## **Monday Evening Badminton**

Due to the successful Monday evenings we've been having these last few months and also due to popular demand from the players the Badminton sessions will continue until Monday July 8th, with the exception of the two May bank holidays on the 6th and the 27th.

We play on Monday evenings in the Village Hall from 7.30 until 9.30pm. They're quite informal sessions, with players rotating around so everyone gets to play with everyone else. Players of all abilities are welcome and it's usual that near beginners, or those that are a bit rusty, quickly improve! There is a charge of £6 per session (after the first free session for new players) to cover the cost of the hire of the hall. (Alternatively, £36 for the term, 8 sessions from May13th to July 8th.) There are a few spare rackets in case you don't have one and want to give it a go before committing!

Please contact Philip (07763 195901), John (07484 736107) or Ann (878681) for further details."

## **Glebe Conservation Area Saturday 18<sup>th</sup> May 10.30 a.m.**

If you've heard about but not seen the above and wondered "What and where is it?", then wonder no more. Just wander down to the gate between 14 and 15 The Croft for a brief tour of explanation of the Glebe which includes the medieval motte-and-bailey castle and neighbouring historic churchyard, all dating from around 1100AD. The Glebe and churchyard have significant importance, particularly with regard to their history and conservation.

The tour of these public assets will be led by the Trustees and wardens.

Around 11.30am there will be coffee or tea and biscuits served in the church (w.c. available!).

## **Village Ramble**

This month's ramble will be on Thursday 30<sup>th</sup> May and is a circular walk of about 5 miles around the perimeter of the Beningbrough estate. It is a flat walk with good views of Beningbrough Hall, the surrounding parkland and the River Ouse. Lunch will be at the pub in Newton on Ouse and we should be back in Sheriff by 2.30pm. Meet at the Village Hall car park at 9.30am, lifts are always available. This month's walk is led by Richard and Wendy Haste; further details from [richardhaste@btinternet.com](mailto:richardhaste@btinternet.com) New walkers are always very welcome.

## **Rogation Sunday at Farlington**

The Rogation Service at Farlington – to bless the crops, farm animals and the work of farmers – will be on **Sunday, May 12<sup>th</sup> at 3pm** and be held at Farlington Grange Farm, just outside Farlington on the road to Sheriff Hutton (it will be signposted).

The service will take place in and around the farm and after the service there will be an afternoon tea (£5 adults, children free) for all to enjoy.

Come along for this service for a farming community, meet the animals and enjoy the tea!

## **Farlington Church at Sheriff Hutton Village Market**

This month, the Village Market café will be run by Farlington Church. Please come along and support us, enjoy our excellent refreshments and find out how many wonderful and diverse stalls there are at the market.

## **SHERIFF HUTTON ART GROUP**

**Saturday 23<sup>rd</sup> March saw the last art workshop of our current season before the 46<sup>th</sup> Annual Easter Exhibition.**

We were extremely fortunate to be able to have such an experienced and well-known tutor as **Robert Dutton**, as our pastel artist tutor for this workshop. Robert stepped in at very short notice, to replace our booked artist who cancelled at the last minute.

**Robert Dutton** guided us through the day with an inspirational demonstration of his expressive approach in the use of this versatile medium. He is an ambassador for a number of companies who deal solely with art materials so he was able to offer much advice on the various merits of papers, pastels and fixatives of which he has specialist knowledge.

He began the day with an in-depth talk and fascinating demonstration in which he began to map out the development of his picture, after which he offered us all a selection of photographs of landscapes from which to choose to work.

Without a doubt, the approach he encouraged us to take provided quite a challenge, however the results of the day's endeavour were extremely good. Undoubtedly, there are some talented artists in the group.

## **Open Studios in Sheriff Hutton**

As part of North Yorkshire Open Studios again, the Sheriff Hutton studios of Justine Warner and Patrick Smith will be opening their doors over the two weekends of 1<sup>st</sup> & 2<sup>nd</sup> and 8<sup>th</sup> & 9<sup>th</sup> June. This will be the third year of opening their studios to the public which has previously been a good community event. This year the open studios is artist-led including their own publicity so please spread the word. NY Open Studios boasts approximately 100 artists across Yorkshire so plenty to see of all tastes. Artists can be viewed on their website or pick up a brochure from either of us at the next village market. It will be lovely to see some of you again this year. The kettle will be on at both Laburnum Cottage and Nesslyn, West End!

## Gardening Club

We are now past the winter talks for this year and into summer visiting.

