## Over 60's Luncheon Club – 20 years on

On August 11<sup>th</sup> 1997 a meeting held at The Garth with Alan and Jean Farnaby, Brian Parkinson, Pauline Hull, Janet Fairclough, Janet Towse, Ken Spivey, Sandra Meads and Wendy Haste agreed to start a Luncheon Club in the Village Hall every week in winter for the pensioners of Sheriff Hutton and Lilling.

The first two course lunch was on Tuesday 7<sup>th</sup> October when 20 people were served with meat pie, potatoes, peas and carrots followed by rice pudding and peaches supplied by the Castle Inn. The next week the Highwayman pub supplied the food and this pattern continued for many years until first the Highwayman and then the Castle had to stop. At this point (2007) the volunteers serving the meals and washing-up offered to cook as well; and so we continue – helpers have come and gone (some now sit down to a meal instead of serving it) and sadly Brian Parkinson who continued to manage the finances died earlier in the year. Twenty to twenty-five people still sit down every Tuesday in the winter – we have room for more and can provide transport if necessary – but we could do with two more people to help cook, two weeks on, two weeks off – from October to April, so if you can help or would like to sit down please phone Wendy Haste 878581.

## Message from the Jumbles –

WOW! Sheriff Hutton certainly pulled all the stops out for us. Thank you so much to everyone for your tremendous support for our Jumble Sale for the Yorkshire Air Ambulance. We were inundated with Jumble from far and wide and the hall was crammed with donations from mid-morning. We extend our sincere apologies to those people who had to be turned away but as we were subjected to sunshine and showers we were unable to put any stalls outside, thus reducing our sales area. Thank you for your understanding and we do hope you have not been put off and will bring your jumble to the next Sale as your support is extremely valued by all the Jumbles.

All the hard work was well worth it as we raised a staggering £2,400 and we would like to thank you for the jumble, cakes, cash donations and those who helped in many ways both on the day and the leading up to the sale. We couldn't have reached this fantastic total without your contribution. The YAA volunteers will certainly realise how much their service is valued in the Sheriff Hutton area. This brings our running total for the year to £13,685.

The result of the Macmillan World's Biggest Coffee Morning will be published in the November News.

Our next Jumble Sale will be on **21<sup>st</sup> October in aid of Marie Curie Support**. Many people in this area have benefitted from the service the Marie Curie Nurses provide to terminally ill patients, wishing to spend their last days at home. From personal experience I can testify to the loving care extended not only to their patients but to the families and carers. They are an incredible group of dedicated people. This is yet another essential service that depends on voluntary donations and we are hoping to raise a good total to help them to continue and are looking forward to your support. We will be working with the Kirkbymoorside Support Group and all the money raised will be used to support Nurses working in the Ryedale Area.

We will be at the Village Hall from 9.00am to 11.30 to receive your donations of jumble and would ask that you bring it as early as possible in order that we can sort it on to the stalls, ready for the sale to start at 2pm.

Don't forget that even if you don't want to have a "rumble in the jumble" you can come along from 1pm to replenish your reading material at bargain prices, from the Book Room and buy delicious cakes from the cake stall.

Many thanks

## Thoughts on Harvest

At this time of year throughout the United Kingdom and beyond there are acts of worship taking place giving thanks for the harvest. We tend to celebrate 'The Harvest Festival' in some significant way; more usually with a harvest service and supper. It is however all too easy to forget where the produce we so readily enjoy comes from.

Yes, harvest time is special for all sorts of reasons: individual reasons to be thankful; private reasons to be thankful; corporate reasons to be thankful; we could if we think hard enough, I'm sure, find lots of reasons to be thankful, even in a world that seems intent on tearing itself apart; that is what got me thinking about harvest, the world today and our response.

What about taking a different angle on 'harvest' and maybe looking at it from another perspective – a more personal one? Ask ourselves what is it that we hope to reap in life, in our homes, in our places of work, leisure or worship; in our lives and the lives of others? That is quite a complex question for each of us to answer, but a good question to grapple with. We all, I trust, have our hopes and dreams, our aspirations for the future; mine is to make the world a better place by sharing those very special gifts of love and compassion, hope and faith in a very mixed up world.

