One Collection uPVC windows and doors are manufactured by Everglade Windows, London’s No.1 Fabricator.

Established in 1980, Everglade Windows has spent the last four decades perfecting manufacturing techniques to become one of the most forward-thinking and technologically-advanced window and door manufacturers in the UK.

This means that One Collection uPVC windows and doors are made with care and precision to make sure that you can enjoy them for years to come.
When it comes to selecting the right products to enhance and protect your home, you want to be sure you’re making the right choice. Beautiful, stylish, expertly made, our uPVC Flush, Ovolo and Chamfered windows and doors strike the perfect balance between energy efficiency, security and design.

So which is the right fit for your home?

**FLUSH SASH**
Flush casement windows are characterised by openers that close into the frame and finish flush with the face of the window to replicate timber style windows.

**OVOLO SASH**
Ovolo sash windows feature a rounded finish and outward opening sashes, which stand proud of the face of the window frame and are the more typical style found in houses today.

**CHAMFERED SASH**
The Chamfered sash has a straight edge finish and outward opening sashes, which stand proud of the face of the window frame and looks sharp yet subtle.
STYLE

One Collection windows and doors combine the elegance and styling of traditional timber windows with all the benefits of uPVC. They are virtually maintenance free, keeping the warmth in and unwelcome visitors out.

The collection is ideal for period properties and for those who want to add or restore character to their homes. With unique, unrivalled aesthetics and sympathetic symmetrical design, a One Collection window or door will give your home perfect balance and harmony.

SECURITY

There’s no compromise when it comes to security. The bespoke locking keep has a useful night vent locking position and also helps to achieve enhanced security accreditation PAS 24, a British Standard all of our One Collection products have achieved. Furthermore, all One Collection windows and doors can carry the Secured By Design badge of approval. Secured By Design is the national UK crime prevention initiative, which helps protect you and your property for complete peace of mind.

Our wide range of modern, contemporary and period style windows incorporate the latest built-in safety features, including internal glazing beads and multipoint locking systems.

To provide enhanced resistance to forced entry, our windows can be fitted with a hinge protector device between the frame and the sash opener. For doors the latest anti-bump, anti-snap, key locking cylinders can also be installed to further enhance performance.
What makes our windows so unique?

PERFORMANCE

To keep out the wind and rain, we use our patented high performance, multifunctional weatherseals. The airtight seal this creates helps to maintain your comfort inside your home.

The Flush sash dual seal is exceptionally watertight, with the added benefit of concealing any hardware. Any water that has found its way inside is quickly evacuated due to the intelligently designed integral drainage gutter.

CONSERVATION

Flush and Ovolo sash windows look great in any surrounding, from country cottages to modern townhouses. Their subtle charm and elegance will transform your home.

If you live in a Conservation Area, home improvements such as replacing your windows and doors will require planning consent as there are strict guidelines to ensure that architectural features are preserved.

One Collection windows & doors have been designed with this in mind; replicating the appearance and style of traditional timber windows with features such as our authentic woodgrain finish, Monkey Tail Handles and Georgian Bar options. However, you should always obtain consent from a planning or conservation officer before proceeding with an installation.
FLUSH SASH WINDOW

Designed to replicate the appearance of timber, Flush sash windows are distinguished by sashes that close into the frame and finish flush with the face of the window. Flush sash windows typically have frames that appear the same width, known as 'equal sightlines'. This look is achieved using dummy sashes, something that undoubtedly improves the overall appearance of your property.
OVOLO & CHAMFERED SASH WINDOW

Ovolo and Chamfered sash windows feature outward opening sashes which stand proud of the face of the window frame and are the more typical style used in homes you see today. For that period property look, both Ovolo and Chamfered sash windows can also feature a dummy sash. This simple but effective upgrade to achieve “equal sightlines” can really enhance the beauty of your home. See Page 42.

A+
One Collection Flush windows look fantastic in any surrounding; modern townhouse or country cottage. They will retain their elegance while still functioning as a high quality window for many years to come.

