Public Rights of Way

The Parish Council is very concerned that, despite several letters to NYCC, Rights of Way across Sheriff Hutton Park have not yet been reinstated and that there still is no satisfactory signage down The Coach Road following granting of the Right of Way. Further letters are to be sent to NYCC and to the County Councillor Caroline Goodrick. The Parish Council would like to express their support and thanks to the group of local residents who monitor the situation regarding Public Rights of Way in our Parish.

Youth Club

It's always lovely to see our young people meeting up with friends on a Thursday night. We are pleased that they continue to do so even when they are now attending so many different secondary schools! However, our overall weekly numbers are low, so we are planning to cut down sessions to **fortnightly in November and December** to see if this encourages more regular attendance on those particular evenings. We're also planning a Christmas party – last year's was fabulous – for all our regular attenders! For more information, please join our Facebook group: Sheriff Hutton Youth Club or contact Caroline on 878242.

It was lovely to see Panda, our North Yorkshire Youth Leader at a session in October – as usual she brought some fun games to bring out tactical and team-building skills! We would also really like to thank Jill Anfield for her time as our Treasurer and for all her very practical advice and support since Youth Club was re-launched. Finally, a call out for our Youth Club Leaders – Jess, Richard, Jed (and Billy during vacations) – for their loyalty to the club and for providing a safe, warm, dry meeting place for our young people.

Your Village needs you

You are invited to the World War 1 Centenary Commemoration for Sheriff Hutton and Lilling.

World War 1 ended 100 years ago, with the Armistice on November 11th 1918 at 11.00 a.m. At this point all fighting stopped on all of Fronts - the Western Front, the Italian Front, East Africa and the Middle East. At least 134 people from Sheriff Hutton and Lilling went to war. 33 did not return.

A Garden of Remembrance will be set up in the Square where you will be able to place a British Legion Cross in memory of any member of your family or friends who have taken part in any conflict, about 2 weeks before November 11th (and will remain in place for a week after)

A cross will be placed for all those connected with Sheriff Hutton who lost their lives and those who took part in WW1 - a total of 133. Anyone who would like to sponsor one of these crosses or get a cross for someone they wish to remember who may have taken part in any conflict or having been in the Services can order or get one from Neil Hodges 01347 878595. We have ordered 250. The recommended minimum donation for each cross is £1.

The Memorial Garden will be decorated with knitted poppies. These have been knitted by people throughout the village including the Primary School.

There But Not There. You will notice that "ghostly", figures of those who died in WW1 from the village will appear around the village. Where possible they are placed near to where they lived.

An Exhibition of Memories and Thoughts. This will be open in the Village Hall on Saturday 10th November from 11.00 a.m. – 4.00 p.m. It will also be open from 1.00 p.m. – 2.00 p.m. on Sunday 11th November. There will be refreshments available – all contributions of cake will be gratefully received – contact Jill Hodges 01347 878595

The Village Remembrance Service. This will be held in the Parish Church – St Helens on Sunday 11th November and will start at 10.40 a.m. The names of those who died in service will be read out.

A Centenary Commemoration Concert. Will be held in the Village Hall at 2.00 p.m. on Sunday 11th November. There will be Poetry, Readings and Singing. Local poets and performers will read their work and perform. Children from the school will read or sing. Local singers – The Drummers will sing songs about going to war and lead everyone in singing well known songs from the time.

We Will Remember Them

History Group

Alan Rowley organiser of the Yorkshire True Tours gave us a knowledgeable and entertaining talk about York from its Roman foundations (Eboracum) through Saxon times (Eoforwick) to the Viking settlement (Jorvik), a fascinating tour through the history of this beautiful city.

Places to visit - Number 33 Stonegate has a little red devil sat up on the corner of the building, this carving denoted a printers shop and it was said to be blamed for any printing errors, the nickname 'printers devil' was given to the poor printers assistant.

In 1840 the Nave roof in the Minster caught fire causing damage to the eight bosses, during restoration the work the bosses were as before but the Nativity scene shows the Virgin feeding the baby with a bottle not breast feeding, a contribution to Victorian modesty. Next time you visit the Minister take your binoculars and gaze upwards at the most wonderful craftsmanship.

A big thank you to Alan for a very enlightening evening.

Visitors to the Village:

September 13th found us hosting a visit from Gerry Metcalf based in Germany who is researching his family, one of whom was the village Blacksmith. Thanks to Nancy Megginson and her incredible memory and knowledge of village people we were able to help him in his quest. A visit to the Old Smithy and Church completed a very successful day for him.

