Planning Applications for consideration –

Erection of 4 no. pairs of three bedroom semi-detached dwellings and 2 no. pairs of two bedroom semi-detached dwellings (12 no. dwellings in total) together with parking, amenity areas, landscaping and formation of vehicular access.

Sheriff Hutton supports the planning application but do wish to make the following comment:-

16/00435/FUL Land Rear of Park View, Finkle Street, Sheriff Hutton

Approved.

Re siting of Dog Bin on Laurels Garth

It was agreed for the dog bin on Laurels Garth to be moved and re siting on the same side of the road but nearer the crossroads. This decision was taken as it was thought that in its current location it means that it is unsafe to cross the road to use the receptacle.

Sheriff Hutton Field Naturalists October 2016

Our final trip of the summer programme was to the National Nature Reserve at Wheldrake Ings and sadly the weather was distinctly miserable. The hardy few who went did manage to see bullfinches, lots of swallows and house martins, some red legged partridge and grey heron but a truly torrential downpour made it difficult to see more. We will try to get to this lovely reserve again in the not too distant future, hopefully with better weather.

Our next meeting is the first of our winter programme and will be held in the Village Hall on **Wednesday 28th September** when Dave Newman will talk to us about Amber and how it is formed. He has asked anyone coming to the meeting to bring along any samples of amber they might have. We hope you can join us at any of our meetings. New members are always welcome. Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

History Group

Archive Open Day - Saturday 22nd October 1 - 4pm.

Entrance £3 inc. refreshments in the Village Hall. Theme - Trades and Housing

Where in Sheriff was the Fish and Chip shop, the Saddlers, the Police House, the Brewery and the Memorial Hall ...if you have the answers to these questions please come along and tell us at the Open day, **if not** come along and find out. This yearly Open Day is our opportunity to gather as much information as possible for the archives, with so many photographs of villagers at work and play to identify and we need your help.

Were you a member of the WI who researched and published the Treasure Survey in the 80's? If so we are looking for the original photographs that were used in this valuable, historical publication about the village. We would like to scan them for the archives and any other items.

If you live in one of the older properties we may have information on the history of your house.

Artefacts and documents will be available to browse over with a cup of tea, also a scanning area where items that you want to keep can be scanned for storing in the archives.

We will have a number of tables of interest set up from our own local groups also visitors including Appleton le Moors History and Archive group and the Ryedale Family History Group both of whom can help you with family research.

This is a day for all the family to enjoy; if you were born and bred in the village then we would like you to share your memories with us, if you are new to the village come along and look at the history and treasures of our village.

Friday 25th November 7.30pm Village Hall. Members £2 Visitors £3 inc. refreshment.

4 Cakes a Minute! presented by Richard Haste with a humorous look back to the Richard III fairs in the 1980s, when the village came together to have fun and raise the money to build the new Village Hall. If you have any photographs/posters and memories of those years we would really appreciate you bringing them along to the evening.

Contact Meg 01347 878136 or Beryl 01347 878363 for further details or membership

Health Visitor Drop-in

The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday 6th October** during the Toddler Session for anyone with pre-school children who would like to see her. Anyone wanting to see the Health Visitor is more than welcome to pop into Toddlers (if not attending anyway) while they are waiting, but consultations with the Health Visitor are confidential and in a separate room.

Playgroup

Everyone has returned after the summer with lots of enthusiasm and has settled back well. So far we have been mostly exploring our new mud kitchen area and spending lots of time playing with construction. There has been lots of fireman role play, pretending to take emergency calls, writing incident forms, learning to dial [999](#) if there's a fire and practising our fire drill.

Sheriff Hutton Village Ramble

The October ramble will be on Thursday October 27th, leaving from the Village Hall car park at 9.30am. It will be an autumnal walk of about 5 miles in the wonderful Yorkshire countryside and will be followed by a pub lunch. You don't need a car as lifts are always available. New walkers are very welcome.

Gardening Club

The October meeting will be held on Wednesday 19th at 7.30pm in the village hall when the speaker will be Ian Room on '**Tropical and Exotic Plants**'.

November will be the club's annual general meeting. Unfortunately this year brings about the retirement of most of the officers running the club under our present constitution. As we don't want to leave the Chairman, Ros, without support we would be grateful if anyone interested would come forward. Please speak to Ros or Judith (Sec). There are also vacancies on the general committee which is less onerous. A good place to find out how the club works. The potato and sunflower growing events are also in need of new organizers. You don't have to be a gardening club member to take charge of these events as they are open to all.

Sheriff Hutton Ladies Group

Andrew Thwaite paid us a visit at our meeting on Wednesday 14th September. Andrew is a chocolatier and works with a group called Autism Plus. They run a business at Ampleforth making chocolates but the majority of the staff are people with learning difficulties. Andrew showed us how to make chocolates and we were allowed to sample some that he had made. They were delicious and quite a few people purchased them.

Our next meeting is on Wednesday 12th October and is a group called The International Rescue Corps. These people attend disasters all around the world and help deal with all the problems that occur.

Sheriff Hutton Primary School

Our school year has started brilliantly! The children who are new to our school are settling in well and everyone has returned with great enthusiasm and excitement.

