## **Parish Council** [www.sheriffhutton.co.uk](http://www.sheriffhutton.co.uk)

The Parish Council met on the 12<sup>th</sup> January 2018. Councillors present at the meeting were Douglas Wooles (Chairman), Penny Bean (Vice-Chairman), Marcus Oxendale, Martin Dodd, Dave Smith and Sally Downing and the Clerk was Louise Pink.

**Planning Applications for consideration** – No new planning applications received.

### **Ryedale District Council – Decisions and Appeals –**

17/0074/FUL                      Log Cabin at Goodness Farm, Sheriff Hutton

Retention and extension of the existing log cabin to form a permanent agricultural workers dwelling.

APPROVED.

17/01151/FUL                      Gower Hall Farm, Thornton Le Clay to Foston Road, Thornton Le Clay

Change of use of agricultural land to form a 50m x 30m manege to include 6 no. 6m high floodlights (revised details to approval 17/00751/FUL dated 22.08.17).

REFUSED.

### **Major Maintenance to Sheriff Hutton Bridge on the Strensall to Sheriff Hutton Road**

The works will include removing all the surfacing and verge fill, following by waterproofing and surfacing to the structure. To do this the road will be closed due to the available road width making it impossible to carry out the works in two halves. The closure will be during half term from 10<sup>th</sup> to 18<sup>th</sup> of February 2018, the diversion route will be via Strensall and Flaxton. The contractor will start the week before using two way lights to do preparation works in the verge and carriageway edge.

If you need any more information please contact NYCC by email [bridges@northyorks.gov.uk](mailto:bridges@northyorks.gov.uk) or by phone on 01609 780780.

### **Potholes**

The Parish Council are very aware of the large number of potholes that are currently causing issues around the village at present. Please be assured that the parish council are monitoring these issues closely and will continue to do all we can to ensure NYCC fix them as soon as possible.

### **Community Public Access Defibrillator**

The Community Public Access Defibrillator (cPAD) is located on the external wall of the Methodist Church on West End and is despatched when someone calls 999.

The location of the cPAD will be logged in Ambulance Control and anyone calling to report a cardiac arrest within a 200 metre radius of the cabinet will be directed to it by the Ambulance Operator, advised on accessing the AED and given instructions on its use. Ambulance Control will then inform the guardian that it has been used and it will be switched off on the system until it has been checked. A label on the AED itself will advise the user to place the AED back in the cabinet after use.

The defibrillator in Sheriff Hutton has already been despatched to emergencies and Cllr Martin Dodd, as guardian, has been contacted following this to check that it has been put back and that it still has everything needed to work.

Given that the cPAD is only despatched in a 200m radius, an additional cPAD on the Eastern side of the village would give better cover, but we need somewhere with a power source to mount the cabinet for it. If anyone has any suggestions as to where this can go, please get in touch.

### **Next Meeting**

The date of the next Parish Council meeting is Friday 9<sup>th</sup> February 2018 in the Village Hall @ 7.30pm. Louise Pink, the Parish Clerk, can be contacted regarding all Parish Council matters at [sheriffhuttonparishcouncil@gmail.com](mailto:sheriffhuttonparishcouncil@gmail.com) or on (01904) 861468. 28 Geldof Road, Huntington, York. YO32 9JT.

## **Lillings Ambo Parish Council**

The next Parish Council meeting is on Tuesday 6th February at 6pm at 'The Lodge' West Lilling.

**Road Closure:** Major maintenance work to Sheriff Hutton Bridge on the Strensall to Sheriff Hutton road will close the road from 10th to 18th February.

The contractor will start the week before using two way lights.

A.Bailey Parish Clerk

## **Sheriff Hutton Field Naturalists February 2018**

Keith Clarkson, Retired Reserve Manager of RSPB Bempton Cliffs was unable to make our last meeting so in a quick change, Andy Chapman stepped into the breach with a talk on the history and development of RSPB Leighton Moss. We had a field trip to Leighton Moss two years ago so it was fascinating to learn a bit more about the reserve and the birds it attracts.

Our next meeting is our AGM on Wednesday February 7<sup>th</sup> at 7.30pm in the Village Hall. This is when everyone gets together to plan our field trips and winter speakers for the year ahead. So if you would like to be involved and there is somewhere you would like to visit then do come along and share your ideas and thoughts.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Andy on 01904 491308, Jim on 878667 or Tricia on 878995

## **Sheriff Hutton Ladies Group**

On Wednesday 10<sup>th</sup> January our ladies group held a pudding party. We had a variety of puddings from chocolate biscuit cake, truffle torte, trifle with chunks of ginger in it (oh yum), profiteroles, tiramisu, bread and butter pudding and more besides. We all enjoyed tasting the various puddings and went home feeling rather full. Thanks to the people for making the lovely puddings.