This is no pipe dream and I'm not being naïve, for the view I'm taking is a wholesome one, a view that trusts in humanity and ultimately trusts in God. The perspective, my perspective, and hopefully yours too, goes well beyond the individual, the private and even beyond the corporate, as in our/your community; the response, I believe has to be a collective one where we all want the very best for each and every one of us. Every individual, I believe brings us to the heart of the harvest, to the very core of this season – how do we get a harvest – first by doing the preparation, putting in the hard work, investing time and energy in whatever it is we hope will bear fruit. No effort = no result and as the saying goes, no pain no gain. When we are willing to go the extra mile, when we put others before ourselves, when we are prepared to make those sacrifices, when we love our neighbour as ourselves, then we are sowing good seed. So with thankful hearts for the harvest we praise God for his blessings.

To close, may I share the following thoughts with you:

### ***Harvest of Thoughts***

*Anonymous*

'Dig a hole in your garden of thoughts. Into it put all your disillusion, disappointments, regrets, worries, troubles, doubts and fears  
and forget.

Cover well with the earth of fruitfulness; water it from  
the well of contentment.

Sow on top again the seeds of hope, courage, strength,  
patience and love.

Then, when the time of gathering comes, may your harvest be  
a rich and plentiful one.'

May the blessings of Harvest Time be with you.

Rev. Steve

## Sheriff Hutton Village Hall Trust AGM

The Annual General Meeting of the Village Hall trust will take place at 7:00pm on 9th October, in the Village Hall. All members of the public are invited to attend.

## Sheriff Hutton Field Naturalists

Our September trip was a return trip to the National Nature Reserve at Wheldrake Ings with better weather than on our last visit. There is a wealth of bird life there which includes bullfinches, swallows and house martins, red-legged partridge and grey heron to name but a few. The site is traditionally managed to flood in winter-time and supports a host of grassland and wetland insects including some very rare beetles: all in all a full day out.

October brings the first of our indoor meetings which will be on **Wednesday October 11<sup>th</sup>** and held in the **Miss Ward Room at the Methodist Chapel**. This will be a social evening and all contributions of food and non-alcoholic drinks will be most welcome. Our new chair, Dave Newman will give a short talk on what Field Nats did in the summer! There is also the possibility of a quiz. Anyone who is interested in finding out more about Field Nats is very welcome to join us. Members, if you would like to bring a friend along, the more the merrier.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

## Sheriff Hutton Ladies Group

We had a very entertaining meeting on Wednesday 13<sup>th</sup> September our very own secretary/member Linda Turner gave us an introduction to Tai Chi. It was really suitable for everyone as we could do all the moves from our seat. But 4 of us got to do some moves standing up and found it very relaxing. Many thanks Linda for showing us this and please could we have more.

The next meeting is on Wednesday 11<sup>th</sup> October and is a welcome return of Brian Oxberry. The last time he came to us it was all about the railway king this time it's about Dickens Children. Brian will be in costume and will regale us with the tails of the Dickens Family. This is an open meeting so all are welcome.

Dickens Children by Brian Oxberry Wednesday 11<sup>th</sup> October. 7.30pm Sheriff Hutton Village Hall

## Gardening Club

To bring us back to Sheriff Hutton village hall on the evening of 18<sup>th</sup> October, 7.30pm, we have Mike Kinnes on AUTUMN COLOUR. It will be good to be reminded that cheery colours go on until the end of the year and of how we can incorporate these into our gardens. Mike is a very good speaker with lots of experience and knowledge.

If, now we have settled into autumn, you have had time to think about contributing to the running of the club by joining us on the committee please speak to one of the officers.

