

# Sheriff Hutton Village News

Number 609

July 2020

**Coronavirus (Covid19)**  
**The following activities and events are CANCELLED**  
(at the time of going to press)

	Regular Activities (Cancelled until further notice)			
Sunday	All church and chapel services			
Monday	Yoga with Sarah			
		Pilates	Over 60's Lunch Club	Circuit Training
		Drop in for Coffee	Yoga with Sarah	
Thursday	Babes and Toddlers	Youth Group		
Additional Activities in July – See Back Page				

## West Lilling Pavements

Please could all house holders be mindful of their hedges and greenery, including grass and weeds, over-growing the pavements. It is becoming increasingly difficult in places for pedestrians to walk along the footpaths without having to step onto the road. I am sure you are aware this is extremely dangerous, especially for the elderly and those with young children, as we experience quite a number of vehicles, including heavy goods vehicles, using our roads.

Lillings Ambo Parish Council

## Sheriff Hutton Pre-school Playgroup

Sheriff Hutton preschool playgroup reopened on 2<sup>nd</sup> June following the temporary closure due to coronavirus. We are open Tuesdays, Wednesdays and Fridays as normal and have stringent rules and hygiene measures in place to help protect the children that have returned. Please get in touch with us if you are ready to send your child back or if you would like to find out more about the measures in place.

Also, the playgroup committee are looking for new members and have some roles that need to be filled. You do NOT have to have a child attending playgroup to be on the committee. We are also holding the AGM on 8<sup>th</sup> July. If you are interested in finding out more about joining the committee or would like to come to the AGM please contact Lexi Philips on 07817 599471.

## Super-Mobile Library

All North Yorkshire library services are closed until further notice. There is a range of e-books and publications available to download, visit <https://www.northyorks.gov.uk/libraries> to start your search.

## Sheriff Hutton Village Hall Friends – 200 Club

June's prize winners were £150 – 102, £100 – 16, £50 – 23, 78, 90, 148 and 170, £25 – 12, 138, 156, 227 and 248.

## Parish Council

Due to Covid19 the planned Parish Council on 12<sup>th</sup> June 2020 could not take place.

### The following new planning applications were received for consideration:-

20/00498/HOUSE                      Rosedene, Main Street, Sheriff Hutton

Erection of a single storey rear extension.                      Decision – No Objections Received.

19/01263/MFULE                      Land Adj To River Foss, Lilling Low Lane, West Lilling.

Formation of flood storage area consisting of construction of earth embankment with spillway, excavation of two temporary and two permanent borrow pits, erection of river flow control structure, re-profiling of sections of the River Foss, realignment of short section of Black Dike, raising of section of Ings Lane, carriageway edge protection to part of Lilling Low Lane and associated new and improved access arrangements, drainage, accommodation works, landscaping and biodiversity mitigation (cross boundary application with York).                      Decision – No Objections Received.

20/00417/HOUSE                      5 Warwick Close, Sheriff Hutton

Erection of single storey rear extension following removal of existing conservatory (revised details to approval 19/01324/HOUSE dated 23.01.2020).                      Decision – No Objections Received.

### The following new planning decisions or appeals were received:-

20/00288/HOUSE                      Ingleby, East End, Sheriff Hutton

Erection of a part two storey/part single storey rear extension.                      APPROVED.

20/00254/HOUSE                      7 The Croft, Sheriff Hutton

Erection of single storey side extension following demolition of existing detached garage.  
APPROVED.

## Walkers

Following a number of complaints could we please advise everyone that the worn track running along the church graveyard wall towards Peckitts Yard from the church is not and never has been registered as a Public Right of Way.

## Next Meeting

The date of the next Parish Council meeting will be Friday 10<sup>th</sup> July 2020. Due to the Covid19 restrictions this will be either be a physical or virtual meeting.

Louise Pink, the Parish Clerk, can be contacted regarding all Parish Council matters at [sheriffhuttonparishcouncil@gmail.com](mailto:sheriffhuttonparishcouncil@gmail.com) or on (01904) 861131. 13 White Rose Avenue, New Earswick, York. YO32 4AG.

