Next time it could be an emergency vehicle that is required at your property.

The St Leonard's tea room is back every Saturday and Sunday morning, and the Bank Holiday Monday, in August from 10.00 – 12.00 in Farlington village hall with teas, coffees and lovely cakes. If you came last year and enjoyed it, please come again. If you did not come last year, come and see what you missed. These are definitely dates and times for your diary in August.

Lammastide at Farlington ~ Sunday, August 18th

The Lammastide farming festival celebrates the start of the harvest. It was a church service for farming communities which largely died-out in the 1540's; the latter days of Henry VIII's reign. But, St Leonard's in Farlington is one of a number of churches in rural communities which has brought Lammas back into the church calendar. This year, the service will be on **Sunday, August 18th at 10.30am** and everyone is welcome to join us for this special occasion in the farming year and get to taste a Lammas Loaf. Besides the Lammas Loaf, there will be other light refreshments in the Churchyard after the service.

Village Ramble

The August ramble – which is on **Thursday August 29th** – is planned to be up on the North Yorkshire Moors and will be along the drovers road from Boltby Bank and lunch at High Paradise Farm Tearooms. It is a beautiful walk – why not join us. We will meet at the Village Hall car park at 9.30am and will be back in the village before 3.00pm. You don't have to have your own transport; lifts can be provided.

Health Visitor Drop-in

There will be no Health Visitor session for August. The Health Visitor will be next at the Village Hall from 9.30am – 11.30am on **Thursday, September 5th**.

Super-Mobile Library

The Super-Mobile library will visit Sheriff Hutton Village Hall Car Park between 10.00am and 12.00noon on **Fridays August 2nd, 16th and 30th**.

Thank You

I would like to say a big "thank you" to everyone who sent me cards and 'get well' messages following my recent mishap outside the school. I really appreciate the kindness and care shown to me by the people of Sheriff Hutton.

Sheriff Hutton Field Naturalists August 2019

Field Nats spent a pleasant day at Melbourne exploring the new swing bridge on the Pocklington canal. Plenty of butterflies, damsel and dragonflies to see, sadly they didn't but proved to be camera shy, not stopping to pose for photographs. A boat trip along the canal followed by a picnic completed the day.

Our next trip out is on **Sunday 4th August** meeting at 10.00am in the **Highwayman Pub car park**. Our destination is the **RSPB Blacktoft Sands Reserve near Goole**. The nearest postcode is DN14 8HR (Ousefleet). Please let Dave know either by email or on the number below if you are coming as it helps to sort out transport.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Jim on 878667 or Tricia on 878995

Sheriff Hutton Ladies Group

On Wednesday 10th July we had our annual outing. This time we went to The Piece Hall at Halifax. What a fabulous day we had, the weather was kind to us so we were able to wander round this beautiful place. A Few of us did the conducted tour. It is worth a visit if you get a chance.

Our next meeting in the Village Hall on the 14th August is at 3pm and will be an afternoon tea. There will be scones with jam and cream or cheese scones with chutney.

Everyone is welcome to come along in the afternoon.

Many Thanks Barbara Grinham 01347878476

The Gardening Club

The Village Show is on Saturday, August 10th and we do hope as many people as possible will exhibit and come to view the products in the afternoon. If you have lost your entry form there are always some at the post office.

Tips for the month.

There nothing to beat the pleasure of growing your own fruit and vegetables, especially tomatoes. Regular watering and feeding are essential to end with good results. Follow the labels!! Control of whitefly and other aphids can be done with yellow sticky traps or by spraying. One can of course, use the finger and thumb method.

Complete your summer pruning of espalier and cordon fruit trees and when your summer fruiting raspberries are finished cut back all the old canes and tie in the new canes. Give the autumn fruiting varieties plenty of drinks to avoid dried up fruit.

Strawberry plants can be bought and planted towards the end of the month. Make sure your plants are healthy, virus free specimens. Plant them on a new site: (crop rotation will help).

Make sure that runner and French beans are well watered, particularly during very hot weather, courgettes, marrows and melons are also very heavy drinkers, so give them liquid feed every week.