The ladies group would like to thank The Highwayman pub in the village for the fabulous Christmas lunch we had everyone who attended said how much they had enjoyed the meal. Thanks to everyone who was involved in making it so enjoyable.

Our next meeting is a talk by Keri Grinham called "A World of Flavours". Keri will give a talk about the various flavourings used in food manufacturing.

The meeting will start at 2pm 14<sup>th</sup> February 2018 Sheriff Hutton Village Hall

Barbara Grinham (01347878476)

## **New Year's Party**

On behalf of everyone who enjoyed such a wonderful evening we send our BIG "thank yous" to the amazing team of Hostesses and young people who had worked hard in organising such a great event. So nice to be welcomed with friendly smiles and a glass of sherry, the whole evening was a success, good food, good friends and great entertainment with a dance routine by the hostesses! The brilliant Thornton Le Dale Strummers rounded off the evening with some familiar tunes getting everyone singing. As 'newbies' being made to feel so special by all the hostesses we can safely say that we will be back again next year.

## **The Gardening Club.**

Our second meeting this year is on Wednesday, February 21st at 7.30 pm in the Village Hall, when our speaker will be Martin Fish, his subject will be Pruning and Propagation.

### **Gardening Tip for February**

On a dry, warmer day, walk slowly round ones garden and try to look at trees and shrubs with new eyes. It's much easier to see faults when many trees are naked. Overlapping branches, dead twigs and excessive growth are all easier to spot at this time of the year.

## **Health Visitor Drop-in**

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday, February 1st** during the Toddler session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop in to Toddlers (if not attending anyway) while they are waiting but consultations with the Health Visitor are confidential and in a separate room.

## **Sheriff Hutton Cricket Club**

Whatever your ability if you are interested in attending or in finding out more about how to get involved with the club in a playing or non-playing capacity, please contact Vince Coan (07850 332728) or John Armitage (07931 384227).

## **Super-Mobile Library**

The Super-Mobile library will visit the Village Hall Car Park between 10.00am and 12.00 noon on **Fridays 2<sup>nd</sup> and 16<sup>th</sup> February**.

## **Message from the Jumbles**

2018 has started off well for us and after our break we soon got back into the swing. Although it was cold we had a very high turnout of eager buyers, many of our regulars and some new ones, keen to grab a bargain or two. There was a good quantity of jumble, brilliant cake stall and refreshments etc., resulting in £2,002 being raised for the Parish Church. Thank you so much to everyone who supported the sale.

Our next sale will be on **24<sup>th</sup> February at 2pm in the Village Hall**, raising money for our local Playgroup which is struggling financially to survive. It is such a vital community asset and one The Jumbles are very keen to support. The Committee work so hard to raise money to keep the Playschool open and we appeal to you once again to trawl through your drawers and wardrobes, cupboards and shelves and let us have those items you no longer need. We particularly welcome clothes, shoes, bags and books, as these are our biggest selling items. We also welcome bric-a-brac and toys and items for the tombola and raffle and cake stall.

Your support is so highly valued. Please spread the word to your friends, relatives and colleagues about our Jumble Sales. Recycling is a very high profile subject at the moment and as people are becoming more conscious about reducing the amount going to landfill they are looking for outlets for their cast offs. We would be delighted to receive their cast offs to turn into cash for worthy causes.

If you are unable to bring your donations to the Village Hall between 9.30 and 11.30am on the 24<sup>th</sup> February, please contact Pat Cooper on 878677 or me on 878392 and we will try to make alternative arrangements.

Many thanks  
Penny Bean

## **The “Oldies” Party**

January is not normally a month which people relish, but in Sheriff Hutton it is different, for it is party time. This is an event universally enjoyed by all those old enough and decrepit enough to be eligible to attend. This year's party proved to be quite exceptional for the sheer joy it spread among many, who at this dark time of the year could feel cut off and neglected. We have many to thank for this light among the darkness – the founders of the idea many years ago and those who carry on their aims nowadays on an annual basis. I am bound to miss out some deserving person, for which I apologise, but would like to express the thanks of the village to those who provide, process, supply and serve the food, (especially the trifle), along with the raffle prizes and also those who provide the entertainment. This year it was an outstanding ukulele band from Thornton-le-Dale, who played their hearts out. My only regret is that they did not play “500 Miles”, which was in their songbook. Perhaps they could be asked to return soon to correct this omission. Thanks to you all

**Sheriff Hutton Village Hall Friends**  
**Saturday 10th March 7.30pm Village Hall**  
**The Elastic Band Returns!**

Friends of the Village Hall invite you to join them in a fundraising evening of music, song and dance with the return of the fantastic, versatile Elastic Band - Andy, Caroline, Jack, Caryn, Jerry, Rob and Mike who will be offering you a toe tapping evening of old favourites and a sprinkling of new melodies.

A licensed bar will be available and there will be our usual sumptuous supper table which has been the dining highlight of past village hall events. This is a true community event of local musicians and volunteers.

