Number 604

February 2020

An Apology

At the start of January's News we asked our readers to support the businesses which advertise in Village News. Their advertising very largely funds the News.

Then, the Editor for January's News uploaded the 2019 ad pages rather than the new pages for 2020. To the two new advertisers and those who made some changes we offer our sincere apologies. The correct pages are now part of the News for the rest of the year.

Please read the ad pages, spot the new ones, note the changes and – above all – use the services of the advertisers if you possibly can.

Hello from the Village Hall

I have now handed the booking secretary role over to Richard Masfield and we have a new bookings phone number. The number listed in January's Village News had to be changed because we had to change provider. EE has a terrible signal in the village, which I only discovered when we started to use the first phone. I had to change the handset when I changed our provider to O2, hence the new number. My apologies to all of you who will have to update hall contact details again and thank you for your patience. The correct Village Hall Bookings number is: **07894 734446**. When you email the hall please use **villagehall@sheriffhutton.co.uk**.

Tea Towels: we would be grateful if users could bring their own tea towels when using the kitchen. Please note that hall booking charges are changing from 1st February. We keep prices as low as possible to make using the hall affordable, while ensuring that hire income covers the cost of running and maintaining the hall.

Please feel free to contact me, if you have any questions.

Sheriff Hutton Village Hall Friends – 200 Club

There are 252 numbers taking part in the 2020 draws. Grateful thanks are due again to Club members for their support, and in particular to the collectors, who have helped keep membership to within 2 of the all-time record: Sandy Anderson, Lynne Blair, Philip David, Sarah Douglas, Dick Johnson, Richard and Wendy Haste, Jenny McMillan, Lyn Minto, Lynne and Brian Shepherd, and Alison Wardell. January's £25 prize winners were 45, 49, 56, 88 and 233.

Field Naturalists February 2020

Our first meeting of 2020 included a bring and share meal, enjoyed by a larger than normal number of members and visitors. The animated buzz of chat and banter indicated a great atmosphere. Brian Shepherd, a member of Field Nats and Trustee of the Glebe gave us a stimulating talk covering the history of the Glebe from its original owner, the Anglo Saxon Ansketill De Bulmer around 1092 through to the present day.

Of particular interest were the aerial photographs of the site taken from a drone hired for the purpose. Present incursions by Hogweed are somewhat less welcome than the original visitors in 1066!

An excellent talk, which we hope will encourage others to share their own love of nature.

Our next meeting is on Wednesday 5th February at 7.30pm in the Village Hall when we will be welcoming Elspeth Ingleby from the North Yorkshire Moors National Park Authority (NYMNPA), exploring the various ecologies of the area. Our March meeting on Wednesday 4th is our AGM, when present and future plans will be discussed.

Anyone wishing to join the group or needing more information about Field Naturalists, please get in touch with either Dave on 878672, Jim on 878667 or Tricia on 878995.

Dave Newman, Chairman

Sheriff Hutton Ladies Group

Our ladies group held a Bring and Buy sale on 8th January 2020, our first meeting of the year. 17 members had a fun afternoon, we had plenty of scarves, jewellery and other unwanted items to sell. We raised £46.70 for The Food Bank at Malton. Many thanks for the generous contributions for the food bank before Christmas: the green box was overflowing with lots of lovely items.

Many thanks to The Highwayman pub for the fabulous Christmas lunch on the 11th December; unfortunately I missed out as I was on holiday. Everyone I spoke to said how lovely the food was and the staff were so friendly so a big Thank You to you all.

Our next meeting on the 12th February 2020 at 2pm Mr N Read is going to give a talk about the history of The Knights Templar.

We have a variety of speakers who are coming to our group in the next few months from Spuds Spam and a Ration Book, a crime writer and a chiropodist who will tell us how to look after our feet. If you would like to attend any of our meetings please come along.

The Gardening Club

Our next meeting will be in the Village Hall on Wednesday February 19th at 7.30pm when Simon Crawford will give us his experienced advice on Growing Tasty Tomatoes.

Tips for the month

Apple and Pear trees should be pruned as required whilst they are fully dormant, during the first 2 months of the year. Try to choose a dry, frost free day for doing this job.

Remove any dead, damaged or diseased wood and with bush, standard and half standard trees try to keep the centre of the tree reasonably open. Aim to let in plenty of light to provide good air movement thereby reducing potential disease problems.

Any mummified fruit (brown rot disease) still hanging on fruit trees plus any remaining on the ground should be removed and binned.

Following any windy weather check trees, roses and other shrubs planted during the past few months. Gently firm in the plants and/or provide supports and ties if they have suffered from wind rock.

Take care when watering indoor pot plants not to overdo things during the next couple of months when daylight quality is often poor and daylight is short. In these conditions growth is slow and too much water will result in yellowing of the leaves or worse. Some plants such as Cyclamen are best watered from the saucer in which the plant is standing.