Towards the end of the month is a good time to give beech and hornbeam hedges a good cut, this gives time for regrowth before cold weather.

Harvest herbs and lavender and look round the garden centres and catalogues for bulbs and corms so you don't miss the choice ones.

Harvest early potatoes, dry them well and store in breathable bags in a rodent free place. Also harvest onions, shallots and garlic during any dry spell and store similarly.

Continue to dead head roses and a range of herbaceous plants such as heleniums and French marigolds to encourage late flowers and a tidy appearance in your garden

Neighbourhood Watch (NHW)

To date this month, we have carried two one hour early morning sessions of Community Speedwatch (CSW), a total of 508 vehicles passed through (both directions) with three offenders over the allowed tolerance, two at 38 mph. If you have any speeding concerns, which I am sure you have, the only way forward is to complete a "95 Alive" Speed Concern Report, which can be downloaded from the North Yorkshire Police website, or I will be only too pleased to supply one if you get in touch.

Message from the Jumblies –

It was great being able to have stalls outside at the June Jumble Sale. There were lots of other events happening locally and the number of buyers was a bit down but nevertheless those who came spent generously and we managed to raise £1,735 for the Chanticleer Singers. Once again thank you to everyone who supported us.

There were a few anxious moments early on the morning of our Annual Coffee Morning on 6th July, as a fine drizzle threatened to spoil the event, but by 8.30 the sun came out and it was business as usual and our supporters were able to sit either outside or inside to enjoy the banter. Looking back in our records this was the 14th Summer Coffee Morning we have hosted and we have been blessed with good weather for all but one.

It was a lovely happy occasion and it was great to see many familiar faces and some new supporters too all enjoying the morning. Everyone was so generous buying raffle tickets, having a flutter on the tombola and benefitting from the bargains on the jewellery and cake stalls. Together we raised £750 **for Yorkshire Air Ambulance**, bringing our total raised to date this year to £12,435.

We are now enjoying our summer break and will resume our Jumble Sales on Saturday

7th September, when we will be raising money for Yorkshire Cancer Research, working with the Malton Support Group.

Please remember us if you are having a clear out. We are always very happy to receive your unwanted clothing, bric-a-brac, books etc.

We will also be having our Macmillan World's Biggest Coffee Morning on Saturday

28th September so make a note in your diary and please keep saving your small change for our Famous Money Tree.

Your continuing support is so important to us.

75th Anniversary of VE day Celebrations 2020

Countrywide communities are being encouraged to arrange celebrations and commemorations of the 75th Anniversary of VE Day in 1945, to be held over the May Bank Holiday weekend which next year has been moved to Friday 8th May.

Suggested events include street parties, concerts, exhibitions, church services etc.

We are looking to form a small group to co-ordinate events in Sheriff Hutton and would be delighted to hear from anyone who is interested in being part of the group as well as hearing from organisations within the village that are planning an event.

Our first meeting will be held in September so please contact us if you are interested in being part of the group.

Steps in Life

As I write my bit for the Village News, the country is preparing to commemorate 50 years of the first landing on the moon. In 1969, American astronauts Neil Armstrong and Buzz Aldrin became the first humans ever to land on the moon. As he took his first step on the lunar surface, Armstrong famously said 'That's one small step for man, one giant leap for mankind'.

Those famous words made me think about our faith. We are all taking steps in our lives. Some are little steps as we go through daily routine; others are big steps when we have done something eventful or made a big decision or trusted God when everything around seems to be falling apart.

And we too will have taken steps that have helped others: when you have reached out to someone in need with encouragement, a listening ear or practical support. May we all keep up with those steps. It might only be little things, but they mean a lot. One small act of kindness is a giant help for someone else.

Sheriff Hutton Playgroup

We have now said our farewells to the 'big' boys and girls who are moving up to the school in September with excitement. As we look towards starting the autumn term and with some healthy numbers on our books we would welcome anyone interested in working on the team as relief staff in order to cover sickness absence etc. Please get in touch on the number below if you would like to have a chat and find out more about what is required. We are also looking for new members to join the committee from July. If you would like specific information about how to get involved with our playgroup committee, please contact the Chairperson Lexi Phillips [07817 599471](tel:07817599471) or Angela [07717 799646](tel:07717799646).