## Sheriff Hutton Field Naturalists

"Victory for Askham Bog"

On Wednesday 12<sup>th</sup> May the Secretary of State for Housing, Communities and Local Government decided to follow the recommendation of the City of York Council's Planning Inspectors in refusing the planning application to build on land in or around Askham Bog.

Wanton destruction of habitat for the dubious cause of building ugly houses in yet more unsuitable places has been avoided.

Whilst this historic reserve is not yet open, because of Covid-19, now that its protection is assured, we can perhaps organise a visit later in the year.

Stay safe, weed the garden, paint the kitchen, etc. Look forward to the future!

Regards Dave Newman, Chair Field Naturalists.

The answer to June's quiz questions are as follows:-

**Q1.** (B) Cane Toad. **Q2.** ((A) Whales. **Q3.** (B) Birds Eggs. **Q4.** (C) Yak.

**Q5.** (B) Camomile. **Q6.** (C) Espalier. **Q7.** (B) Parsley. **Q8.** (B) Horse.

**Q9.** (B) Stork. **Q10.** (A) Life in the Undergrowth

If you are interested to find out more about the Field Naturalists group, please get in touch with either Dave on 878672, Jim on 878667 or Angela on 878347.

## Notices for St. Helen's

It is so lovely to have our church open again, albeit every 4<sup>th</sup> day to make sure there is no lingering infection. The first day was Monday, 15<sup>th</sup> June and we had a mass of flowers and candles to make the church feel welcoming. There can only be private prayer at the moment but as soon as we know more, we'll put posters up around the village, on the church door and on the Facebook page.

There are hand sanitisers as you go in and when you come, please touch as little as possible in the church. Seats are marked so you can be sure of the 2m distance rule. There are clear instructions on a table as you enter so everything is really clear.

The church is open on these days between 9am and 4pm.

July

Wednesday 1<sup>st</sup> July  
Friday 10<sup>th</sup> July  
Saturday 18<sup>th</sup> July  
Monday 27<sup>th</sup> July

Monday 6<sup>th</sup> July  
Tuesday 14<sup>th</sup> July  
Wednesday 22<sup>nd</sup> July  
Friday 31<sup>st</sup> July

And on other days, the churchyard with its beautiful views is still open for walks, reflection and visits. As always, please take care and respect other villagers' space and maintain social distancing.

## St Leonard's, Farlington

We are pleased to say that, at long last, we have started the process of unlocking the Church doors and making it available to you for private prayer and contemplation. Due to the extra cleaning regimes we are required to have in place, St. Leonard's will initially be open every **Tuesday and Saturday** between **10.00am and 4.30pm**. We look forward very much to welcoming you all back. The Churchyard continues to be cared for and we encourage you to visit and spend some quiet time in reflection there.

## St Mary's, Marton

From June 18th, Marton Church will have been open, for private prayer only, on Thursdays (9-12) and Sundays (2-5).

At the time of writing, the church remains closed at all other times, although our wildlife-friendly churchyard is always open.

Please see our Facebook page

<https://www.facebook.com/martonchurch> or website <https://www.achurchnearyou.com/church/18888/> for updates. Alternatively you can email [martonintheforest@gmail.com](mailto:martonintheforest@gmail.com) or ring Caroline on 01347 878242.

## THE METHODIST CHURCH

For the last few years the Methodist Church has encouraged it's worshipers to study a particular book of the bible in the month of June. This month we are reading the book of Ruth. It is only 4 chapters and is in the early part of the Old Testament about page 250.

Ruth married an immigrant, but when he died, she showed tremendous loyalty to her mother in law, also a widow and eventually became an immigrant herself to care for her. There is a happy ending and Ruth re-marries through which she became the great- grandmother of David, Israel's greatest king.

It is well worth reading and illustrates how when we all show love and respect for one another and learn that nothing is ours by right that people of all nationalities, faith and background can live peacefully together.

It is hoped it will not be too long before we can all share time together and become a nation that loves its neighbour as it does itself. God Bless.

