

Sheriff Hutton Village News

Number 594

April 2019

Because of the way Easter falls this year, we need your entries for May's Village News early. Please let us have them by **Tuesday, April 16th** at the very latest.

Sheriff Hutton Village Market

All the volunteers would like to thank everyone who supported Sheriff Hutton's first market day. The team itself has worked tirelessly and given their time so generously to get this venture off the ground, so thank you to everyone who has helped make this a great success. We were really overwhelmed with the positive support, and we are so pleased that so many people came and enjoyed the market.

Thank you to all the local residents for your help and apologies for any disruption. We'd also like to thank the local council for their support. This month St Helen's Church ran the cafe, and they were kept busy all morning making hot rolls and serving delicious homemade cakes, raising over £500 for the church which is fantastic!

The next market will be held at 10:30am on 14th April. There will not only be even more stalls, but those stalls who sold out of stock will ensure there will be ample supplies to cope with the demand. The market is run on a not-for-profit basis as we believe it is important to support local business, and bring wonderful produce to your doorstep. We do however need more volunteers to help on the day so if you can offer any time, please get in touch: mail@shvm.co.uk

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday, April 4th** during the Toddler session for anyone with pre-school children who would like to see her. Super-Mobile Library

The Super-Mobile library will visit the Village Hall Car Park between 10.00am and 12.00noon on **Friday 12th April, and Friday 26th April.**

Sheriff Hutton Village Hall Friends – 200 Club

March £25 prize winners were 97, 161, 212, 225 and 245.

Uncontrolled Dog in East End

There is a new unpleasant problem at East End. Someone is allowing their dog to roam unsupervised outside the properties. The result is residents often having to avoid treading in smelly dog waste at the bottom of their cottage steps or directly outside their garage doors. One resident nearby trod in some INSIDE her garage! PLEASE if you are a dog owner be a responsible one. Thank you!

Sheriff Hutton Village Auction - Saturday 6th April 2019

Bidding starts at 12 noon

A final reminder about our annual Village Auction we look forward to welcoming you to this great event, a must for those who like a bargain.

This year our annual auction will be raising funds for the History Group, Playgroup and School PTFA.

A final reminder of some **IMPORTANT CHANGES** to this years Auction.

Firstly, we are **ONLY** able to collect items on **FRIDAY 5th April between 6 - 8pm**. Please contact **Gill Noble 879045 by Thursday 4th April** to book in for our volunteers to come and collect items. Sadly we have frequently come across scrap metal dealers driving around during the weekend of our auction so **PLEASE DO NOT** leave any items unattended outside your home.

The Village Hall will be open as usual for you to bring items on **Friday 6 - 9pm** but we can only accept items on the **Saturday from 9 - 10pm** so we have time to get the hall ready.

The hall will be open for **viewing from 11-12 and the Auction will begin at 12 noon**.

If you are having a Spring clean (decluttering, experimenting with minimalism or 'sparkling' joy with Marie Kondo) we would be very grateful to receive donations of **good quality household and garden items** (sports equipment, indoor and outdoor furniture, office items, tools, tableware, camping gear, kitchenware etc).

We **CANNOT SELL** the following items : **large 'white' electrical goods, microwave ovens, mattresses, car seats, bike helmets, old TVs (pre-digital) and clothes.**

We can **ONLY SELL** upholstered furniture if there are current fire safety labels attached.

Please do not be offended if we cannot accept a large item (even a good sofa) if we already have enough for the auction. We have previously sold pianos 'unseen' by auctioning a removable part and letting the buyer arrange to collect the item from the donor. Moving very heavy items is not always possible and we do have to find a way to dispose of all unsold items and completely clear the hall on the Saturday evening. As a rule of thumb, we may have to refuse any items over 6 feet long or wide.

Light lunches and refreshments are available all day, and we are always very grateful for any donations of cakes and buns. **If you are able to help on the day for an hour or more on the Friday night or the Saturday and haven't already been asked please phone Anna 878180.**

We welcome helpers who will sort items, make collections (if you are a trader we would love to hear from you), and help as a 'runner' on the day. It's a really great village event, so do come along if you can and please invite anyone who enjoys car boot sales and amazing bargains.

Sheriff Hutton Art Group

On Saturday 23rd February the Sheriff Hutton Art Group held an all-day Workshop in the Village Hall. It was very popular and attended by the maximum allowable number of 21 artists.

The tutor for the day was Jeremy Taylor who had everyone producing landscapes in Oil Paint. He provided novel ideas, advice on good practice and many tips to aid the smooth generation of a collection of excellent interpretations by all the attendees.

A very enjoyable day was had by everyone who was there and even some of the experienced members stretched their abilities.

The next workshop, the last of this season, will be held on Saturday 23rd March in the village hall. The subject this time will be pastels and is fully booked again.

