Parish Council News www.sheriffhutton.co.uk

The Parish Council met on the 15th May 2015. Councillors present at the meeting were Douglas Wooles (Chairman), Penny Bean (Vice-Chairman), Brian Parkinson, Sally Downing, Martin Dodd, David Lea and Dave Smith. The Clerk was Louise Pink and District Councillor Eric Hope was present. 12 members of the public were present.

Election of Chairman and Vice-Chairman

Following a vote, Cllr Wooles was re-elected as Chairman and Cllr Penny Bean was re-elected as Vice-Chairman.

Planning Applications for consideration

15/00406/FUL – Erection of an agricultural lean-to building for the storage of machinery at North Ings Farm, Terrington for R K Drury & Sons Ltd. **No objections.**

15/00377/MFUL – Installation and operation of a solar farm and associated infrastructure including photovoltaic panels, mounting frames, inverters, transformers, substations, communication building, fence and pole mounted CCTV cameras and temporary construction vehicular access at the Land at Mill Hill Farm, Cornborough, Sheriff Hutton for Lightsource Renewable Energy Ltd. **Following a vote the majority decision was NOT to support the application. Key objections include the height of the solar panels, concerns over screening and the length of time the screening would need to develop, loss of a field from the food chain, the visible impact on the village and the dangerous precedence the approval of this application could create. The Parish Council are not opposed to solar farms in general but believe this location is not fit for purpose. A letter of objection had been received from Farlington Parish Meeting.**

15/00414/FUL – Change of use and alteration of existing domestic outbuilding to form a 2 bedroom detached residential annex at Foss House, Sheriff Hutton for Mr & Mrs James Platt. **No objections.**

15/00457/FUL – Change of use of single dwelling (use class C3) to a bed and breakfast establishment with owners accommodation (use class C1), change of use of an adjacent self-contained residential annex to art studio for instruction of art students with the ground and first floor bedrooms for overnight accommodation for students on residential courses and general holiday letting and use of agricultural land for associated car parking at 1 Woodend Cottages, Ashbank Lane, High Stittenham, Malton for Mr Richard Burn. **No objections.**

Ryedale District Council – Decisions and Appeals

14/00197/FUL – Demolition of existing single-storey outbuilding and erection of two-storey dwelling at Stone Lodge, Main Street, Sheriff Hutton for Mr D J Weston & Mrs H P Spath. **Appeal dismissed by The Planning Inspectorate.**

Neighbourhood Watch

Another locally 'quiet' month, with nothing reported by either the Police or villagers. I can only assume everyone was riveted to the tv during the election....The Police advise of red diesel thefts from 'the other side of the A64' and I am aware however of another 'local' dog theft, this time from Pocklington, so the previously issued warnings regarding pet security remain very current. With warmer weather presumably about to arrive, please remember basic security precautions about leaving doors and/or windows open, and take care not to leave high-value garden equipment on view whilst unattended.

I'd like to expand on the passage in last month's Chairman's report regarding the Speed Matrix installation. We were expressly refused data from the system (according to the manufacturer able to produce an accurate dataset of vehicle speeds/times, in which we were most interested), rather we were provided with an entirely different data 'summary' obtained by another method by the County Council which indeed has conveniently and surprisingly (?) shown that all drivers adhere to speed limits within the village. This is all very well, however I would suggest anyone with time on their hands might like to observe traffic in the morning and afternoon 'rush hours' and decide for themselves. If you choose to do this, do take care when crossing the road. It's dangerous.

I will leave it to other villagers who may wish to pursue the speeding issue. Good luck.

I would appreciate all members of NHW attending a meeting at 7.30pm on 23 June in the village hall. If for any reason you cannot attend, please pop into the shop over the next week or so.

As always, if you have anything to report regarding crimes either in process or evident, or have information regarding cold-callers, ring 101.

This month the annual day trip (9th June) is to the Nottingham area to see two private gardens at Stoke Bardolph and Burton Joyce. If you find you can go at this late stage please contact Lyn (878624). The other overnight trip to Northamptonshire is fully booked.

Sheriff Hutton Field Naturalists

The weather was emphatically not in favour of us going on an evening chorus walk on May 8th; driving rain meant that not a bird or a moth was venturing out. So we had to console ourselves with good food, drink and company as Field Naturalists and the Conservation Area Group got together for a joint fundraiser. The evening was a great success, which could have been made better only by actually being able to walk rather than swim round the conservation area. A big thank you must go to Helen Spath and Dave Weston who again hosted this fundraising event at Stone Lodge and prepared a delicious buffet enjoyed by all. Thank you to everyone who came, your support for both the conservation area and Field Naturalists is very much appreciated.