Places are available in the Autumn term for 2, 3 and 4 year olds- both funded and unfunded places. Sessions at Playgroup are run on Tuesday, Wednesday and Friday between 9am – 3pm. Please get in touch on [07717 799646](tel:07717799646) or shuttonpreschool1@yahoo.com to find out more or book a taster session.

Glebe Conservation Area

Hopefully by the time this News is delivered, the grass will have been cut, ready for rowing up and eventual deposit at non-sensitive areas. We are fortunate and grateful to have John Eastlake as our mower man, at much less cost than the previous contractor. Work has also been done to cut the seed heads of invasive hogweed: many thanks to those who helped.

August is the month when the Friends of the Glebe renew their £10 annual subscription. At the current level of support we just about cover the cost of our annual insurance premium of almost £300. Ideally we would love more people to become Friends, thus providing us with a more secure income and supporter base. If you would like to learn more about the Glebe, which as well as being a scheduled monument, is also a designated site of Importance for Nature Conservation, please visit www.sheriffhutton.co.uk/the-glebe and to become a Friend please email simon.sweeney@york.ac.uk or phone 878562.

Sheriff Hutton Tennis Club

League Reports. All teams are progressing well with their matches with the Men's, Mixed and York League Ladies teams in line for promotion. The Hovingham, Ladies team have completed their fixtures and although in the bottom half of the table have enjoyed close matches and the opportunity to play competitive tennis. Many thanks to Fiona for running the team.

Coaching. The Wednesday coaching sessions with Ben Orton have proved popular and have included match tactics; this is now being reflected in the team results. Many thanks to Melanie for organizing and running the sessions.

Wednesday morning Ladies sessions continue as usual.

Junior Tennis. The Junior section of the club has been well supported this year with good numbers for both coaching and club night.

Junior Competition. This was run as a round robin competition with 2 groups of 5 juniors. The top two from each group played a semi-final and the winners then played in the final. The final had all the thrills of Wimbledon, with an umpire, ball boys and spectators. The tennis was excellent and the match was decided on the last game. Congratulations to the winner Kirsty Noble, and the runner up Joseph Brownbridge. The competition allowed the juniors to show how well they could play and how much they enjoyed their tennis. The Junior Trophy was presented to Kirsty by the Club Chairman, Neil Watson; Neil had presented the trophy to the club in 1995. He congratulated Kirsty and said how impressed he had been by the players and officials in the final and how much he had enjoyed watching it.

Congratulations to Kirsty for being the first girl to have her name on the trophy since it was presented 24 years ago.

Junior Coaching. Damian will be running coaching sessions in August. Please contact him for further details on damiangalloway@btinternet.com

Club Competitions will be in September, more information on the website or in next month's News.

The lucky Club members who had Wimbledon tickets enjoyed watching some excellent tennis, including the Men's final. Wimbledon is an experience most fans can only dream of. If you want to go into the draw for Wimbledon tickets next year you need to register as a British Tennis Member with the LTA. Details on their website.

Sheriff Hutton Village Hall Report from the AGM; 11th June 2019

Current trustees:

Hilary Bainbridge, Philip David (treasurer), Gillian Fairbotham (secretary), Steve Page (chair), Claire Wesley and Martin Willan (minute secretary).

Treasurers Report

Audited accounts for year to 31st December 2018 were reported to the AGM and have been submitted to the Charity Commission.

Overall the revenue income and expenditure roughly balanced over the year, although the overall capital balance reduced from £52,041 at 1st January 2018 to £36,538 at 31st December 2018. This is still sufficient to cover our contingency fund requirements.

The exceptional capital expenditure during the year is due to three major capital refurbishment projects:

Toilet refurbishments £15,600

Car Park entrance resurfacing: £2,400

Servicing the main hall floor: £2,300

Fund raising and grants offset a proportion of these project costs.