Ticket only entrance £10 - contact Meg 878136 or Richard and Wendy 878581

**200 Club**

This year's membership stands at 234, and though this is down two on last year, the level of prizes will remain the same. Thank you to all those who renewed or joined for the first time: good luck in this year's draws!

A big thank you in particular to the collectors for their efforts: Sandy Anderson, Lynne Blair, Philip David, Richard and Wendy Haste, Tricia Harris, Dick Johnson, Jenny McMillan, Lyn Minto, Lynne and Brian Shepherd, Ida Terry and Sarah Webster.

January's £25 prize winners were 14, 60, 132, 147 and 186.

**Bin mystery**

Does anyone have any information concerning two Ryedale District Council bins (one black, one green) that have been left on Main Street, about 100 yards from the Post Office, since New Year's Day? Despite asking around they have not yet been claimed (at the time of the News going to printers).

Thank you

Alison Reilly

## **The Methodist Church**

Last month in our shoebox report the last sentence read "We pray that the children who receive a box will be blessed and receive great joy and happiness that someone has thought of them at Christmas". We have received this letter from one of the distributors who went to a children's hospital in Zagreb where there were victims of war. He wrote "I gave a box to a 12 year old boy. He opened it and on top was a small stuffed animal. He smiled, which you would expect, then I noticed a doctor and nurse standing in the corner, both began to cry. They told me that this young boy had seen his parents marched out of their home and executed. This was the first time they had seen him smile in 3 months".

What an answer to our prayer, it is always best to ask God to be in the situation.

### **Neighbourhood Watch**

The NY Police Traffic Bureau has now approved a number of suitable locations on Finkle Street for the placing of the "Speed Gun" and warning notices. Training of the volunteer team is scheduled to begin at the end of January, so the Community Speedwatch should be in operation during February, persons observed to be exceeding the speed limit will be reported to the Police.

Unfortunately I understand that over New Year, agricultural items and scrap have been stolen from two local premises.

At the time of going to press, I am unable to arrange a meeting due to the unavailability of the Police to attend.

## What is Love?

Now that the January sales are coming to an end, the shops are filled with red roses, cards and chocolates. It is a reminder that it will soon be Valentine's Day. Although it has moved far from its origins as a celebration of a Christian saint and become commercialised, the day does remind us of love and all that it means.

A group of professional people once asked a group of 4 – 8 year olds 'What does love mean?' The answers they got were broader and deeper than they could have imagined. For example:

'When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore. So my grandfather does it for her all the time, even though he's got arthritis too. That's love.'

'Love is when you go out to eat and give somebody most of your French fries without making them give you any.'

'Love is when my mummy makes a coffee for my daddy and takes a sip before giving it to him to make sure it tastes ok.'

'Love is what makes you smile when you are tired.'

'Love is when you tell a guy you like his shirt and he wears it every day.'

'Love is what is in the room with you at Christmas if you stop opening presents and listen.'

What, I wonder, would your definition of love be? Take a few moments to think about it, and to thank God for these examples of love in your life.

As this month also brings with it the beginning of Lent and the journey to Easter, may I also give you another definition of love to think about: Jesus choosing to die on a cross so that we could be forgiven and come to know Him. In this month of love, perhaps we could also take a moment to think about that and tell Jesus that we love Him too.

Elizabeth Cushion

## **Village Christmas Celebration**

It was lovely to see so many people at the Village Christmas Celebration on 15<sup>th</sup> December and also great to see the number of Christmas hats, jumpers and decoration that was sported by those who attended. There was so much good singing and enjoyment. The Drummers who led the singing said that they enjoyed themselves and that it was great to hear the singing coming back at them! We are starting to plan next year already. If you have any suggestions as to how we can improve the Celebration, please contact Jill Hodges 01347 878 595.

## **Yesterday's Village.**

The diet of the poor was fairly monotonous, bread and vegetables being the staple foods. White bread made from wheat was eaten by those living in the castle, but lower orders had bread made from a mixture of wheat and rye or a darker bread made entirely from rye. Food for those in the castle was served on trenchers or plates made from rye bread. Afterwards the trenchers were gathered up and given to the poor. Some peasant folk in Sheriff Hutton no doubt ground their own grain and made their own bread although if unfree they were legally bound to grind their grain at the lord's mill and so could be fined or punished for possessing hand mills or taking grain elsewhere.

Bread and cheese were the peasants' daily diet in the field. In summer a soft cheese called "spermyse" or "green" cheese would be made. At other times a hard cheese was made from skimmed milk which kept well but was so hard that it sometimes had to be soaked and beaten before it could be eaten. Milk from cows, sheep and goats was used but the cow's milk was preferred because it took less time to milk a cow than a number of sheep. Pottage, a broth or stew of vegetables, and sometimes meat, was universal. It could be thick or "running" or it might be so thick it could be sliced when it was known as "stondyng." "Frumenty", a thick cereal porridge was also popular.