Our next field trip will be on Sunday June 7th when we will be revisiting Bempton cliffs. The reserve has opened its new visitor centre this spring and there are now new view points on the cliff top to better view the many birds that roost there. The group meets at The Highwayman pub car park to leave at 10am. However there will be an opportunity to leave earlier if anyone would like to do so. Andy is now a volunteer bird guide at Bempton and will be leading a "Birding for Beginners" walk there from 10.30am for two hours. He will be driving through Sheriff at about 8.30am so if you would like to take the opportunity to go on the bird walk, please ring him on the number below to ask for a lift. However, he will have space for only four people and it will be a long day as he won't leave the reserve until about 4.30pm.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

Message from the Jumbles

Thank you so much to everyone who supported the May Jumble Sale by donating jumble, prizes, cakes and books. We were very fortunate that the dry weather allowed us to have stalls outside as we had mountains of jumble. The total raised for the Conservation Area was at tremendous £1725 which will certainly help the financial situation for a while

Our running total now stands at £9192

The June 20th Jumble Sale will be to raise money for York Blind and Partially Sighted. As usual we will be at the Hall to receive your jumble between 9am and Noon, and the book room will be open from 1pm with the main jumble sale being between 2 and 4pm.donations.

Please don't forget our annual summer coffee morning will be on Saturday 4th July at Midway Main Street, raising money for the Marie Curie Nurses. Last December I was privileged to see the Marie Curie Nurses in action when they nursed a very close friend who was terminally ill. They provided the most fantastic support, taking on the overnight nursing in order that he could die at home. Their nursing care and moral support helped the carer immensely. Their devotion to the patients they nurse is something to be seen. See the July news for further details.

Glebe Conservation Area: a Big Thank You

The trustees would like to say a Huge Thank You to The Jumbles for their splendid organisation and work at the May Jumble sale, which raised 10p short of £1725! This result would not have been possible without the magnificent support of all those in the village (and elsewhere) who donated jumble, delicious cakes, wonderful raffle and tombola prizes. Many thanks for that, too. We can now plan our future maintenance and development work with the backing of the funds raised.

Mid-Summer Village Ramble

Sheriff Hutton History Group

Time seems to have passed so quickly since we first started the History Group three years ago. We have achieved a great deal in that time. Raising money for the Archive store which we opened last July was a major milestone. We are continuing to receive donations including documents and photos of events in and around Sheriff Hutton. We are happy to receive more!

At our 3rd AGM on April 22nd the officers and committee members were returned for another year with addition of John Williamson as a committee member.

Visits are to be arranged to the Borthwick Institute and Holgate Windmill possibly in July or August. More details when available.

Margaret gave a presentation referring to progress of the Development of the Buildings in Sheriff Hutton project she started last year with Nancy Megginson. Margaret and Chris have been meeting residents around the Green to research the development of these buildings. They have come up with some very interesting information so far and still have more properties to visit. There will be a display at the Open Day in July.

St Leonard's, Farlington Annual Parish Meeting

It was generally good news that was reported at the annual, parish meeting which was held in Farlington village hall on April 27th. The church has had a successful year of services with overall attendance numbers up 4% and attendances at the monthly Communion service up 22% - both numbers a direct contrast with a reported decline nationally. Fundraising had also been a success – especially the Oktoberfest – and, together with two grants received, there is now sufficient money available to replace the life-expired heating and lighting which dates from the 1960's. The detailed scheme for the heating and lighting has been awaiting Diocesan approval since June last year; an unaccountable delay for a scheme which will have so little impact on the church's fabric. The five-yearly inspection of the church structure proved that there was nothing significantly wrong with the building but it did confirm that the bells cannot be used until they have been renovated and re-hung using modern materials. This work will become the focus of attention as soon as the heating and lighting work is completed.

It is a Church of England recommendation that Churchwardens serve a maximum of six years. As a result of this, Margaret Singleton's term of office ended on the 27th and she was succeeded by Louise Clark. Margaret was thanked for the drive and enthusiasm that she had brought to the church during her six years and which had resulted in many developments, improvements and achievements. Thanks were also recorded to all the people who support St Leonard's in a variety of ways.

Sheriff Hutton Ladies Group

A few of our group were fortunate to be invited to the York magistrate's court to watch the morning's proceedings and what an interesting morning it was. We had a guide who led us through what was going to happen and the possible outcome of these trials.

Our meeting on the 13th May was very good. The speaker told the story of Margaret Burns who was a woman of character who had eight children and left them with various family members and never went back for them; just forgot about them. We found out the story of one child and we have booked Kath and Clive Richardson for next year to find out what happened to the other seven children.