Sheriff Hutton History Group

William Morris - A big thank you to Roy Thompson for a very interesting and illuminating presentation about the life of William Morris who was influential in the Arts and Crafts movement. He became involved in the Pre-Raphaelite movement designing and painting frescos in the new Oxford University Union. He designed and made wallpaper and furniture with Sir Edward Burnes-Jones his lifelong friend; they designed and furnished the stained glass in Castle Howard Chapel. He was a man of the time, artist, designer, poet, politician, conservationist, his first wallpaper design in 1862 named 'Daisy' can be seen in use today. If you are interested in learning more about William Morris we have a handout about his life put together by Roy available from the History group.

Tuesday April 30th 7pm Village Hall Annual General Meeting followed at 7.30pm by a Social Evening with Refreshments and Archives. Members £2 Visitors £3

Since the Community Archive store opened in 2014, we have been very fortunate to receive many documents, photographs, maps and artefacts to preserve in the store which has given us an insight into the history of Sheriff Hutton. This evening is setup to invite villagers to help us identify some of the gaps in the archives and more importantly tell us your stories of living in Sheriff. We invite you to join us over tea and cakes to tell us your stories, watch a slide show, identify people and buildings.

Friday May 17th 7.30pm Village Hall - Trumpets fit for a Queen! An illustrated presentation by local resident Richard Smith who is probably best known as the maker of the Queen's fanfare trumpets, including those played at recent Royal Weddings. The media seems to love this type of story since they came from far and wide before Harry and Megan's wedding, from Australia to America, to interview Richard and view the hand-over of a brand new set of instruments to the musicians of the Household Cavalry at the Sheriff Hutton workshops of Richard Smith Musical Instruments Ltd. Richard will show one of these trumpets with its special embroidered "Royal" banner and discuss the workings of these very special instruments also how he came to become a master instrument maker after a career as a teacher, research physicist and inventor! Join us for what promises to be an excellent evening with the Queen's man! **Entrance on door Members £2, Visitors £3 inc refreshments.**

He is Risen!

He is not here, he is risen! Words which we will hear again this month as we end our journey through Lent and come to celebrate Easter. Amazing words that the disciples could hardly take in. They had come to see the tomb where Jesus had been laid and could not find him, so they searched around. Probably a mixture of puzzlement and pain filled their minds at that moment. They had come to pay their respects to a friend and now what had happened?

But of course, it was true. Jesus was not there. He was risen. It took some time for the reality to dawn on the friends of Jesus, but when it did, they were changed people. They met with the risen Jesus and discovered the truth that he was still with them and always would be with them. From there they went round proclaiming those words and what they meant, to let the world know that Jesus was alive.

As we come to Easter, we are reminded that Jesus really is alive. He comes to us and changes us too. And our lives are turned upside down by that discovery so that we live for him. Because of those amazing words, spoken so long ago and yet to each one of us, we can know our living Lord helping us, leading us and walking with us every day. He is risen!

I wish you a very happy Easter. Revd Elizabeth Cushion

The Gardening Club

Our last talk of this winter is on Wednesday, April 17th at 7.30 in the village hall when Stella Exley will explain her title :-

Camassia, Chris, Chelsea & Chaos

Our suggestions for your garden work in April are...

- Complete the pruning of Roses and other deciduous shrubs, Forsythia, winter jasmine and flowering currant should be pruned when flowering has finished.
- Apply a general fertiliser dressing around the base of roses and other shrubs, incorporate to a depth of not more than 25mm with a border fork. Use specific ericaceous feed [either solid or liquid] for Azaleas and other acid soil loving plants.
- Herbaceous perennials too will benefit from a general feed, particularly gross feeders such as Hostas and Hellebores.
- There is still time in early April to lift and divide herbaceous perennials such as Heleniums, Phlox and Asters etc. Take young healthy divisions from the outer edges of the clump and discard the old, woody central part. This process can be repeated every 3 years or so to maintain health and vigour. Take the opportunity to incorporate some well-rotted organic matter when replanting.
- As the soil warms up later in the month prepare outdoor areas and seedbeds for sowing hardy annual flower and vegetables seeds and potatoes sets eg, parsnips, peas and lettuce.
- Apply a spring fertiliser or combined 'weed & feed' product which should include a moss killer, to lawns. Do this when the grass is dry. Irrigate afterwards if there is no rain after 24 hours.

Sheriff Hutton Ladies Group

17 members attended the AGM meeting on the afternoon of the 13th March at which we had a very enjoyable lunch to which everyone had contributed. The AGM followed with the reports from the Chairman, Secretary and Treasurer and we welcomed Moira Parkinson to her new role taking over from Sylvia Roberts. The rest of the committee is to stay the same.

Our next meeting is a talk by Gail Lazenby who is the chair of the group "Street Angels York". Street Angels is a church led initiative that is made up of volunteers who want to help make York centre a safer place. Each Friday and Saturday night volunteers meet at the centre and groups of 4 people patrol the streets and visit pubs and bars. They help individuals needing information on safe places to stay etc. So if you would like to hear all about this please come along to our meeting.