September 23rd request from Chris with the Tourist board to bring an American couple to the village to complete their Richard III tour. Grateful thanks to Roy Thompson on duty at the Church and Pat Brooks at the Castle for giving freely of their time to give an informative tour around their respective venues. At the end of the visit our visitors both said that this was a memorable day that they would remember for a long time.

Tuesday November 27th 7.30pm Village Hall - Remembrance At this poignant time in 2018 it is right that we remember those who gave their lives for our Country and our Peace. **Neil Hodges** will be presenting **WW1 & WW2 including the Boer War**, it is also an opportunity to view Neil's publication 'Sheriff Hutton and Farlington War Memorials', an account of those who left to fight, those who returned and those who sadly didn't.

Entrance Members £2 Visitors £3 includes refreshments.

Sheriff Hutton Art Group : News of October's Workshop

The Village Hall was buzzing with activity last Saturday when the Art Group held their first workshop of the new season.

Eighteen enthusiastic members arrived with their watercolour kit in anticipation of the full day ahead. Tracey Krupianka, a well-known West Yorkshire artist braved the stormy weather across the Moors to lead the day's session. She had promised to provide a stimulating day and by 3.30pm everybody agreed that she had certainly passed on her enthusiasm for painting.

She sparkled with energy from the word go, explaining her techniques whilst demonstrating the background to a vibrantly colourful African sunset. Whilst allowing that to dry she proceeded to paint silhouettes of suitable trees and wild animals which could be added to the vivid background. Somewhat hesitantly, the group got to work on their versions of the theme whilst Tracey keenly sought to advise and encourage each individual. To many, the new experience of speedily painting animals was a little alarming but it soon became a fun challenge which produced some incredible results.

The day was interspersed with more demonstrations of her beautifully executed watercolour techniques showing the recession of tone in landscapes, reflections in water, simple boats and even hazy, loose ways of creating floral paintings at their best.

A great day from which everyone felt they had learnt so much.

There is no doubt that November's workshop will be equally exciting when Patrick Smith, Sheriff's very own professional artist takes the group through their paces with Acrylics.

Message from the Jumblies –

Our 19th Worlds Biggest Coffee Morning was another huge success. The weather was good and it was wonderful to see so many people with lots of “new” faces as well as all our loyal supporters. There was such a happy atmosphere and the Hall was really buzzing. We really enjoyed the morning and to see everyone having a good time makes all the hard work so worthwhile. The Macmillan Area Fund Raising Co-ordinator called in and she was so impressed with the amount of local people who had come along to support.

The total amount raised was £1034, including £173 from the Money Tree. This was another of Elaine’s more unusual creations. It took quite a lot of working out what it was and most people needed a bit of help before they realised it was a “Pan Tree” (pantry).

What will she come up with next year?

Thank you to everyone who came along and to those who either brought change for the Money Tree or who sent their change and donations if they were unable to attend. Please start collecting again for next year and spread the word. Tell everyone what a good time you had and maybe next year we will have even more people.

Following the sale of Jewellery to our contact at The Pickering War Weekend and our stall at the Kirkbymoorside Coffee Morning we raised £400 for Marie Curie.

This brings our running total for the year to £16,318

The result of our Jumble Sale for the Bowls and Cricket Clubs will be published in the December News.

Our next Jumble Sale will be on 24th November and will be raising money for International Rescue, which is a self-funded organisation. Its highly trained members go to help wherever they are needed following disasters such as earthquakes, flooding, tsunamis etc. One of the main people involved lives in Welburn and she came along to the Ladies Group to tell us what they do and how they need to raise money to pay for their equipment and travel costs. When we see these disasters on the television most of us wonder how we can help in some way. You can by donating your unwanted good condition clothing, bric-a-brac, books, toys, shoes, linen to help us to raise as much as possible for them. These can be brought to the Village Hall between 9am and 11am on the morning of the sale. The main sale starts at 2pm but the doors will be open at 1pm for the sale of books and cakes.

British Legion Memorial Crosses

People are invited to make a donation and place their memorial cross in a Memorial Garden by The Highwayman. The cross can be in memory of someone from the village or a relative who went to war or who died. If you would like to reserve your cross(es) please contact Neil Hodges on 878595.

Sheriff Hutton Play Area

After all the time and money spent on maintenance and repairs to the area to keep it in good condition and pleasant to use, it was extremely disappointing, not to say frustrating to find obscene graffiti on some of the equipment, which meant someone having to give up their time to remove it. There has also been other damage and vandalism in and around the Village Hall and the police have been informed.