The next meeting on the 10th June is an open meeting so all are invited. Richard Willis is coming to talk about 'The Wonders of the Waterways.' Richard runs Ripon Scenic Cruises on the Ripon canal and the river Ure. He is going to talk about various canals and waterways especially the canal that was at Strensall.

This is an open meeting so all are welcome to come, 7.30 pm.

The Methodist Church

The beginning of holidays for a lot of people is getting under way. All that preparation, what shall we need, will it be hot or will it be cold, can we meet the luggage restrictions, and then we are off, will the taxi come, will the train be on time. All these pressures in our minds before anything has happened. We all do this; worry ourselves before anything has happened.

Jesus said "Can anxious thought add a single day to your life. So do not be anxious about tomorrow; tomorrow will look after itself. Each day has troubles enough of its own". Matthew: chapter 6.

The apostle Paul said in a letter. "The Lord is near, do not be anxious but in everything make your requests known to God in prayer with thanksgiving". Philippians: chapter 3 verse 6.

So, have a stress free holiday and don't worry about it. Why not tell God about it beforehand and see what happens.

Sheriff Hutton Primary School

The last few weeks have been very busy in school. Our children really enjoyed the trips to York which linked to our topic this term, including the Minster, the Railway Museum and the Chocolate Story Museum.

At the end of May some of our Year 6 pupils had a fantastic trip to Sweden to visit Gothenburg. They had the opportunity to spend time with some Swedish families and took a boat trip through the city.

The children in Year 6 also took part in a cycling awareness course called 'Bikeability'. They wrote a report about it afterwards.

Last week the Year 6's enjoyed the North Yorkshire bikeability test. We have been taught how to ride safely and properly on the real roads and have enjoyed the sun! Everybody enjoyed it and all reached Level 2. I liked going on the bike ride and playing games. It was brilliant! By Ben.

I did my bikeability experience. I really enjoyed every minute of it but I have to admit my favourite part was cycling on the junctions and speeding down the hills around school. It was so fun! The Year 5's should be really excited about next year when they can have the chance to do bikeability. I'm upset it's over. By Georgia.

Our celebrations for the school building's 50th birthday will take place on Friday 10th July from 3pm onwards. We hope lots of people will be able to join us to celebrate this occasion!

To contact school you can telephone us on 878441 or via email admin@sheriffhutton.n-yorks.sch.uk

You can find out more about the school and the activities the children are involved with on our school website www.sheriffhuttonschool.org.

The Village Auction 2015

The Auction made just over £2500, so that after expenses each of the 5 participating village organisations have received £464.30. This is a fantastic result and due to the amazing support of anyone who was involved in any way from donating and buying items for sale, involvement with the planning, collecting and sorting donations and helping on the day in a wide variety of roles including Catering (delicious lunches and teas!), Auctioneering, Cashiering, Commission Bids, acting as Runners and managing the Stage and Security etc.

Thank you all so much for all your help without which the event could not have taken place and run so smoothly and been so successful. It was lovely to see so many people of all ages both as helpers and purchasers involved and taking part, and hopefully having an enjoyable time, as well as a chance to catch up with each other.

Sheriff Hutton at its best!

Thank you all again for your participation, generosity and time.

Sharing Chocolate With God

People often think that they cannot experience God because they are not 'religious!' The truth is that anyone can encounter God in their daily lives as the following incident shows:-

A young boy was walking home through the park after attending a Sunday school class. Somehow, he couldn't stop thinking about the lesson for that day on Jesus' parable of the Last Judgement. What impressed him most was when the teacher said; when you give something to another person you're really giving it to Jesus.

As he continued through the park, he noticed an old woman sitting on a bench. She looked lonely and hungry. So he sat down next to her, took from his pocket a chocolate bar he had been saving, and offered some to her. She accepted with a smile. He liked her smile so much that after she had eaten her piece of chocolate he gave her more. This time they exchanged smiles and, for a while they sat together in silence, just smiling at each other.

Finally the boy got up to leave. As he began to walk away, he turned, ran back to the bench, and gave the woman a big hug. And she gave him her very best smile. When he arrived home his mother saw a big smile on his face and asked, what made you so happy today?" He said "I shared my chocolate bar with Jesus', and he has a great smile.

Meanwhile, the old woman returned to her little apartment where she lived with her sister. "You're all smiles," said the sister. What made you so happy today?" To which she replied, "I was sitting in the park eating a chocolate bar with Jesus. And you know, " he looks younger than I expected;"

I hope you will be surprised at just how many occasions you find Jesus' spirit either in you or in other people who you meet.

Best Wishes
Chris Ellis