**Super Efficient**
Compared with aluminium or wood, uPVC windows are low maintenance, have better insulation values and are able to reduce energy and heating costs.

**Perfect for Conservation**
Flush external contours are in keeping with period properties and also meet the requirements of most conservation area officers.

**Sound-Proof**
Glazing options to maximise energy efficiency and sound proofing.

**Safe and Secure**
For total peace of mind, our One Collection Flush windows come with multipoint locking as standard.
One Collection windows and doors combine the elegance and style of traditional timber with all the benefits of uPVC.

Its unique, unrivalled aesthetic appeal makes this range the most attractive suite of windows and doors on the market today.

- Sleek slimline frames
- Dummy peg stay option
- Traditional butt or mitred joint
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 Approved
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes
One Collection Ovolo sash windows look stunning in any surrounding.

Super Efficient
Compared with aluminium or wood, uPVC windows are low maintenance, have better insulation values and can reduce energy and heating costs.

Your Ideal Home
The One Collection Ovolo sash sits perfectly in any property, whether it be a modern town house, a quaint country cottage or even a period home.

Sound-Proof
Glazing options to maximise energy efficiency and sound proofing.

Safe and Secure
For total peace of mind, our Ovolo windows come with multipoint locking as standard.
One Collection Ovolo sash windows feature outward opening sashes, which stand proud from the face of the window frame and are the more typical style found in houses today.

This range is ideal for period properties and those who want to add character and enhance the appearance of their homes. The stunning and individual aesthetic of this range makes it a market leader.

- Smooth contours
- Traditional butt or mitred transom / mullion joint
- Unique optional horn sash
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 Approved
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes
ONE COLLECTION OVOLO SASH WITH DECORATIVE HORN
The addition of a Decorative Horn detail can recreate the look of a traditional box sash, but with modern acoustic and weather performance.

The One Collection Ovolo Decorative Horn is ideal for those who wish to maintain a traditional finish.

Its authentic ‘run-through’ style enhances the window, creating a finishing touch that’s almost seamless.

Despite its intricate design, the unique two part moulding is very robust, borrowing its core design from our tried and tested Flush sash mechanical joint.

Available from stock in all the One Collection Ovolo colours as pre-prepared carefully assembled kits, the new Decorative Horn completes the One Collection range.
The beautiful Chamfered shape adds a stylish elegance to both windows and doors, inside and out. Featuring outward opening sashes, which stand proud from the face of the window frame, the styling is sharp yet subtle.

The Chamfered edge integrates easily in all types of architecture and design with a range of colours and finishes that ensure you can find the perfect window for your home.

- Smooth and stylish frames
- Traditional butt or mitred transom / mullion joint
- Exquisite Georgian bar option
- Traditional hardware options
- High energy rating and weather performance
- Enhanced security PAS 24 Approved
- Double or triple glazing available
- Low maintenance uPVC frames
- Available in a range of colours and woodgrain finishes

Performance

To keep out the wind and rain, we use our patented high performance, multifunctional weatherseals. The airtight seal this creates helps to maintain your comfort inside your home. The Flush sash dual seal is exceptionally watertight, with the added benefit of concealing any hardware. Any water that has found its way inside is quickly evacuated due to the intelligently designed integral drainage gutter.

Insulation

With its core designed around One Collection Ovolo sash, the insulating properties of Flush sash are even more impressive. A double glazed window with a U-value of just 1.2 epitomises this market leading product.
ONE COLLECTION
DOORS
Smooth contours and stunning features; this elegant range of One Collection doors and windows complements any shape or size of property. Combining the traditional look with the latest technology, its simplistic design gives a property perfect balance and harmony.

OUTSTANDING INSULATION

With its unique high performance weatherseal and clever internal design, One Collection doors provide superb thermal insulation and sound proofing (with the correct glazing configuration). Designed for compliance with both current and future Building Regulations, One Collection windows & doors offer long lasting benefits.

