

Argabeta Oil

Obtained from moroccan Argan berries, which contains Argan oil and Beta Carotene, rich in vitamin E (a natural antioxidant). With UV/Filter reinforces your hair, which strengthens it, non greasy, for deep hydration, leaving your hair silky with shiny shiver.

Argabeta Line

Natura is our inspiration in creating the Argabeta Line. This products are based on Argan Oil, an extraordinary natural ingredient obtained from Argan berries, which's been used for hundreds of years by Arab women to protect their hair and skin from the aggression of the sun and the desert. This precious tree grows in the Souss Region, a triangular area of dessert between Marrakech, Agadir and Essaouira