## **St Helen and the Holy Cross – YOUR PARISH CHURCH**

As Treasurer I want to share some of the work we have been carrying on with whilst the Church Building has been closed under Government instructions due to the pandemic. Inevitably, the last few months have incurred costs for the building and churchyard not covered by income which would normally come from collections at services and fees for weddings and funerals. This has left an unplanned deficit in our accounts which I estimate will be about £2,500 at the end of the year. I had planned a break-even budget.

Although we have been unable to hold services in the building; members of the congregation have supported the wider village community playing a leading role in the Village Volunteers alongside the Parish Council, including liaising with North Yorkshire County Council, Ryedale District council and the other partners across the county delivery voluntary services to the socially isolated.

During the Easter Season, the Parish Church has organised the village response to the needs of the Ryedale Food Bank sending several boxes of food each week, a service which will continue.

As so many villagers were working from home or school, the footpaths through the churchyard were ever more widely used and it was agreed by the PCC that maintenance should be continued during the shutdown including amenity mowing and footpath access for the use and well-being of the wider community.

Our Vicar, whose stipend is our major cost, has been very busy helping out other parishes within the wider Deanery where clergy have been unable to work due to their medical conditions with funerals and pastoral work carried out in testing conditions. The costs are carried partly by our parish members.

If you feel you would like to help support your church in these difficult times please feel free to drop donations into the Old School House – cash or cheques made payable to ‘Sheriff Hutton PCC’.

The PCC and I would really appreciate your support so that we can continue to keep the church in good heart for the whole village.

Please feel free to contact me on 878754: *John Oakley*

## **Holidays**

This is normally the time of year when people are thinking about summer holidays – whether planning for, or already travelling to places near and far for a welcome break. Current restrictions have thrown all of those plans into disarray, with much uncertainty about how and when such holidays can take place. We are aware of the devastation to the tourist and hospitality industry that has been caused by the pandemic, and pray that all businesses will be able to recover in time. The physical impact of Covid 19 is beyond anything we have experienced before, and we continue to pray for those affected directly and indirectly by it. The personal knock on effect is enormous, with anxiety levels for many soaring. Mental health issues have certainly been featuring in the media more and more. If you are feeling the pressure of loneliness, fear, guilt, anxiety, panic – then please talk about it to someone: a friend, family member, Doctor, Clergy, the MIND charity ([0300 123 3393](tel:03001233393)) or the Samaritans ( 116 123).

So – holidays. The origin of the word is ‘holy day’. A set apart day for something special: worship of God, rest and re-creation. Whether we are away or at home, we can make every day a holy day, by being kind to ourselves as well as others. By spending time with God, and others that we love – physically, electronically, on the phone or through the mail. God longs for us all to experience Shalom, a wholeness, a sense of well-being physically, mentally and spiritually. An experience of peace.

Shalom

Ruth

Revd R Duck

## **Sheriff Hutton Bridge Cricket Club**

We are unfortunately still having (as is everyone else) to conform with the relevant Lockdown procedures. There is however a chink of light at the end of the tunnel with plans for County Cricket around the beginning of August but it will be limited to matches without spectators.

We are hoping that this may lead to some recreational cricket being allowed under some tight protocols. Those who have played cricket will have their own ideas but there is a valid argument that it is a non-contact sport and if soccer can do it why not cricket?

There has been a relaxation that players can net; we have set up a strict booking system and nets can only be used under the guidance of a club official. We are now looking at what we can do with juniors as we can have groups of 5 with one coach, but social distancing still has to be observed in all cases!

The first team captain has already put plans together for the club members to play an in-house game along the lines of "The 100" which was shelved by the ECB for this year.

We have six "Franchises" with managers and captains who will select from a list of players in turn. Each player will have their ability levels and skill sets set out with the idea that we get six balanced sides. Sounds like a lot of fun, but we can only go ahead when restrictions are eased. Watch this space!

As per the guidance both Bridge and Castle grounds are being cared for and are in amazing condition thanks to the volunteers who give up their time to keep them ready for play.