PROTECTION FROM ROGUE ELEMENTS

It’s not just the weathering properties that make One Collection windows & doors an excellent choice. Its core design is compatible with the latest security specific hardware, making it a truly robust proposition to deter any game intruder. For peace of mind, the complete system comes fully accredited to PAS 24, the enhanced security standard.
ONE COLLECTION WINDOWS & DOORS

ONE COLLECTION OVOLO SASH FRENCH DOORS

OUR DOORS HAVE THE PERFECT BALANCE BETWEEN ENERGY EFFICIENCY, SECURITY AND DESIGN
Protection and Security
Protecting our families and our material possessions is also important, so it’s good to know feeling safe and secure in our homes is as simple as choosing the right doors and windows.

One Collection’s superior manufacturing combined with high security hardware gives you that peace of mind.

Every effort has been made to ensure your new windows and doors keep both your home secure and any undesirable element out. To support this claim the One Collection range of products has achieved PAS 24 enhanced security performance requirements for doorsets and windows in the UK.
ACCESSORIES
Pear Drop Handle

A unique, traditionally designed pear drop handle that fits perfectly with the One Collection windows. The pear drop handle grip has been ergonomically designed to fit perfectly in the palm of your hand. Due to its twist on the classic handle shape it is suitable for all our One Collection styles, most rooms and most interior schemes, you just need to choose the best colour option for you.
Monkey Tail Handle

Elegant design inspired by 19th century ironmongery, our monkey tail handle gives a classic finish to our One Collection windows. Manufactured with a specially formulated finish, it is suitable for all our One Collection windows, most rooms and most decor. Choose your favourite from our range of colours.

Monkey tail handles are also available to create a perfectly matching One Collection window

Traditional Pegs & Stays

Matching dummy peg stays are perfectly suited to our One Collection windows.

* Dummy peg stays can only be fitted with the Flush sash option
B papers and sheets

Stunning window and door furniture to complete the look

Perfectly matching components, even down to the smallest details

Standard Handle

Classic design with a contemporary twist to create an elegant and stylish window, the standard handle is a perfect match for all our One Collection windows. Suitable for left or right-hand-opening windows, this key locking handle is available in many colour options to complement your windows and doors.
Door Handles

For sliding doors, single doors or French doors, we have a range of handles with a classic design to perfectly complement One Collection doors.

Available in 5 colours; White, Black, Chrome, Gold and Silver.
One Collection colours have been specially designed to help you put together the perfect colour palette for your home.

Every home is different, and our beautiful range of colours takes its inspiration direct from nature to harmonise perfectly with your home and its surroundings, ensuring it stays looking good for years to come.

Our unique range of premium foil colours are available in a number of colourways.
Premium Coloured Foils in 26 Colourways

* on grey base
One Collection Glass Options

There are a wide range of glass effects from which you can choose to closely match the pattern you prefer. All our One Collection glass options are available toughened or laminated for your security and safety.

Leaded and Georgian

The design of your One Collection windows and doors have a big impact on the overall appearance of your home. Whatever the age of your property, the original windows and doors were designed to harmonise with it. So it’s important to consider what will look right for the building when you replace them. The right design and look can preserve or enhance the value of your home.

Sightlines

Good window design extends to the symmetry of window sightlines. Equal sightlines add balance and harmony - creating the perfect stylish finish.
Every product Everglade Windows manufactures is made with care and expert precision across two manufacturing facilities in West London. They have been awarded BS EN ISO 9001:2008 for the manufacture of uPVC and aluminium windows and doors.

Everglade Windows practices lean manufacturing, to improve efficiency and reduce waste. The production facility offers an impressive balance of automation backed by the human touch – a workforce of fully trained specialists.

Manufacturing automation is backed by years of product knowledge. Everglade Windows skilled crafts-people and support team collectively have formal qualifications in Customer Service, Lean Techniques and Window Manufacturing.
