment of questions and she answered every one of them. We finally had to draw and end to her interrogation after an hour as Jennifer was struggling to talk, as she had a really sore throat.

Would the people who are going to the lunch which the Easingwold Ladies Group are holding on the 18th May 2018 please meet at Sheriff Hutton Village Hall at 11am prompt, we have to be there for 11.30am.

The next meeting is on the 9th May when Jeff Andrews is coming to tell us about the "Amusing Anecdotes of a Removal Man". Sheriff Hutton Village Hall 7.30pm

THE METHODIST CHURCH

In February the guild heard about TWAM "Tools with a Mission". At the same time at a village for orphans in Uganda, which our church supports, a group of people from Wales also heard about TWAM. You can read what happened elsewhere in this News. It is amazing how when you are doing some Christian mission these coincidences keep happening. We do hope you will be able to help us collect a lot of tools for this charity and who knows what other coincidences may happen. If God is in it they surely will.

“Tools with a Mission”

A topic which the Methodist Guild at Sheriff Hutton heard about in February.

What is it:-

A charity in the UK with 200 volunteers around the country, our nearest contact is in Middlesborough.

What do they do ?

They provide tools to countries (mainly in Africa) which enable people to earn a living and support themselves. This is a switch “from aid dependency to self-sufficiency”.

An example My daughter was in Uganda in February where Anthony had just finished an apprenticeship in carpentry. He wants to start a business, good tools very expensive. In a garden near Entebbe airport friends saw several containers and they were told they belonged to TWAM. One e mail later and they were told that a tool kit beyond Anthony's wildest dreams had been put in a container which he can pick up for £10 in 3 month's time. Thanks to “Tools with a Mission”.

What we would like to do.

Collect any tools you have that can be refurbished and get them to TWAM so that they can get to the people who desperately need them to make a living.

TOOLS WITH A MISSION COLLECTION DAYS SATURDAY MAY 19th and 26th from 10a.m. to 12 noon in the Miss Ward Room at the Methodist Church.

If these times are not convenient please contact Philip Barber 878367, Howard Maw 878576, Eric Hayhurst 878471.to arrange a convenient time.

Any tools used in building, agriculture, electrical, motor mechanics, any trade tools. Typewriters, sewing and knitting machines, material such as bedding sheets, blankets, pillow cases, duvet covers NOT curtains. If in doubt, we'll collect.

Thank you for your help.

History Group

March 19th : we were very pleased to have a visit by members of the Terrington History Group who were very interested in viewing our archive store and to look at areas of common interest. We spent an afternoon exchanging information and exploring ways of working together. Sheriff and Terrington are closely linked in many aspects, especially the links with the Castle stone being quarried near Terrington. Both groups hold talks on subjects related to local history and we all felt that we benefited from friendly discussion and resolved to cooperate more closely.

March 27th : Roy Thompson gave us an informative, humorous insight into the work of Archibald Pugin named as 'Gods architect' due to his design of at least 100 churches, also the Palace of Westminster, Alton Towers and St Giles RC church in Staffordshire. His influence can also be seen in York with St Wilfred's church, St Paul's Holgate and the Theatre Royal. Archibald Pugin had a checkered history, a man of many skills, he led the Gothic revival and influenced the Arts and Crafts movement, but sadly never gained the recognition he deserved.

Our grateful thanks to Roy for a very interesting presentation.

Diary dates:

Friday 25th May 7.30pm Village hall - Shakespeare's Guildhall - Stratford upon Avon has long been famous for the surviving buildings connected to the playwright William Shakespeare: his birthplace, parish church and New place. However, research by archeologists from the University of York has shed new light on Shakespeare's school, located in the medieval Guildhall of the Holy Cross. In this talk Dr. Kate Giles will share her discoveries about this building, explaining its medieval origins and similarities with the Guildhalls of York. We are so pleased to welcome Kate back to Sheriff her previous talks The Middleham Jewel and The Pickering Murals were brilliant. If you enjoyed these talks then you can be sure of another excellent presentation. Members £2 Visitors £3 inc refreshments.

Tuesday 26th June - Roy Thompson and Neil Hodges will give us tour of the St Helen's Church with its treasures and monuments. Meet at St Helens Church 7pm.

Research sessions : Mondays 1 - 2.30pm Village hall - May 7th 21st, June 4th, 18th, July 2nd, 16th, donations to the archives can be scanned and recorded. Contact 878136 for further information.

Sheriff Hutton Gardening Club

Unfortunately our scheduled speaker was unable to be with us for our last meeting, but the RHS medal-winning N.Yorks artist, Bridget Gillespie, kindly stepped in and entertained us with an enjoyable canter through the art of botanical illustration over the last 4000 years. This was the last of our talks until September, but Spring has sprung and the club now has a number of outings for the summer months. For May we have booked a very special garden visit to Peter Williams' beautiful garden at Weathervane House in Seaton Ross on Tuesday 16th. Either meet in the village hall car park at 1.15pm or take yourselves to the garden for 2.00pm. In other months we have a long awaited visit to Mount St John's at Felixkirk and a day trip to Dalemmain House and Church View in Cumbria.

Sarah Anderson is looking for volunteers to help with various jobs at the Village Show. If you would like to lend a hand, please get in touch with her on 01347 878418'

Tony's tips for May.