Costs at the club are still being incurred and without income we have set up a "Just giving" page to seek help from past and current members, friends of the club and anyone else who can and will.

[www.justgiving.com/crowdfunding/sheriff-hutton-bridge-cricket-club](http://www.justgiving.com/crowdfunding/sheriff-hutton-bridge-cricket-club)

## **Sheriff Hutton Primary School**

We are now coming to the end of our summer term and the end of the academic year; it has been a very different and challenging few months. The children have missed out on a few of our usual experiences such as the Scarecrow Trail and the trip to Sweden, however they have gained in other aspects we have never considered before – a chance to 'Zoom' with their friends, a virtual Easter Egg competition and online PE lessons!

The school has been open throughout, supporting those families of key workers and vulnerable children. Since 1<sup>st</sup> June, we have started to open to more children, although due to limited space and staffing we are not able to return to normal yet!

We have always been in contact with our children and families; offering home learning activities, sending quick messages and keeping them up to date with developments in a rapidly changing environment. Everyone at school would like to express our heartfelt thanks for the amazing support and understanding shown by our families and the local community.

All the staff have worked non-stop - planning engaging opportunities to share with the children, coming into school every week and even sending home a few videos, some helpful and some rather embarrassing! I would like to take this opportunity to thank all the staff and Governors for the huge commitment they have made to our children and their families. I feel privileged to be able to work in such a positive and supportive community.

We are hoping that September will bring a return to a more normal routine and we can't wait to see everyone back at school.

Bev Stell, Headteacher

## **Collective Oil Buying – Village Group**

### **Now Welcoming New Members from Farlington, Whenby and Stittenham**

Many years after the group being set up buying heating oil collectively as a way of saving some money, we are now in a position that we can welcome new people to the group. In addition to any new people from Sheriff Hutton and Lilling we now include anyone interested from Farlington, Whenby and Stittenham.

The group is run by volunteers purely for the convenience and to provide savings to Villagers. On the last 2 orders despite very different oil prices each person saved 10% or more on the standard order price including VAT. We tend to have orders around 4 times a year – the next is expected to be August for September. The supplier for many years has been BATA at Amotherby who are well known to many people in the village and have been very reliable and friendly over the years. All deliveries should occur on the same date given by BATA as this leads to a reduction in cost.

The deadline date for orders will be published in Village News; orders will be placed by email. As soon as we have a total number of litres required we can discuss the price with BATA and then let each person know how much their order will cost and the planned delivery date. The minimum quantity which can be ordered is 500 litres but you can order any number of litres above that. Payment can be made to the driver or by phone to BATA within 7 days of the delivery.

If you would like to join the collective buying group please email us at [sheriffhuttonoil@gmail.com](mailto:sheriffhuttonoil@gmail.com) with your name, email, back up phone number, address and location of the oil tank or anything extra BATA would need to know.

We will then include you in the email reminder for the next order which will be sent to all members as well as notification in Village News. If you would like an order at that point you can let us know, if not we will just contact you again the next time.

Please note to enable this to work your details will be held on a database, and certain details e.g. name and order shared with the rest of the group and name, address and contact details will be provided to BATA or a future oil provider in connection with oil orders. Privacy statement available on request.

Contact [sheriffhuttonoil@gmail.com](mailto:sheriffhuttonoil@gmail.com) to join the group - we look forward to hearing from you.

## **Village Show 2020 Update**

We are still hoping to have a village show on Saturday 8<sup>th</sup> August, especially as you may have been using the time in lockdown to tend your garden and be creative, with arts, crafts cooking and/or photography. However, it does depend on the government allowing community centres such as the village hall to re-open. We are dependent on what government rules are in force at the time, and we might need either to delay until September or cancel altogether.

But we are hoping for the best and making plans to run the show in August. We will need to take great care that we manage things safely, with appropriate social distancing and other health and safety measures. Some arrangements will need to be a bit different - for example we will ask for entries in advance by Saturday 1<sup>st</sup> August. If some people are still shielding at home, we are happy to make arrangements to ensure that they can still enter items, and find a way for them to see the results. Arrangements for using the hall will be different too, especially as it is unlikely that we will be able to have so many exhibits and people there at one time as usual. For this reason, we have reduced the number of classes, and entries to a maximum of one per class.