On May 15<sup>th</sup> we have arranged a visit to the Himalayan Garden at Grewelthorpe. This is a most interesting hillside and river area with many less common plants. It has been established for several decades and is a real joy to see tucked in a secret valley in north Yorks! Please will those requiring a lift be outside the village hall at 1pm. For those making their own way there, please be at the garden entrance by 2pm. The club are treating members to a short talk by one of the guides.

### Gardening Tips for May

- Plant out half-hardy annuals, sometimes referred to as summer bedding plants and also plant up containers and hanging baskets. It is wise to delay planting until about May 10<sup>th</sup>, this lessens the risk of frost damage.
- Prune evergreen and grey leaved shrubs as needed, they will quickly recover if done in May whereas winter pruning can be fatal.
- If frost seems likely emerging potatoes foliage can be protected by covering with fairly fine soil [a first earthing up] Alternatively cover the plants with fleece or other protective material.
- Plant out Brassicas on prepared soil which an application of lime will prove beneficial. Firm the plants in and water well.
- Make sowing or further sowings of broad beans, peas, carrots, beetroot, spinach and salad plants. Water the seed drills prior to sowing.
- Runner and French beans can be sown in the open towards the end of the month. Plants raised in modules or small pots under glass or a cloche tend to be more reliable. They can be planted out in early June, likewise marrows and courgettes.
- Mulch around trees, roses, shrubs and herbaceous perennials with well-rotted compost or manure [not fresh manure]. Apply the mulch after rain or watering and NEVER to dry soil. Be generous, 50 to 75mm [2 to 3 inches] is the minimum depth needed.

**Lonely? Need to get out more?** Want a new dimension in your life? Bowling in the fresh air and with relaxing recreation in interesting company? Could be one off your bucket list!

**Sheriff Hutton Bowling Club has been providing all these in quality facilities for nearly 60 years – either social bowling or in competitive leagues.**

Outdoor bowling has now commenced and Monday afternoon sessions for old and new players or those who want to look around. Coaching and equipment available. Come down about 1.45 for a 2pm start. For enquiries email [thompsonroy5@gmail.com](mailto:thompsonroy5@gmail.com) or telephone 01347 878644

## Village Auction

The sun shone, the bidders came, auctioneers Helen and Dick did an amazing job with few items remaining when we closed the auction at 3.57pm - total raised £2,085 - how good was that? The final sum will be shared between voluntary village groups Playgroup, PTFA and History Group all who gave their time to the weekend. Grateful thanks to villagers who donated their treasures for this great community event, a heartfelt THANK YOU to those involved in the planning and to everyone who volunteered time during the weekend. Excellent picker-uppers and sorters on the Friday evening. A special mention to Julie who stepped in as Day Manager with all her usual brilliance, cheerfulness and non-stop hard work. To Nick for a very generous and efficient clearing of unsold items at the end. Thanks also to the kitchen team for the non-stop supply of refreshments enticing people to follow the tempting waft of bacon butties .....

Volunteers on the day were noted by visitors for their helpfulness and welcoming smiles so again a HUGE thank you to everyone, an extra thank you to two of our youngest volunteers Kirsty Noble and Sarah Davidson who worked all weekend with such energy and enthusiasm, never stopping until the end, no task too much for them. A wonderful team effort throughout the weekend. To have cleared the hall by 6pm was a 'first'; starting the auction at 12noon could have played a part in this. Looking forward to the Auction weekend in 2020.

Caroline and Meg

## Sheriff Hutton History Group

March meeting - Northallerton Records Office archivist Anthony Hughes gave us an interesting insight into the ongoing research and the historical documents that are currently held in the Record office. We learnt that the staff at the Record Office give advice on repairing documents, have AN online shop with catalogue, micro films available to copy, help with any community group projects, advice on how to store items, plus their personal help when a booking is made for personal research. The Records Office is open daily except Thursday, contact 01609 777585 if you wish to visit or [archive@northyorks.gov.uk](mailto:archive@northyorks.gov.uk)

Richard will show one of these trumpets with its special embroidered "Royal" banner and discuss the workings of these very special instruments; also how he came to become a master instrument maker after a career as a teacher, research physicist and inventor! They work alongside the Police and Ambulance crews.

### Message from the Jumbles

Despite the very cold and windy weather our last sale was very well attended. Many thanks to everyone who supported by donating jumble and making cakes etc. The amount raised was £2080 and the money will go towards the cost of fitting out the new room for Maternity Bereavement Support at York Hospital that the volunteers from York SANDS use.

Our total for the year to date now stands at £8568.