A full set of 2018 accounts is available in the Village Hall, or on the website:

<https://www.sheriffhuttonvillagehall.co.uk/welcome/accounts/accounts-2018/>

Chair's report *(covering the period June 2018 - May 2019)*

The Hall continues to be a thriving hub for village activities and is well used by a mix of regular hirers and for one-off events. I am particularly pleased that we are now attracting more organisations using the Hall for training events. This was something we set out to achieve a couple of years ago and was one of the reasons for getting wi-fi in the Hall.

The Trustees have completed much of the work to review and where necessary update policies and procedures.

We held a very useful meeting of regular hirers last September and we have been able to make four improvements that were suggested at that meeting:

- Buying six chairs with arms,
- Improving the lighting in the refreshments room,
- Developing the option of on-line payments,
- Creating a Village Hall Facebook page to enable hall users to promote events.

We intend to have a similar meeting later this year.

Hot water has been something of a theme for the year. We didn't have any hot water in the toilets in the foyer for some months following the refurbishment of those toilets in November/December. This was a result of putting new plumbing technology onto an older system and the two not working well together until we identified the problem and made some adjustments to the older pipework.

We are awaiting some additional tiling being put up under the hand driers in the refurbished toilets where the splashes are marking the paintwork, otherwise that project is completed. The gentlemen actors from Bad Apple Theatre Company, who have good reason to be connoisseurs of Village Halls around the country, where overheard being very complimentary about our toilet facilities!

You may have noticed the toilet twinning signs that have recently gone up. An anonymous hall supporter suggested the initiative and as well as funding the twinning, donated an equal amount to Village Hall funds. The twinning charity supplies toilets in parts of the world where they are needed.

One of the successes of the past year was the opportunity that arose to work with the Playing Field Trust, the Bowling Club, Cricket Club and Strensall Tigers Football Club to get the entrance to our car park and the roadway from our car park to the Cricket Club resurfaced. This both improved the facilities and strengthened our relationship with these neighbours.

The Village Market has been the most exciting new regular hire over the last year. We are delighted with the success of the first three markets and look forward to continuing to work with the Market Committee to develop what the market offers the Village.

Health & Safety

The Village Market raised some challenges with providing electrical power safely to stalls both inside and outside the Hall. We are grateful for the work Terry Johnson has done to ensure that the supplies we provide are compliant.

Last Autumn we brought a specialist firm in to undertake a Legionella Assessment of the Hall Facilities. We now have two members of the Hall Operations Committee trained and equipped to make regular checks of water temperatures and advise the Operations Group on compliance with Legionella safety requirements.

Village Hall Report continued

Future Plans

We continue to look for additional members for the Operations Group.

We hope to complete outstanding governance and compliance tasks by the end of 2019.

Our main refurbishment task for the coming year is the replacement of the work-surfaces in the kitchen and the bar, which are reaching the end of their life.

Fundraising

We are, once again, indebted to the work of the Friends of the Village Hall Group and Brian Shepherd and his volunteer collectors who administer the 200 Club. In the year to 31st December 2018 their combined efforts raised just over £4,000, which has been a major contribution towards the cost of refurbishing the toilets. We appreciate that all this money comes from people from the village and surrounding area who support the events put on by the Friends and who contribute to the 200 Club. Thank you for your continued support!

Sheriff Hutton Village Market

We have been so lucky as the sun continues to shine on our monthly market. People come from near and far and, hopefully, it all looks set to continue.

Our musicians so far have been 'Malarkey' a folk/country band followed in July by Julie Keen on her space drums, our August musicians are yet to be confirmed. If any local musicians would like to perform do let us know and it can be arranged.

As the growing season reaches its peak, we are thrilled that the market can now offer an abundance of seasonal fruit and veg, much of it grown very locally. The selection of meat available now includes local beef, pork, poultry and game. With two local bread makers, we offer traditional and artisan bread whilst the delicious baking businesses really do excel themselves

CAFE UPDATE: Including June's £469 for the PTFA, but excluding July the total raised is £2238!

VOLUNTEERS: Our pool of volunteers is slowly expanding. It's fair to say that we have a great day and, even if you can only offer an hour of your time between 7.30am-2pm it really would be appreciated.

Finally, as the market has proven a success to date and the stallholders are keen to continue too, we are pleased to announce that the market will continue on the third Sunday of every month in 2020 from March-December.