We may not be able to offer refreshments or hold a prize giving. If we can't present prizes on the day, prizes and trophies will be delivered to local addresses and as usual prize winners will be listed in the September (or October) Village News.

But for now, please have a look at the show schedule, start planning your entries and keep your fingers crossed that we can have the show in August or, failing that, in September.

Sheriff Hutton Gardening Club

## The Gardening Club

Pause for a moment to reflect on the wonderful displays of colourful flowers and foliage to be seen around our village this spring. Daffodils, Cherry blossom, Lilacs, Clematis, Tulips, Roses, Peonies, Bluebells, Hawthorn blossom and more, all of these giving us joy and hope for the future.

### Gardening Tips for July

- Trim privet hedges at least once this month to keep them looking tight, attractive and effective as a hedge. The golden leaved and variegated cultivars look particularly good and give cheerful colour all the year round.
- From time to time it is necessary to give all hedges, particularly those alongside public footpaths, a more severe cutting back. Hedges, beech and Leyland Cypress in particular can gradually become wider than they are tall and occupy at least half the width of the footpath. The severely pruned hedge will usually soon fill in with new growth & foliage whilst pedestrians will appreciate their restored right of way.
- The dry and sunny May led to some superb early roses, you can keep them “on track” for repeat flowering throughout the summer and early autumn by pruning the old flower heads just above the first or second good leaf underneath the faded flower. Work a little rose fertiliser lightly into the soil around the rose bushes and water in well or apply some liquid feed – high potash tomato feed is ideal, to moist soil every 3 weeks. Remove any briar suckers coming from the rootstock by pulling or prising them from the point of origin rather than pruning them off at soil level.
- Summer pruning of intensively trained, usually cordon or espalier, apples and pear trees should be carried out later this month. Cut back the old flowering stems and tatty foliage on early flowering herbaceous perennials such as Pulmonarias, Geums, Alchemilla mollis and early flowering geraniums (cransbills). All will respond by producing fresh new foliage and some will flower again in the early autumn.
- Consider installing some rain water butts in your garden, particularly if you grow fruit and vegetables. Soggy gardens in March became parched earth 6 weeks later and 50 gallons of water didn't go far during the near rainless month of May. A lot of rain water comes off the roof of a shed, glasshouse or conservatory let alone of a house or bungalow. It seems a pity to let it go to waste.
- Tomato plants grown under glass should now be potted on into their final pot, 30cm is ideal or planted direct into the greenhouse soil. Growbags seem to have declined in popularity, probably because it is tricky to control and distribute the amount of water and feed in them. Growbag compost can, of course be put into pots. Outdoor cultivars such as ‘Crimson Crush’ (Blight proof it is claimed) can be planted in a warm, sheltered spot if you have not already done so. Train your tomato plants regularly. Cultivars such as Shirley - ever reliable, Gardeners Delight and Sungold, both cherry sized. These are the cordon (single stem) type so remove the side shoots when about 5cm long (these can easily be rooted to provide plants for a second crop, space permitting!!) Provide as much ventilation as possible for the plants growing in glasshouses and conservatories, it can become very hot and arid otherwise and scorching and wilting may occur. Some form of shading may be appropriate. Water plants thoroughly when they need it and allow them time to use up that water before watering again. This is far better than watering frequently in ‘drips and drabs’. Provide some extra atmospheric moisture and by placing 2 or 3 large plant saucers of water in amongst your tomatoes and other plants.
- Nip the tips out of Broad Bean plants to avoid them becoming infested with blackfly (or black bean aphid). Check your beans regularly for this pest, timely action can resolve a potential problem whilst avoiding the need to spray insecticides. Harvest broad beans whilst they are young and tender, likewise garden peas.
- Take semi-ripe cuttings or ‘slips’ of pinks, lavender, rosemary and many other shrubs, alpine & perennials. These are usually side shoots that have started to ripen (harden) near the shoot base. Root them in gritty compost in a pot or cold frame. Be patient!!