10th April 2019, 7.30pm, Sheriff Hutton Village Hall.

Many Thanks. **Barbara Grinham (01347878476)**

Message from the Jumbles

The heavy rain and winds did not put off our regular buyers and in fact we saw some new faces too at our March Jumble Sale which was another huge success with £2023 being raised for the RNLI. The final total for the PTFA Jumble Sale was £2157 so this brings our running total to £6488. Many thanks to everyone who supported our sale, which is really appreciated.

Our next Jumble Sale will be on Saturday 13th April at 2pm in the Village Hall to raise money for York SANDS, the organisation which provides support to those who have suffered the bereavement of a child. This brilliant group of volunteers work so hard raising money to provide facilities for ongoing support for parents and families who have suffered loss.

Your donations of good condition clothes, bric-a-brac, toys, books etc will be very much appreciated and can be brought to the hall between 9am and 11.30 am. We will then be closing the doors to enable us to get ready for opening at 1pm for the sale of books and cakes and then 2pm for the main sale. If you have jumble which you would like to donate but are unable to bring it on the morning of the sale, then please contact me or any of the Jumbles and we will try to make alternative arrangements.

Your continuing support is so important to us.

Village Market on Sunday, 17th March

Thank you to everyone who supported this wonderful village community event. We were able to raise £500 – £600 from the café so a huge thank you to everyone who came.

The Churchyard

We try to keep the churchyard safe and tidy, as well as keeping the balance with a conservation-friendly one. We understand completely that families like to place Christmas wreaths, plants, flowers and decorations on their loved ones' graves, but we would ask for your help in removing any that are past their best in time for the Easter ones. We can help by tidying them just before Good Friday but please do let me know if this is sensitive for anyone. If any of the Christmas decorations are more permanent, we will store them in the church so that they can be reclaimed. Please could we also ask that flowers are placed around the foot of the gravestone to aid mowing wherever possible.

Thank you for your help, it is much appreciated.

Jill and Neil Hodges (Churchwardens)

Friends of the Village Hall

The Elastic Band. A wonderful evening on March 9th was enjoyed by over 80 people who came to enjoy the fantastically talented *Elastic Band with Jack & Caryn* and their wide-ranging repertoire. To that must be added the much appreciated, delicious supper prepared by the Friends and some 'friends of the Friends' who generously donated salads and desserts. The evening raised £1,080 for the Village Hall and many people, as they left asked "when's the next one" – a sure sign that the occasion had given pleasure and value for money.

Village Hall Clean-up. The village hall spring clean took place on March 2nd when a dozen people turned up to do those jobs that cannot be done during the routine cleaning – taking the radiator guards off to enable a thorough dusting behind and under them, high level dusting and cobweb removal washing the entrance and a complete turn-out and clean of the kitchen. Achieving the good results was one of those times when work became a social occasion. Why not come along and join in next year?

The Frozen Roman. Just a brief reminder that the Badapple Theatre Company are back with us on Sunday, June 9th with their play *The Frozen Roman*. They will be performing from their mobile stage so the problems with audibility experienced by some people at the Amy Johnson play should not happen this time.

Sheriff Hutton Tennis Club

The AGM was held in March and the President, Beryl Haigh opened the meeting by saying how saddened she was to have to record the death of Pauline Hull, a stalwart and supportive member for over 40 years and a committee member until 2008. Pauline played in all the teams and also in the club competitions where her name is on all the trophies. She was a key player in the Fulford League Ladies team from 1980 to last year, when she helped the team gain promotion back to Div 6. Pauline was also a great baker and her contributions to tennis teas were appreciated by home and visiting clubs. She was happy to pass her skills on to the next generation and helped run practice sessions for the younger juniors.

Beryl asked members to stand and observe a minute's silence while they remembered Pauline and the important part she had played in the club's history...Pauline will be sadly missed by all at the club and she wished to send deepest sympathy to Granville and family.

Sheriff Hutton Field Naturalists

We had some interesting specimens at our last indoor meeting (and I'm not talking about the members!). Ranging from a 1,000 year old piece of oak, via fossils stretching back millennia to geological samples from Shetland, there was much to see and learn about at members' show and tell.

Our next meeting is our first field trip of the year. We'll be visiting RSPB Fairburn Ings on Sunday 7th April, meet at the Highwayman Car park at 10am. This will be an all day trip so you may want to bring something to eat. There is no cafe at Fairburn but there is a "grab and go" facility serving hot drinks and snacks. Parking costs £4.00.

The programme for the rest of the season is as follows:

- May – Ashbury Rievaulx meadow
- June – Hutton le Hole fossil beach
- July – Pocklington Canal and possibly a boat trip
- August - Blacktoft Sands, Goole
