## **Sheriff Hutton Ladies Group**

What a fantastic day out we had on Wednesday 15<sup>th</sup> August. 26 of us went to Tennants Auction Room at Leyburn. The bus journey was lovely driving through stunning Yorkshire countryside. We arrived at the auction rooms to be greeted by Rodney Tennant who was to be our guide for the day. Coffee and a biscuit were consumed and then Rodney gave us a talk about his life and work and how he started his auction business from his training at Sothebys and to his own empire he has today. At 12.30 was lunchtime and it was delicious. Then after lunch we were taken on a tour of all the different auction rooms full of things that were going to be sold later on in the week from toys, trains and costumes to beautiful quilts. It was so interesting then we went back into a room and had a quiz! It wasn't an easy quiz a few of us struggled but it was good fun. We finally had scones and coffee at 4.30pm and our lovely day was finished. It is well worth a visit.

Our next meeting is on the 12<sup>th</sup> September at 7.30pm and is a talk by Jean Yorston. Jean will introduce us to what goes on behind the scenes of dealing with antiques.

All welcome. Barbara Grinham (01347878476)

## **Sheriff Hutton Village Market**

The Sheriff Hutton Village Market Committee are thrilled to announce that the date of the first market is planned for Sunday 17th March 2019 based at Sheriff Hutton Village Hall, with markets continuing on a monthly basis. We are extremely thankful to the Parish Council for their grant to cover start-up costs to allow this to happen.

One of the main aims of the market is to promote local traders producing high quality hand and homemade goods. We would therefore like to take this opportunity to ask any local residents who may be interested in hiring a stall on market days to get in touch with us via [mail@shvm.co.uk](mailto:mail@shvm.co.uk). If you would prefer to contact us by telephone, please ring Sally Fairweather on 07719 624033.

On market days, we will be offering local clubs/groups/associations the opportunity to raise funds for their cause by running a refreshments stall from the village hall kitchen. Again, if any local groups would be interested in this, please email [mail@shvm.co.uk](mailto:mail@shvm.co.uk), or alternatively telephone Meg Ashbridge on 01347 878136.

Finally for now, we would love to hear from anyone interested in being involved in the market in other ways, such as being a member of the committee, or by giving help and support on the day. We aim for this to be a venture for the community, run by the community, so the more people involved the merrier!

We hope you are as excited as we are.

## **Sheriff Hutton Open Studios**

Justine Warner and Patrick Smith would like to thank all the villagers who supported them at Sheriff Hutton Open Studios on 11/12<sup>th</sup> and 18/19<sup>th</sup> August. The event was a great success, with lots of visitors on both weekends, and it is wonderful to see local artists supported by their communities. Both artists continue to be shown locally, including a joint exhibition of their work at Nunnington Hall in March 2019.

## **Sheriff Hutton Play Area**

Sincere apologies for the swings being out of use over the summer holidays. Unfortunately the annual safety check revealed that some of the timber uprights needed to be replaced due to wear and tear and it was hoped to get the work completed before the school holidays but sadly great difficulty has been encountered sourcing new ones. As soon as these are available they will be installed.

The provision and maintenance of the equipment in the play area is the responsibility of a very small committee, under the overall umbrella of the Trustees of the Village Hall. The Trustees own the land and pay for the grass cutting and the insurance. All other costs have been met from fund raising from jumble sales, discos, and grants etc. The area is well used and enjoyed by local children and visitors to the area. All the equipment has served us well for many years but some is now in need of updating. The cost of the repair work carried out recently has greatly depleted the amount of money held in reserve.

Looking to the future the Play Area Committee urgently needs to recruit new members. We would welcome interest from parents, guardians, grandparents and anyone else interested in the upkeep of this valuable village asset.

Joining a committee is not everyone's cup of tea but if you would like to help in some way and in particular if you have a talent for fund raising please contact me. Fund raising does not have to be an onerous task it can be fun too. Sheriff Hutton's reputation for being a great community in which to live was built on the community spirit generated through fund raising events which paid for many of the village's assets. The Village Hall, Cricket Pavilion, Bowls Pavilion, Play Area to name a few were brought about by people wanting to get involved and organising a number of super social fund raising events.

