### Parking Notice

The Parish Council would like to remind residents that there is strictly no parking on the Little Green. They would also ask for residents to be considerate when parking throughout the village, including ensuring that cars are not parked blocking or part blocking footpaths.

### Sheriff Hutton War Memorial

During preparations for the commemoration of the end of World War 1 it has been suggested by a number of people that whilst there is a War Memorial in the Parish Church there should also be a secular War Memorial located somewhere in the actual village, to commemorate people from the parish who lost their lives fighting for their country in all wars. This suggestion has been passed to the Parish Council for consideration and the views of local residents are welcomed regarding whether this is something the village would like to see. At this stage this is only a consideration. If there is a requirement the Parish Council would look to create a working group who would investigate this further. Please contact the Clerk with your views.

### Donations

The Parish Council have recently made a donation of £500.00 to St Helen and the Holy Cross Church to help with the annual costs associated with the upkeep of the Parish Burial ground.

## **Sheriff Hutton Village Hall Friends –200 Club**

September's prize winners were 7, 56, 76, 135 and 220.

## **WW1 Centenary Weekend – update**

As mentioned in previous newsletters we are planning to have a WW1 Centenary weekend on 10/11 November. Plans are now being firmed up. There will, of course, be the Remembrance Service at the parish church on Sunday 11<sup>th</sup> November as this is where the village memorial is sited.

There will be a display at the Village Hall on Saturday 10<sup>th</sup> between 1pm and 4pm with photos, artefacts, biographies of those who went to war and those who died, memories of local people. We're also going to reflect on what it was like living in Sheriff between 1914-1918, and also the impact of war on the men/women and their families' mental and physical health. Some schoolchildren are going to be interviewing villagers on their family memories. There will be refreshments available.

The idea of a permanent memorial stone has been referred to the Parish Council for further exploration and consideration.

We are building up the number of knitted red poppies. There are also a number of purple ones to reflect the animals who died. Please would you give to Barbara Grinham by October 24<sup>th</sup>. Patterns are still available from Barbara on 878476.

You'll also be able to see the Sheriff version of "there but not there". You may have heard of this national initiative of perspex figures to represent those who went to war. We have our own Sheriff version which is currently under development and will be a very fitting tribute. We are hoping to site our figures as close as possible to where the people lived. They should be sited between the two weeks before Remembrance Sunday and for a week afterwards.

We also hope to have a concert of WW1 related poems, readings, songs and music in the Village Hall. This will be on Sunday 11<sup>th</sup> at 2pm, last for about two hours and have a interval with refreshments.

Groups involved in the planning are the History Group, parish council, both churches and the primary school. If you have any ideas please do contact Jill Hodges on 878595. We are really appreciative of the suggestions, help and involvement of others so far.

Further and final update in November's newsletter.

## **Gardening Club**

Our meeting this month on Wednesday 17<sup>th</sup> at 7.30pm in the Village Hall has the interesting title "Do you know what is happening in your garden?" The speaker is Barry Bishop.

As there are several new families in the village I just add that anyone is welcome to come to our meetings without being a member. We will do our best to make you welcome and join the club.

### **Tips for October**

Tidy up the flower borders but don't be in a big hurry to cut back the late flowering asters, rudbeckias, eryngiums, globe thistles and several other hardy herbaceous perennials, their seed heads will provide food for finches, tits and other small birds.

Clear up the vegetable and fruit areas of any crop debris and weeds. Compost 'clean' material Bin any diseased material and seeding and perennial weed roots.

Maintain good garden hygiene by picking up and destroying diseased fruit e.g. brown rot on apples (common this year) including 'mummified' fruit still hanging on apple and plum trees. This will help to avoid 'carrying over' to next years crop. Likewise potatoes and tomatoes with blight, carrots with tunnelling carrot fly grubs, rust on leeks, black spot and rust on rose foliage and dead twigs. Bin or burn.

Purchase and plant onion sets whilst the soil is relatively warm. Also tulip bulbs should be planted this month, 15 to 20 cms deep.

Hyacinths and other bulbs and corms for containers and pots should be planted in free draining compost. Water in thoroughly and place on a sheltered well drained surface. Cover pots and containers with a 10 to 15 cm layer of soil or clean, old compost.

Allow the bulbs/corms to develop naturally and form a good root system plus 50 to 75mm of top growth before lifting from this plunge bed.

Any vacant soil can be dug, incorporate compost or manure in moderation. Organic matter is the 'life blood' of this soil and will maintain/improve structure, drainage and soil fertility.

On wet days clean and sterilise the greenhouse/conservatory, peruse seed and plant catalogues, plan for 2019 and order early.