In Sheriff Hutton we have not been subjected to much vandalism over the years but recently there has been an increase of unacceptable behaviour by a small group of children which needs to be stopped. Facilities in Sheriff Hutton are there to be enjoyed by everyone.

Friends of Sheriff Hutton Village Hall

It was a grand night for a murder on Saturday, October 13th when the Village Hall transformed into a candle-lit, 1920's nightclub murder scene. Fifty-one guests sat down to an excellent three course meal and a lively evening of eating, drinking and entertainment during which they helped Super Sleuths solve a complex crime set in the 1920's.

Four criminologists solved the crime and the prize was awarded by drawing lots. The evening raised over £500 for the Village Hall thanks to the guests, who paid to come to the event, and the people in the background who made it all happen.

Our next event is the Christmas Coffee morning on Saturday, December 8th

Village Ramble

The last of 2018's rambles which takes place on **Thursday, November 29th**, will take us through some local countryside for up to 5 miles at a gentle pace and end with a pub lunch. Sheriff Hutton Field Naturalists

Dave Newman spoke on Rainbows to Diamonds - shedding new light on the colour of crystals and gemstones and it was fascinating. As someone who didn't know that diamonds could be brown, sapphires pink and garnets green it really was fascinating to learn how colour interacts within crystals and gemstones. Dave also brought lots of different stones to have a look at, all in all a really informative evening.

Our next meeting will be on Wednesday 7th November in the Village Hall starting at 7.30pm when our speaker will be Andy Chapman who will be talking to us about RSPB Bempton, its history and current trends in the bird population.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday, November 8th** during the Toddler session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop in to Toddlers (if not attending anyway) while they are waiting but consultations with the Health Visitor are confidential and in a separate room.

The Gardening Club

Our November meeting, as many will remember is our AGM and restricted to members only. The official business is short and we have some puzzles and a delicious supper brought by members with drinks supplied by the club. We look forward to seeing you all for this feast on Wednesday November 21st at 7.30.

Gardening tips for November

- Turn off indoors any outdoor taps or insulate well. Bursts can be costly!!
- Cut back (prune) by about 1/3rd large-flowered (HT) and cluster-flowered bush and standard roses to tidy up and reduce wind rock. Climbing roses are treated in a similar way but retain the main stem framework.
- Sweep/rake up leaves from deciduous trees and hedges and compost them. Beech leaves make the best leaf mould but mixed leaves are quite suitable.
- Plant trees, shrubs, fruit bushes and roses if the soil is not too wet or frosted. Plants from containers should have their roots carefully teased out. Plant at or a little below the root ball compost level or with bare root plants, the soil mark on the stems.
- Dormant rhubarb plants can be lifted and divided every 5 years. Divisions should each have 2 crown buds and some fang roots if possible. Plant on a fresh site into well manured soil with the crown buds 5cm below soil level. Do not harvest during the first year.

THE METHODIST CHURCH

The charter of the United Nations was signed in 1945. It states "We the peoples of the United Nations determined to save succeeding generations from the scourge of war, unite our strength to maintain international peace and security ... have resolved to combine our efforts to accomplish this." We see the world is still a battleground today. People still seek power and control which could eventually destroy the human race.

Blessed are the peacemakers. We can all be peacemakers if we will look for the good in each other. May we find inspiration to do this as we share in the village remembrance occasions this month.

Message from Elizabeth Cushion

November brings with it Remembrance Sunday. This year the commemoration is even more poignant as it marks the signing of the Armistice. But as our thoughts turn to 100 years, there is also a reflection on 100 days.

On Sunday 4th August 1918, King George V and Queen Mary joined members of the House of Commons and House of Lords for a special service at Westminster. The King had asked for that date, the fourth anniversary of the declaration of war, should be observed as a national day of prayer. One hundred days later, the war ended.

As we mark this important milestone and remember all who gave their lives for their country, may we also pray for peace; in our world, in our country and in our communities.

Revd Elizabeth Cushion

A Message From The Village Hall

By the time you read this, the refurbishment of the toilets in the Village Hall foyer should be complete. This has been a significant project and helps to maintain the high standards at the hall, so it remains a welcoming place that people want to use.

The Yale lock on the main door is becoming unreliable and we are going to replace it on Friday 7th December. All regular user groups who have keys can collect their replacement key 10.00 -11.00am on Saturday 17th or 10.00 -11.00am on Sunday 18th November. If this is a problem, please contact me and we can arrange an alternative time for key collection.

A building that is more than 30 years old needs constant maintenance and the hall management is entrusted to do this on behalf of everyone in the community. Due to rising costs, from 1st January 2019, we are increasing hire rates slightly. The hall has to generate its own income to cover both day to day running and to pay for significant projects such the toilet refurbishment.

