(SGB & Private School members)

It is absolutely important for the SAOU to accurately determine the negative effect on SAOU members and therefore we request every member who has lost his/ her employment or whose salary has been reduced during the Covid-19 period to contact the relevant Provincial Secretary immediately.

The SAOU wishes to determine the extent of the situation and undertakes to do its utmost to address the matter.

The following information is vital:

- Initials and surname
- ID number
- School/ work place
- Cell number

Die SAOU wil graag die omvang van die situasie vasstel en onderneem om sy uiterste te doen om die situasie te beredder.