We have introduced a fourth class this year, Galtres Class. This is for children who are in Years 3 and 4. It means that Bulmer Class is now just for Reception aged children; it gives a great start to school life focussing on the Early Years curriculum and ensuring strong development in their first year at school.

This term our Year 6 children are taking part in their annual residential visit to Bewerley Park and we are, once again, welcoming our visitors from Sweden. We hope they have a fantastic time exploring Sheriff Hutton, York and the surrounding countryside.

The children will be celebrating Harvest at the Methodist Church on Thursday 20th October at 9.20am; everyone is welcome to join us.

We continue to welcome many people from the village who help in school; listening to reading or joining in with school activities. If you would like to help or just pop in for a visit we would love to see you!

You can find out more about the school and the activities the children are involved in on our school website www.sheriffhuttonschool.org.

Message from the Jumblies

After all the lovely weather we have been enjoying over the last few weeks the rain arrived on the day of our first Jumble Sale of the Autumn season. However it didn't seem to dampen the enthusiasm of our customers and we welcomed many of our long standing buyers and some new ones too. Thank you so much to everyone who donated jumble and those who came along to buy. The total raised was £1617 which brings our running total to £12, 319. The total raised at the Macmillan World's Biggest Coffee Morning will be published in the November news.

Our next sale will be on Saturday 15th October at 2pm raising money for our own village Tennis Club. We look forward to your usual generous support and we will be at the Village Hall between 9am and 12 noon to receive your donations of clothes, Bric a brac, toys, books, household linen etc.

If your reading stock is running low don't forget you can come along to our Book Room and Cake Stall from 1pm to get your bargains, although as usual the main sale starts at 2pm.

On the 13th September we were honoured to receive a visit from The High Sheriff of North Yorkshire, Mr John Furness. During 2015 we were assessed for the Queen's Award for Voluntary Service and although we didn't actually receive an award, on the basis of that assessment The Jumblies were brought to Mr Furness's attention by the Lord-Lieutenant, Mr Barry Dodd and the Vice Lord-Lieutenant Mr Peter Scrope, because of the work we have done over the years to support our local community.

Mr Furness was extremely interested to hear how we run the jumble sales, where all the jumble comes from and what happens to it and about all the charities and organisations that benefit from the money raised. He also told us about what is involved in his role as High Sheriff and the variety of events he attends

Unfortunately due to work commitments not all the Jumblies were able to be present but It was a lovely morning for those who could and we were absolutely delighted to hear that he felt The Jumblies should receive an award for the work we do. He presented us with a certificate and a cheque for £250 which will be used to buy new polo shirts. (Our existing ones were purchased in 2003 and are now nearing their sell by date)

Thank you for all your support.

All Change!

In the days of the steam train, the guard would come through the carriages shouting, "All change." It was a reminder that we all had to get out at the next station to find our connections for the next part of our journey. Change in life is inevitable. We cannot live without it. Yet people resist.

My grandmother was born in 1878. She saw electricity brought into the home, the advent of the telephone, motor car, aeroplane, radio, TV, National Health Service and survived two World Wars. Her interests and opinions were very parochial. She couldn't stand Aneurin Bevin, but we never knew why. She chose to use an oven heated by a coal fire, did the washing in a copper, used a mangle, heated her iron on the hob and brushed her carpets. Not for her the electric oven, washing machine and vacuum cleaner.

Technology has revolutionised our lives. The world seems a much smaller place. New ideas, new insights into old ones, shape our thinking and understanding, or at least they should do. But do we still cling to what was, or do we engage in the here and now?

Jesus had a lot to say about change. In fact he came to bring about change; a change of attitude, thinking and direction in life. Over the centuries the Ten Commandments, given to the Jewish nation by God to provide a framework for living, had been increased by their leaders to 617 rules for living. By the time Jesus came onto the scene, these rules seemed to exclude many people from God and mainstream society: the poor, the widow, the diseased, those with disabilities, the migrant and immigrant, and people with certain jobs. This was not what God intended. The nation and its leaders had not embraced and developed God's framework so that they grew in understanding and love towards Him and one another. Jesus challenged the leaders of his day and was crucified because of it.

We too need to be challenged in our own lives; how we live and engage with our world. Change is necessary. We all know what happened to the Dodo because it didn't.

Ann Vaughan.

Neighbourhood Watch

The next Neighbourhood Watch Meeting will be on Monday 3rd October at 7.30 pm in Sheriff Hutton Village Hall, when the Police will be present to give the Local Crime Report, hear your concerns and answer questions.

Unfortunately the scheduled talk on "WRAP", an initiative to increase awareness of undercover terrorist activity in remote rural areas, has had to be postponed. No further information at time of going to press, but posters will be issued nearer the meeting.

We have had a further instance of Cold Calling, namely Fish Sellers, often acting aggressively towards elderly residents. A local resident promptly and correctly called 101, the Police attended and despatched them. Trading Standards advise that fish should be marked stating what is contained within the packaging, a use by date and other information such as company name and address, also paperwork should be provided to you as a customer.

North Yorkshire Community Messaging advice to residents is not to let anyone into the house, where possible ascertain who callers are before opening the door, and if cold callers are aggressive, then please call the Police on 999, giving as much information as possible.

Please try to attend the meeting, and support your Neighbourhood Watch Team.

Terry Johnson, Lead Coordinator (01347 878626, terryj70@btinternet.com)