## Village Volunteers

The Village Volunteers have been busy again although things have been just a little quieter. Up to the two weeks before 8th June there were 43 shops with 32 people helped, 38 phone calls with 27 people helped and 10 medication collections with 9 people helped. Additional activities this fortnight included making face masks, dog-walking, grass cutting, car wash, collecting plants from garden centre, making cakes, curries, gardening, and the pop-up library in Coble Lane which continues to be successful.

You can keep up to date with what is happening through the Facebook page or the app. To get the app, download "Vamoos" from your App Store or if android, search for Vamoos in the Google Play Store. When prompted enter: **user id:** sheriff **passcode:** sheriff

So, a huge thank you to all the Village Volunteers – there is still activity happening and plenty of keep-in-touch phone calls being made. Also, there are other ways of helping that might have happened anyway but perhaps villagers felt they could ask. It still feels a real community effort and the Volunteers really built upon the existing community spirit in Sheriff, Lilling, Stittenham and Cornborough. I think that when we have worked through Covid-19 to the extent where it is being managed, the legacy of the Volunteers will be stronger relationships, new friends and links with people that we didn't know before.

And please still do get in touch with your local team if you would like any shopping done, medication collected or would just appreciate a chat on the phone. There may be other things we can help with, or if we can't we can usually find someone who can ! Jill Hodges 878595 or 07968 052118

## Sheriff Hutton Tennis Club

The courts are open and following the easing of lockdown restrictions all members are able to play singles and doubles with any other member. The online booking system is working well and the courts are proving a popular place for exercise by adults and juniors.

Subscriptions are due on the 1<sup>st</sup> July, contact Tim on [t.m.dryland@gmail.com](mailto:t.m.dryland@gmail.com) for details. The club extended the 2019 membership by 3 months and are offering a 25% discount on 2020 subscriptions. The courts are for Members Only, no visitors are allowed, new members are always welcome.

Coaching. Coaching sessions with LTA coach Ben Orton will be running during the summer. Please contact Louise on [louisechandler@yahoo.co.uk](mailto:louisechandler@yahoo.co.uk) for further details.

It is hoped that as more restrictions are lifted, the club will be able to arrange some competitive tennis which may include matches within the Hovingham League.

The courts are proving a valuable village amenity providing a much-needed local sports facility in these difficult times. The club asks members to observe the LTA guidelines that are in place, any amendments will be posted on our website

Further information about the club is available from [josephinejohnson6@gmail.com](mailto:josephinejohnson6@gmail.com) or visit our website [www.sheriffhuttontennisclub/clubspark/lta.org.uk](http://www.sheriffhuttontennisclub/clubspark/lta.org.uk)

## Sheriff Hutton Village Market

The market committee recently held an online meeting to discuss when we feel that it is safe and appropriate to re-open the market. It was agreed that we would like to propose that the next market will be held in the village on Sunday 13<sup>th</sup> September subject to Government guidance in relation to the Covid 19 situation.

We would welcome all comments from local residents regarding our proposal to operate in September. Please forward your comments and or any suggestions that you may have to [mail@shvm.co.uk](mailto:mail@shvm.co.uk)

Meanwhile, don't forget that our stallholders are still in business and are happy to provide you with so many wonderful things. Their contact details can be found on [www.shvm.co.uk](http://www.shvm.co.uk), alternatively bright green flyers can be found in the Village Shop.

On behalf of the market team, we look forward to seeing you soon!

## **Sheriff Hutton History Group**

**VE Day** - thank you to everyone who sent photographs of the VE celebrations. They will be filed into a Wartime box in the Archive store. If anyone has other information of the celebrations please send to [peterbrown222.brown@btinternet.com](mailto:peterbrown222.brown@btinternet.com) with names and details of where the activities took place.