On sunny, milder days plants in the glasshouse, conservatory, cold frame or poly-tunnel will benefit from some ventilation. Stagnant air and humidity tend to favour the growth of fungal and mould diseases, e.g. botrytis.

Hellebores- usually the species *H.niger* (the Christmas Rose) and *H.hybridus* (the Lenten Rose) in their many different cultivars, colours and forms, are now making a colourful display in many gardens. By cutting back to soil level, at least some of the leathery old leaves during January and February, the lovely flowers can be seen much better. It will also help in controlling the dark brown or black fungal leaf spot disease which can decimate these plants. The leaves are prickly and the sap can be a skin irritant, so do wear protective gloves.

Sheriff Hutton Village Market

This time last year our committee of volunteers were working hard in preparation for our first village market which was held in March 2019. We were all nervous, how successful would our market be? Would the villagers enjoy and support the event each month? Could we recruit enough stallholders and would they do well enough to want to return? Would we have enough volunteers to manage the event? Most importantly, could the market raise funds for our community?

Our first market day arrived and people flocked to check out what it was all about. St Helen's Church provided an amazing café which was overflowing with customers, the hall was a hive of activity as people excitedly checked out the array of different stalls whilst outside the weather stayed kind, the traditional market stalls looked excellent and the atmosphere was buzzing - just what we had hoped for but nothing like we had expected. For some of us it was quite emotional to realise that, after 9 months of hard work, our energetic team had pulled together a community spirited, carbon footprint friendly and vibrant market, perfect!

As the months went on, the demand for stallholders grew and we now have a waiting list as, for the last 4 markets, we have been full to capacity with stalls. Remembering that our ethos is to support local businesses, we have such a fantastic array of stalls providing excellent bread, baking, seasonal veg, plants, eco-friendly household products, sweets, drinks (juice and alcohol), meat, art, craft, jewellery, home interiors, preserves, beauty products and much more. Prices are competitive and, knowing that the produce has often been reared, grown or made right on your doorstep means that shopping at our market confirms you are doing your bit

We are now in the process of auditing our finances and agreeing procedures for the distribution of raised funds. Stallholders pay for their pitch each month and these funds have accumulated and, after running costs have been deducted, will be available to various local groups in the near future. First of all we need to confirm the exact funds raised, what is then needed to continue the market after which the remainder will become available to local groups so watch this space for further details. What we can tell you is that the various local organisations who have hosted a café at the market in 2019 raised a total of £5109.69 between them which they retained - well done everyone!

Sunday village market dates for your 2020 diary are as follows:

March 15th
June 21st
Sept 13th
Dec 13th

April 19th
July 19th
Oct 18th

May 17th
August 16th
Nov 15th

Thanks go to the Parish Council for our initial grant funding of £1084 which was essential for the market to take place. Also to every group who has hosted a cafe; it's very hard work but every month has been fantastic! To the group of volunteers who run the event - our pool is ever expanding and we are always looking for additional support. Our team is such a friendly bunch, we love market day!! Finally, to the villagers for their patience and support (yes, we know parking is tricky!). Please, make a point of visiting on market day; even if it's for your first time, you'll be pleasantly surprised. Without you, our market would not be sustainable.

Meanwhile, from the Village Market committee, many thanks and we look forward to seeing you again on Sunday 15th March 2020

Thank you to everyone who helped with the January Jumble Sale, whether it be bringing jumble, baking, in the kitchen or raffle and tombola. Special thanks, of course, to the Jumbles for all their hard work. We raised over £1900.

Sheriff Hutton History Group

December Market Cafe: A **BIG** thank you to members and friends who did sterling work to raise £603.19 towards equipment for the Archive store. It was a long session with a very busy market, but our team of volunteers were cheerful and welcoming, offering great food and a place to relax and meet friends in the midst of Christmas shopping.

Welcome to our program for 2020, we hope that readers will find a subject of interest and come along to support the History Group. We have moved our meeting days to a Friday due to Fire regulations in the Hall; we hope that this will be a more convenient day and encourage more people to join us.

Diary Dates: Spring

Friday 28th February 7.30pm Village Hall - John Armitage will be presenting **Crime and Punishment in Sheriff Hutton**, an account of crime and wrong doing administered through the ages. John will reference various incidents, trials, newspaper reports, photographs and records of the time. This promises to be an illuminating look at the 'shady' side of Sheriff. We look forward to welcoming you. Entrance on door Members £2 Visitors £3 inc. refreshments.

March 27th - Wentworth Woodhouse and Sheriff Hutton Park - a presentation by Roy Thompson on political intrigue, family connections and tales of financial dealings through three centuries. In recent years Roy has uncovered the Fitzwilliam mausoleum in Sheriff Hutton's churchyard and will include this fascinating link to one of the wealthiest families England (at one time) in his talk. Wentworth Woodhouse in South Yorkshire has the longest frontage in England and said to have 365 rooms!! What connects Sheriff Hutton Park to this great house many miles away? Come and join us and find the answer. Entrance on door Members £2 Visitors £3 inc. refreshments.