### Gardening Tips for this September:

Plant daffodil bulbs this month, ten to twelve centimetres deep, ensure good drainage and do not incorporate animal manure.

September to mid-October is the best time to establish a new lawn either by seed (cheaper) or by turf. Level and prepare site thoroughly. Time also for some serious maintenance of established (and long suffering) lawns. Scarify and aerate by machine or hand tools, to improve drainage and rooting. Any fertiliser applied should be potash based and avoid using high nitrogen at this time of year – it leads to soft growth and fungal disease problems.

### To anyone in the village...

Sarah Anderson, who has been organising the Village Show for 6 years, has decided to make next year's show her last one. The Show is an intrinsic part of village life, and well supported by many villagers of all ages. If the Show is to continue we need someone to step into Sarah's shoes and continue with this tradition. Sarah has kindly offered to help handover the reins by having someone shadow her this coming year to see exactly what is required. If this is something you would like to do please contact Sarah on 01347 878418.

### Rock Hunting in Greenland

Peter Shuttleworth who lives in Nottingham has recently returned from a geology expedition to Greenland and he has kindly offered to come and give an illustrated commentary on his experience. Peter has given many excellent presentations in the past and this will be another "not to be missed". It will be in the Miss Ward room on Monday 10th September at 2.30p.m. so do please come along and enjoy "Rock Hunting in Greenland".

## Sheriff Hutton Field Naturalists

It was yet another lovely day for our trip to RSPB Blacktoft Sands reserve at Goole. This is one of the best places in Britain to see Bitterns, Avocets and Marsh Harriers and Blacktoft didn't disappoint. Whilst it is not a site that has much in the way of facilities, it makes up for it in bird life and a good day was had by all.

Our next meeting is on **Saturday September 8<sup>th</sup>** and will be an all-day trip to the Yorkshire Mining Museum at Wakefield. There is plenty to see at the museum and there is also the chance to go underground if one is brave enough. Tours can be booked on the day. Entrance to the museum is free but donations are welcomed. Anyone wishing to go should **meet at The Highwayman Pub at 9.30am**.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Andy on 01904 491308, Jim on 878667 or Tricia on 878995.

## Badminton

Badminton starts on the 3rd September at 7.30pm until 9.30pm in the village hall and runs through until 17th December. Cost £6 per week or £72 for the whole 16 weeks (half price for under-18 or in full time education).

There needs to be an AGM and this will be held on the 3rd September at 7.30 to approve the accounts and confirm the officers (Ann Fairclough as chair, Gill Fairbotham as secretary and Philip David as treasurer).

## Update on Fracking and Our Local Community

Fracking has been less in the news recently which might lead you to think that nothing is currently happening. On the contrary, there are currently important changes being discussed which could directly affect our community. You should all have received a leaflet regarding the government's intention to treat fracking as permitted development and I just wanted to explain further what this means and the possible impact this could have on Sheriff Hutton and yourselves.

Sheriff Hutton (and nearby villages) fall in an area that INEOS has been granted a PEDL licence for. A Petroleum Exploration and Development Licence (PEDL) allows a company to pursue a range of oil and gas exploration activities currently subject to drilling/development consent and planning permission.

### So what might change and how does it affect us?

The Government is currently running a public consultation on making changes to the current process which will be completed by mid-October - so there is limited time to act if you want to add your voice to this. It affects two aspects of the process - treating fracking as permitted development and as a Nationally Significant Infrastructure Project (NSIP)

Permitted development is the part of UK planning law that allows people to carry out improvements on their home or property - such as loft conversions, putting up a fence, adding a small conservatory or putting up a garden shed - without having to apply to the local council for planning permission.

If it is agreed that fracking can be treated as permitted development then it means that oil and gas companies would not need to apply for planning permission from the local council to construct an exploratory fracking well pad.

What this could mean to Sheriff Hutton is that if the company were to agree terms with a local landowner they could begin work with no further consultation or discussion.

NSIP - If fracking should be treated as a Nationally Significant Infrastructure Project (like HS2 or the UK motorway network) it would mean that planning applications for full-scale multi-well commercial fracking would be decided by a government-appointed planning inspector, not the local planning authority. This would effectively remove all control of fracking projects from democratically elected county councils and local communities.