### **Programme 2020:**

Sadly, due to Covid 19 the committee has decided to cancel all meetings for this year. We have thought about this very carefully bearing in mind the continuing lockdown, the unknown future, daily updates from those in the know, the safety of committee and speakers also very importantly our audience who consist of a high percentage who are in the 'vulnerable' age group, this lockdown shows no sign of an ending for this group (at this time of writing) and the last thing we would want to do is put anyone at risk. However, a rainbow for 2021 - all the speakers from this cancelled year are wanting to join our new programme which is brilliant news, our appreciative thanks to them. Our programme will start on February 26th and we look forward to welcoming everyone.

### **History group - getting involved:**

We are always looking for volunteers to help with the work of the group whether on the committee, in the archive store indexing and cataloging artefacts or becoming a friend of the group giving time where and when needed. Working in the store is always interesting you never know what you are going to find we have a wide variety of artefacts and documents donated by local people about life in Sheriff through the years, highlighting its characters and a unique way of life. The photographs bring people to life especially if we have been fortunate enough to be able to identify faces, this discovery always sets off a long discussion on who, what and where, more so if we are lucky enough have someone born and bred in the village who can 'tell' the stories. For new people to the village it's a way of getting to know about Sheriff and its history.

If you have a few hours to spare and want to get involved in a new venture please ring Meg 07732008557. Stay Safe

## **Sheriff Hutton Bowling Club**

During the strictures placed on sports clubs during the Coronavirus, the Officers have worked to ensure that the Club, now in its 60th year in its present form, can live through the year with limited playing opportunities. The club is investing in improvements to the Clubhouse ready for full resumption soon.

Following guidance from our governing body, BowlsEngland, we have already been able to restart social bowling in a limited but satisfying way. Regular sessions are taking place at 2pm on Mondays and the green is open at all other times for members to make informal arrangements for playing under local hygiene rules.

This would be a good year for anyone interested in trying out a healthy sport with good social interaction and the opportunity to receive coaching in a relaxed way. Come down on a Monday or contact me or any other officer.

Roy Thompson, Chairman      tel : 07716338924    email : [thompsonroy5@gmail.com](mailto:thompsonroy5@gmail.com)

## **Help The Hedgehogs**

Thank you to everyone who is helping the wildlife. A reminder to please put out fresh drinking water daily, in a shallow dish/bowl to keep the hedgehogs hydrated in this hot weather we've been having. Also, if you think or know you have a mother raising hoglets, please resist the temptation to go and have a peek at them. This could make the mother abandon the nest, and even kill the babies. You will see them in a few weeks. A dish of water and a bowl of kitten biscuits will help the mother.

Any concerns please give me a call, I am starting to get a picture of how many people are actively involved with hedgehog feeding in the village.

Many thanks from Lynne and the hedgehogs.

Lynne Shepherd 878310.

## Message from the Jumbliies

July already!! At the time of writing whilst lockdown restrictions are easing, we still have no idea when we will be able to mix freely again. Even if social distancing is reduced to 1metre, practically it will still be impossible for us to run Jumble Sales. Just imagine – people would be queuing down to Lilling waiting to come in. How many do we let in? How long do we give them to browse? No refreshments; one person at a time in the book room; not to mention the hazards of rummaging. It wouldn't work. Normally most of our buyers stay for the whole afternoon, many come for the social contact. However, we will keep reviewing the situation and hope we can start planning soon.

Sadly, our annual July coffee morning has also had to be cancelled. We do enjoy our coffee mornings as they have always been well supported and they give us all a chance to chat and catch up with people. On 4<sup>th</sup> July, we could, of course, all sit in our own gardens and enjoy a coffee, weather permitting and remember past years.

In August we will reassess the situation regarding our Macmillan World's Biggest Coffee Morning which is scheduled for September.

So many charities who depend on fund raising events and donations are suffering and it is frustrating that we are unable to do our bit for them, but our primary responsibility is for the safety of all participants.

So once again – watch this space – We will be back at the earliest safe opportunity.

We all live in the hope that the scientists will come up with a successful vaccine so we can return to "normal"

Keep smiling and stay safe

Penny Bean – Sheriff Hutton Jumbliies – Turning cast offs into cash  
01347 878392