April 24th - Annual General Meeting (members only) followed by a **Social Archive Evening**. Further details later.

May 15th - Towton Battlefield Chris Burden will give an account of the great Wars of the Roses battle which took place on Palm Sunday 31st March 1461, where an estimated 50,000 soldiers fought for hours amidst a snowstorm. If there is enough interest we are hoping to organise a visit to the battlefield later on in the year.

THE METHODIST CHURCH

Two verses of a hymn written by Revd Pratt Green, who has been to Sheriff Hutton, read:

God in His love for us lent us this planet,
Gave it a purpose in time and in space:
Small as a spark from the fire of creation,
Cradle of life and the home of our race.

Earth is the Lord's: it is ours to enjoy it,
Ours, as his stewards, to farm and defend.
From its pollution, misuse, and destruction,
Good Lord, deliver us, world without end.

Do pray that the meeting of world leaders will be guided in their meeting and that together each of us, whatever our age, will play our part too.

Collective Oil Buying

Many years ago, a small number of people started buying their heating oil as a group as a way of saving some money. Over time the group has grown and now numbers over 60 houses, in Sheriff Hutton and Lilling. Oil prices and price margins fluctuate wildly but savings are in the range of 2p – 5p per litre. However, it has become difficult to manage the scheme on the original manual 'system.' Two people have volunteered to join in with operating the scheme and it is going to become a little more structured to make it more manageable. But that means anyone can join in if they need oil at the time of an order. Knowing that everyone wants to be sure of having plenty of warmth at Christmas the annual cycle starts with that in mind. There would be an order in November for delivery during December, February for March, May for June and August for September. The supplier for many years has been BATA at Amotherby who are well known to many people in the village and have been very reliable and friendly over the years. All deliveries should occur on the same date given by BATA as this leads to a reduction in cost.

The deadline date for orders will be published in Village News; orders will be placed by email. As soon as we have a total number of litres required we can discuss the price with BATA and then let each person know how much their order will cost and the planned delivery date. The minimum quantity which can be ordered is 500 litres but you can order any number of litres above that. Payment can be made to the driver or by phone to BATA within 7 days of the delivery.

Which brings us to two questions :

- would you like to join the collective buying group? If your answer is "yes" please email us at **sheriffhuttonoil@gmail.com**
- if there is sufficient take-up for the revised buying scheme, do you want to order oil this month for delivery in March or be included on our email distribution list for future orders? If you do, please email your requirements to **sheriffhuttonoil@gmail.com** by Saturday, February 8th

If new to the group please include your name, email, back up phone number, address, location of oil tank and oil order or request to be added to database.

If the scheme does go ahead, an email reminder for an order will be sent to all members as well as notification on Village News.

Please note to enable this to work your details will be held on a database, and certain details e.g. name and order shared with the rest of the group and name, address and contact details will be provided to BATA or a future oil provider in connection with oil orders.

Privacy statement available on request.

Message from the Jumblies –

Our first Jumble sale of 2020 was well attended. The "Treasure" for Radio York Finders Keepers was with us and they arrived just before 12 noon to claim it. We had fun with them and the great publicity they gave us resulted in quite a few new buyers coming along. Our regulars were queuing from 11.30 and it was lovely to see them again. The sale raised £1956 for The Parish Church. Thank you to everyone who gave prizes, cakes and jumble.

Our next Jumble Sale will be on **Saturday 15th February** to raise money for Sheriff Hutton Playgroup. We are very happy to take your unwanted bric-a-brac, toys, books and particularly clothes. If you are moving house or just having a clear out please remember us.

We turn your unwanted items into cash for worthy causes. We will be open to receive your donations between 9.00 and 11.30 am. However, if you are not able to bring your jumble then, please contact Pat Cooper on 878677, or me on 878392 to make alternative arrangements.

The Book Room will be open from 1pm when cakes will also be on sale. The main sale will start at 2pm until 4pm

Neighbourhood Watch (NHW)

This year I was able to attend the Ryedale NHW AGM on the 8th January at Hinderwell.

In his report the Chairman thanked the Members for their attendance and commitment, and the hard work of the NHW Teams to ensure that Ryedale remains a low crime area, however there is still a need to expand NHW membership, to get away from the “behind the curtains” image, and to support the Police more effectively, ideally with the support of younger members. To promote this, NHW have attended various public meetings, Ryedale Community and Police Forums, and are happy to support any public causes. In passing I would like to increase the membership coverage in our village, and I would welcome any enquiries to join.

The report included some interesting statistics on Crime reporting, 101 and Police response, and the public perception of the Police.

Please be aware that Yorkshire Water have stated that they will not require access to properties during their imminent “pipe flushing” campaign, any one requesting such access should be carefully vetted.