Thank you for your continued support of the Village Hall which is a resource for all. If you have any questions or comments, or would like to get involved, please feel free to get in touch.

Glebe Conservation Area – Advance Notice

The first Jumble Sale of 2019 on January 12th will be to raise funds for the Glebe, so hopefully there will be lots of jumble to raise funds for the on-going maintenance of this important village asset. More detail in December News.

A Sheriff Hutton Institution Under Threat: UCCC New Year Party (January 2019) POSTPONED

"The best party ever" was one of the many appreciative responses we had to January 2018's party with Thornton le Dale's Ukulele Orchestra stealing the show. But our committee (with busy lives and numerous commitments) is now so depleted that we have taken the decision, after much deliberation, to postpone the January 2019 party.

The United Christian Churches Committee was established over 50 years ago for the 2 churches to provide an annual party for pensioners who lived in the parishes comprising Sheriff Hutton, Lilling and Stittenham. The party was to be free with costs covered by an annual village auction and was organised by a committee of 11 (5 men or women from each church and a representative of the Catholic Church). And for over 50 years that is what has happened.

For those new to the village or who have never been involved this is what happens. On the first or second Saturday of January, party goers (around 100) gather at the Village Hall, with transport if requested. Hostesses give a warm welcome and a Sherry or Fruit Juice before our guests take their seats for a sit-down meal. Hostesses provide crockery and cutlery and a trifle. The committee supplies the food (cold meats and salads) and wine. Tea, coffee, cake, a free raffle and entertainment follow and a good time is had by all, not least by hostesses and committee members. There is no party bag but every guest goes home with half a dozen eggs. If people aren't up to coming, their tea is taken to them (we delivered about 12-25 teas each year)

But things change: now our committee is down to 5; the village has grown; the guest list has grown and although the party largely runs itself on the day we need more people power on the committee to help with planning and preparations..... and if more people volunteer we can have a Spring Party instead!

So what is involved and how can you help?

We need help working out who is eligible to be invited (without offending people by either inviting them or not inviting them). Our thoughts are that we should push the invite age up to nearer 70. We all seem to be active much longer and living longer. And if you are older and want to help in any way, well that is fine as well. We want everyone to sit down when they want to!

Other jobs include contacting hosts/hostesses; making invitations and delivering invitations and gathering RSVPs; coordinating lifts and teas out; contacting suppliers and shopping; preparing the Village Hall; preparing the food; clearing the Village Hall and returning items to storage

So, irrespective of your age, your gender (helpers don't have to be female and drivers don't have to be male!) and how long you've lived in the parish, the Party is a great opportunity to be involved in, a great village institution and truly community event. A connection with a church is also not a prerequisite as long as you share the aspiration of the original committee to provide, on behalf of the churches, a warm welcome and hospitality.

If you could help either on the committee or with any of the jobs listed, please contact any of the committee listed below. Without a significant rise in our numbers there will be no party in 2019.

We have also tentatively booked the Village Hall for a Village Auction on Saturday 6th April 2019. As the UCCC does not need to fundraise this year, we would like to invite any village groups who would be able to take a leading practical role, both in planning and on the day, to apply to help run the event and share the proceeds. Please just contact any of the people named below by Weds 14th November, so the committee can decide whether or not the auction can go ahead.

Sheriff Hutton PTFA Christmas Fair 2018

We're getting into the festive spirit early this year with our annual fair on the **1st December 1 - 4pm**. It will be a hive of activity with all the usual fun games and tombolas, stalls selling unique gifts, homemade cakes, fantastic silent auction, super raffle and a Christmas grotto ready for a special visit from you know who!

Don't forget, it's not just for the parents and children connected with school, **EVERYONE** is very welcome come along to the school and enjoy the fair!

Our raffle is another corker this year with prizes including dinner for two at the Crown and Cushion, York City Football tickets, haircut and half highlights at The Park in Hovingham, a bottle of Cooper King Gin, a bottle of Sloemotion, a luxury hamper, gift vouchers and many more treats!

This year our silent auction offers another set of amazing prizes too including: a family pass for North York Moors Railway, tickets to Thirsk and Ripon races and passes to lots of other exciting local events and activities.

A full auction list, entry forms and bidding boxes are available at the post office and the school office and bidding forms will also be available to complete and hand in during the Christmas fair. The minimum bid is £5 and all bids need to be in by 3pm on the 1st December (at the fair).

For a cheery and festive afternoon that also supports your village Primary School and Playgroup, why not pop by for a drink and a treat! Thank you for your support and a Happy Christmas to all.