1. Sow hardy annual flower seeds directly into the prepared seed bed in shallow drills approx. 10cm apart. Sow thinly to avoid spindly seedlings and tedious thinning out later.
2. To avoid frost damage plant out half-hardy annuals e.g. Tagetes, Ageratum and Salvias no earlier than about 10th of May.
3. Sow vegetable seeds direct now that the soil has warmed up. Peas, beans, carrots, lettuce, beetroot etc. Protect the seed bed rows from birds.

World War One Centenary

This year of 2018 marks the centenary of the end of World War One. A few of us (Michael Charlton-Weedy, Penny Bean, Eric Hayhurst and myself) felt that it would be really good to acknowledge this centenary over the weekend of 9th, 10th, 11th November through a series of village events.

Remembrance Day actually falls on Sunday 11th November and the Remembrance Service will be in the parish church, as usual, given that is where the memorial is situated. Both the parish church and Methodist church really want the service to reflect the village and those who went to war and those who did not return. Other possible ideas so far include a WW1 related concert from the Drummers whom you may have heard at the Village Christmas Celebration, a display in the Village Hall with photos and artefacts, life-size silhouettes representing those that died, a memorial garden, a social history of village life in 1918, stories of your grandparents or great-grandparents who may have taken part in the War. All these are initial suggestions and it would be really helpful to work with, for example, the History Group, the Village Hall, both churches, the Parish Council, the primary school and others to make this a most memorable weekend.

The idea is to have a small working group of about 10-12 people as the main planning group representing key village groups and organisations but that many others would also be involved in various ways. We are really keen to involve other groups or individuals so if you are interested please contact Jill or Neil Hodges on 878595 and jill.hodges57@btinternet.com, Penny Bean on 878392 and p_bean@btinternet.com or Eric Hayhurst on 878471 and ericandeileen@hotmail.co.uk. We intend to hold the first planning meeting on the afternoon of Wednesday 9th May so please do let me know if your organisation is interested by then.

Playgroup

Playgroup will be holding our annual AGM on 13th June at 8pm at The Highwayman.

We are a friendly and welcoming committee, we need our parents and wider community to help support the running of Playgroup, we hold 6/8 meetings per year and other than that otherwise we are generally only asking for support at fundraising events. Please come along on the night if you are interested in joining the committee.

As my youngest child will be starting school in September I plan to resign as Chairperson so we will be looking for someone to take over this role from the AGM. Please contact me for more information, mollywalford@hotmail.com or 878127, I am happy to help and support the new Chair in their role. Playgroup cannot run without a Chairperson, Treasurer or Secretary so it is crucial that a replacement is found. No specific experience is required nor is having a child in Playgroup.

Sheriff Hutton Primary School

We are now in the summer term at school; children and staff are looking forward to a few lovely, sunny weeks. It is an exciting time of the year with sports days, school plays and educational visits.

The themes for this term are quite varied including aspects such as 'Light and Shadows', minibests and of course later in the term the World Cup! We hope the children will enjoy finding out about these interesting topics.

In May some of our Year 6 children will be taking part in the annual visit to Sweden, this is a very thrilling trip with lots of new experiences and new people to meet. We hope they have a great time.

Our Erasmus project continues to be very successful, the children are currently creating a maths glossary to share with our European partners and we are incorporating maths into our PE sessions.

You can find out more about the school and the activities the children are involved in on our school website www.sheriffhuttonschool.org

As the seasons change so do we...

Easter may now be a distant memory as we rush headlong through spring and look hopefully to a good summer of warm and sunny days and balmy nights; roll on summer!

Back to the here and now where in our church calendar we celebrate the season of Easter for 50 days until we arrive at the feast of Pentecost, celebrated this year on 20th May. It was at Pentecost when the disciples witness the birth of the Church in the coming of the Holy Spirit to indwell all believers – the Church was born.

As I walked to church today it was one of those moments that we all experience now and then, it was such a pleasant experience reminiscent of a warm embrace, feeling the light breeze on my face and warmed by the sun. I took a deep breath to smell the air and felt such a sense of peace. Certainly, spring is slipping into summer and if you haven't already had a spring clean it's never too late. If you haven't we could use this time to dust ourselves down, shake off the cobwebs and perhaps look at doing something new or making a fresh start (that something you have always wanted to do but never quite got round to it).

As the seasons progress we witness the changes in nature all around us, we see things grow and growing things change. It is the same for us, for you and me on our life journey, as we grow as we age, we change, our bodies change, even our thought processes change, we alter our opinion, we move a point of view; we mature.

It is no different spiritually, we grow as we age and we change, we grow in our understanding of the Scriptures, we deepen our faith, learn the ways of Jesus as we seek to imitate him. The huge difference here is between naturally growing maturing and spiritually maturing. As we spiritually mature we see the hand of God in people, places and all sorts of things around us. I hope as you read this that Holy Spirit fills you and blesses you. When you next look out of the window or leave the house take a moment to look a little longer at what is changing around you, let a thought linger a second or two on the amazing awesomeness of new creation that is on your doorstep; thank God for another year in which to appreciate just what we have around us. And if I may be so bold as to suggest imagining that warm breeze, that gentle ray of sunshine, as you feel it, experience it, in your mind's eye imaging the tender touch or warming embrace of a God who loves you more than you could ever imagine.

May the Spirit of Pentecost bless you, fill you and refresh you.

Blessings, Steve.

No Prize Last month we asked whether anyone had noticed anything strange about the April edition of Village News. Three people spotted the correct answer which was that April was issue number 582 and March was 580. Two years ago we forgot to change the issue number – last month we corrected that error.