These proposals are a serious assault on our local democracy, as they would prevent county councils and local communities from opposing fracking in their area, as people have done in huge numbers all across the country wherever fracking has been proposed. It is a way for the government to bypass local democracy to allow the fracking industry to start drilling without consulting local people.

What can I do to make my feelings known and find out more?

1. Access the government consultation directly and make your comments there <https://www.gov.uk/government/consultations/permitted-development-for-shale-gas-exploration>
2. Contact your local MP (kevin.hollinrake.mp@parliament.uk) and local councillors
3. <http://www.frackfreeunited.co.uk> which has info and a declaration to add your name to
4. Contact relevant government ministers james.brookshire.mp@parliament.uk and/or claire.perry.mp@parliament.uk
5. If you want any more information locally contact Lynne Blair ([lynneblair@yahoo.com](mailto:lynneblair@yahoo.com))

## **St. Leonards Hospice**

My name is Kathryn Craven and I have recently joined the team at St Leonard's Hospice as Community Fundraiser for Ryedale and District. My time at St Leonard's so far has been inspirational and I look forward to sharing the great work of the Hospice with the people of Ryedale and surrounding areas.

So first a bit about me: I was born in York and have lived here ever since. I have a seven year old son who is sport mad and I spend most of my weekends standing in a sports field. I love food, especially Italian, and I am also quite partial to cheese and wine!

St Leonard's Hospice is a special place for me. I have personally experienced the Hospice and all of the wonderful services they provide, both for patients and their loved ones, and it truly was a 'haven' for me when I needed it most.

My role as a Community Fundraiser is to raise awareness of the work the Hospice does and how we care for the people of Ryedale and their loved ones, whether that be through accessing our Hospice@Home service, being admitted onto the In-patient Unit or visiting the Sunflower Centre.

I am currently looking to create some St Leonard's Hospice Support groups in the Ryedale area. If this is something you may be interested in please do get in touch.

I can be contacted by phone on 01904 777 777 or 07388 946 840, or by email at [Kathryn.Craven@stleonardshospice.nhs.uk](mailto:Kathryn.Craven@stleonardshospice.nhs.uk)

**Extra editors at the Village News** The editors would like to welcome Helen and Peter Bartlett to the editorial team, and wish them many happy years of editing. Their telephone number is 879160; **as always emails for the attention of the team should be addressed [villagenews@sheriffhutton.co.uk](mailto:villagenews@sheriffhutton.co.uk).**

## **WW1 Centenary Weekend – update**

As mentioned in previous newsletters we are planning to have a WW1 Centenary weekend on 10/11 November. Plans are now being firmed up. There will, of course, be the Remembrance Service at the parish church on Sunday 11<sup>th</sup> November as this is where the village memorial is sited. There are also plans to have a display at the Village Hall on Saturday 10<sup>th</sup> with photos, biographies of those who went to war and those who died, memories of local people, and school and church records. We're also going to reflect on what it was like living in Sheriff between 1914-1918, and also the impact of war on the men/women and their families' mental and physical health. Some schoolchildren are going to be interviewing villagers on their family memories.

We are exploring a permanent memorial stone to all those who have fallen, and a possible site is the green outside The Highwayman and opposite to the original memorial village hall. We are hoping to have British Legion memorial crosses (see below) and knitted red poppies. Groups are getting involved in the knitting of red poppies that will be used to surround this memorial area. Patterns are available from Barbara Grinham on 878476 and she is also happy to be a collection point for the finished poppies.

You'll also be able to see the Sheriff version of "there but not there". You may have heard of this national initiative of perspex figures to represent those who went to war. We have our own Sheriff version which is currently under development and will be a very fitting tribute. We are hoping to site our figures as close as possible to where the people lived.

We also hope to have a concert of WW1 related poems, songs and music in the Village Hall.

Groups involved in the planning are the History Group, parish council, both churches and the primary school. If you have any ideas please do contact Jill Hodges on 878595. We are really appreciative of the suggestions, help and involvement of others so far.

Further updates in October's newsletter.

### **British Legion Memorial Crosses**

People are invited to make a donation and place their memorial cross in the Memorial Garden (described above). The cross can be in memory of someone from the village or a relative who went to war or who died. If you would like to reserve your cross(es) please contact Neil Hodges on 878595.