## Scrumptious Tarts Make Scrumptious Profits

The Scrumptious Tarts pop-up tea shop in Farlington proved to be a huge success raising £718 for St Leonard's church during the four weekends in August. The brainchild of Farlington's Michelle McKenzie; the pop-up tea shop went from a tentative suggestion to a popular venue in a matter of weeks and welcomed through its doors people from Farlington (of course), surrounding villages and a generous sprinkling of 'passing trade' who saw the sign while driving or cycling through the village. Everyone who came found it difficult to choose a cake from the scrumptious array. As a result, many bought a box of cakes to take home for further indulgence later in the day. Yes, it was a great idea producing great results and giving a lot of pleasure. The tea shop's doors have closed for now but it will be back by popular demand and supporting Farlington's village church. Watch this space!

## Glebe Conservation Area: a polite request

There have been a number of instances of the gate from the Glebe into the churchyard being left open, and, in one instance propped with a brick! There are sheep grazing in the Glebe, with clear notices to that effect, and requesting gates to be left securely shut. Will whoever is ignoring this request **please stop**, and would all other users of the Glebe please help the trustees and sheep owners to keep the flock safe and secure? The sheep are there for conservation grazing, and not to hinder considerate users of the Glebe.

We've begun the monthly Craft and Chat with Rev Elizabeth Cushion and the Film afternoon in September, and October will see the start of our weekly Guild programme. Do come and share with us in any of these activities which will be published in the village news, you will be very welcome and there's always time for a drink, biscuit and chat. ## Neighbourhood Watch

Unfortunately the 4<sup>th</sup> September Meeting had to be cancelled due to holiday commitments of some of the members, apologies for any inconvenience. As a result the next meeting is scheduled for Monday 30<sup>th</sup> October at 7.30 pm in the Village Hall. At the time of going to press, the Police Talk has to be confirmed.

I am informed that the "Speedwatch" traffic survey has now been completed, and the results are with the Road Safety Task Group for analysis, so progress at last!

Sadly I have had a report that an apparently bogus trader has been in the village, doing roof work and gardening, for large sums of cash! The advice is as always, do not employ doorstep tradesmen unless you know them, do not hand over any cash, until any work is completed to your satisfaction, and if in doubt, report immediately to 101, ideally noting the number of any vehicle. Genuine Traders will always be prepared to quote, and in the case of large jobs, expect you to get an alternative quote. ## Sheriff Hutton Primary School

Our school year has got off to a great start. Everyone has settled quickly back into the school routine and we have already had an amazing trip to Bewerley Park with our Year 6 pupils.

We are looking forward to welcoming the children from Sweden who will be arriving at the start of October and staying with for us about a week. Our children love to share with them their knowledge of the local area and join in with trips to York and Whitby.

Our harvest celebration will take place at the Methodist Chapel during the week beginning on Monday 16<sup>th</sup> October. Everyone is welcome.

Our first topic of the school year is science based with some classes looking at materials whilst others find out 'All about me'. The oldest children are studying space and have been given the great opportunity to visit Outwood Easingwold to explore the use of telescopes.

You can find out more about the school and the activities the children are involved in on our school website [www.sheriffhuttonschool.org](http://www.sheriffhuttonschool.org)

## Sheriff Hutton Cricket Club

Despite winning three of their last four games Sheriff Hutton 1<sup>st</sup> XI could not improve their league position and finished the season 5<sup>th</sup> in Y&DSCL Galtres Division 3. The 2<sup>nd</sup> XI had a strong finish to the season winning their last three league games to finish 5<sup>th</sup> in Y&DSCL Galtres Division 4. The 2<sup>nd</sup> XI finished the season on a high by winning their group in the Galtres Spring/Autumn Trophy.

This conclude a solid season with the club also finishing 4<sup>th</sup> in Division 2 of the Pilmoor Evening League.

Having completed the competitive season Sheriff Hutton played a friendly game against The Highwayman. On a rather damp day the club won the encounter by 10 runs before both teams repaired to The Highwayman for some food and a few well-earned drinks. Many thanks to all those who took part in what was an enjoyable afternoon despite the weather.