## **Sheriff Hutton Village Market**

The Sheriff Hutton Village Market Team continue to make progress towards the first markets on Sunday 17th March, Sunday 14th April and Sunday 19th May 2019.

We would like to particularly thank Justine Warner for her time and effort in producing a logo for the market and also Bass Stewart for his efforts in producing the village market website. We hope in the near future this will 'go live'.

One of the main aims of the market is to promote local traders producing high quality hand and homemade goods. We would therefore like to take this opportunity to ask any local residents who may be interested in hiring a stall on market days to get in touch with us via [mail@shvm.co.uk](mailto:mail@shvm.co.uk). If you would prefer to contact us by telephone, please ring Sally Fairweather on 07719 624033.

On market days, we will be offering local clubs/groups/associations the opportunity to raise funds for their cause by running a refreshments stall from the village hall kitchen. Again, if any local groups would be interested in this, please email [mail@shvm.co.uk](mailto:mail@shvm.co.uk), or alternatively telephone Meg Ashbridge on 01347 878136.

Finally for now, we would love to hear from anyone interested in being involved in the market in other ways, such as being a member of the committee, or by giving help and support on the day. We aim for this to be a venture for the community, run by the community, so the more people involved the merrier!

We hope you are as excited as we are!

Thank you!

## **Sheriff Hutton Field Naturalists October 2018**

The Yorkshire Mining Museum at Wakefield tells the story of coal mining through the centuries along with the chance to go underground if one is brave enough. But there was also plenty to see above ground and with the whole site stretching to forty five acres a day really isn't enough to see everything. Well worth a visit.

This was the last of our summer field trips and our next meeting will be at the Village Hall on Wednesday 3<sup>rd</sup> October at 7.30pm. Our speaker will be Dave Newman talking on Rainbows to Diamonds - shedding new light on the colour of crystals and gemstones.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Andy on 01904 491308, Jim on 878667 or Tricia on 878995

## **Message from the Jumbles –**

Well after all that lovely warm sunny weather we were quite disappointed that it rained on the day of our September Jumble Sale. However it did not deter our loyal supporters and some new buyers too. Once again Radio York called on us whilst we were setting up, as part of the Finders Keepers programme so we had the benefit of some good extra publicity.

The supporting group had worked extremely hard to make sure we had a good amount of jumble and there was a very good response from local people so there were lots of bargains to be had. Together with the fantastic cake stall, tombola and raffle the total raised for the York Respiratory Group was £2,121, which brings our running total to date to £14,884.

The amount raised at our annual Macmillan World's Coffee Morning will be given in the November News

Our next Sale will be on **Saturday 20<sup>th</sup> October** to raise money for our own village **Bowls and Cricket Clubs**. As usual donations of good condition bric-a-brac, books, toys, shoes, linen and in particular clothing will be most appreciated and can be brought to the Village Hall between 9am and 11am on the morning of the sale. The main sale starts at 2pm but the doors will be open at 1pm for the sale of books and cakes.

### Sheriff Hutton Play Area

Thanks to Jock Fairclough the swings are now back in action and are still as popular as ever and other repairs have also been completed.

The response to the appeal in the September News for new members to join the Play Area Committee was disappointing, with only one person keen to help by offering his expertise. The area is well used and enjoyed by local children and as stated previously, the Village Hall Trustees fund grass cutting and insurance but upkeep of the existing equipment and any replacements have always been funded by the community. Unfortunately the cost of the repair work carried out recently has greatly depleted the amount of money held in the Play Area Account.

We do, therefore, urgently need to recruit new members to the Play Area Committee, mainly to look at ways to raise money to secure the future of the area. The safety of children is of paramount importance therefore the equipment has to be maintained in a safe condition. Please call me if you are interested in the upkeep of this valuable village asset.

We need your help – Please contact me  
Penny Bean

### Playgroup

We will be holding our annual Kids' Stuff Sale on Saturday 3rd November 2 - 4pm. We welcome donations of good quality toys and equipment (no car seats) - please drop off at the Village Hall from 9.30am to 11.30am.

Playgroup relies heavily on fundraising to stay open and is very grateful for all the support we receive from the village.

Full and half day sessions at Playgroup are run on Tuesday, Wednesday & Friday between 9am – 3pm. We currently have spaces for 2,3, & 4 year olds. Please get in touch on 07717 799646 or [shuttonpreschool1@yahoo.com](mailto:shuttonpreschool1@yahoo.com) to find out more or book your free trial

### Glebe Conservation Area

Regular users of the Glebe will be aware that the sheep have returned for their autumn grazing. The trustees would ask everyone who uses the area to ensure that the gates are securely closed on arriving in and leaving the Glebe. Many thanks.