Our next sale will be on Saturday 18<sup>th</sup> May at 2pm in the Village Hall, raising money for Riding for the Disabled, Shipton branch. Again, your donations of good condition clothes, bric-a-brac, toys, books etc will be very much appreciated and can be brought to the hall between 9am and 11.30 am. We will then be closing the doors to enable us to get ready for opening at 1pm for the sale of books and cakes and then 2pm for the main sale. If you have jumble which you would like to donate but are unable to bring it on the morning of the sale, then please contact me or any of the Jumbles and we will try to make alternative arrangements.

Your continuing support is so important to us.

Penny Bean – 01347 878392

### Sheriff Hutton Field Naturalists

A small but perfectly formed group enjoyed a visit to Fairburn Ings and had plenty to see despite the earliness of the year. Birds seen included Shelduck, Teal, Lapwing and Great Crested Grebes and there were plenty of wild flowers such as Speedwell, Honeysuckle and Marsh Marigolds to enjoy as well.

Our next trip is on Saturday 4<sup>th</sup> May when we will be going to Ashbury Rievaulx Meadow, one of the finest ancient woodlands in Yorkshire, which is bordered by flower-rich limestone grassland on the valley sides and a marshy valley bottom through which a crystal-clear stream flows. Paths can sometimes be muddy so wellington boots are likely to be the best footwear. Please meet at The Highwayman Pub car park at 10am. A request from our Chair, Dave to members, please let him know if you are not planning to go on this field trip so that he has an idea of numbers and can be sure how many are planning to take part as parking is quite restricted for this site. There are no facilities at Ashbury Rievaulx so please bring a drink and a pack up.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Jim on 878667 or Tricia on 878995.

## **It may be May, but it's still Easter...**

Well Easter Sunday came and went, the chocolate eggs have probably all but gone and if you have children or grandchildren young enough, the Easter egg hunt round the house or garden is becoming a distant memory. We all too easily move on in our hearts and minds as life – the demands of everyday living – the hurly-burly of the here and now forces us to look forward, forward to something brighter, something better, we hope. So, in this, the May edition, I would like to gently remind us that although we are in the month of May it is still the season of Easter which lasts for 50 days, until Pentecost.

This is the season that gives us more hope and encouragement about our future than any other. Easter and the Resurrection of Jesus speaks of the power of God to bring about new beginnings; Easter speaks to us of the forgiveness God offers us through the death and resurrection of Jesus. The whole of the Easter story could be summed up as 'new life and fresh starts' as that is what we, every individual, is freely given and it is there for the taking.

During Lent I led one of the Deanery Lent Course evenings and in it we looked at a text from the Prophet Jeremiah. 'For I know the plans I have for you,' declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future [Jer 29.11]. God gave those words to Jeremiah 300 years before Jesus was born. I want to encourage all who read this, I want to encourage you not to lose hope, and to know that God has your best interests at heart. I want you to claim for yourself the power of the resurrection and to know that you can approach the throne of grace and be forgiven and blessed with the knowledge that you have a God who loves you and gives you a new start and a fresh beginning. No matter who you are, what you have done or where you have been, my Saviour and Lord, Jesus is waiting with open arms. No matter how the future looks we don't have to face it alone and we have a hope that is bigger than anything the world can throw at us.

In this season of Easter be blessed.      Rev Steve

## Village Market – Where Do The Funds Go?

Our first village market in March was very successful as was the Café which was run by St Helen & The Holy Cross volunteers who raised £730 towards church projects. A huge 'well done' to Jill Hodges and her team of volunteers. The Café is an integral part of the market and a good way for local groups to raise funds as all funds raised are retained by the hosting café group.

"How is money raised on Market day and what happens to it?" was a question asked by many at the last market. The answer is that at the end of the year all money raised by the market through stallholder bookings (after expenses e.g. stall hire, rents etc) will go into an annual 'pot' where village groups can apply for funds for a particular project or equipment.

Groups hosting the café retain all profits they make and, as the market is reliant upon a monthly café, we would like to encourage as many groups as possible to take up this opportunity. By showing they are willing, these groups will be given immediate consideration when requesting financial support from the market 'pot.' More details will be made available at the end of the year with regards to the funds available and how to apply for them on behalf of your group.

If you are part of a local village group and are interested in hosting a café but feel that you do not have enough volunteers to run it, perhaps you could work with another group and share the profits? Alternatively, we the market, can assist you with some voluntary support if required. If you would like to run a café this year we do have a vacant spot in June ..... give us a call for further information.

Meanwhile, if you are able to spare an hour or so of your time to help a group who need an extra pair of hands serving refreshments on market day, please do let us know.