It is disappointing that in a village such as ours the Glebe has been once again this year the target for malicious behaviour, which has to date included theft of gate closure bungee wires, propping open the gate from the churchyard, tying of gates to prevent opening and theft of notices. The police have been informed, and the trustees ask all sensible villagers who use the Glebe to report anything they perceive to be amiss to any trustee, and if possible put it right.

To those responsible for these acts: please stop!

### **Christmas Shoeboxes**

On Wednesday 31<sup>st</sup> October we will be filling shoeboxes with presents for children who will not receive any other gift for christmas. Each year we have been able to fill over 100 boxes and we do hope this can be maintained as some of our supporters have left the area. We will be in the church from 10.00 a.m. and do come along and give a hand if you are able.

Any gifts of toys, toiletries, stationery, knitted hats, scarves and gloves that can be part of a shoebox would be appreciated. Transport is a significant cost to Samaritan Purse who is the organising charity and we try to cover our share with any donations we receive.

There is a shortage this year of shoeboxes with separate lids if you do have any please let us know on 878471. Shoeboxes please NOT boot or small slipper boxes. Thankyou for your support.

### **Sheriff Hutton Ladies Group**

Our meeting on Wednesday 12<sup>th</sup> September was well attended; we had a few visitors which is always a pleasure. The speaker was Jean Yorston she came to tell us about her passion for antiques. She buys and sells antiques at various markets and fairs around the country. Jean brought a few of her collection for us to see from a huge brass kettle to candleholders to a beautiful wooden tray and bowl from Thompsons of Kilburn.

The next meeting on Wednesday 10<sup>th</sup> October at 7.30pm is a talk by Bryony Grassie from The British Red Cross.

Just a note to remind people about our meeting on November 14<sup>th</sup> we have The Yorkshire Film Archives coming to do a show called 100 years of film. This will have photos from Sheriff Hutton, Strensall and other local areas. This will be open to anyone to attend if they wish.

## Harvest...?

At this time of year many will celebrate a Harvest Festival, these are times, rightly, when we give thanks for the providence of God and for all that the planet we inhabit affords us. This year we have been starkly reminded of the fragility of this world we call home. We froze in the spring battered by the Beast from the East, and we sweltered through a long and very hot summer, if we look further back we would remember that the autumn of 2017 was a very wet one. Why you may ask am I giving you a recap of the weather?

For many farmers the weather has made this year a challenging one. For sheep farmers the problems began in the autumn of 2017 when prolonged cold and damp affected ewe fertility. The snow and cold temperatures of the 'Beast from the East' arrived at lambing time and there were losses of new lambs and ewes as well as cattle resulting in cash flow problems with fewer lambs to sell in the autumn and higher prices for replacement ewes. The prolonged drought in some areas has meant that farmers are now feeding their livestock with forage made for the winter months as there isn't enough nutritious grass. Many will not have been able to produce as much silage as normal and this, coupled with early feeding, may well lead to shortages and higher prices. This may result in further problems when hay/silage stocks run out before the winter is over causing more stress and financial pressures.

In the arable sector, the cold spring meant that some crops were sown late and established crops had their growth affected. Many crops have been harvested early but lack of water meant that yields may be low. This should make us sit up straight and perhaps mutter under our breath 'Oh my' as we fully take on board the implications for us all. At this year's Lammas Service held at St. Leonard's Farlington we were asked to hold our farmers in prayer in these testing times when anxieties are high.

I am using this letter to ask a wider population to do the same, to pray for our farming community. We can, of course still give thanks for food but recognise the extra work and stress this year has caused and the fact that some of the effects will continue into next year and beyond. They are 'not out of the woods' and need our support and encouragement, they are after all our custodians of the land and they do a great job in providing food for our tables. The food for which we are grateful, so much so we celebrate with our annual Harvest Festivals – do celebrate, do give thanks; and praise God that we are blessed with what we have and ask for God's blessing on *all* those who play their part in our food production.

Blessings Rev Steve

**Please Note:** On Saturday 20<sup>th</sup> October the Jumblies Jumble Sale will be in aid of Sheriff Hutton Cricket Club and Sheriff Hutton Bowls Club. This is a great opportunity to raise funds to continue developing the clubs both on and off the field of play by maintaining the grounds, facilities and equipment. This enables both clubs to continue to provide excellent sporting amenities at the heart of Sheriff Hutton village.

If you are able to donate we need clothes, toys, books, shoes, household linen, jewellery and bric-a-brac. For help with delivery or collection please contact Margaret Frank on 01347 878729.

Many thanks in advance for your support.
